

2025 California Building Standards Codes

If you are a City of Tustin property owner or an architect, engineer, designer, or contractor that performs work within the City, please be advised that the City will be enforcing the following [2025 California Building Standards Code](#) effective on January 1, 2026.

- [2025 California Building Code](#)
- [2025 California Residential Code](#)
- [2025 California Electrical Code](#)
- [2025 California Mechanical Code](#)
- [2025 California Plumbing Code](#)
- [2025 California Energy Code](#)
- [2025 California Historical Building Code](#)
- [2025 California Fire Code](#)
- [2025 California Existing Building Code](#)
- [2025 California Green Building Standards Code](#)
- 2025 California Wildland-Urban Interface Code
- [2025 California Referenced Standards Code](#)
- 1997 Uniform Code for the Abatement of Dangerous Buildings
- 1997 Uniform Housing Code
- 2024 International Property Maintenance Code

In addition, State of California's Health and Safety Code Section 17958.7 and 18941.5 permits local governments to adopt amendments to the California Building Standards Code when they are administrative or procedural, or when there are local climatic, geological or topographical conditions that exist within their communities. [Ordinance No. 1569](#) is proposed to adopt and amend the 2025 Building Standards Code with certain Appendices and supplemental regulations.

All new plan review applications submitted on or after January 1, 2026, will be required to comply with the above referenced code editions and Ordinance No. 1569. The 2025 California Building Standards Codes are available for purchase from the [International Code Council](#), and digital copies, may be accessed [here](#) under the heading: "2025 Triennial Edition of Title 24". [Ordinance No. 1569](#) is available at the City Clerk's Office.
