

CITY OF TUSTIN OFFICIAL NOTICE

The City of Tustin is in the process of preparing and finalizing its one-year Action Plan, detailing the projected use of Program Year 2023-24 Community Development Block Grant (CDBG) funds.

To receive CDBG funds, the U.S. Department of Housing and Urban Development (HUD) requires jurisdictions to prepare a "Consolidated Plan," a five-year planning document intended to identify a community's overall need for affordable and supportive housing, community development programs, social services, and economic opportunities for low- and moderate-income persons. The Plan also outlines a five-year strategy to meet those needs and identifies resources and programs that would address them. The City Council adopted the 2020 – 2025 Consolidated Plan on April 21, 2020.

The one-year Action Plan, a section of the Consolidated Plan, serves as the City of Tustin's application to HUD for CDBG funding. The City must submit an Action Plan annually for each of the five (5) years covered by the Consolidated Plan. The purpose of the Action Plan is to detail exactly how the City will spend its annual allocation of funds to meet community needs identified in the Consolidated Plan.

2023-24 Draft Action Plan

The Draft 2023-24 one-year Action Plan will be available for public review and comment for thirty (30) days beginning March 30, 2023, and ending April 28, 2023.
