Synopsis

The suspect fled when I attempted to make a bike stop. As the suspect fled on his bike he threw his backpack on the ground. The backpack contained burglary tools and a glass pipe which he used to smoke methamphetamine. The suspect was arrested and sustained minor injuries he was later cleared by medical staff and booked into OCJ.

Narrative

On 05-21-13, I was working uniform patrol in a marked City of Tustin Police vehicle. At about 0058 hours, I observed a bicyclist who was later identified as Geroge Werner riding his bicycle southbound on Newport Avenue on the northbound lanes in violation of CVC- 21650.1(a) riding on the wrong side of the road. The bicyclist was also operating his bicycle without the proper lighting in violation of 21201(d)(1) Must have a white light when operating a bicycle during darkness.

I made a U-turn on Newport Avenue and Mitchell Avenue and turned my lights on and attempted to make a bike stop. Werner passed my vehicle and failed to yield and continued southbound on Newport Avenue towards Mitchell Avenue. I made a U-turn and got behind Werner as he fled on his bike. Werner turned west on Mitchell Avenue from Newport Avenue and continued westbound on Nisson Road. As I followed Werner westbound on Nisson Road east of Pasadena Avenue he removed his blue backpack and threw it on the ground.

The backpack was later recovered on Nisson Road by Officer Welde. Inside the backpack Officer Welde located a glass pipe with a white residue and burglary tools (Pliers, wire cutters, wrenches, and screwdrivers). Also inside the backpack were three 6" copper wires. I later collected the items as evidence. I booked the items into a TPD evidence locker (L-15).

After Werner threw his backpack on the ground he continued to flee westbound on Nisson Road and southbound on Pasadena Ave. Officer Mitchell responded to the area of Pasadena Avenue and Medallion Court to assist in the pursuit. When Officer Mitchell arrived he exited his police vehicle and told Werner to stop. Werner turned westbound on Medallion Court and Officer Mitchell gave chase on foot. When Werner reached the dead end of Medallion Court he placed his bike on the ground and laid on his stomach with his hands above his head. Officer Mitchell detained Werner at gun point and waited for my arrival.

When I arrived at the scene I exited my vehicle and approached Werner who was laying on his stomach. As I walked up to Werner I told him to place his hands behind his back and told him not to move. I then removed my handcuffs with my right hand and as I began moving towards

Werner he rolled to his back and moved his hands towards his waistband. Based on his movement's I feared for my safety and did not know if Werner was going to arm himself and attempt to assault me. I quickly struck Werner on the right side of his face with my right fist. Werner then turned back onto his stomach but kept his hands at his waist band. Officer Mitchell and I told Werner to stop resisting and to place his hands behind his back. Werner complied with our commands and I handcuffed him.

After Werner was handcuffed he made a spontaneous statement and said, "I ran because I have a pipe in my backpack. A records check of Werner revealed he was on probation with search and seizure and had a felony warrant (13CF0477) for H&S 11377(a)- Possession of Dangerous drugs and H&S 11364.1(a)- Possession of opium.

At the scene Werner complained of pain to the right side of his face and he was bleeding from his nose. Orange County Fire responded to our location and transported Werner to Western Medical Center in Santa Ana where he received treatment from Doctor Nguyen Khuu. Werner sustained a broken nose and contusion to his right eye and a three inch laceration on the right side of his nose. Once Werner was medically cleared I read him his Miranda Rights from my TPD issued Miranda Card. Warner said he understood his rights and refused to speak to me. Werner was medically cleared and was transported and booked into Orange County Jail by Officer Mitchell.

I request that a copy of this report be forwarded to the Orange County District Attorney's office for review. I request the following charges PC- 148(a)(1)- Resisting arrest, PC-466 Possession of burglary tools, H&S 11364.1(a)- Possession of drug paraphernalia, CVC- 21201(d)(1)- No light and CVC 21650.1(a)- Operating a bike on the wrong side of the road be filed on Werner.

Supplemental Report

Narrative:

On 05-21-13 at approximately 0058 hours I responded to the area of Newport Ave and Mitchell Ave to assist Officer Gonzalez on a report of a man on a bicycle failing to yield. (See Officer Gonzalez's original report for details). As I drove to the area, Officer Gonzalez advised the man, later identified as George Werner, was riding westbound on Nisson Road. Werner continued to ride westbound on Nisson Road and then turned southbound on Pasadena Ave.

I arrived at the area of Pasadena Ave and Medallion Ave and saw Werner riding his bicycle southbound on Pasadena Ave on the west sidewalk area. It should be noted that I was driving in a marked TPD patrol vehicle. I was also wearing a TPD issued police uniform, with a standard Sam Brown duty belt, Tustin Police patches and a Tustin Police Officer Badge.

I exited my patrol vehicle and ordered Werner to stop. Werner looked directly at me and turned westbound on Medallion Ave and continued to ride his bicycle. I yelled, "Stop, police" and began to run after him. Werner reached the end of Medallion Ave and jumped off his bicycle. I ordered him to get down on the ground, which he did. I detained him at gunpoint and waited for Officer Gonzalez to arrive. Werner was lying on his stomach and had both arms out to his sides at this point.

Officer Gonzalez arrived and began to walk toward Werner to handcuff him. Officer Gonzalez told Werner not to move as he began approaching him. Before Officer Gonzalez reached him, Werner suddenly turned on his back and put his hands down by his waistband. Officer Gonzalez struck Werner in the face area and we jumped on him in an attempt to place him in handcuffs. We ordered Werner to roll over to his stomach, which he did. Werner had his arms under his stomach and we were unable to see them. I ordered

Werner to stop resisting and we were finally able to gain control of his arms. Werner was placed in handcuffs without further incident.

OCFA was contacted and arrived at the scene a few minutes later. Werner was transported to Western Medical Center Santa Ana for treatment and I followed the ambulance. After treatment, I transported Werner to OCJ.

Narrative

On Tuesday, 5-21-13, at 0058 hours, I attempted to make a bike stop in the area of Newport Ave and Mitchell Ave. The suspect who was later identified as George Werner was operating his bike on the wrong side of the street and was operating his bike in darkness without a white light. When I pulled up to Werner I turned on my overhead lights (red & blue emergency lights) and Warner continued past my vehicle and began to speed up. I made a U-turn and got directly behind Werner. I initially followed Werner with my overhead lights only. As Werner continued westbound on Nisson Road it was apparent he was attempting to flee to prevent arrest. During the pursuit Werner removed his blue backpack and threw it on the ground and continued to flee on his bike.

I later reviewed my police vehicle's Mobil Audio Video System (MAVS) which captured the pursuit. When I watched the pursuit on MAVS I saw Werner throw a second object on the ground after he removed his backpack. The pursuit continued westbound on Nisson Road then southbound on Pasadena Ave at which point I turned my sirens on. As I followed Werner southbound on Pasadena Ave, Werner continued to speed up and was riding his bike in the middle of the street. Ultimately Werner was arrested and booked into OCJ. The distance from which I initially began to follow Werner and where he was taken into to custody is about 1/2 a mile.

On 5-21-13 at about 2030 hours Officer Schaller did a patrol check of the area and was unable to locate the second item that was thrown by Werner. I request that a copy if this report be attached to my original report.

Brief Summary of Incident (Attach additional pages if necessary)

Officer Gonzalez attempted to stop Werner who was riding a bicycle for vehicle code violations. Werner did not yield and continued riding even though Officer Gonzalez had his emergency lights activated and one point, his siren. Officer Gonzalez followed Werner from Newport and Mitchell to westbound Nisson and then southbound Pasadena. When Officer Mitchell arrived on scene, Werner turned westbound on Medallion. Officer Mitchell exited his vehicle and chased Werner on foot. When Werner reached the dead end of Medallion he got off his bicycle and laid down on the ground to signify he was giving up. Officer Mitchell stood by with his gun drawn until Officer Gonzalez arrived on scene. As Officer Gonzalez walked up to handcuff Werner, Werner without warning quickly turned onto his back and moved his hands toward his waistband. Fearing for his safety and believing he was going to be attacked, Officer Gonzalez punched Werner in the face one time with a closed fist. Officer Gonzalez and Officer Mitchell were able to handcuff without further incident.

When I arrived, Werner was complaining of trouble breathing and he had a laceration on the ride side of his nose. I requested OCFA who responded and transported Werner to Western Medical Center for treatment. Werner was eventually cleared and booked into the Orange County Jail.

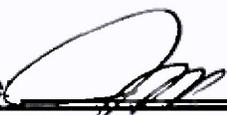

I attempted to interview Werner at the hospital. He told me he ran because he knew he had a warrant. He admitted knowing he was fleeing from the police. He said he eventually gave up and laid down on the ground. While on the ground, an officer told him

to turn onto his back. As he was turning onto his back, an officer punched him in the face. Werner refused to answer further questions.

I reviewed Officer Gonzalez' MAVS and it appears consistent with his account of what occurred. I reviewed Officer Mitchell's MAVS and it did not capture any of the incident due to where his vehicle was stopped.

There were no additional witnesses identified other than the two officers.

Review/Comments:

Lieutenant:

After reviewing the report and supporting documents prepared by Sgt. Birozy, I find Officer Gonzalez acted appropriately during the incident. The suspect (Werner) failed to comply with officers commands. He also turned onto his back and moved his hands toward his waistband causing Officer Gonzalez to strike him once with a closed fist. I also reviewed the photographs which indicated the injuries were consistent with Werner being struck in the face with a closed fist.

The level of force was well within the guidelines set forth in our Department's Use of Force Policy. Given the facts and circumstances perceived by them at the time of the event, the Officers used the amount of force that appeared reasonably necessary to effectively bring the incident under control. As per our policy, the suspect was immediately treated for his injuries.
