Case Summary:

The following is a brief summary of events, listed chronologically in order. The information was obtained via witness interviews, Tustin Police Department phone and radio recordings, Mobile Audio Video (MAVS) recordings and Computer Aided Dispatch (CAD) call logs.

On Monday (02-10-14), ROBERT VILLA was home with [redacted] (step-father), [redacted] (sister) and [redacted] (brother). [redacted] woke up and she saw VILLA was talking to himself and pacing back-and-forth in the living room. [redacted] heard VILLA making threats, however she figured the person he was threatening was not real. She heard VILLA say, "*give me back my gun or I'll kill you.*" VILLA was also talking about unknown cell phone cameras "recording him."

Later in the morning VILLA was in possession of a large knife, which [redacted] described as being 11 to 12-inches long. VILLA stabbed the wall with the knife. At one point, she heard VILLA say to a fictitious subject, "*come out, I'm waiting for you*" as he was pacing with the knife. [redacted] and her brother [redacted] left and went to Frontier Park.
[redacted] statement to Officer Gleason.)

According to [redacted] VILLA had not slept for two days and he started "freaking out." [redacted] believed VILLA was using "methamphetamine." [redacted] said VILLA was dehydrated and angry this morning because "*he wasn't sleeping.*" [redacted] said VILLA left at one point to get a drink, however he returned home and "*he was still acting crazy.*" [redacted] and [redacted] left to go to the park, at the same time their mother was running out of the residence.
[redacted] tatement to Detective N. Nguyen.)

According to [redacted] VILLA was "*acting out, talking to himself*" this morning. [redacted] told VILLA not to act that way. He told VILLA that he would not put up with that type of "attitude." VILLA kept mumbling nonsense about "*devices and repeaters, and stuff the government can hear.*" VILLA also said something to the effect of, "*They're gonna kill me. I might as well go out like this.*" VILLA kept the front door open and Mejia repeatedly told VILLA to close the door because it was cold.

[redacted] went out to his car to get some change, so his daughter could go to the Laundromat. At that time [redacted] called his wife, [redacted] and informed her that ROBERT VILLA was "acting up." [redacted] returned to the apartment while [redacted] was still at his vehicle, getting change.

[redacted] was walking back to the apartment from his car when he saw his son ([redacted]) walking away from the apartment. He then saw his wife ([redacted]) running out of the apartment and [redacted] was already on the phone with the Tustin Police Department. [redacted] went toward the gas station (Union 76, 14081 Red Hill Avenue, Tustin, CA) and [redacted] followed her while he spoke with the police.
[redacted] statement to Detective N. Nguyen.)

[redacted] walked southbound on the sidewalk, into the apartment complex. [redacted] saw VILLA standing next to two orange traffic cones and he was talking on a cell phone. VILLA was sweating, pacing back and forth and breathing heavily. The tone of his voice sounded angry as VILLA spoke on his phone. [redacted] asked VILLA where the manager's office was, however he ignored her. As she passed by him, VILLA knelt down on the ground. [redacted] saw a knife was stabbed into the ground a few feet in front of VILLA. When he knelt down, VILLA was approximately 1-2 feet from the knife.

[redacted] felt uncomfortable with the situation so she continued walking toward the pool area, looking for the manager's office. She later heard someone yell, "*My problem is not with you!*" followed by gunshots.
[redacted] statement to Officer Houle)

At approximately 11:35 hours, [redacted] and [redacted] called the Tustin Police Department. [redacted] was talking into the phone and [redacted] was talking in the background, providing information to tell the police. Dispatcher Kuykendall handled the 911 call.

[redacted] "*My step-son is going crazy in the house.*"
(11:35:19 hours per CAD entry)

[redacted] "*Tell them to come. He's already coming out.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

[redacted] *"He's already coming out so you gotta come out here."*

[redacted] advised that the family had fled the residence and were on the streets.

[redacted] *"Naw, we're leaving because this is... You got, he has, you have to hurry up because the whole family is in the streets."*

[redacted] yelled at someone in the background to "*Go back in the house! Now!*" He then spoke to the dispatcher.

[redacted] *"Uh, he's inside the house. He's got a knife."*

[redacted] again yelled at someone in the background, "*Get over here! Go, get over here!*" [redacted] sounded distracted as he was dealing with something. [redacted] yelled, "*What'd he do?!*"

Dispatcher "What's he doing right now?"

[redacted] *"Uh, he hit the wall with a knife or something. Hurry up!"*

[redacted] identified his step-son as being ROBERT VILLA. [redacted] said he was not certain if VILLA still had the knife, however he advised that no one was inside the house with him. [redacted] also advised that VILLA was on parole.
(11:36:11 hours per CAD entry)

[redacted] told Dispatcher Kuykendall that he and his wife [redacted] were at a gas station.

[redacted] *"I just... I'm with my wife at the gas station, at the corner."*

[redacted] and [redacted] provided a physical description of VILLA including his height, weight and clothing. [redacted] advised that VILLA was at the house and he was "*... the only one there.*"

[redacted] can then be heard in the background describing the damage caused by her son ROBERT VILLA.

[redacted] *"He broke the whole door frame and slashed the wall..."*

Dispatcher Kuykendall asked what VILLA was upset about today.

[redacted] *"I don't know. I really don't know. He's been mumbling about being upset..."*

[redacted] *"He's talk- he's talking nonsense."*

[redacted] *"He's talking nonsense like he's surveillance and stuff, and he wants to kill somebody."*

[redacted] *"He, he might be on, on, uh... probably on drugs."*

Officer Jankowski advised via radio that all responding officers (Officer Jankowski, Officer Stroud, Officer Wright and Officer D. Nguyen) were arriving at the location.
(11:38:40 hours per CAD entry)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

[redacted] *"Yeah, he actually said they wanted to kill him. That they want to kill him."*

Dispatcher "Somebody wants to kill him?"

[redacted] *"Yeah, I don't know. Something like that."*
(11:38:42 hours per CAD entry)

[redacted] told Dispatcher Kuykendall that the police officers were arriving. Dispatcher Kuykendall directed [redacted] to speak with the Officers.

Officers Jankowski, D. Nguyen, Stroud and Wright walked from the police vehicles toward apartment [redacted] As they walked southeast and crossed the grass, on the north side of the apartment building, they eventually had a view of the east side of the building. The police officers saw VILLA standing with a cell phone in his right hand and a large knife in his left hand. The knife had a blade that was approximately 8-inches in length, protruding from VILLA's hand.
(Officer Jankowski's statement to DA Investigator Andersen.)

[redacted] said the Police Officers approached the apartment *"from the side"* and he heard *"commands"*.
[redacted] statement to Detective N. Nguyen.)

Officer D. Nguyen gave commands for VILLA to, *"Drop that knife dude! Drop that knife!"*
(11:39:09 hours per unit #803 MAVS)

Officer D. Nguyen repeated the command slower and louder, *"Drop that knife!"*
(11:39:12 hours per unit #803 MAVS)

Officer D. Nguyen screamed in a loud, panicked sounding voice, *"Drop that knife!"*
(11:39:13 hours per unit #803 MAVS)

VILLA started *"running towards them* (Officers)." [redacted] *"knew"* what would happen so he *"just turned around."*
[redacted] statement to Detective N. Nguyen.)

Multiple gunshots were suddenly fired and then stopped.
(11:39:14 to 11:39:17 hours per unit #803 MAVS)

Officer Stroud advised via radio that shots had been fired and a suspect with a knife was down. Officer Stroud requested a supervisor, medics and additional officers for crowd control.

Officers Stroud, Wright and Jankowski attempted to secure VILLA in handcuffs. VILLA was uncooperative and continued to struggle against the officers.

An unknown subject in a wheelchair told VILLA to *"stop struggling."* Eventually the officers handcuffed VILLA and rolled him over.
[redacted] statement to Officer Gleason.)

Once VILLA was secured, they began providing aid to VILLA. Officer Jankowski ran back to her police vehicle and she retrieved a first aid kit.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

After the shots were fired, [redacted] and [redacted] started running toward the Casa Cortez apartments from the area of the Union 76 gas station, 14081 Red Hill Avenue, Tustin, CA. [redacted] yelled at the Police Officers, calling them "*Idiots!*" Officer D. Nguyen had to stop providing aid to VILLA, so he could keep [redacted] from interfering with the other officers.
(Unit #803 MAVS)

Additional Tustin Police Officers arrived along with Paramedics from the Orange County Fire Authority. VILLA's knife was lying on the ground nearby and an OCFA Paramedic requested that the knife be moved away from VILLA, for safety reasons. Officer Gleason photographed the scene and then moved the knife further away.

See Officer Gleason's original report for further details.

Investigative Follow-Up:
On Monday (02-10-14) I was working as a Detective in the General Investigations Unit of the Tustin Police Department. At approximately 1135 hours I was conducting follow up investigation at Target, 16400 Beach Boulevard, Westminster, CA. I heard via radio that Tustin Police Department Patrol Officers were dispatched to a family disturbance at the Casa Cortez apartments.

At approximately 1139 hours I heard Officer Stroud advise via radio that shots had been fired. I immediately left Target and I drove to the Casa Cortez apartments to investigate.

Crime Scene – Casa Cortez Apartments
The Casa Cortez apartment complex is located at 1412 Nisson Road, Tustin, CA. The property is west of Red Hill Avenue on the south side of Nisson Road. The apartment complex has carports and parking spaces along the west side that are accessed from Nisson Road.

The apartment buildings are positioned in roughly a u-shaped pattern, with two buildings that run along the west side of the property next to the carports, two buildings that run along the east side of the property next to the Stater Brother's parking lot, and one building at the south end of the complex that backs up to Frontier Park.

A concrete walkway runs down the middle of the complex in a north-south direction, providing access to the apartments from Nisson Road. There is a pool in the center of the complex, surrounded by a metal fence and concrete block pillars.

The primary crime scene consisted of an area at the front of the Casa Cortez apartments, near the main entrance from Nisson Road. Blood and brass casings were found on various portions of the grass area, indicating the general locations of ROBERT VILLA and the Tustin police officers. A knife was also found in this area, near VILLA. The knife had a black handle with a silver colored blade. The design was consistent with a kitchen knife.

A secondary crime scene was located inside of VILLA's residence. Apartment [redacted] is a downstairs unit located in the northwest building, slightly south of the front of the complex. The front door faces the center walkway. Apartment [redacted] door you come to as you enter the complex.

VILLA's residence had damage to the front door and a portion of the wall. The kitchen had a butcher block of kitchen knives, with one knife missing. The knives had black handles with silver colored blades. The knife found near VILLA was consistent with the knives in the butcher block.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Orange County Sheriff's Department – Forensic Science Services
(FR #14-41793)

At approximately 1340 hours the Orange County Sheriff's Department – Forensic Science Services team responded to photograph and document the crime scene, and to collect evidence.

The OCSD Forensic Science Services team also photographed the officers in uniform and collected the department issued Glock model 21 handguns from Officers Stroud, Nguyen and Wright, including all of their ammunition and magazines. It was discovered that Officer Stroud was missing eleven (11) .45-caliber rounds of duty ammunition, Officer D. Nguyen was missing seven (7) .45-caliber rounds of duty ammunition, and Officer Wright was missing one (1) .45-caliber round of duty ammunition.

There were nineteen (19) total rounds missing from the officers' magazines, which indicated the officers most likely had fired nineteen times collectively.

For further details see OCSD – Forensic Science Services report FR #14-41793.

Orange County District Attorney – Officer Involved Shooting Investigation
(SA #14-004)

At approximately 1315 hours the Investigators from the Orange County District Attorney's Office began arriving on scene. DA Investigations Supervisor M. Gutierrez was the supervisor on scene and DA Investigator B. Andersen was lead investigator for the officer involved shooting. DA Investigators D. Fulcher, B. Tanner, E. Wood, B. Hester, R. Smith, B. Erickson, S. Frazier, J. Sampson, E. Wiseman and J. Renshaw also assisted with the investigation.

For further details see Orange County District Attorney's report SA #14-004.

Tustin Police Department Incident Commander – Sergeant Harper's statement

At approximately 1347 hours DA Supervisor Gutierrez conducted a general briefing to review the task assignments for the investigation.

Sergeant Harper advised that Tustin Police Department patrol officers were dispatched to a family disturbance at the Casa Cortez apartments. Two officers were assigned the call and two more also responded to help, based on "the nature of the call." Sergeant Harper advised that when the officers arrived, they found ROBERT VILLA standing outside of the apartment holding a knife in one of his hands. VILLA advanced toward the officers and they fired their handguns in response.

Sergeant Harper advised that Officers Stroud, Nguyen and Wright shot their weapons at VILLA. Sergeant Harper noted the officers were standing in the area near the entrance to the apartment complex and they shot in a southbound direction, toward the pool area. Sergeant Harper advised that Officer Jankowski was also present however she did not shoot.

Officer Jankowski's statements at the scene
(PUMA Recording Transaction #34272)

On 02-10-14 at approximately 1303 hours, Officer Gleason conducted a preliminary interview with Officer Jankowski. The interview was conducted at the scene, inside of the Tustin Police Department Command Post vehicle. I was also present during the interview and I used a department issued PUMA audio recording device to record Officer Jankowski's statements. The following is a summary.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer Jankowski said they were responding to a family disturbance and she believed the mother was the reporting party.

Officer Jankowski explained that the mother was "*saying that her son was going crazy and that there were knives.... Someth-, either in the residence or... she didn't clarify. She just said 'There were knives.' So that's all we got.*"

Officer Jankowski said she was the last Police Officer and she parked west of the Casa Cortez Apartments. Officer Jankowski then described her encounter with ROBERT VILLA.

Officer Jankowski said, "*I'm behind Stroud when I hear Dave* (Officer D. Nguyen) *say 'Drop the knife man.' Once I finished rounding the corner, he has... Suspect has a cell phone in the right hand, a knife in the left. Chucks the cell-... throws the cellphone, from his right hand, at us... by us. And then took a handful of steps at us with the knife in his left hand. And that's when shots were fired.*"

Officer Gleason asked where the police vehicles were parked, and whether or not they were around the corner and out of sight.

Officer Jankowski said, "*No. Two units were parked in the driveway at Casa Cortez. Two of us were parked on the street at the south curb line.*"

When asked, Officer Jankowski clarified that the driveway was on the west side of the complex.

Officer Gleason asked which officer arrived first. Officer Jankowski said, "*We all got there at the same time.*" She clarified, "*I was the last one. I was the furthest unit away.*"

Officer Jankowski confirmed the other officers (Officer D. Nguyen, Officer Stroud and Officer Wright) all started walking up to the location before she did. Officer Jankowski said, "*I had to catch up to them.*"

Officer Gleason asked for her position when she initially heard Officer D. Nguyen mention a "knife." Officer Jankowski said, "*If you're looking at the front of the building, I'm probably... My vision of him with the knife was obstructed until I rounded the corner. And that's when I saw he had the knife.*"

When asked how far Officer D. Nguyen was, Officer Jankowski said, "*Two-person lengths.*" Although Officer Jankowski did not give an exact distance, she motioned with her left hand to indicate the approximate distance between herself and Officer Gleason.

During the interview they were sitting approximately five (5)-feet apart. Based on her description of '*two-person lengths*' and her hand movements, it appeared Officer Jankowski was indicating ten (10)-feet between herself and Officer D. Nguyen.

Officer Gleason asked if Officer Stroud and Officer Wright were next to Officer D. Nguyen. Officer Jankowski said, "*Yes.*"

She then clarified, "*Er... I was behind, lagging with Stroud. I came around the corner and that's when I saw the subject with a knife.*"

Officer Gleason asked if she recalled the order of the officers. Officer Jankowski said, "*I don't know where anyone was positioned. I don't remember.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer Jankowski thought for a moment and then added, "*I couldn't tell you. I don't remember.*"

Officer Jankowski confirmed the other officers were ahead of her and her view of VILLA was obstructed when she heard Officer D. Nguyen mention something about a knife.

Officer Gleason asked if she heard any of the commands from the officers. Officer Jankowski said, "*I heard 'Put it- put the knife down man.' That was the very first one.*" When asked if that was Officer D. Nguyen she said, "*As positive as I can be. It's the voice I remember hearing the most.*"

Officer Jankowski said, "*And then I, I don't remember hearing anything else until I heard gunshots.*"

Officer Gleason confirmed that, because the other officers were ahead of her, they had already passed the wall (corner of the building) and had a clearer view down the walkway, and Officer Jankowski said, "*Yes.*"

Officer Jankowski clarified, "*I had... I had who I believe was Officer Stroud in front of me. So I didn't have a clear shot. And then shots were fired down south-, southbound... yes.*"

Officer Gleason asked if she ever saw the suspect (VILLA) with a knife before the shots were fired and Officer Jankowski said, "*Yes.*"

Officer Gleason asked where the knife was and Officer Jankowski said, "*In his left hand.*"

Officer Gleason asked how the knife was positioned and Officer Jankowski attempted to describe how VILLA was holding the knife in his hand. Officer Jankowski said, "*He had... the handle to the blade was facing... so if his hands were at his side, handle was in his left hand, so the sharp pointed edge would have been towards his back. So if he would have brought it up, it would have been sharp end at us.*"

While providing the description of VILLA holding the knife, Officer Jankowski raised her left hand upward in a fist, with her left pinky facing away from her.

Officer Gleason asked, "And how soon after you heard Dave (Officer D. Nguyen) say, or mention the knife, did he (VILLA) throw the cell phone at you?" Officer Jankowski got a confused look on her face as she thought for a moment before answering, "*Two, maybe three seconds.*"

Officer Gleason asked if the phone hit anybody and Officer Jankowski said, "*I don't believe so.*" Officer Jankowski said she did not see where the cell phone landed.

Officer Gleason asked, "So, at this point he had thrown the cell phone. Dave (Officer D. Nguyen) said 'Drop the knife!' How soon after that did you hear gunshots?" Officer Jankowski said, "*After he threw the cell phone, he almost immediately started coming right at us.*"

Officer Gleason asked how far away VILLA was from the officers. Officer Jankowski again got a confused look on her face and paused in contemplation. After a moment she answered, "*Seven yards. Sorry I'm a yardage person not a feet person.*"

Officer Gleason clarified, "Ok so, he began to close the distance. You witnessed this. During this time he had the knife in his left hand." Officer Jankowski said, "*Yes.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer Gleason asked, "Did he raise the knife or did he just close the distance?" Officer Jankowski answered, "*I don't remember.*"

Officer Jankowski added, "*I don't remember him raising his- his arms or hands, or not. I just remember him coming at us in what looked like was going to be a sprint. He got in like a runner's stance in a sense. Where he was like, 'Ok, I'm gonna come running-charging at you.'* "

Officer Gleason asked her to explain the "*runner's stance.*" Officer Jankowski said, "*Chest forward. Head and chest forward. Um, arms kind of come at a bent motion, or a bent angle, and a... kind of just leaning forward as if he's gonna come at you head on.*"

Officer Gleason asked, "*At this point he was...*" and Officer Jankowski continued, "*... He was moving forward.*" Officer Gleason clarified that VILLA was actively moving forward and Officer Jankowski said, "*Yes.*"

Officer Gleason asked, "How close was he to the other three officers when you heard the gunshots?" Officer Jankowski said, "*Four yards.*"

Officer Gleason asked, "So, he closed the distance by approximately..." and Officer Jankowski answered, "*Three yards.*"

As described by Officer Jankowski, VILLA was approximately twenty-one (21)-feet away from the officers when they first encountered him with the knife. VILLA was approximately twelve (12)-feet away from the officers when he started running toward them with a knife in his hand. VILLA "*closed the distance*" to within approximately three (3)-feet of the officers when he stopped.

Officer Jankowski said when this occurred she was standing behind Officer Stroud "*at his left shoulder.*" Officer Jankowski said they were all facing the same direction.

Officer Gleason asked if the officers were standing in a line and Officer Jankowski clarified, "*I would say we were kind of in like a half-circle.*"

Officer Jankowski described the other three officers were standing in a semi-half-circle facing toward VILLA. In the order from left to right, Officer Jankowski could not remember who the first (far left) and second (middle) officers were, however she noted Officer Stroud was the third (far right) officer in the formation. Officer Jankowski said she was actually standing next to Officer Stroud's left shoulder, slightly behind him. Officer Jankowski advised that she could not shoot because Officer Stroud was in front of her.

It should be noted that Tustin Police Officers are trained to shoot while moving during a deadly force encounter and there is evidence on the unit #803 MAVS recording to indicate the officers responded according to this training.

Throughout the investigation it was unclear as to the exact locations of the Police Officers on scene, however based on interviews and the MAVS recordings it is believed the encounter started with Officer D. Nguyen standing on the far left, Officer Wright standing in the middle and Officer Stroud standing on the far right of the officers' semi-circular formation. As described in her interview, Officer Jankowski was possibly standing behind Officer Stroud's left shoulder.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer Gleason asked if VILLA still had the knife after the shooting. Officer Jankowski said, "*No he dropped and he started yelling obscenities... and then... He fell to the ground, started yelling obscenities, and then we all kind of scattered. Dave* (Officer D. Nguyen) *went... 'cus other family members started to come at us and Dave* (Officer D. Nguyen) *went towards the family members. And then Stroud and Wright started to render aid. I went to the car and grabbed a first-aid kit so, so that we could continue rendering aid.*"

Officer Jankowski continued, "*And I think Stroud was the one that went on the radio and asked for a supervisor and ninety-one* (Orange County Fire Authority) *to roll out.*"

Officer Gleason asked if she knew where the knife went at that point and Officer Jankowski said, "*No idea.*"

Officer Gleason asked, "When you heard the shots, did he still have the knife in his possession?" Officer Jankowski explained, "*Once he was hit by the shots, I don't know where the- if he still had the knife in his hand. But we shot because he had the knife in his hand. Or, they shot because he had a knife in his hands.*"

When Officer Gleason was done asking questions, I had reviewed Officer Jankowski's statement for clarification. Officer Jankowski gave the same account of events as before. Officer Jankowski said they were responding to a family disturbance with a male subject who was throwing things inside the house. She said it was noted by dispatch that there were knives inside the house, however it was unclear if the subject had a knife in his possession.

Officer Jankowski said the four officers arrived at the same time. Two officers parked on the street and two parked in the driveway to the apartment complex. Officer Jankowski said the officers walked diagonally across the grass, from their police cars toward the front of the apartment building.

At my request, Officer Jankowski drew a small diagram of the front of the Casa Cortez apartments. Officer Jankowski noted that VILLA was on the grass area at the corner of the building when she first saw him.

Officer Jankowski said she had parked the furthest away and she was the last officer to walk up. At that point the other officers were "*fanned out*" across the grass.

I asked what VILLA was doing when she first saw him. Officer Jankowski said VILLA was standing with his cell phone in his right hand and a knife in his left hand. She could not remember if VILLA was talking on the cell phone, however she did not think he was.

I asked if VILLA was saying anything and Officer Jankowski said, "*He started yelling at us. I get there. Dave says 'Hey put the knife down man!' And then the cell phone was thrown at us.*"

Officer Jankowski said VILLA threw the cell phone northbound. According to the diagram she drew, the officers appeared to be slightly off to VILLA's left and not directly in front of VILLA.

Officer Jankowski clarified that, after their initial contact with VILLA, the officers continued walking eastbound and they were "*perpendicular*" to VILLA. It was at that point when VILLA threw the phone and she heard Officer D. Nguyen order him to drop the knife. The officers' locations she drew on the diagram were their location when they first encountered VILLA, before they spread out.

At that point during the interview I received a message from Sergeant Wright who requested the interview with Officer Jankowski be temporarily paused until the Orange County District Attorney's office arrived. I did not ask any further questions at that time.

It should be noted the interview with Officer Jankowski was recorded on my department issued PUMA audio recording device and later uploaded onto the Tustin Police Department server.

Detective N. Nguyen asked if VILLA has done this before, "where he flipped out." [redacted] said something inaudible. [redacted] (VILLA's sister) answered, "*I don't know.*" [redacted] then asked for clarification, "*Before he attacked them with the knife?*" (0:07:39 minutes)

Detective N. Nguyen clarified that she wanted to know what VILLA has done in the past. [redacted] said, "*He's kinda- uh...*" [redacted] said, "(inaudible) *my mom, actually...*"

[redacted] continued, "*Yeah, but when he starts doing that stuff, it's like he ends up...*" [redacted] finished the sentence, "*He gets violent.*" (0:07:57 minutes)

Detective N. Nguyen asked [redacted] and [redacted] if they were brother and sister [redacted] said, "*Yeah.*" Detective N. Nguyen obtained their names and other identifying information.

Detective N. Nguyen then asked if they were inside the house when everything happened. [redacted] said, "*No. I-I already went outside when it was happening.*" (0:09:05 minutes)

[redacted] added, "*Like right before this happened, came the worst. He just started...*" [redacted] interrupted, "*That's prolly when mom was running out the door.*" (0:09:08 minutes)

Detective N. Nguyen asked, "How long had he been all worked up?" [redacted] explained that it was since she had woken up, which was approximately 0630 hours.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Detective N. Nguyen asked what VILLA was doing. [redacted] and [redacted] started talking over each other to tell Detective N. Nguyen what had happened.

[redacted] said, "*Just being loud.*" [redacted] added, "*And then um, we tried to like ignoring him. But then he started getting like...*" and [redacted] interrupted, "*Then he got a knife and...*" [redacted] interrupted, "*He wanted to get something to drink and, it took him forever, and finally he did and then. He came back, he was still acting crazy.* " (0:09:29 minutes)

Detective N. Nguyen asked, "And then when he actually ran outside, where were you guys at?" [redacted] said, "*We were already walking down that way.*" Detective N. Nguyen asked if they meant toward the west parking lot. [redacted] said, "*No, the park that's down the street.*" [redacted] said, "*Yeah, we went to the park.*" (0:09:49 minutes)

Detective N. Nguyen asked [redacted] if she went with her father. [redacted] said, "*No, with him* ([redacted])." [redacted] said, "*Yeah we went with my wife. We got split when they slipped and showed up...*" [redacted] interrupted to clarify, "*'Cus he was- He was starting coming out so we just split.*" (0:09:57 minutes)

As described by their statements, the family members split up and fled in different directions when VILLA came outside of the residence.

At that point Detective N. Nguyen realized that [redacted] (mom) had left the scene. Detective N. Nguyen asked where [redacted] went and [redacted] said, "*She went to the hospital already.*"

Detective N. Nguyen spoke with Officer Gleason at the scene. Detective N. Nguyen instructed Officer Gleason to obtain statements from [redacted] and [redacted]

Detective N. Nguyen then spoke with [redacted] alone, to obtain further details. Detective N. Nguyen asked [redacted] to tell her again what happened this morning, from the beginning.

[redacted] said, "*He was acting out. Talking to himself. You know I was telling- You know, I told him, 'Don't act like this. Er- Don't act-' I was just telling him 'I'm not gonna put up with your attitude this morning.' We were ignoring him but you can't- The mumbling and the nonsense and... You know, it's cold. I'm gonna go over and go... I kept closing it. I go 'Leave the door closed.' You know and he didn't pay much attention.*" (0:14:49 minutes)

[redacted] said VILLA kept the front door open and [redacted] had to keep telling him to close the door because it was cold. The weather forecast for February 10, 2014 in Tustin documented the low temperature as being 53° at 0500 hours and the high temperature was 67° at 1200 hours. The humidity was 86% at 0500 hours and it dropped to 61% at 1200 hours. This corroborated [redacted] assertion that it was cold.

[redacted] continued, "*But I did call mom to tell her 'Hey, he's acting up' you know. I don't- Before I do anything now, I mean I wanted to make sure mom- Because that's my step-son. I want mom to know. You know, it's out of respect to my wife.*" (0:15:19 minutes)

[redacted] continued, "*So she showed up. And when I was coming from the car to get- 'Cus the kids wanted to wash, you know. And I wanted that for them because they don't want- need to see this shit... Attitude. I don't know, you know. It's just weird. It freaks you out.*" (0:15:32 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

[redacted] continued, "*So, that's when my wife showed up. And I was getting the coins. I came out of the car. As I'm walking down I see one of my stepsons coming out. And then by the time I get over here, I'm on the phone and my wife just comes out of the house running. And I, and- You know I tell her 'I'm already on it.*" (0:15:48 minutes)

Detective N. Nguyen clarified with [redacted] that VILLA was his stepson.

Detective N. Nguyen then paraphrased [redacted] statement and confirmed that VILLA was "acting out" this morning. [redacted] said, "*Yeah I couldn't put the pieces together. There was so much mumbling going on and talking about devices and repeaters and stuff the government can hear and then um... something-something, and then he added in there, something about 'Well they're gonna kill me. I might as well go out like this.' I don't know. I was just- I'm like 'Dude you gotta calm down man. You're talking too much nonsense.*" (0:16:27 minutes)

Detective N. Nguyen asked if VILLA said who he thought was going to kill him. [redacted] said, "*We didn't make much attention. I was just thinking he was just mumbling.*"

Detective N. Nguyen confirmed with Mejia that the kids ([redacted] wanted to go to wash clothes so they would not have to see VILLA acting this way. [redacted] said, "*Well I took 'em, you know, 'cus my daughter had told me that she, you know, needs some clean clothes for the week. I said 'Yeah well I got some change, you know, quarters in the car.' So I went to the car, so they could do that. And that's when all, you know, she showed up. My wife. I called to let her know. That's when all that happened.*" (0:17:00 minutes)

[redacted] continued, "*I came this way with her. She just like- She just wanted to get away from the drama.*"

At that point in the interview I had walked over and I was listening to [redacted] giving his statement. I clarified that he was talking about his wife and [redacted] said, "*Yeah.*"

[redacted] started explaining that his wife grew up in that type of environment and she did not want to live that way anymore. [redacted] said they took VILLA in because things were not going well with his girlfriend [redacted].

I asked [redacted] if he was present when everything happened today. [redacted] said, "*Oh yeah, I was over here.*" It should be noted we were standing in the Stater Bros. parking lot during the interview. We were on the east side of the retaining wall for the Casa Cortez apartment. At that moment [redacted] pointed toward the Union 76 gas station, indicating he was over in that direction.

[redacted] clarified, "*Yeah I was already following my wife when I was on the phone with officers.*"

I asked [redacted] if he saw anything. [redacted] said, "*Yeah I saw him running towards 'em. I don't remember if he had anything in the hand. I was just like- First thing that just popped in my mind was 'That's not what you do.' I mean, and I already know what happens. A- And I just turned around.*" (0:18:12 minutes)

I clarified, "Like running towards- Like charging the cops?" and [redacted] said, "*Yeah.*" (0:18:28 minutes)

[redacted] added, "*He yelled like a- You know he yelled it out 'Raaah!' I'm like oh. And I know my wife couldn't stand it. So I went- That's why I turned around to go to her because I already knew it.*" (0:18:29 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

[redacted] continued, "*I mean I grew up in a bad area too. You don't run towards 'em like that. You know what I mean?! It's common sense.*" (0:18:40 minutes)

[redacted] continued, "*But- But uh, so I just consoled her.*" (0:18:45 minutes)

I asked if VILLA had a knife. [redacted] said, "*Earlier yeah, that I see. But I don't know if he was wielding that. But I know my wife told me that he punched something in the wall with the knife. When I seen 'em bail, that's when I went out to tell- call my wife. 'Hey it's time for you to come home you know. I don't know what to do with your kid' I said.*" (0:18:45 minutes)

I asked [redacted] "Why would he charge the police?" and [redacted] said, "*I don't know. I don't know.*" (0:19:09 minutes)

I asked [redacted] if VILLA was trying to kill the police. [redacted] said, "*I don't know. I don't know what goes in that head.*"

Detective N. Nguyen asked what the Police Officers were doing at that time. [redacted] said, "*When they showed up? They were- They were like coming to the side. But I guess they could see him, because I heard... I heard, I think like commands. But... That's- When I looked, that's when he just started charging. It was quick. He came out the corner fast. Like "Rah!"*" (0:19:22 minutes)

I asked if the Police Officers were in the grass area. [redacted] said, "*Yeah 'cus we live in* [redacted] *and they were coming this way. So, and I seen him run you know. They were kind of like- As soon as he seen 'em, he charged them.*" (0:19:40 minutes)

I clarified, "As soon as he saw the cops, he charged them?" and [redacted] said, "*That's kinda it. Yeah.*"

I asked what the commands were that the Police Officers were giving VILLA. [redacted] said, "*I don't know. That's what- It sounded like maybe that's what they were giving. But uh, it might have been him talking so. 'Cus he was...*" (0:19:53 minutes)

I asked [redacted] if he remembered what anyone was saying. [redacted] shook his head no.

[redacted] added, "*All I hear is the 'Rah!'*" (0:20:07 minutes)

I asked [redacted] if he would be willing to voluntarily come to the Tustin Police Department to talk and he agreed. He requested a pair of shoes from his car, which I retrieved.

Detective N. Nguyen explained that we were trying to determine what happened and why. [redacted] said, "*All I know, he's been mumbling and stuff, you know. He might of... He might be upset because he's not with his wife (*[redacted]*) anymore. I don't know.*" (0:22:59 minutes)

[redacted] also noted that VILLA was not working.

After I brought a pair of shoes for [redacted] he voluntarily went with Detective N. Nguyen to the Tustin Police Department. While riding in the car, [redacted] spontaneously commented, "*I don't know if I can help this boy anymore.*"

Detective N. Nguyen asked what he meant and [redacted] continued, "*Yeah like, I can't have him stay with us. It's gonna affect my other one- young ones.*" (0:30:44 minutes)

Refer to Detective N. Nguyen's supplemental report or the PUMA recording for further details of the family's statements.

[redacted] statements to Detective N. Nguyen at the Tustin Police Department (PUMA Recording Transaction #34250)

At approximately 1240 hours, Detective N. Nguyen again spoke with [redacted] at the Tustin Police Department. Detective N. Nguyen used a PUMA audio recording device to document [redacted] statements. The following is a summary of [redacted] additional statements to Detective N. Nguyen.

[redacted] said VILLA has been living on their couch for approximately one (1) month. VILLA originally claimed he was going to do good things and go back to school. [redacted] advised that VILLA's positive attitude did not last long. He said VILLA started going out at night and mumbling things.

[redacted] said ROBERT VILLA is his 23-year old step-son. [redacted] confirmed VILLA moved back into their apartment approximately one month ago. [redacted] said, "*Well he didn't... He tried to tell us. I go 'Now are you telling us or are you asking us?' And then he asked. You know, and I go 'OK just to stay on your feet- Get back on your feet.'*" (0:01:14 minutes)

Detective N. Nguyen asked if VILLA was moving back in with his parents because he broke up with his wife (girlfriend [redacted]. [redacted] said, "*I guess 'cus... I mean he wasn't living anywhere else. I don't know exactly. He came back to us. And, I said 'Ok, just stay good on your feet.'*" (0:01:34 minutes)

Detective N. Nguyen asked if VILLA had any other family around. [redacted] said, "*He has family around. But, where he could stay where it's... calm. And actually get things done, was with us. Just, you know what I mean? Like a family.*"

[redacted] again confirmed VILLA moved back in with them approximately one month ago. [redacted] said VILLA was staying on the couch. Officer D. Nguyen asked if that was VILLA's space around the couch area and [redacted] said, "*Mm-hm.*"

[redacted] said when VILLA first moved back in with them, he spoke about wanting to do things to improve his life. [redacted] told VILLA it would not come to fruition until he actually put things into motion. [redacted] said VILLA's positivity did not last long. VILLA often went out at night and [redacted] was unable to keep track of VILLA's activities.

Detective N. Nguyen asked how VILLA's behavior has been since he moved back in. [redacted] said, "*Well the first weeks... just uh, pretty much... He's gonna do this. He's gonna do that. School or whatever.*"

Detective N. Nguyen paused for a moment to answer a phone call. [redacted] then continued, "*All that came out of him was stuff that was positive like going to school* (inaudible) *like that.*"

Detective N. Nguyen confirmed that VILLA had some goals and [redacted] said, "*Yeah, and I was like 'Cool!' But then... Then there was a couple days where I said 'All that you said can't happen unless you put it in action.' You know. He was just quiet about it.*" (0:04:02 minutes)

Detective N. Nguyen asked if VILLA was pressured by the family to get out. [redacted] said, "*No. No. Not really. 'Cus it came out of him. But uh, I don't know.*" (0:04:21 minutes)

Detective N. Nguyen asked how long did VILLA's positive attitude last. [redacted] said, "*Not long.*" [redacted] added, "*He would go out, so I don't know.*" (0:04:39 minutes)

Detective N. Nguyen asked if VILLA was going out during the day or at night. [redacted] said, "*At night... or... Flying all over. Chasing him. You know I go to work too, you know. Like before all this happened, I get a call from work. You know.*"

While [redacted] was explaining how he sometimes takes work related phone calls at home, he seemed to get sidetracked for a moment. [redacted] said, "*Thinking about it, I have to take a client to his uh, annual review or something.*"

[redacted] then continued, "*So I'm like, you know, on the phone. Hopefully this guy's not mumbling so, or whatever. And talking all that negative stuff. But um... I don't know. It's just- Just weird to me you know. So.*" (0:05:10 minutes)

[redacted] told Detective N. Nguyen that VILLA did not sleep last night. He said VILLA kept "*peeking*" his head through [redacted] bedroom door to look into his bedroom. Mejia kept waking up when VILLA did this. [redacted] wife also woke up during the night due to VILLA's activities.

[redacted] said, "*And then the last night, I don't think he slept because he was... He would wake me up. I'm like 'What are you doing peeking through my freekin' door?'*" (0:05:26 minutes)

Detective N. Nguyen confirmed that VILLA was peeking through [redacted] door in the middle of the night and woke him up.

[redacted] said, "*Yeah you could sense- I'm a light sleeper. I can sense anything like, like if I- Like if even that, like a presence. Like, you know the feeling, like... You know, I feel it. I feel it. I'm a light sleeper. I'm like my mother. My mother was the same way.*" (0:05:41 minutes)

[redacted] phone range and he answered it. He had a brief conversation with an unknown female.

Detective N. Nguyen reminded [redacted] that he was explaining how VILLA went into his room and it caused him to wake up. [redacted] continued, "*Well yeah. I'm like 'Shouldn't you be asleep at this hour?'*" (0:07:15 minutes)

Detective N. Nguyen asked what VILLA's response was and [redacted] said, "*Nothing.*"

[redacted] continued, "*'Cus one time- I told him once. I go 'Go to sleep.' He goes 'You go to sleep. Watch your attitude!' Don't you know...*" (0:07:21 minutes)

Detective N. Nguyen finished his thought, "Quit going into my room!" and [redacted] said, "*I know!*"

[redacted] continued, "*But with an attitude. The thing is I already know that behavior. It's like, ah dude you can't stay here.*" (0:07:31 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Detective N. Nguyen asked [redacted] if he has seen that behavior before. [redacted] said, "*He's had anger management issues. But other than that kind of thing. And then… So. Only one that tripped me out was when he was- It's like nine o'clock in the morning, and I was like 'What are you peeping out that keyhole in the door for?' and… like 'Dude, relax man! We have a window!'… Ah man, I'm like something's up.*" (0:07:45 minutes)

Detective N. Nguyen asked if anyone else woke up last night to check on VILLA. [redacted] said, "*Mom. It woke her up too.*" Detective N. Nguyen confirmed that Leticia Villa woke up because of VILLA and [redacted] said, "*Yeah.*" (0:08:20 minutes)

Detective N. Nguyen asked if he could hear anything else that VILLA was doing and [redacted] said, "*No.*"

Detective N. Nguyen asked [redacted] when he got up this morning. [redacted] said, "*Early. Pretty early. Wife wakes up then I got up too. And uh, I seen him on the couch but… As soon as mom left he started rambling again.*" (0:08:39 minutes)

Detective N. Nguyen asked what VILLA was doing on the couch and [redacted] said, "*Laying down. It looked like he was asleep.*"

Detective N. Nguyen asked what VILLA did when his mother left. [redacted] said, "*The rambling went on. He took a shower* (inaudible)."

Detective N. Nguyen asked what VILLA was mumbling about. [redacted] said, "*All kinds of stuff. Guns, and I don't know. Calling everybody the P-word. You know, 'Pussy.' And I said 'Man…'*" (0:09:11 minutes)

Detective N. Nguyen asked if VILLA was saying that specifically to the people who were there and [redacted] said, "*I don't know. I couldn't tell. It felt that way, in a way I guess. But we didn't pay much of attention to him. We're just gonna ignore it because we're like, we don't have to put up with it right now.*"

[redacted] continued, "*And when I say like 'We put up', We pulled him in and we put up with him. And that was fine. We took on with him you know. Now his wife is- She's- Like, my daughter said 'I wanna have lunch.' Ok I'm gonna get you guys some chicken and you both can throw laundry in there, you know. And then, you know I need to- Because my daughter was learning to play the guitar while all this was going on. That's not cool. It's not cool.*"

[redacted] continued, "*So I started going out there and that's when I called up her mom. I called her mom, but she's not here.*" (0:10:03 minutes)

[redacted] paused for a moment while he referred to his cell phone. He then continued, "*Like eleven twenty five.*" (0:10:16 minutes)

Detective N. Nguyen asked, "At eleven twenty five?" and Mejia said, "… *I called her. Yeah.*"

Detective N. Nguyen asked [redacted] if he was still inside the apartment when he called. [redacted] said, "*No. At the car. Getting the change.*"

Detective N. Nguyen confirmed that was the point when [redacted] went outside to get change from his car and [redacted] added, "… *to do the washing, yeah.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Detective N. Nguyen asked, "So he was mumbling about guns and people…" [redacted] added, "*…and this-and-that. And 'I'm ready to die', and this. And I'm like dude. That's when I- That's when was getting- That was enough, you know. Once he started speaking more negative towards stuff like that, you know.*" (0:10:30 minutes)

[redacted] continued, "*Harm and stuff, that's when I said you know, that's enough. And I called the mom and then. And then she showed up right away.*" (0:10:41 minutes)

Detective N. Nguyen asked what happened when [redacted] arrived. [redacted] said, "*Uh, I guess- I was- She got there fast because I'm leaving the car after getting the change and her car's already there. And she's not in it. So I'm thinking well, she's inside the house. And I'm like, so I'm coming up on the house… I see* [redacted] *already, out. He's telling me to call the cops. 'Mom wants- you know, she's in there with Robert- to call the cops.'*" (0:10:52 minutes)

[redacted] continued, "*Alright, so I'm on it. And she comes out running and tells me to do the same thing. I'm like 'Already on it.' And… Then I followed her.*"

Detective N. Nguyen asked where [redacted] went. [redacted] said, "*She went walking down towards the gas station.*" Detective N. Nguyen confirmed toward Red Hill and [redacted] said, "*Yeah. And she was, um, trying to talk to him.*" (0:11:23 minutes)

Detective N. Nguyen asked [redacted] if he knew why she wanted him to call the police. [redacted] said, "*She just said 'Call them.' And I said 'Why?' 'He just took the knife to the wall. And he broke the door.' And, yeah. So she just…. You know.*" (0:11:37 minutes)

Detective N. Nguyen asked if [redacted] looked like she was afraid. [redacted] said, "*Yeah. She went out- She left there running. She was running out.*" (0:11:48 minutes)

Detective N. Nguyen asked where his daughter [redacted] was at that time. [redacted] said, "*She came out with my wife.*"

Detective N. Nguyen clarified that his son ([redacted]) came out first, then his wife ([redacted]) and his daughter [redacted]). [redacted] said, "*Yeah.*"

Detective N. Nguyen asked what they did after that. [redacted] said, "*She followed her brother and I followed my wife.*" Detective N. Nguyen asked if they split up and [redacted] said, "*Yeah.*" (0:12:13 minutes)

[redacted] confirmed his son and daughter went toward the park while he and his wife went toward the opposite way.

[redacted] said, "*Yeah, and then as soon after I calmed her down I went- I walked over there. And yes they were over there, waiting for me. They* (inaudible) *off on it too.*" (0:12:22 minutes)

[redacted] added, "*As soon as I got 'em, I went back to my wife, which is who you were talking to.*"

Detective N. Nguyen asked [redacted] whether or not he saw VILLA come out. [redacted] said, "*Not as I'm walking towards the gas station. As I'm walking towards her, and I'm on the phone still, I looked back and I see that the PD's already there, and I told her 'Let's- Come on we have to go.' Because the lady on the phone told me go talk to 'em.*" (0:13:02 minutes)

Detective N. Nguyen confirmed with [redacted] that the dispatcher told him to talk to the Police Officers.

[redacted] continued, "*So I'm heading back that way. And as I'm going back that way I see 'Rah!' Robert come out yelling, cursing. And that's when I turned like- As I turned around I heard the Pop-Pop you know. And I looked at my wife. She looked like a ghost. So I go over to her, because I already know what she thought. She thought the worst.*" (0:13:21 minutes)

Detective N. Nguyen asked for clarification regarding what VILLA was yelling. She asked if it was like a roar and [redacted] said, "*Yeah. Yeah. Like a 'Charge!' thing, you know.*" (0:13:41 minutes)

Detective N. Nguyen asked what VILLA was doing with his hands at that time. [redacted] said, "*All I saw was the charge. I don't know. Just 'Ah!', like that.*" (0:13:50 minutes)

Detective N. Nguyen asked what the Police Officers were doing when they arrived. [redacted] said, "*Oh they were- They got there. They were parking, and getting off, and walking towards the complex.*"

Detective N. Nguyen asked if he remembered how many officers he saw. [redacted] said, "*No. No. 'Cus there was a- There's a plate, where it says Casa Cortez. I couldn't see that.*" (0:14:12 minutes)

Detective N. Nguyen asked if [redacted] could hear the officers say anything. [redacted] said, "*Umm... not really. I was- I was still kind of farther away. I was still before the fence where it starts, the property starts. I was still behind that.*" (0:14:19 minutes)

[redacted] continued, "*But I could see from where the thing is, that way. That's when I saw Robert charge them.*" (0:14:30 minutes)

Detective N. Nguyen asked how close VILLA was to the Police Officers before he heard the Pop-Pop's. Mejia said, "*I- I couldn't tell. I couldn't tell.*" (0:14:41 minutes)

Detective N. Nguyen asked what [redacted] was thinking when all that started happening. [redacted] said, "*Like what went through my mind?... You don't do that. You just don't do that, you know. What do you expect is gonna happen? I could think the worst, you know, so. His thinking is probably not the same as mine.*" (0:14:49 minutes)

Detective N. Nguyen asked if [redacted] ever spoke about wanting to kill himself and [redacted] said "*No.*"

Detective N. Nguyen asked if VILLA was afraid that someone would kill him. [redacted] said, "*That and something like- I think it was that, but I don't know why he would think that, you know. I was ready to tell him 'Why you paranoid? Are you seeing shit?' you know. Because that's how paranoid people get. So I don't know. I'm not an expert or anything like that.*" (0:15:13 minutes)

[redacted] continued, "*There was just a lot of signs that tell me he was thinking a lot about something. That something came to life in his head. Ah, but- And he actually believed in it, so.*" (0:15:32 minutes)

Detective N. Nguyen asked if he knew about VILLA having any mental problems and [redacted] said, "*Not that I know of. No.*" (0:15:46 minutes)

[redacted] hen added, "*Other than ang- maybe anger management.*" (0:15:48 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Detective N. Nguyen asked about VILLA's drug use. [redacted] said, "*Of my knowledge, I was using marijuana. But other than that, I don't know.*"

[redacted] added, "*But I don't think marijuana does that to people. Not that I know- I mean I know a lot of people. They don't act like that. You just want to eat everything in your house.*"

[redacted] laughed openly at his last comment.

Detective N. Nguyen asked if he thought VILLA would have done anything to the family if the police were never called. [redacted] sighed deeply and then said, "*We've got it- We've, we've got into it before. A long time ago, so. I don't know.*"

[redacted] then added, "*And I wouldn't want to-... If you're gonna start touching the knife. That's already a red flag for me. That's far as we can go, you know. I mean I ain't trying to get cut, you know what I mean? So, like I say you know, other than hurting your family, I wouldn't know. But if you start wielding a knife, I ain't trying to find out if it's gonna to be a first time. You know what I mean?*" (0:16:41 minutes)

Detective N. Nguyen asked where they kept knives in the house. [redacted] said, "*The kitchen.*" (0:17:03 minutes)

Detective N. Nguyen confirmed, "Just the kitchen?" and [redacted] said, "*Yeah. There- There's a little thing. It's a little wooden thing with the knives. Where my wife cooks and cuts up vegetables.*" (0:17:04 minutes)

I noted [redacted] description was consistent with the wooden butcher block found in the kitchen of VILLA's residence. As noticed in the images that were taken during the investigation, the knife VILLA had was the same style as other knives in the butcher block. Additionally one of the knives was missing from the block.

Detective N. Nguyen asked if VILLA had any of his own knives and [redacted] said, "*Not that I know of.*"

[redacted] confirmed that VILLA has a 3-year old son of his own. [redacted] said, "*I miss that kid. 'Cus I told him once he was born you know, I said 'I bought you know I've been trying to tell you, you know. Trying to tell you. Say 'You have a kid. It's a whole new ballgame.' And I don't know man, I guess he couldn't step up to that plate. I don't know.*" (0:17:34 minutes)

Detective N. Nguyen asked if the family was helping out VILLA financially. [redacted] said, "*Us? Well, as we can, yeah. But there's moments we can't, you know. It's hard to tell him 'You... can't...' What was it that I tell him? 'What will you do when me and mom are gone? Think about it.' I guess he didn't like thinking about that part.*" (0:18:18 minutes)

Detective N. Nguyen expressed concern that [redacted] and his family had to deal with the problems brought on by VILLA. [redacted] said, "*Yeah I know it- He doesn't know he shutting a door, that he really needs open, you know. There's nothing like family support. I've had my family's support. They helped me out when I going wrong. So I know that's very important. But he just doesn't get it.*" (0:18:54 minutes)

Detective N. Nguyen asked, "*It hasn't clicked for him yet?*" and [redacted] said, "*No. You know.*"

[redacted] then added, in what sounded like a lecture to VILLA, "'*What are you gonna do when the family even closes the doors? That's not- That is not cool. You know. You can't- Family won't even help you out. What's their reason why?' I'm like, you know.*" (0:19:12 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

[redacted] continued, "*I don't know. So we're be like done I guess. Mom's done. She was… She loves her kid but you know, she- She knows she has to think about her other younger ones.*" (0:19:28 minutes)

Detective N. Nguyen re-focused [redacted] on the incident. She asked [redacted] where his wife ([redacted] was when the Police Officers arrived. [redacted] said, "*With me.*" (0:19:50 minutes)

Detective N. Nguyen asked, "Right there with you?" and [redacted] clarified, "*Yeah, not… like. More towards the gas station. I told her 'Come on. They're telling us to go talk to them. As I walked closer, she was slow to walk over there. You know.*" (0:19:22 minutes)

Detective N. Nguyen asked how far behind was his wife. [redacted] said, "*Two feet. Three feet. Yeah. Not too close, but.*"

Detective N. Nguyen asked how his wife reacted when she saw what happened. [redacted] said, "*She didn't see. She just heard. And, I told her you know, 'He charged them and he got shot.*" (0:20:17 minutes)

[redacted] added, "*She didn't think it was nice but, you know. Oh well, you know. Well I mean I told her. I didn't have to tell her, even though it hurt. Like 'What do you expect's gonna happen?' you know.*" (0:20:28 minutes)

[redacted] added, "*I'm having to fill her mind, her- She has to stay in the here and the now and not get her emotions- Let her emotions get the best of her. And that's hard to do.*" (0:20:38 minutes)

[redacted] and Detective N. Nguyen began discussing other things that were unrelated to the incident and the interview ended at approximately 28:42 minutes.

See Detective N. Nguyen's report for further details of [redacted] statements at the Tustin Police Department.

[redacted] walked to the south side of the pool however she did not look back. [redacted] then heard approximately four to six (4-6) gunshots. [redacted] called 911 and she ran to the manager's office. [redacted] said she did not see the police officers.

[redacted] described the knife as being a kitchen knife that was approximately seven (7) to eight (8) inches long.

[redacted] said he heard VILLA talking on the phone before the police contacted him. He heard VILLA say, "*If you don't come, I'll kill myself.*" [redacted] said VILLA had the knife in his right hand and a cell phone in his left hand.

[redacted] said four (4) police officers approached VILLA. One of the officers yelled at VILLA to put the knife down. Upon hearing the officer yell, VILLA "got crazy" and yelled back, "*Fuck you!*" VILLA dropped the cell phone but he retained the knife in his right hand.

[redacted] said VILLA stood up with the knife in his right hand and he ran at the four (4) police officers. He said the tip of the knife blade was pointed up as VILLA ran. [redacted] statements
(PUMA Recording Transaction #34274)

During the investigation it was believed that VILLA was having problems with his ex-girlfriend, who was identified as being [redacted] It was also learned from witness statements that VILLA was on his cell phone with someone before the police officers arrived.

I concluded that VILLA was possibly speaking with [redacted] and she may have additional information about VILLA's demeanor prior to his assault on the police officers.

On 02-11-14 at approximately 0946 hours, I interviewed [redacted] at her work. DA Investigator Andersen and Detective Haug were also present during the interview. I asked [redacted] if we could speak with her and she said, "*Sure.*" The following is a synopsis of [redacted] statements.

Investigator Andersen explained that the Orange County District Attorney's Office and the Tustin Police Department were conducting an investigation. Investigator Andersen asked, "When was the last time you saw your boyfriend." [redacted] said, "*My ex?*" Investigator Andersen corrected himself, "I'm sorry, it's your ex?" and [redacted] nodded yes.

[redacted] said, "*Um... the last time I (inaudible) saw him was when I dropped off my kid at his home.*" When asked for more information, [redacted] said, "*Uh, I think it was on the fourth... February.*" [redacted] added, "*It was in the afternoon. It was just for like maybe... a minute or two.*"

Investigator Andersen asked if she left her son with VILLA or if she stayed with them. [redacted] explained, "*No. It was just my son. Uh, his mom and him went to pick up my son at daycare and uh, I just went and I picked up my son.*" (0:05:42 minutes)

[redacted] identified her son as being [redacted]

Investigator Andersen asked [redacted] if there were any problems between her and VILLA when she last saw him. [redacted] said, "*Nope. I mean we're not- We weren't together. He wanted a- We actually tried to take off a- We had a restraining order. We tried taking it off and um, he had to do some classes so we just left it at that. Um, we were broken up.*" (0:07:01 minutes)

Investigator Andersen asked, "Did he do the classes?" [redacted] said, "*He was doing some classes... but, he was- (inaudible) We didn't really have drama that day or anything. It was just a quick 'Thank you' and 'Bye'.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked [redacted] if she was going through the court system and trying to get the restraining order lifted. [redacted] said, "*Yeah, I- I um, I filed for a modification and we went to court and um, they said that he had to take classes before. He had to do at least eight (8) I think. And uh, so he was doing 'em. And uh, yeah.*"

Investigator Andersen asked if VILLA finished the classes. [redacted] said, "*No, no. I think he only- He had done like maybe five (5). Five of 'em.*" [redacted] confirmed VILLA was supposed to complete eight (8) classes.

Investigator Andersen asked if VILLA ever expressed suicidal thoughts or talked about not going back to jail. [redacted] said, "*I knew he didn't want to go back to jail.*" (0:08:05 minutes)

[redacted] added, "*And I mean, when he would get in the moment, he would say he wouldn't wanna go back. He would say he was tired. That he was just tired.*"

According to [redacted], VILLA did not want to go back to jail.

[redacted] paused due to a loud overhead announcement on the store public address system. After a moment [redacted] continued, "*When he was on drugs, he would- he would talk about how tired he was. And how fed up he was with our drama. When he was going on like that, all the issues that he had.*" (0:08:26 minutes)

Investigator Andersen clarified what VILLA meant by "tired." [redacted] said, "*He wanted to give up. Basically the only thing that kept him going was my son.*" (0:08:40 minutes)

Investigator Andersen asked when VILLA made the last comments like that. [redacted] said, "*He didn't really make a lot- Like, the only times that he did was when he was on drugs. But he didn't really- He didn't really say anything. He was just like, how he was like tired and how he wanted to come back and he wanted a family. That's pretty much it.*" (0:08:49 minutes)

Investigator Andersen asked, "What drugs was he into?" [redacted] said, "*I know he smoked weed and he would drink, but um… maybe he did methamphetamine.*" (0:09:06 minutes)

Investigator Andersen asked, "What makes you think that?" [redacted] said, "*'Cus he's had a few times- He's had a past with it.*" (0:09:12 minutes)

Investigator Andersen asked, "And you said he would make those comments when he was…" [redacted] finished the sentence, "*… on meth.*" (0:09:30 minutes)

Investigator Andersen clarified, "When he was on meth?" and [redacted] said, "*When he was on meth, or when he was- He just thought like everything was on… um*" , [redacted] started sobbing quietly and she did not finish the sentence. (0:09:33 minutes)

After a moment, Investigator Andersen asked [redacted] if she had spoken with VILLA's mother ([redacted]. Avalos said, "*I spoke to her last night.*"

Investigator Andersen asked [redacted] what [redacted] had told her. [redacted] said, "*She was just devastated.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked, "Did she say anything about why the police were there?" [redacted] said, "*They didn't really- They didn't really give me any information. I basically found out by neighbors and uh, that's- One of his cousins posted something on Facebook and, and when she said Tustin, I already knew it was something (inaudible).*"

Investigator Andersen asked, "*And what did the neighbor say what was happening?*" [redacted] said, "*Basically that, from what I know, they told me is that his step-dad locked him out of the house. That he came back. He was trying to go back in. But that, when he was trying to go back in, he was knocking, and that he was already on the phone with the police.*" (0:10:13 minutes)

Investigator Andersen tried to clarify, "With, the step-dad was?" [redacted] said, "*I don't know. I'm not sure what he was saying. But that he was calling the police on him. And then, from that I don't know what happened. They just said that they had him arrested and he was already shot. And that he kept fighting it.*" (0:10:31 minutes)

Investigator Andersen asked if they told [redacted] what VILLA was doing or how he was acting. [redacted] said, "*I mean, 'cus when he's on- He's in- Assuming he's on that drug, because when he's on that he gets um... he starts going crazy. He starts imagining stuff and saying stuff that are like, you can't believe the things he's saying. And I mean um... He did- His step-dad did mention something that he was talking crap the night before. And then the- The next day they um, like barely explained it to me. That's pretty much all they said.*" (0:10:49 minutes)

According to [redacted] VILLA acts "*crazy*", he starts "*imagining stuff*" and "*saying stuff*" that is unbelievable when he is on methamphetamine. VILLA's stepdad informed [redacted] that VILLA was "*talking crap the night before.*"

[redacted] added, "*They said that he didn't- That he wasn't doing anything. The neighbor said that he wasn't doing anything.*"

Investigator Andersen clarified, "That he wasn't doing anything? And that the step-dad called the police for no reason?" [redacted] said, "*Yeah. And that the step-dad was- 'Cus the step-dad does that too. He's on meth. He does meth.*" (0:11:28 minutes)

Investigator Andersen asked for the step-dad's name and [redacted] said, '[redacted]

According to [redacted], VILLA's stepdad ([redacted] also uses methamphetamine.

[redacted] continued, "*From what I know, um, Robert started using them again, because they said.*" (0:11:43 minutes)

Investigator Andersen asked, "Now, you said when he's on meth he acts crazy? How many times have you seen him act crazy?" [redacted] said, "*Well I've been with him for about five (5) years, and ever- Ever since I met him he's been like that.*" (0:11:57 minutes)

According to [redacted] ROBERT VILLA has been using methamphetamine for at least the past five (5) years that she has known him.

Investigator Andersen asked when they separated. [redacted] said, "*We separated... probably the last time he went to jail. Maybe last year I think.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

It should be noted that VILLA's criminal history includes domestic violence. Investigator Andersen asked [redacted] "And is that when he went to jail for- Did he beat you up?" [redacted] nodded yes and added, "*He was under the drugs too.*" (0:12:16 minutes)

I clarified with [redacted] "Oh, he was under the drugs when he beat you up, you said?" and [redacted] nodded yes.

Investigator Andersen asked, "So if he's not on the drugs he's..." and [redacted] answered, "... *he's good.*"

Investigator Andersen continued with the question, "... but when he gets on..." and [redacted] sobbingly interrupted, "*But he's on it.*" (0:12:32 minutes)

According to [redacted] VILLA was "*good*" when he was not using methamphetamine. However when VILLA was using methamphetamine he became aggressive and violent. [redacted] said "*But he's on it*" indicating her belief that VILLA was currently using methamphetamine.

Investigator Andersen asked if VILLA was working at all. [redacted] said, "*I knew he was working. He was working right here at the Honda dealership on uh, Edinger and... I'm not sure of the street or it's passing... passing Ritchey I believe. It's, it's just a- I know it's called the Santa Ana Auto Mall. He was working uh- He was working as a temp. He was, um, basically what he was doing was sales- not- He was doing service, which was like cleaning the cars and getting them ready for the customers.*"

Investigator Andersen confirmed that last time she saw VILLA was on 02-04-14 and he was ok at that time. [redacted] nodded and said, "*Yeah.*" Investigator Andersen asked [redacted] if she had heard anything about VILLA's behavior between then and yesterday (02-10-14).

[redacted] said, "*Well I mean I, I knew he was acting- I knew he was like doing something 'cus he would text me like messed up stuff, like mistreating me and... just telling me that he wanted me back but still persists on mistreating me.*" Investigator Andersen confirmed she meant VILLA was mistreating her through the texts, and [redacted] nodded yes.

According to [redacted], VILLA's behavior indicated he was again "*doing something*" (methamphetamine).

Investigator Andersen asked for VILLA's cell phone number. [redacted] provided the phone number as being 737-4690. [redacted] said VILLA's cell phone was turned off. [redacted] said, "*They turned it off.*" Investigator Andersen asked, "When?" and [redacted] said, "*Yesterday.*"

[redacted] continued, "*'Cus, um... I had called him, because my son was asking for him. This was about eleven (11) o'clock. And he answered once. Then I just heard like a lot of- A lot of noise, a lot of like, like if he was angry, like if something was going on, like if something wasn't ok. Five (5) minutes after that he wouldn't answer his phone no more.*" (0:13:49 minutes)

[redacted] confirmed this was yesterday (02-10-14) morning.

I clarified with [redacted] "He was angry?" [redacted] sighed and said, "*Yeah. He was mad. He just sounded mad. He sounded upset.*" (0:14:21 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

I asked what VILLA was saying and [redacted] said, "*He was just telling- Like he was telling his step-dad 'I'm leaving you. Why you acting dumb? I'm leaving already. I'm not doing anything to you guys. I just want to go already.' And that- That's it.*" (0:14:26 minutes)

According to [redacted] VILLA sounded angry on the phone just prior to the incident with the Tustin Police Officers.

[redacted] started sobbing and she continued, "*I'm guessing that's the time when everything happened 'cus. I don't know anything about it, but… Nobody told me anything about it. I didn't- I found out on Facebook. Then after that I tried calling his mom and his step-dad and that's- His step-dad answered and his step-dad told me he passed away.*" (0:14:41 minutes)

After [redacted] provided a preliminary statement to DA Investigator Andersen, I began asking questions to get further details.

I noted that [redacted] said she had been in a dating relationship with VILLA for approximately five (5) years, and I asked if they were together the entire time during that period. [redacted] said, "*We were- We would be on-and-off because he would go to jail.*"

[redacted] confirmed she only has one child in common with VILLA and he does not have any other children. [redacted] said, "*That was his first and only (inaudible).*"

I asked where VILLA was working prior to the Honda dealership. [redacted] said, "*Um, before that he was working for a… a… a moving company, and then a, and then before that he was working for a- It's like this company where they travel for gas, or something like that.*" (0:16:00 minutes)

I asked how long was VILLA working for the Honda dealership. [redacted] said, "*For the Honda dealership, maybe a couple months.*" I confirmed she meant two months and [redacted] said, "*About.*"

I asked how long was VILLA working for the moving company and [redacted] said, "*About the same time.*" I confirmed she meant two months and [redacted] nodded yes.

I asked how long was VILLA working for the gas company and [redacted] said, "*Um, maybe like, I wanna say about the same time.*"

I asked if VILLA has ever had a job longer than two months. [redacted] said, "*Um, when we were- Like couple years ago, 'cus he used to work for Rain Maker and they would send him to a lot of singles…*" I asked what Rain Maker was. [redacted] clarified it was a temporary employment agency named Rain Maker Staffing. [redacted] continued, "… *and, so they would send him to different places. So I mean, that's the longest.*"

I asked if VILLA ever had a permanent job or if he always worked through temporary employment agencies. [redacted] said, "*Yeah, it was mostly always through temp agencies. Or else, um… I remember when he barely got out, he was working at a car wash place right there, down the street from his house.*"

I confirmed it was the car wash on Nisson Road and [redacted] said, "*Yeah.*"

I confirmed that she had both legal and physical child custody of their son and [redacted] nodded yes.

I asked if VILLA was making child support payments and [redacted] said, "*He wasn't.*" I asked if he was ever ordered to make child support payments and [redacted] said, "*Uh, I think so. But he would- But he- I know- From what I know, he wasn't.*" I confirmed that VILLA was not making any of the payments and [redacted] said, "*No.*" (0:17:32 minutes)

I asked if VILLA ever gave her money and [redacted] said, "*No. He wouldn't really- He wouldn't give me money. I mean um, here and there he would buy my kid stuff, if he needed it, but that was about it. He was never really- It has always been me supporting myself. I've always worked for us, so.*" (0:17:42 minutes)

According to [redacted] statement, VILLA did not have any custody of their child. VILLA also did not pay any child support or give her money. [redacted] said, "*It has always been me supporting myself.*" I also noted during the interview that [redacted] continually referred to their son as being "my" kid, as opposed to "our" kid or even "his" kid when talking about VILLA. It sounded as though [redacted] was excluding VILLA from being a part of her immediate family or an involved parent to her son.

I noted that [redacted] had domestic violence problems with VILLA and she said, "*Yeah.*" I asked how many domestic violence reports has she filed and [redacted] said, "*Um… two maybe- Two, maybe the most three.*" (0:18:04 minutes)

I asked where those occurred and [redacted] said, "*One of 'em was on Fairview and Ninth Street. And the other one was right there where I live. I think I've only done two, yeah.*" I confirmed they were both filed in Santa Ana and [redacted] said, "*Yeah.*" (0:18:12 minutes)

I asked, "How long ago were those, approximately?" [redacted] paused as she thought for a moment. She then said, "*Um… My son was like (inaudible). My son wasn't one, so this was three (3) years ago. Like, the first one. Then, uh, the other one was about two (2) years ago.*"

I asked [redacted] what was happening that made her call the police and file the first report. [redacted] said, "*He was on drugs. And when he would get on drugs he had the tendency to beat me.*" I asked if VILLA hit her and [redacted] said, "*He would physically hit me. Punch me in the face. Just, beat me up like a guy.*" (0:18:48 minutes)

I confirmed she said VILLA "beat you up like a guy?" and [redacted] nodded her head yes. I asked if VILLA left marks or bruises. [redacted] said, "*When they went to my house right there on Edinger, the crime scene, they took pictures of how he had left me. Um, I broke my finger back that day, 'cus he um…*" (0:19:04 minutes)

Investigator Andersen asked, "Like bent it?" and [redacted] said, "*All the way back.*" as she demonstrated her finger being bent backward.

Investigator Andersen asked, "And it broke?" [redacted] said, "*Yeah. 'Cus he had um, he had broken into my house that day that I called the cops, on Edinger. Broke into my house, he beat me up, took my kid and… He had took my kid but they caught him at the end of the street, so he didn't go far with him.*" (0:19:16 minutes)

I don't know.*" (0:23:39 minutes)

I asked for clarification regarding '...*what his mom made him go through.*' [redacted] said, "*His mom was a drug addict at the time. So, he went through a lot of things. A lot of foster homes. A lot of pain.*"

I confirmed that VILLA was taken away from his mother when he was younger. [redacted] nodded and said, "*Mm-hm.*' [redacted] continued, "*Basically he raised his two little brothers and then they got- They all got taken away. And just like, a lot of stuff in the foster homes.*" (0:24:08 minutes)

According to [redacted] statement, VILLA's mother was addicted to drugs and had lost custody of her children. Because of this, VILLA was placed into foster care along with his siblings.

I asked, "When did he go back with his mom?" [redacted] said, "*I think they brought him back like at sixteen.*" [redacted] continued, "*And then she recently just got her um... her brothers back.*" It appeared [redacted] was referring to VILLA's brother and sister, [redacted] and [redacted] (0:24:19 minutes)

I noted that VILLA did not have any other children and I asked [redacted] if she knew about any of his past girlfriends. [redacted] said, "*We would break up a lot 'cus he would cheat on me.*" [redacted] continued, "*He had a... He had a tendency to cheat when he was also on drugs. So it was just like, um- When he was on it, it was just a lot of stuff going on. He did a lot of crap too. He pushed me away. And, they weren't really serious girlfriends though. They were just like maybe, what, like a month and then he'd move on. Try to come back and then just keep messing up. It was never really serious with them.*"

According to [redacted] VILLA slept around with other women when he was "*on drugs.*" [redacted] said they would "*break up a lot*" because of the cheating.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

I asked [redacted] if she knew of any relationships VILLA had before she started dating him. [redacted] said, "*He- The only one that I know of, that he was serious with, was um, this girlfriend. Her name was [redacted] or something like that. I'm not- I'm not sure. I don't know the girl. That's all.*" (0:25:15 minutes)

I asked what happened with VILLA and [redacted] said, "*Um, I don't know. From what I know they just split up.*"

I asked if she knew whether or not VILLA was ever violent with [redacted]. [redacted] said, "*I think one time he was. One time he did. I found- I found out like a year after we were together. He had told me that um, that they were going through I don't know what. And that um, that his step-dad called the cops because he heard them arguing. And that they took him in because of it.*"

[redacted] confirmed that incident occurred before she was dating VILLA and she believed it was in Santa Ana, since that is where VILLA grew up.

I asked if VILLA was going to school or taking classes anywhere. [redacted] said, "*Um, I know he was taking the domestic violence classes. Um, he did finish school. He finished- He got his um, GED. Yeah, but that was pretty much it. He didn't really go to college or anything like that. No.*"

I asked how often VILLA saw his son [redacted] said, "*Um, here and there. Like when his mom would pick him up or when I would let him borrow him.*"

I asked if VILLA would visit on a regular basis and [redacted] said, "*No, it was like...*" I finished the question, "... or was it just kind of sporadic?" and [redacted] said, "*Yeah, it was like um, maybe one week yes, another week no. Or a couple weeks no and one week yes. Like it was just random. Sometimes when like he has his days... day off.*"

[redacted] noted that VILLA would visit approximately four (4) times per month on average, when he was not in jail. I asked how often VILLA went to jail and [redacted] said, "*Every couple months.*" I confirmed that VILLA was getting arrested for something every couple of months and [redacted] said, "*Yeah.*"

I asked what VILLA was doing that would put him in jail. [redacted] said, "*Um, mostly the domestic violence and then just um, being disruptive like the drinking. He's always done that with his family, his aunts and uncles, and they're also like... not all there. And they're always on drugs and always drinking, so he always had someone to drink with him.*" (0:27:15 minutes)

I confirmed she was referring to VILLA's aunts and uncles and [redacted] said, "*Yeah.*"

I asked where they lived and [redacted] said, "*They basically, um, his grandma lives right there on Fifth Street. So, he would always go there. I always considered that house like the crack house 'cus there was always drugs there. His aunts and his cousins were always on that. Smoking around kids, they didn't care.*" (0:27:36 minutes)

[redacted] referred to VILLA's family home as being a "*crack house*" because there were "*always drugs there*" and his family was "*always*" using drugs. It was clear that, according to Avalos, VILLA's family had a strong negative influence that led VILLA to using drugs.

I asked for the names of VILLA's aunts and cousins. [redacted] said, "*I know one of them was [redacted] and she lived with her mom. Um, [redacted] [redacted]..*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

I asked if that was the cousin who had posted the comments on Facebook. [redacted] said, "*No, um… the one that posted was um, some girl named [redacted]. But she doesn't live in Santa Ana. I don't know how she found out but she, she had posted it that um, basically on- The only thing it said was 'I can't believe Tustin PD shot at my cousin four times' um. 'I hope he's ok.' And when I saw that I knew.*"

I asked if VILLA associated with gang members. [redacted] said, "*Um, from what I knew um, like I'm- His family's from a gang. His family is from F-Troop. So I mean* (inaudible)." (0:28:43 minutes)

Investigator Andersen asked if by 'family' she meant VILLA's mom and step-dad. [redacted] said, "*No I mean… No, his step-dad wasn't. Uh, meaning aunts and uncles.*"

I asked if those were the same aunts and uncles she was describing before, that used drugs, and [redacted] nodded yes.

According to [redacted] VILLA's aunts and uncles were F-Troop gang members.

I confirmed they lived on Fifth Street and [redacted] said, "*They don't live there no more. They closed the house, so. His grandmother and his aunt had left to TJ, and then his uncles are just out on the streets. I don't know.*" (0:29:06 minutes)

I asked if those were the biggest influence in VILLA's life and [redacted] nodded yes. [redacted] added, "*Mm-hm. They- They hated me. They hated me because whenever Robert was with me I would, I would make him do good. Like I would encourage him to do good. I would encourage him to work and just get off the streets and get off the drugs, for my kid and for us. And they hated me because I would always make him calm down. They wanted him in that lifestyle. They wanted him suffering and fully* (inaudible)." (0:29:20 minutes)

I asked what VILLA's mother [redacted] would do. [redacted] said, "*She would- She would try to encourage him to like do good. Try to show him that the life's not- It wasn't good and that it's not healthy for my son like, for him to do the same thing that she did to him, to my kid.*"

I confirmed VILLA's mother was a positive influence and [redacted] said, "*Yeah, she was always pretty positive.*"

I asked if VILLA's mother knew that VILLA was hanging out with the aunts and uncles, who were using drugs and associating with F-Troop. [redacted] said, "*She knew. Yeah, she knew. She knew they- When we lived on Nancy… because when me and him started dating we, we moved in right away. And we had our kid right away. But when his- When we lived there his uncle moved in there. And it was just like really bad. He lived in the garage and all he would do was drink and tweak it.*" (0:30:13 minutes)

I recognized the term '*tweak it*' as being common street slang for getting high on methamphetamine.

[redacted] added, "*Yeah, he just had bad people in his life. Unhealthy people.*"

Investigator Andersen asked for more specific information regarding the dates of the prior domestic violence reports. [redacted] confirmed that her son was eight (8) months old during the first incident.

[redacted] said the second police report, regarding the domestic violence that occurred at her house on Edinger, occurred approximately eighteen months to two years ago.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

[redacted] could not recall when the altercation in Tustin occurred, when VILLA jumped on her car. [redacted] remembered it was shortly after VILLA was released from jail, within a couple of weeks, however she could not provide any further details.

Investigator Andersen asked if VILLA threatened to hurt himself during the incident in Tustin. [redacted] said, "*No. He was mostly like, just violent. Like it was mostly like… he was just very, like very angry.*"

Investigator Andersen asked [redacted] what her other injuries were, during the incident when VILLA broke her finger. [redacted] said, "*Um, he beat up my face.*" (0:32:34 minutes)

Investigator Andersen asked if VILLA was punching her and she said, "*Yeah.*" Investigator Andersen asked if she received bruises or black eyes and [redacted] said, "*Yeah, I had bruises. Um, I had marks on my, my body. Um, they took pictures of bruises as well.*" (0:32:38 minutes)

I confirmed that the Police Officers took pictures and [redacted] said, "*Police and when I went to file the restraining order. Um, my finger was like, got swollen.*"

Investigator Andersen confirmed that VILLA broke her finger by bending it back and [redacted] said, "*Yeah. My finger was like back here.*" Investigator Andersen commented that must have been painful and [redacted] said, "*Yeah.*" (0:32:57 minutes)

[redacted] continued, "*I had a lot of bumps on my head. He had this thing where he didn't like, hit me in the face, to not leave any marks. So he would always hit me in the head or hit me where no one could see or…*" (0:33:02 minutes)

Investigator Andersen confirmed that VILLA hit her in the face on that occasion and [redacted] nodded yes.

Investigator Andersen asked what injuries [redacted] had received during the first domestic violence report, when her son was eight-years old. [redacted] said, "*Um, just choke marks* (inaudible due to loud speaker announcement). *And I had stuff on my* (inaudible). *Because he was sexually* (inaudible)." (0:33:20 minutes)

Investigator Andersen asked where that occurred and [redacted] said, "*On Fairview. Fairview and Ninth Street.*"

Investigator Andersen paused to wait for the loud speaker announcement to finish. [redacted] then asked, "*I had a question. Is this just because I'm like closest to him or?*"

I advised [redacted] that we are trying to figure out why this incident occurred. I explained that we have an idea about what occurred, however we are also trying to understand why VILLA did what he did.

[redacted] said, "*To be honest with you, I don't even know what he did. Like from what they all told me, they said he wasn't doing anything. That he was trying to get into the house. His stepdad had like a lot of… He had a lot of um, mixed emotions about him. Like at the same time he loved him because it was his wife's son. But at the same time he didn't want him there. He's just manipulative.*"

[redacted] continued, "*I mean I don't know. But I don't know the story of what happened yesterday. I would like to know. Because I'm not sure of what happened either.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

I explained to [redacted] that unfortunately we cannot release information at this point, considering there are active investigations taking place.

[redacted] said, "*I mean- Actually when uh, when I went to the… I, I couldn't believe it. I just didn't… It was fake to me, it's just. I didn't know what to believe. I didn't think none of this happened. But I ended up going to right there where he lives, and I did see where, like the spot where they said that he died. And um, basically what I remember was just saying that the cops didn't even know what they were doing. They were telling them 'Why are you arresting him? When- If he's already shot, why are you arresting him? Why don't you let him go? Why are you shooting him with a gun? Why can't you taze him?' And that they just had like a blank stare. Like they didn't know what they were doing.*"

I asked [redacted] who was telling her that. [redacted] said, "*That the neighbor was telling the, the Police Officer's that. And that they didn't say anything. That they didn't do anything. That they just had like a look like if they didn't know what was going on. So.*" (0:35:48 minutes)

I again explained to [redacted] that unfortunately I could not answer questions regarding what happened and she said, "*No. Yeah I understand.*"

Investigator Andersen explained further, that the detectives will be interviewing a lot of people in order to get information about what happened. Investigator Andersen noted that VILLA's mother and stepdad know what VILLA was doing before the police arrived.

[redacted] nterjected, "*From what- From what um, the stepdad had told me, was that his mom was- was barely getting there. But his stepdad was there. I mean if anybody knows anything it should be him. But I mean I didn't- I don't trust him.*" (0:36:35 minutes)

Investigator Andersen advised [redacted] that she could speak with them to get more information. [redacted] said, "*I don't even want to talk to them.*"

I asked why she did not want to speak with VILLA's parents. [redacted] said, "*I talk to his mom, I just. I don't want to talk to his stepdad. 'Cus I feel like he had a big part of like what was going on because he'd seen him doing better. He's seen him like getting his shit straight. Working. Trusting his dad, it's like. Trying to change. He wasn't even going to drugs no more. He was being good.*"

Investigator Andersen asked, "Except for the uncle?" and [redacted] said, "*His uncle hasn't even been around. He's been away from his uncle. Basically the only one that had the influence this time was his stepdad. 'Cus he did it again with his stepdad.*" (0:37:28 minutes)

According to [redacted] statement, VILLA's stepdad uses methamphetamine and he influenced VILLA to use the drug.

Investigator Andersen asked [redacted] if she had spoken with VILLA's mother and what her response was. [redacted] said, "*Yeah. She was just devastated. She just said she wanted to see my son and that she was just sorry. That she didn't know what to tell me. That she knew how much I loved him and how much I did for him.*"

[redacted] started sobbing and I offered her my condolences.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

[redacted] then said, "*It's funny 'cus yesterday when the cops came to my house- Uh, I guess they heard how bad I was crying when I found out. And cops went to make sure that I wasn't getting beaten up or hurt.*" (0:38:02 minutes)

I confirmed that OC Sheriff's Deputies went to her house yesterday and [redacted] said, "*Yeah. Because they heard me- The neighbors heard me crying and they were worried that um...*" [redacted] did not finish the sentence.

[redacted] continued, "*And we were- Because we were barely getting home. We were gonna go to the hospital but we found out he was at the coroner's. And we were going upstairs and the cops stopped me there and they go 'Can you come?' and they were like 'Can we go upstairs just to make sure that everything's ok. That you didn't get beaten or, you know, everything's fine.' And I was like 'Yeah, that's fine.' And we went upstairs. And as we were going up the stairs my kid just told 'em, 'Did you kill my dad?' It was so bad.*"

[redacted] started crying as she continued, "*And it was just- I don't even know how he knew or how he heard or how he can say that. A three year old saying that.*"

I asked where her son obtained that information and [redacted] said, "*I'm not sure. Maybe he heard some- He heard us talking or something. Like, that's what I been trying to wonder the whole night. I'm not sure how he would- Why he would say that.*"

I asked if she ever saw VILLA using any weapons. [redacted] said, "*He never- He never had any weapons. He never carried anything.*" I asked if VILLA ever picked up things to use as a weapon and [redacted] said, "*Never.*" I asked Avalos if she knew why VILLA would do that. [redacted] said, "*I don't- From, from what I heard he didn't have any. But um, I'm not sure.*" (0:39:14 minutes)

[redacted] ontinued, "*That's what's weird to me because he, he's never ever like picked up a knife or a gun, or even had any of those things. Not even one of those pocket knives. He was always just like...*"

[redacted] continued, "*If he's ever got in a fight, it's always been fists. It's never been with any weapons. Or if it's ever been like- Gotten uh, crazy on anybody, it's never- He never had anything on him.* "

I asked about VILLA's attitude toward the police. [redacted] said, "*From what- From what we had experienced like, when the police would come he would calm down.*" (0:40:01 minutes)

I asked about VILLA's attitude when he was using methamphetamine. [redacted] said, "*He would- Like even if he was using it he would still manage to calm down. He would talk crap while they were arresting him, but he would calm down.*"

DA Investigator Andersen asked if VILLA ever fought with the police and [redacted] said, "*No.*" [redacted] added, "*When he seen the cops, he would always just give up. He would like, let them get arrested.*"

I asked about VILLA's demeanor when she spoke with him on the phone yesterday (02-10-14). [redacted] said, "*We didn't really talk. Basically he answered uh... And I- I didn't really speak to him. I was just like- I put him on speaker and my son was like 'Dad! I love you! I miss you!' He was like 'Pa!', because he would call him 'Papas', and 'I miss you. I love you. I want to see you.' And then like, you just hear them arguing.*" (0:40:29 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

I asked who was arguing. [redacted] said, "*Um, it sounded like his stepdad.*" [redacted] confirmed it was VILLA and his stepdad arguing in the background of her phone call, which occurred at approximately 1100 hours. (0:40:49 minutes)

I asked what they were saying. [redacted] said, "*Basically all- I just... Like, I couldn't really hear the stepdad but I heard mumbling. And I just heard him saying like, that he was leaving. That he wasn't doing anything. That he was acting stupid. That's all.*" (0:40:58 minutes)

I asked if there was anyone else that could provide information about VILLA and what he was going through. [redacted] said, "*Maybe neighbors. I know he hung out with um, with his neigh- Not the one right next to him but the one right after. I think he like...*"

DA Investigator Andersen confirmed she meant the neighbor that lived closer toward the street. [redacted] said, "*Yeah. Towards the street. It was basically where he... where he got shot at.*"

[redacted] confirmed it was the neighbor in the wheelchair and she said, "*Yeah. He might know.*"

I asked if she knew the name of this neighbor and [redacted] said, "*Uh, I know his name's David.*" I asked if David was VILLA's closest friend and [redacted] said, "*Um, they would hang out. I'm pretty sure they would hang out probably every day or every (inaudible)... here and there.*" (0:42:04 minutes)

[redacted] mentioned earlier that she had received some information about the incident from one of VILLA's neighbors. I asked [redacted] which neighbor she had spoken with. [redacted] said, "*I had spoken to David.*" [redacted] then added, "*Well actually they were all out there. They had put candles out there. They were just hanging out there. And I stopped by to just check up and... That- That's the story that they had told them- That he had told them.*"

[redacted] said, "*He told me that the, the cops were just like... that he was already arrested and they shot him and they kept shooting at him. They shot him in the heart and the- right here, and then 'too many' I think, or something like that. And that they were just mad. That they were just telling him you know to just go with the... Robert kept getting up, trying to fight 'em. Not trying to fight 'em, but trying to fight it and like trying to get up. And said, 'Dude they're trying to kill me!'* "(0:42:38 minutes)

I again offered condolences. I gave [redacted] my business card and I advised her to call if she had questions or needed help with anything. I explained that I would answer whatever questions I could and try to help in any way that I can.

[redacted] was sobbing when she said, "(inaudible) *that's the only question was why?*" I told [redacted] that we were going to try and find the answers to that. I explained that during the investigation it is important to keep an open mind and focus on gathering as much information as possible.

[redacted] said, "*Yeah. That's how I feel too. 'Cus I mean I wasn't there. I don't- I don't know what went on.*" (0:44:13 minutes)

Investigator Andersen advised [redacted] that, if she encounters anyone who claims they witnessed the incident, that person should contact the Tustin Police Department or the Orange County District Attorney's office to give their statement.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

[redacted] said, "*Basically uh.... One of the neighbors said that he couldn't- That he didn't see it. That he just couldn't go, um, to his house (inaudible). Anyway, that's the only one that told me what um... [redacted] Because he was inside his house and I guess...*"

Investigator Andersen advised that he had spoken with [redacted] [redacted] confirmed, "*The one in the wheel chair?*" She continued, "*He said that um... that's basically all he said, that uh... He just opened the window to see who it was and Robert was on the floor. And that's when um, they went out there and they were telling the cops stuff. That's pretty much it.*"

[redacted] was unable to provide any further information regarding VILLA's actions.

It should be noted I used a department issued PUMA audio recording device and I recorded [redacted] [redacted] statements. I later uploaded the recording onto the Tustin Police Department server.

Search Warrant for ROBERT VILLA's residence

Based on information we received from [redacted] (mom), [redacted] (step-dad), [redacted] (step-brother) and [redacted] (step-sister) it appeared VILLA was possibly under the influence of a CNS stimulant when he began attacking his family. The front door was damaged as though someone had forced it open.

From my training and experience as a Police Officer I knew there would likely be evidence inside of VILLA's personal belongings that may show any drug use and/or a possible motive for VILLA's actions.

At my request, Detective Miali wrote a search warrant for VILLA's residence. It should be noted that VILLA was on active CDC Parole on 02-10-14 and his belongings were subject to search and seizure.

Incident to the signed search warrant and VILLA's active CDC Parole status, Detective N. Nguyen assisted with completing a search of VILLA's residence on 02-10-14. Detective N. Nguyen located a black plastic container next to the couch in the living room. Inside the container Detective N. Nguyen found a composition notebook that appeared to have VILLA's drug recovery notes. The front of the notebook had the words:

> "UNIDOS"
> Robert Villa Addict
> ROB V. 'ADDICT'
> ROBERT V.
> NUN-YA BIZNIS
> LIFE ON LIFES TERMS
> ONE DAY AT A TIME!

Inside of the composition notebook, there was a hand written letter from Stephanie Avalos to VILLA. The letter was written on "4th of July", however the year was not indicated. The content of the letter was consistent with Avalos commending VILLA for trying to get off of drugs. Part of the letter read:

> "...I'm glad your getting the help you need to make YOUR LIFE better and healthier. I know that the next step will be doing right to stay healthy, clean & I know you'll do whats right for our family..."

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

"...I'm glad you looked for help! I've felt a relief knowing that you are no longer suffering, homeless, and ruining your life. I'm glad you are doing whats right to be healthy. Jr. needs you more than anything! We both do! & I'm glad you are trying!..."

There was a page inside the notebook that appeared to be a rehabilitation worksheet, designed for guiding addicts toward facing their issues. The name "Robert Villa" was written on top. The title of the page was:

Retrato del enejo
Portrait of anger

The worksheet had an area to draw pictures and the instructions were:

Este es un dibujo de mi y de como manejo el enojo...
This is a picture of me and how I manage anger...

There were several pictures that were drawn on the worksheet in black pen:

Devil face: The face had large black eyes, two horns, jagged teeth and pointy ears.
Dagger: fixed blade knife with serrated edges on the spine and liquid dripping from the blade.
Meth pipe: with a substance in the bowl, a flame below it and smoke coming out of the bowl.
Drug spoon: with a substance inside and a flame below it.
Hypodermic needle: next to the drug spoon.
40-ounce beer: MGD (Miller Genuine Draft) beer bottle with liquid coming from the top.
Handgun: semi-automatic pistol with flames coming out of the barrel and a bullet exiting.
Stop sign: with bullet holes in it.
Dog Face: similar to a pit bull, with large fangs
Growling dog: with eyes squinted, teeth bared and the letters "Grrrrr" next to it.

Next to these images there was handwriting that read:

EL ENOJO Y TU	THE ANGER AND YOU
A veces me pongo agresivo	Sometimes I get aggressive
A veces me pongo violento	Sometimes I get violent
A veces "me guardo" mi enejo	Sometimes I "keep" my anger

When describing his anger, VILLA wrote he sometimes gets "aggressive" and "violent". VILLA had images on the paper that were consistent with aggression and violence including a shooting gun, a bloody knife, two aggressive dogs and a devil.

In addition to "aggressive" and "violent", VILLA wrote he sometimes "keeps" his anger. I noticed that VILLA put "me guardo" in quotation marks, as though he was emphasizing this notion of "keeping" it. I saw images on the paper that were consistent with drug and alcohol use. From my training and experience I know that some people commonly used drugs and alcohol to control their mood.
Based on VILLA's drawings and his notes, it appeared VILLA was explaining that he uses drugs, alcohol and violence to manage his anger.

See attached photographs for further details.

ROBERT VILLA's Autopsy Examination

On 02-13-14 at approximately 0830 hours, I responded to the Orange County Coroner's Department attended the autopsy examination of ROBERT VILLA. It was noted during a preliminary briefing, that VILLA had received two gunshot wounds in the right thigh, one gunshot wound on the left wrist and one gunshot wound near the right scapula.

I saw an x-ray that showed what appeared to be a bullet in VILLA's left upper chest area, another bullet in his right upper thigh and possible bullet fragments in his left forearm.

The autopsy began at approximately 0900 hours. The examination was conducted by Orange County Coroner's Office - Forensic Pathologist Dr. E. Davenport and Forensic Assistant A. Chavez. Orange County Crime Lab – Forensic Scientist R. Binz collected evidentiary samples and Forensic Specialist H. Peplowski documented the examination with photographs.

The bag containing VILLA's body was opened at approximately 0910 hours by A. Chavez. VILLA's body was intubated with a strap around his head. Both of his hands were bagged and there were two tags affixed to his left big toe. There was a hospital band (WMCSA) on VILLA's right wrist that indicated the Attending Physician was [redacted] Also noted on the band were an account number (400034268) and a medical record number (004012956).

When the autopsy commenced, Dr. Davenport began examining ROBERT VILLA's body and documented her findings. Dr. Davenport recovered one bullet from VILLA's left chest area, which appeared to be an expanded hollow point round consistent with Tustin Police Department duty ammunition (Winchester Ranger .45 caliber, 230 grain, model RA45T). Dr. Davenport removed a similar bullet from VILLA's right leg, which was found underneath the skin at the back of his leg. Dr. Davenport also found what appeared to be bullet fragments inside of VILLA's left forearm.

I observed the wounds on VILLA's body, that all appeared to be consistent with gunshot wounds.

On VILLA's right leg I saw what appeared to be two entrance wounds on the front of the leg above his knee. There were also two star tattoos near the wounds, on his right thigh above the knee. I saw one exit wound on the back of VILLA's right leg. Dr. Davenport advised these injuries would not have been lethal.

On VILLA's left leg I saw what appeared to be a shallow wound that was consistent with a bullet grazing the leg. The wound proceeded from the front toward the back of the leg, on the inside of the left thigh above the knee. Dr. Davenport advised this injury would not have been lethal.

On VILLA's left arm I saw what appeared to be an entrance wound on the outside of the forearm, above the wrist. The wound was generally oval in shape, indicating the bullet entered at an angle.

VILLA had a second wound on the inside of his forearm, which was further up the arm and closer to the elbow. This second wound on the inside of VILLA's forearm was larger and it was consistent with a bullet exit wound.

Based on the entry wound being on the outside of the forearm near the wrist, and the exit wound being on the inside of the forearm closer to the elbow, it appeared the bullet traveled through the left forearm at an angle. Dr. Davenport advised this injury would not have been lethal.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

On VILLA's chest I saw what appeared to be an abrasion in the center of his chest, near his sternum. The abrasion was generally round in shape however it had faint jagged edges that were consistent with the star-shaped prongs of an expanded Winchester Ranger bullet. The abrasion appeared to be an impact mark from a bullet however there was no indication that the bullet entered the chest cavity. An expanded Winchester Ranger bullet was found with VILLA's shirt. Based on photographs taken of the shirt and the bullet it appeared prongs were possibly caught on the cloth of the shirt.

It should be noted that I am a department Range Master and Armorer, and I have received training in the field of terminal ballistics. It occurred to me that a direct strike to the chest area from one of the officers' guns would have been circular in shape, approximately .45 inches in diameter, and the bullet should have entered the chest cavity. However the abrasion on VILLA's chest was noticeably larger than a .45 inch circle and the shape was inconsistent with an entry wound.

I then noticed that the exit wound on VILLA's left forearm and the abrasion on VILLA's sternum were relatively similar in size and shape. It occurred to me that witness statements indicated that VILLA was running toward the officers. During a running motion VILLA's left arm would have moved in front of his chest, which could cause the wounds to line up next to one another.

After viewing VILLA's injuries, photographs of his shirt and the expanded bullet, it appeared the bullet passed through VILLA's left forearm, expanded, and then struck VILLA in the center of his chest. This was supported by the following observations:

- The left forearm entry wound had a generally oval shape pointing from the wrist toward the elbow, which indicated the round likely entered the forearm at an angle.
- The left forearm exit wound was noticeably larger than the entry wound and it had jagged edges that were consistent with the star pattern of an expanded Winchester Ranger bullet.
- The bullet found in VILLA's shirt was expanded in a star-shaped pattern, which was consistent with the injuries to VILLA's forearm and chest.
- The abrasion on VILLA's sternum was also consistent with an expanded Winchester Ranger bullet strike.
- The wound showed that the bullet stopped at the chest and it did not have enough kinetic energy to enter the chest cavity.
- The depleted energy and expansion indicated the bullet most likely struck something prior to impacting with VILLA's sternum.
- With the left forearm placed in front of the chest area, the location of the exit wound from VILLA's left forearm would line up in close proximity with the location of the abrasion wound found on VILLA's sternum.

I discussed this hypothesis with Dr. Davenport and she concurred it was the "most probable answer" to explain the injuries to VILLA's left forearm and chest.

On VILLA's right scapula I saw what appeared to be an entrance wound. An expanded bullet was found on the opposite side of VILLA's chest cavity, in his left torso. Dr. Davenport indicated there were injuries to VILLA's organs that were consistent with a bullet passing from VILLA's right side across his chest and stopping on the left side of his chest cavity. Dr. Davenport advised this injury would have been lethal. Based on my training and experience I know this type of injury can occur when a suspect turns during a shooting.

Freeway Honda

On Thursday (02-27-14) at approximately 1000 hours, Detective N. Nguyen and I drove to ROBERT VILLA's last known place of employment, Freeway Honda. I spoke with Service Manager [redacted], who clarified that VILLA was not an employee. [redacted] said VILLA was one of three temporary workers that he hires through a "temp agency" called Service Staffing. He said all three "temps" work as Service Porters.

[redacted] explained that a Service Porter's job involves bringing cars up to the front of the dealership or taking cars to the back lot. He said Porters also wash some of the cars and fuel them as needed.

[redacted] said he heard that VILLA had a "problem" with the police and he ended up being shot. [redacted] did not have any personal knowledge of the incident, other than what was reported in the news. I asked if VILLA had any friends at the dealership, or anyone he hung out with. [redacted] said he did not and noted that VILLA only worked there for "about two months or less, maybe six weeks."

[redacted] said VILLA was scheduled to work a full 40-hour work week and his pay rate was $9.00 per hour. However [redacted] said on the date of the shooting VILLA was no longer working for Freeway Honda. [redacted] said he "let him go" around January 31st or February 1st. He told me that VILLA "was just not working out."

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

When asked, [redacted] explained that VILLA was missing his work shifts and he had "performance" issues when he was here. [redacted] said VILLA would "disappear" for periods of time. He said VILLA would take ten minutes to bring a car up from the back, which normally only takes two minutes or less. He said VILLA would take thirty minutes to fuel a car, which normally only takes eight minutes.

[redacted] told me VILLA was always texting on his cell phone and "arguing with his wife." [redacted] then clarified that he was not sure who VILLA was arguing with, however he assumed it was his wife or girlfriend. He said VILLA was arguing loudly and it was noticeable to people around him. I asked if VILLA ever had family show up at his work and [redacted] said, "Not that I can recall. No." He said VILLA argued over the phone.

[redacted] said when VILLA did not show up for work one day, he called Service Staffing and told them VILLA's services were no longer needed.

I asked [redacted] if he noticed any indications that VILLA was using drugs or alcohol. [redacted] said VILLA passed a drug screen and a background check, so he was under the impression that VILLA was "clean." [redacted] explained that a drug screen and a background check are part of the contract he has with Service Staffing. He said all temporary employees they hire are required to complete those two processes.

[redacted] provided the address and phone number for Service Staffing.

Service Staffing

On Tuesday (03-04-14) I drove to VILLA's employer, Service Staffing temporary employment agency. I spoke with [redacted] and [redacted] who provided some background information on VILLA's work history.

[redacted] statement
(PUMA Recording Transaction #34895)

On 03-04-14 at approximately 1257 hours I spoke with Service Staffing Hiring Assistant [redacted] who told me the following. [redacted] said she was the person who dealt with ROBERT VILLA the most at Service Staffing. [redacted] explained they have an account with Freeway Honda, who requested an employee to fill a "Porter" position. [redacted] set up an advertisement on Craigslist and VILLA answered the ad.

[redacted] said VILLA came in for an interview and he completed the application paperwork. He also gave her a resume that listed his prior employment. [redacted] said VILLA seemed nice and she did not have any problems with him, except for the drug test.

[redacted] explained that on Friday (12-13-13) she told VILLA he needed to complete a drug screen examination over the weekend, on either Saturday or Sunday. When she returned to work on Monday she expected to see the results from the drug screen, however they were not in. On Tuesday she followed up with the laboratory and she discovered that VILLA had not completed the drug screen examination.

[redacted] said she was a little upset that VILLA did not take the drug test when he was supposed to. [redacted] said she instructed VILLA on a Friday (12-13-13) that he needed to go take the drug test on either that Friday, Saturday or Sunday. [redacted] said she told VILLA that he needed to have the test completed by Monday and he agreed.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

On Tuesday (12-17-13) she discovered that VILLA had not taken the drug test. She called VILLA and he claimed there was a family emergency. [redacted] told VILLA that he needed to complete the drug test in order to work. VILLA took the test on Wednesday (12-18-13) and the results came back clean.

[redacted] said his background check also came back clear and he did not have any prior arrests. [redacted] advised they used a web based company PeopleG2 to run the check. She obtained a copy of VILLA's background results and she noted they inadvertently ran his name incorrectly.

[redacted] said they conducted the search using [redacted] however they did not provide VILLA's true last name or other information. [redacted] said they did provide VILLA's social security number, so she expected the computer system would be able to check his criminal history that way.

[redacted] told me VILLA was let go because he stopped showing up for work. [redacted] seemed surprised that VILLA was terminated. [redacted] said, "*Like I said, I did hear that he was flaking and he wasn't showing up. And I'm like dude, that was not the person I hired.*"

I asked [redacted] if I could have a copy of VILLA's paperwork including his application, drug screen and the background check. [redacted] checked with her "boss" and then provided the requested documents. (See attached)

[redacted] was unable to provide any further information regarding VILLA's actions on 02-10-14. Refer to the PUMA recording for further details of [redacted] statement,

[redacted] statement
(PUMA Recording Transaction #34896 / 34898)
On 03-04-14 at approximately 1326 hours I spoke with Service Staffing Hiring Manager [redacted], who told me the following. [redacted] confirmed that VILLA began working for Service Staffing in December 2013 and he was hired by [redacted]. [redacted] said he conducted the scheduling for VILLA.

[redacted] explained that VILLA was specifically hired to fill a Service Porter position for Freeway Honda. He said their company placed an advertisement for that employment position and VILLA responded to that ad. [redacted] said VILLA was scheduled to work forty (40) hours per week.

I asked [redacted] if VILLA was showing up to work every day. [redacted] advised that VILLA was "*not very reliable.*" [redacted] said, "*He was um, calling out often. Calling out on weekends. Saturdays.*"

[redacted] explained why VILLA was terminated, "*He essentially, he called out on a Saturday, and um that was like the last straw for our customer. The customer was upset that he called out again. So uh, it cost us the position there.*"

[redacted] explained, "*We were supposed to- Uh, you know we have a certain amount of people that work there, and they said 'Well the guy's not reliable. Don't send him back and plus, do not fill the position. He's just done.'*"

[redacted] said, "*We essentially lost a little bit of business because of that.*"

[redacted] was unable to provide any further information regarding VILLA's actions on 02-10-14. Refer to the PUMA recording for further details of [redacted] statement.

9-1-1 Emergency Phone Call from [redacted] and [redacted]

On 02-12-14 at approximately 1300 hours I obtained a copy of the 911-Emergency call from Tustin Police Department Dispatch Supervisor L. Polley. The entire phone call is approximately 3-minutes and 51-seconds long.

I reviewed the 911-Emergency call and I heard a male subject ([redacted]) talking to a Tustin Police Department Dispatcher. I also heard a female subject ([redacted]) talking in the background of the phone call, giving [redacted] instructions on what to tell the police.

I noted on the recording, [redacted] was breathing heavily and he sounded agitated while talking to the dispatcher. [redacted] identified ROBERT VILLA by name and he gave a physical description of VILLA. [redacted] claimed VILLA was "...going crazy in the house" and he stated the family went outside.

For further details of the recording, see the 9-1-1 Emergency phone call review notes attached to this narrative. I booked an audio CD into evidence at the Tustin Police Department.

Mobile Audio Video System (MAVS)

Tustin Police Department marked police vehicles are equipped with Mobile Audio Video Systems (MAVS) that record audio and video from the police car.

The MAVS system consists primarily of a camera that is mounted facing forward on the windshield and a remote microphone that is worn on the officer's duty belt. The MAVS system can be activated manually by the officer, or automatically when an officer activates the police vehicles emergency lights.

The following Tustin Police Department Police Officers were directly involved with the initial attempt to detain ROBERT VILLA, the resulting officer involved shooting, and/or the lifesaving efforts for ROBERT VILLA on Monday (02-10-14).

Name	Call Sign	Vehicle
Officer Jankowski #1252	222	804
Officer D. Nguyen #1151	212	803
Officer Stroud #1141	220	821
Officer Wright #1183	210	809

Although numerous Police Officers arrived to assist after the shooting occurred, the only Police Officers that were present before and during the shooting were Officer Stroud, Officer D. Nguyen, Officer Wright and Officer Jankowski.

I reviewed the Mobile Audio Video System (MAVS) recordings from the above officers' police vehicles on Tuesday (02-11-14).

For further details of the MAVS recordings, see the MAVS review notes attached to this narrative.

Tustin Police Department Radio Traffic

On 02-12-14 at approximately 1300 hours I obtained a recording of the Tustin PD – Green 1 radio traffic from Tustin Police Department Dispatch Supervisor L. Polley.

For further details of the radio traffic recordings, see the review notes attached to this narrative.

[redacted]

On 03-11-14 at approximately 0705 hours, Cadet Raabe issued a parking citation (#TP291128) for a white Toyota Corolla (Ca. License [redacted] that was parked in front of [redacted] in violation of TCC 5330d(4) – No Parking Signs.

On 03-11-14 at approximately 1510 hours a male subject called the front desk to complain about the above citation. Cadet Chiavatti answered the phone call and their conversation was recorded on the Tustin Police Department server.

The male subject stated that he believed his car was not in violation because only the front bumper was beyond the "No Parking" sign. He was also upset that other vehicles in the area were in violation, however they were not issued citations.

Cadet Chiavatti explained to the caller that he could contest the violation by following the directions imprinted on the citation. At that point, the male subject became upset and claimed he was a witness to the officer involved shooting. The subject eluded that he was going to talk to the District Attorney's office and provide testimony against the Tustin Police Department if the ticket was not dismissed.

On 03-12-14 at approximately 1115 hours I obtained a copy of the recorded phone call from Supervisor Polley. I listened to the conversation and I heard the following:

Subject	*"Listen Joseph, last month a Police Officer got shot here on this property, and they killed someone. I was one of the witness and I was gonna testify in your favor, Tustin Police Department, and I was- had an appointment to the District Attorney. You guys choose to fuck me over this time, and then you guys will see how I go and fuck with this this time..."*
Chiavatti	*"Ok, sir. Let's...I, I can't... I can't speak to any of that. All I can tell you is..."*
Subject	*"No, but I can speak it. Because you guys decided to fuck me over for just a front tire... and, I was gonna testify on your favor... (inaudible)..."*
Chiavatti	*"I understand that, but..."*
Subject	*"...So now you guys will see how it goes... (inadible)."*
Chiavatti	*"...Sir, if you would like to speak to a supervisor, I can more than happy to have that..."*
Subject	*"No, I'm gonna go talk to the District Attorney. Because I have pictures already and I'm gonna... you guys are gonna dismiss this ticket."*
Chiavatti	*"Ok. I mean, like I said, I can have you speak with a supervisor if you like."*
Subject	*"Why should I speak to the supervisor to talk to. Because I was a witness and you guys are gonna get fucked?"*
Chiavatti	*"Sir I can't speak to that. I can't speak to that."*
Subject	*"Well Joseph, you have a great day ok."*

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Chiavatti *"Ok."*

Subject *"And tell your supervisor what I told you, ok?"*

Chiavatti *"Ok."*

Subject *"Thank you. Bye."*

Chiavatti *"Bye."*

Cadet Chiavatti conducted a records check and he located the original parking citation that was issued earlier that morning by Cadet Raabe. I obtained a copy of the citation and I noted the car was a white 2006 Toyota Corolla (Ca. License [redacted]) registered to [redacted], in Tulare, California.

The Tustin Police Department did not have any in-house contacts with anyone by that name. The vehicle had one parking citation that was issued by the Tustin Police Department on 12-07-10, near the intersection of Epping and Lance.

I reviewed the investigation and I did not see any mention of anyone by the name of [redacted] I was unable to determine whether or not he was a witness to the shooting. I forwarded the above information to DA Investigator Andersen for review.

Officer Jankowski's statements at the Tustin Police Department
(PUMA Recording Transaction #34275)

On 02-11-14 at approximately 1400 hours, Orange County District Attorney's Office Investigator Andersen interviewed Officer Jankowski at the Tustin Police Department. I was also present during the interview, along with Tustin Police Officer's Association Attorney Steve Welch. I recorded the interview using a department issued PUMA audio recording device. I later uploaded the interview onto the Tustin Police Department server.

See Investigator Andersen's report filed under Orange County District Attorney report SA# 14-004 for further details of Officer Jankowski's statements.

Officers' statements

It should be noted that a critical incident, including deadly force encounters, are emotionally and physically traumatic experiences for police officers. Officers are trained to perform under pressure and respond automatically to a variety of situations. However when confronted with an actual deadly threat, and the reality that the officer may not survive, there is an emotional toll that affects every officer.

Additionally there are physiological changes that affect a person's ability to comprehend what is happening and their ability to recall information at a later time. While each officer reacts differently to the emotional stress, it is recommended that officers take time to process what has occurred before they provide an official statement.

Attorney Steve Welch was assigned to represent the Tustin Police Officer's Association during the Officer Involved Shooting investigation. At Attorney Welch's direction, I was unable to obtain a statement from Officer Wright, Officer D. Nguyen or Officer Stroud until they had time to process what had happened to them and they were ready to talk about the incident.

The officers were ordered not to speak with each other or anyone else about the incident until the conclusion of the investigation.

Officer D. Nguyen's statements at the Tustin Police Department (PUMA Recording Transaction #35640 / 35641)

On 07-11-14 at approximately 1125 hours, Orange County District Attorney's Office Investigator Andersen interviewed Officer D. Nguyen at the Tustin Police Department. It should be noted that Officer D. Nguyen was involved in an altercation in 2012 where a suspect armed himself with a knife and he stabbed Officer D. Nguyen repeatedly. Officer D. Nguyen suffered permanent injuries from this attack.

For further details, see Tustin Police Department CR# 12-2071.

Officer D. Nguyen was able to subdue the suspect and arrest the suspect, [redacted] The criminal trial was still proceeding at the time of this report. Some of the questions posed by Investigator Andersen were related to the prior incident, where Officer D. Nguyen was nearly killed by a knife wielding suspect.

As noted above, the [redacted] trial was still pending at the time of this investigation. Because of the fact that any statements made by Officer D. Nguyen regarding the [redacted] incident were subject to evidentiary discovery and could potentially be turned over to the court for use against defendant [redacted], Investigator Andersen conducted two separate interviews with Officer D. Nguyen. This would allow the Tustin Police Department to comply with the court order for the [redacted] trial without releasing evidence pertaining to the VILLA investigation.

The first interview was regarding the attempted murder of Officer D. Nguyen by suspect [redacted] in 2012 (PUMA Recording Transaction #35640).

The second interview was regarding the attempted murder of Officer D. Nguyen by suspect ROBERT VILLA in 2014 (PUMA Recording Transaction #35641).

I was present during both interviews, along with Tustin Police Officer's Association Attorney Steve Welch. I recorded the interviews using a department issued PUMA audio recording device. I later uploaded the interviews onto the Tustin Police Department server. The following is a summary of Officer D. Nguyen's statements.

Officer D. Nguyen's statements regarding suspect [redacted] (PUMA Recording Transaction #35640)

Investigator Andersen referred to the [redacted] attack and he asked Officer D. Nguyen if he had ever been involved with a subject who was armed with an edged weapon. Officer D. Nguyen said, "*Yes.*" Investigator Andersen confirmed that incident occurred in the early part of 2012, and Officer D. Nguyen said, "*That's correct.*" (0:02:17 minutes)

Investigator Andersen asked Officer D. Nguyen if he was injured during that altercation, and Officer D. Nguyen said, "*Yes I was.*" (0:02:34 minutes)

Investigator Andersen asked what kind of injuries Officer D. Nguyen received. Officer D. Nguyen said, "*Um, I had a cut on my face. Left cheek, right below my eye. I also had a, uh, superficial wound underneath that wound. I had a slash mark on my right bicep, and another slash mark on the right side of my neck. And I also tore my shoulder in the fight as well.*" (0:02:39 minutes)

Investigator Andersen referred to the cuts that Officer D. Nguyen received and he reviewed Officer D. Nguyen's scars on his face and arm. (0:03:00 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen referred to that attack by [redacted] and he asked Officer D. Nguyen if he used any of the weapons that he normally carries. Officer D. Nguyen said, "*Yes I did.*" (0:03:46 minutes)

Investigator Andersen asked Officer D. Nguyen if he deployed a TASER during that incident and Officer D. Nguyen said, "*Yes I did.*" (0:03:58 minutes)

Investigator Andersen confirmed there was only one suspect. Investigator Andersen then asked if the TASER was effective. Officer D. Nguyen said, "*Uh no, It was not effective in subduing the suspect. He was still fighting us.*" (0:04:08 minutes)

Investigator Andersen confirmed Officer D. Nguyen had someone else with him and Officer D. Nguyen said, "*It was me and my partner, yes.*" (0:04:18 minutes)

Investigator Andersen asked if he attempted to use a baton during the attack by [redacted] Officer D. Nguyen said, "*I wasn't able to use a baton.*" (0:04:24 minutes)

Investigator Andersen confirmed that because of the circumstances a baton was not a viable choice and Officer D. Nguyen explained, "*The current room and the location where we were fighting, I was unable to be effective- err, the baton wouldn't have been effective.*" (0:04:31 minutes)

Investigator Andersen asked about using O.C. spray (Oleoresin Capsicum, Pepper Spray). Officer D. Nguyen said, "*Uh no, I didn't- I don't carry O.C. spray.*" (0:04:43 minutes)

Investigator Andersen asked if there were any other weapons that Officer D. Nguyen attempted to deploy when he was attacked by [redacted]. Officer D. Nguyen said, "*I attempted to use my sidearm. My department issued sidearm. But I was unable to* (un)*holster it because of the fight.*" (0:04:52 minutes)

Investigator Andersen confirmed Officer D. Nguyen attempted to deploy his firearm however he was unable to take it out from the holster, and Officer D. Nguyen said, "*Yes.*" (0:05:00 minutes)

Investigator Andersen asked Officer D. Nguyen what he learned from that experience. Officer D. Nguyen said, "*Knives can be deadly. They can create a lot of injury to you. They can kill you. And also the TASER wasn't very effective.*" (0:05:28 minutes)

Officer D. Nguyen noted that, in addition to the scarring he received, he also has permanent nerve damage from the attack.

Officer D. Nguyen described the knife used in the attack as having a two to three inch blade.

Officer D. Nguyen's statements regarding suspect ROBERT VILLA
(PUMA Recording Transaction #35641)

Investigator Andersen asked if Officer D. Nguyen was providing a free and voluntary statement. Officer D. Nguyen said, "*Yes.*" Investigator Andersen asked if anyone from the Tustin Police Department has ordered him to give a statement and Officer D. Nguyen said, "*No.*"

Investigator Andersen asked Officer D. Nguyen if he felt compelled to give a statement because the Orange County District Attorney's office is involved and Officer D. Nguyen said, "*No.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer D. Nguyen said he has been a police officer with the Tustin Police Department since 2010. He is currently assigned to work patrol in the north area of Tustin. At the time of the shooting, Officer D. Nguyen was working Team 2, 0600-1830 hours on Saturday, Sunday and Monday. (0:03:20 minutes)

Officer D. Nguyen said he had not taken any medication or health supplements within the last 24-hours prior to the shooting. Officer D. Nguyen said that weekend he did not work extra assignments, other than his regular shift. (0:04:58 minutes)

Officer D. Nguyen said he was wearing a standard Tustin Police Department uniform. He described the uniform as being a "Class B" which consisted of dark blue pants, a dark blue shirt with Tustin Police patches on both shoulders, a badge on his left chest, a Sam Browne duty belt, his duty firearm, handcuffs, magazines, baton, radio and a Taser. Officer D. Nguyen said he was photographed after the incident, wearing the above uniform. (0:05:57 minutes)

Officer D. Nguyen identified his duty firearm as being a Glock 21SF, .45 caliber handgun. He said the magazine capacity is thirteen. He carries one magazine in the firearm and three extra magazines on his belt. Officer D. Nguyen said he had the department issued ammunition, which he identified as being Winchester Ranger. Officer D. Nguyen said he conducted a check prior to his shift, to ensure there was a round loaded into the chamber. (0:06:52 minutes)

Officer D. Nguyen said he was carrying a backup weapon, which he identified as being a Ruger LCP, .380 caliber. He said the magazine capacity is six rounds in the magazine and one in the chamber. He only had the one magazine for this weapon, which was inside the firearm. The weapon was loaded with Federal Hydra-Shok ammunition. (0:08:13 minutes)

Investigator Andersen asked if he could list all of the items he carries on his belt, other than his firearm. Officer D. Nguyen said, "*I'll start from the middle and move all the way to the right. Um, I have my firearm. I have, um, two pairs of handcuffs. I have a Surefire flashlight. Um, I have a tourniquet. I have a collapsible baton. My radio holder. Three magazines. A TASER. And then, my uh, off-duty weapon. I also carry a pocket-knife in my right pocket as well.*" (0:10:13 minutes)

Investigator Andersen asked if he was carrying a digital recorder. Officer D. Nguyen said, "*Yes. Um, I carried, uh, a recorder-mic, slash mic. It connects with the patrol unit.*" Investigator Andersen clarified, "With the MAVS system?" and Officer D. Nguyen said, "*The MAVS system. Yes.*" (0:11:31 minutes)

Officer D. Nguyen advised the MAVS microphone was attached to his drop-down TASER holster. It should be noted that Officer D. Nguyen wears his TASER holster on his left leg.

Investigator Andersen asked what model TASER he used. Officer D. Nguyen said, "*The X26. Department issued.*" Investigator Andersen asked if he test-fired the TASER be he started work and Officer D. Nguyen said, "*Yes.*" (0:12:21 minutes)

At Investigator Andersen's request, Officer D. Nguyen described the procedure for conducting a test of the TASER X26. Officer D. Nguyen advised that he carries two cartridges for the TASER. (0:12:39 minutes)

Investigator Andersen asked if he deployed the TASER at all during the incident. Officer D. Nguyen said, "*No.*" (0:13:21 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked if he knew what vehicle number he was driving on that day. Officer D. Nguyen could not recall. He explained that they are not assigned units, so they take different cars every day. Officer D. Nguyen did remember his call-sign was "*Two-Twelve* (212)." (0:13:31 minutes)

Investigator Andersen asked if he was working alone or with a partner. Officer D. Nguyen explained, "*In the vehicle, you're by yourself. But usually when we get sent to calls it's at least two officers.*" (0:13:54 minutes)

Investigator Andersen asked what other weapons were in his vehicle, if he could remember. Officer D. Nguyen said, "*A Colt a-r-fifteen* (AR-15) *rifle and a Remington eight-seventy* (870), *less-than-lethal beanbag shotgun. And I think I had, uh, a pepper-spray canister in the glove box.*" (0:14:04 minutes)

Investigator Andersen asked if the pepper-spray was the kind you wear on a belt or the bigger one. Officer D. Nguyen said, "*I think it's just the smaller one, yeah. I'm not a big fan of pepper-spray... so I don't carry it.*" (0:14:24 minutes)

Officer D. Nguyen confirmed there is a MAVS video recorder in the vehicle. (0:14:40 minutes)

After the above preliminary information was obtained, Investigator Andersen began asking questions regarding the actual incident. Investigator Andersen asked Officer D. Nguyen if he remembered the date and time when the incident occurred.

Officer D. Nguyen said, "It was in... I don't remember the date from memory, but after reviewing the documents I remembered the date." Officer D. Nguyen said it was "February tenth, two-thousand and fourteen." (0:15:13 minutes)

Investigator Andersen asked if he knew what day of the week that was. Officer D. Nguyen said, "*I believe it was a Monday. I'm not sure. I didn't look it up on the calendar to figure out the day.*" (0:15:25 minutes)

Investigator Andersen asked if he remembered what the original call was. Officer D. Nguyen said, "*It was a four-fifteen (415) family disturbance. Disturbing the peace.*" I recognized the term "*four-fifteen*" as being a common police code to designate 'disturbing the peace', which Officer D. Nguyen explained. (0:15:36 minutes)

Investigator Andersen asked if he remembered where the location was. Officer D. Nguyen said, "Fourteen-twelve Nisson, apartment seven." Investigator Andersen then confirmed he meant Nisson Road and that the location is in Tustin. (0:15:53 minutes)

Investigator Andersen asked, "Who was the call directed to? Was it directed to you?" Officer D. Nguyen said, "*No it wasn't. Uh, that falls under the south area of Tustin. So that would've- That, uh, call was dispatched to Officer Jankowski and Officer Stroud.*" (0:16:07 minutes)

Investigator Andersen asked Officer D. Nguyen if he simply answered up to assist on the call. Officer D. Nguyen explained, "*Yes. Uh, to kind of go back a little bit, we were on a call prior to this call, with a uh- From what my memory, if it's correct- A PTSD marine, retired marine, who threatened to hurt others, hurt uh, hurt himself. So when we responded to that call, all the units on team two* (dayshift patrol) *were on that call. We set up a perimeter. Um, in my mind I thought some- If something were to go bad, it was going to be on that call.*" (0:16:30 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer D. Nguyen continued, "*Once the call was code-four* (Ok), *the guy was in handcuffs. Then we put him uh, on a seventy-two hour mental hold. A lot of the officers cleared from that call. Myself, Officer Wright, Officer Stroud, Officer Jankowski.*" (0:16:54 minutes)

Officer D. Nguyen explained that Officers Roque and Gleason were busy working on the prior call involving the PTSD marine. After the other four officers went back into service, Officers Stroud and Jankowski were dispatched to the new call involving VILLA. Officer D. Nguyen and Officer Wright went to assist.

Officer D. Nguyen continued, "*Um, Officer Roque and Officer Gleason were on the prior call. So Officer Stroud and Officer Jankowski got dispatched to this call. Myself and Officer Wright were ten-eight* (in service). *We were thinking, you know, we're just gonna stay available right now. Mondays are very busy days for us.*" (0:17:07 minutes)

Officer D. Nguyen continued, "*Um, but after the call came out we were like, let's just go over there and help out. There's no other calls pending. Why- Why would we just sit here. Why not go help out our partners. The more the better.*" (0:17:23 minutes)

Investigator Andersen clarified that it was Officer D. Nguyen and Officer Wright who assisted Officer Jankowski and Officer Stroud. Officer D. Nguyen said , "*That's correct.*" (0:17:40 minutes)

Investigator Andersen asked if Officer Wright was also assigned to cover the north end of Tustin, along with Officer D. Nguyen. Officer D. Nguyen said, "*Yes.*"

Investigator Andersen asked how long it took Officer D. Nguyen to arrive at the location [redacted]. Officer D. Nguyen said, "*When the call was dispatched out, I was pretty close to the area already. I would say within two-minutes.*" (0:18:09 minutes)

Investigator Andersen asked if they all went together. Officer D. Nguyen said, "*Yes. From the last call, we kind of split up and we kind of went around in a circle, from what I remember. And when the call was dispatched we were kind of equal distance, roughly. So we were- We just… we were en route.*" (0:18:16 minutes)

Investigator Andersen again asked how long he thought it took him to get there. Officer D. Nguyen said, "*Two minutes? I'm not sure. These little details are hard to kind of remember…*" (0:18:30 minutes)

Investigator Andersen confirmed they all arrived at approximately the same time and Officer D. Nguyen said, "*Yes.*" After a moment Officer D. Nguyen added, "*And the reason why I say that is we all walked up to the apartment complex as a group.*" (0:18:42 minutes)

Officer D. Nguyen clarified, "*So we all got there at the same time, exited our vehicles, closed our doors and kinda walked up at the same time. So that's why I say we arrived at the same time.*" (0:18:59 minutes)

Investigator Andersen asked Officer D. Nguyen if he remembered where he parked. Officer D. Nguyen said, "*Yes. Uh, it was on Nisson Road along the south curb line, just west of the location. I could draw it for you.*" (0:19:12 minutes)

Investigator Andersen and Officer D. Nguyen began reviewing overhead images of [redacted], which I had downloaded from Google Maps.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer D. Nguyen pointed to one of the images ('Page 1') and said, "*So this is the apartment complex here. I was parked in one of these spots right here, along this road. So around here.*" (0:19:23 minutes)

Officer D. Nguyen was indicating an area along the south curb of Nisson Road west of the driveway to the Casa Cortez apartments. Officer D. Nguyen pointed to two vehicles that can be seen in the Google map at that location, and he indicated that he was parked in one of those spots during the incident.

Officer D. Nguyen continued, "*So I was parked like right here. Somewhere right here, maybe further back* (west)."

Investigator Andersen began reiterating for clarification, "Ok we'll just go with you were parked, uh..." Officer D. Nguyen completed the thought, "... *on the south curb line of Nisson Road, just west of the location. But I was in the eastbound traffic lanes, if that makes sense. So I was facing eastbound but west of the location.*" (0:19:47 minutes)

At Investigator Andersen's request Officer D. Nguyen used a blue pen and he began marking one of the images. Officer D. Nguyen wrote 'Page 1' at the top in blue pen. (See attached copy)

Investigator Andersen referenced the image and asked Officer D. Nguyen where he parked. Officer D. Nguyen said, "*I'd say where the white or the red car are. I'm right in that area.*" (0:20:25 minutes)

Investigator Andersen noted those vehicles are shown at the top of the picture and Officer D. Nguyen said, "*That's correct.*" (0:20:30 minutes)

At Investigator Andersen's request, Officer D. Nguyen marked the location on 'Page 1'. He then drew a line to this location and wrote the words 'Location of where I parked' in blue pen.

As Officer D. Nguyen was marking the location where he parked, he said, "*We're always taught to park away from the location. Not to park in, right in front.*" (0:21:01 minutes)

Investigator Andersen asked if any of the other officers parked in that area with him. Officer D. Nguyen said, "*Yes. Um, if I- From what I remember there was two patrol- other patrol units* (cars) *parked in this driveway. They pulled in. And then there was another patrol unit* (car) *behind me. So we had one, two, three, four in total, in this area.*" (0:21:10 minutes)

Investigator Andersen asked if he remembered who parked near him, at the curb. Officer D. Nguyen said, "*I don't remember. I don't remember.*" (0:21:29 minutes)

Investigator Andersen clarified that Officer D. Nguyen and another vehicle parked approximately where the white and red cars are shown on 'Page 1' and Officer D. Nguyen said, "*That's correct.*" (0:21:40 minutes)

Investigator Andersen asked where the other two police cars had parked. Officer D. Nguyen said, "*Somewhere in this driveway. I don't know if they parked here-and-here* (pointing to 'Page 1'), *or here-and-here. But they, they didn't pull into a parking spot. They just basically pulled into the driveway.*" (0:21:43 minutes)

Investigator Andersen clarified that Officer D. Nguyen meant the driveway directly in front of the white car and the red car, as they were looking at 'Page 1'. Officer D. Nguyen said, "*That's correct.*" (0:21:53 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer D. Nguyen added, "*You could see on my um, my video, from my patrol unit, where the car was parked.*" (0:21:58 minutes)

Investigator Andersen asked if the other police vehicles had one or two officers in each car. Officer D. Nguyen advised that there is typically only one officer assigned per car.

Investigator Andersen asked what happened after the four officers parked. Officer D. Nguyen said, "*We all exit our vehicles, and walked up to um, the apartment together.*" (0:22:24 minutes)

Investigator Andersen asked if they walked as a group and Officer D. Nguyen said, "*Yes.*"

Investigator Andersen asked what route they took as they walked toward the apartment. Officer D. Nguyen pointed to the image on 'Page 1' and said, "*Um, I went through the grass here, and we were gonna go down this center aisle. So we didn't use the sidewalk but we just kinda cut through the grass. I don't remember where specifically in the grass, but we just kinda cut through.*" (0:22:33 minutes)

Investigator Andersen used the image on 'Page 1' to clarify what Officer D. Nguyen was stating. Investigator Andersen said, "And again referring to 'Page 1' um, the, the (cough)... using the white and red car as a reference, there's a driveway in front of those two cars. And then there's a big grass area to the uh, what is that, east?" Officer D. Nguyen confirmed the grass area was east of the driveway. (0:22:45 minutes)

Investigator Andersen continued, "Ok. And so, you're saying that you, as a group, the four of you walked across that grass and you were heading for the walkway in the center of the complex?" Officer D. Nguyen answered, "*That's correct.*" (0:23:03 minutes)

At Investigator Andersen's request, Officer D. Nguyen drew a line on 'Page 1' that started near the red and white cars. The line went across a driveway and then across a grass area, toward the center walkway of the Casa Cortez apartments.

Investigator Andersen confirmed this was the route that Officer D. Nguyen and the other officers took, and Officer D. Nguyen said, "*That's correct.*" (0:23:33 minutes)

Investigator Andersen asked Officer D. Nguyen what he saw as he approached the center walkway. Officer D. Nguyen said, "*Um, I'm the first one to clear this corner here. I was kind of to the left of everybody. Because we were walking this direction so I was like, to the left. So I peer- or I peek- or I see around this corner first.*" (0:23:38 minutes)

Officer D. Nguyen pointed to the image on 'Page 1' showing the northeast corner of the building. For reference, this is the northeast corner of apartment #1 at the Casa Cortez apartments.

Officer D. Nguyen continued, "*And I see an individual in this corner of this grassy area.*" (0:23:50 minutes)

Officer D. Nguyen pointed to the image on 'Page 1'. On the left side of the center walkway, in front of apartment #3, there is a patch of grass. Officer D. Nguyen indicated the corner of this patch of grass, directly in front of apartment #3, and advised this was where he first saw VILLA.

At Investigator Andersen's request, Officer D. Nguyen marked this location on 'Page 1' and on a second image, which he labeled as being 'Page 2'. (See attached)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen clarified, "And by that mark, what is that- What is that indicating?" and Officer D. Nguyen answered, "*That's where I saw the suspect, initially.*" (0:24:37 minutes)

Investigator Andersen advised that he would be referred to as 'ROBERT VILLA' or 'VILLA' for the interview.

Investigator Andersen asked if VILLA moved from that location eventually and Officer D. Nguyen said, "*Yes. Yes.*" (0:24:58 minutes)

Investigator Andersen asked where VILLA moved to. Officer D. Nguyen said, "*I- It's just an estimate, but he moves towards us, in this direction. So he moves that way. And that's just an estimate.*" (0:25:01 minutes)

While he was answering, Officer D. Nguyen pointed to 'Page 2' and he indicated that VILLA moved from the grassy area near apartment #3 toward Nisson Road.

At Investigator Andersen's request, Officer D. Nguyen drew a line on 'Page 2' to the location where he first saw VILLA. He marked the location as being 'RV1' to indicate where ROBERT VILLA was first seen. (0:25:12 minutes)

Investigator Andersen asked what VILLA was doing at that location. Officer D. Nguyen explained, "*he's kind of on his- He's doing something on the grass. When I initially saw him I thought he was a maintenance person. Um, I see him. He looks over at me and he sees me. There was a, uh, large knife in the ground, like right next to him. I don't remember where but it was just stuck in the grass.*" (0:25:36 minutes)

Officer D. Nguyen continued, "*Uh, he picks up the knife, faces- He stands up, faces us. And he does the- Uh, let me just stand up and I'll show you.*" (0:25:57 minutes)

Officer D. Nguyen stood up and then continued, "*He picks up the knife and he basically stands up and does this.*" (0:26:06 minutes)

At that point Officer D. Nguyen demonstrated what VILLA did after he stood up from the grass. Officer D. Nguyen stood with his right foot back and his left foot forward. He made fists with his hands and he raised his hands in front of him in what appeared to be a boxing stance. Officer D. Nguyen then started moving his shoulders in a forward rolling motion while he shook out his arms.

It should be noted that I personally conduct fight training on my own time and I immediately recognized Officer D. Nguyen's stance as being a fighting stance. I recognized the rolling movements of his shoulders and the shaking-out movements of his arms as being a common warm-up movements that are used to wake up and loosen the arms, shoulders and neck muscles in preparation for combat.

Additionally these movements are commonly seen on television during boxing or mixed martial arts (MMA) events. Fighters consistently make the same motions before combat commences. They also make these motions whenever there is a pause in the fight, in order to keep the muscles warmed up and loose. Such movements are also mimicked in television shows and in movies, for scenes when people are preparing for hand-to-hand combat.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

While Officer D. Nguyen was demonstrating VILLA's movements, Investigator Andersen asked, "Kind of rolls his shoulders?" Officer D. Nguyen continued explaining, "*Rolls his shoulders. It's just like when you're in a boxing match or something. You're getting ready to fight and you're kind of loosening up your shoulders. But he has a knife in his hand.*" (0:26:11 minutes)

Officer D. Nguyen continued, "*Um, thats- At that time, I unholstered my firearm. I order him to uh, drop the knife. Um, I don't remember how many times I said it. But after reviewing the MAVS in my patrol unit, I said it four times. My partners were yelling it as well, um...*" (0:26:17 minutes)

Officer D. Nguyen continued, "*And then he starts basically sprinting towards us. And that's when I uh- I was in fear for my life, 'cus it was a large knife. Um, and he was- It- The way his demeanor was and the way he was rolling up his shoulders... In my mind was this guy's running towards me with this knife right now.*" (0:26:33 minutes)

Officer D. Nguyen then explained that VILLA's reaction upon seeing the police officers was immediate and aggressive.

Officer D. Nguyen continued, "*Um, he's- When he saw me, he picked up the knife right away. It wasn't like he saw me and kinda continued to do what he was doing. He saw me, picked up the knife and was about to charge us with it.*" (0:26:50 minutes)

Investigator Andersen asked where VILLA was initially looking when he (Officer D. Nguyen) first saw him. Officer D. Nguyen said, "*He* (VILLA) *was kinda looking at the ground. He was kind of hunched over, looking at the ground. So that's why I thought he was a maintenance guy working on the sprinklers, or something.*" (0:27:08 minutes)

Investigator Andersen asked Officer D. Nguyen if he said anything to VILLA to get his attention. Officer D. Nguyen said, "*I didn't say anything to him.*" Officer D. Nguyen explained, "*He looks at me. Right when I rounded that corner, I look at him, he sees me. He just stands up. I didn't say anything to him.*" (0:27:20 minutes)

Investigator Andersen asked if he remembered his position, and the positions of the other officers when he saw VILLA.

Officer D. Nguyen said, "*We were- I don't remember. I mean, I- All I remember is I peer- I went around that corner first. I saw him. When I started giving him commands to 'Drop the knife,' that's when all my partners were like- It got their attention.*" (0:27:33 minutes)

Officer D. Nguyen added, "*Um, so. I don't remem- They were to my right. That's all I remember. I don't know what order or where they were or how they were positioned. I just know all- All three of my partners were to my right.*" (0:27:45 minutes)

Investigator Andersen asked Officer D. Nguyen what he remembered about the details of the call when he first heard it come out. Officer D. Nguyen explained, "*Um, they said it was a family disturbance, four-fifteen family. Um, somebody called. The RP, reporting party, called and said his s- His son was doing something, it was erratic. And there were no further details because there was screaming in the background.*" (0:28:04 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer D. Nguyen continued, "*Um, Officer Stroud looked- I remember this because I reviewed, um, the audio and it refreshed my recollection to why I put myself en route as well. And why Officer Scott* (Officer Wright) *put himself* (inaudible)." (0:28:19 minutes)

Investigator Andersen clarified that by 'audio' he was referring to the radio traffic, and Officer D. Nguyen said, "*Yes.*"

Officer D. Nguyen continued, "*Officer Stroud- Officer Jankowski gets the call. Officer Stroud asks for just like a premise history. Like, do we have any priors* (calls for service) *at that address? That's something typical when we go into a situation that we have no details about. It was basically like a family disturbance with really no details.*" (0:28:32 minutes)

Officer D. Nguyen continued, "*So our dispatch advised us that we* (Tustin PD) *were there for multiple probation searches, other family disturbances. And uh, so when I heard that I'm thinking if it's a probation search, this guy's on probation. He's been arrested before. He had some kind of history. I don't know what it was. It's- There's too many unknown variables right now. I'm just going to put myself en route until we're code-four* (situation Ok)." (0:28:47 minutes)

Officer D. Nguyen continued, "*Um, so that's really all we had. As I went ten-ninety-seven, arriving on scene- I always refresh my screen* (MDC computer), *and the details on the call that said uh, 'He hit the wall with a knife. No longer in his hands.'- That was never dispatched out on the air, but I read that on my screen.*" (0:29:11 minutes)

Investigator Andersen started to clarify, "So you're thinking about that..." and Officer D. Nguyen continued, "*In my mind yes, I thought about that. I'm like, well I'm glad I'm here, when I saw that. Um, I think it was just- I don't know why dispatch didn't say it. I know they're super busy. They multi-task in that room. They- Nine-one-one* (911) *calls. Citizen calls. Radio traffic with us. Talking to their partners you know, so. Maybe it's just they didn't have time to say it. But I saw that.*" (0:29:31 minutes)

Officer D. Nguyen continued, "*That was the last thing I saw on my screen before I exited. We don't have anything to look at it, when we're out of the car. You have to- You can only look at it in your vehicle.*" (0:29:51 minutes)

Investigator Andersen summarized Officer D. Nguyen's statement thus far. When he mentioned the information that Officer D. Nguyen read on the computer screen, Officer D. Nguyen added, "*And I think I- I don't know if I told my partners that or anything, but I mean that was in the back of my head.*" (0:30:41 minutes)

Investigator Andersen asked Officer D. Nguyen what he thought he would encounter, given the information he had at the time. Officer D. Nguyen said, "Honestly I don't know. I mean in this line of work, it is- You expect the unexpected. Uh, I mean we've been to family disturbances where everybody's totally code-four (Ok), everybody's cooperative. Hey it was just a fight. Ok, hey somebody leave for a few hours and cool down. To full-on fights. To, you know obviously this. So..."

Officer D. Nguyen continued, "*I was just going there thinking there was a family disturbance and we were gonna, you know, hopefully resolve the situation by contacting both parties, making sure no crime has occurred and, you know, hopefully everybody can leave or the call can end peacefully.*" (0:31:15 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked if seeing that last piece of information on the computer had any impact on Officer D. Nguyen's thinking. Officer D. Nguyen said, "*A little bit. A little bit. I mean um, the last thing on there was 'No longer in his hands'. Um, it said there was knives in the house. I know dispatch asks a lot of questions, 'Hey is there knives in the house?' and all. A lot of people say 'Well yeah, there's kitchen knives in the house.*" (0:31:34 minutes)

Officer D. Nguyen explained how, regardless of what information is in the call, he treats everyone with caution because of the potential that someone may be armed with a weapon.

Officer D. Nguyen continued, "*But sometimes it's not- It's totally unrelated to it. It's in the back of my mind every single call. Even if there wasn't those two details on there, it's still in the back of my mind, 'Is somebody gonna have a weapon? You know. In their pockets. In their waistband. Tucked away somewhere in their hand. It's always in the back of my mind. And so, um.*" (0:31:48 minutes)

Officer D. Nguyen continued, "*I mean I don't- Just to answer your question, it was in the back of my mind that there was possibly a knife. But, you know um…*" (0:32:06 minutes)

Investigator Andersen explained that he was only trying to understand his (Officer D. Nguyen's) frame of mind at the time of the incident. Investigator Andersen noted the previous incident, when Officer D. Nguyen was stabbed multiple times with a knife by suspect [redacted] (TPD CR# 12-2071)

Investigator Andersen asked Officer D. Nguyen if he has ever recovered knives from a person and Officer D. Nguyen said, "*Yes.*"

Investigator Andersen asked Officer D. Nguyen how he came about locating knives on people. Officer D. Nguyen explained, "*Um, during a cursory search for weapons, they would have a pocket clip tucked away in their pocket, clipped in their um, on their pocket or you know, anywhere. In their sock. In their jacket.*" (0:32:43 minutes)

Investigator Andersen asked Officer D. Nguyen why he removed knives from people. Officer D. Nguyen said, "*Just to protect ourselves. Myself, my partners. Himself. From people around, you know, the immediate area. We don't know what we're going into.*" (0:33:02 minutes)

Investigator Andersen clarified, "So it's to kind of eliminate the possibility of that being used as a weapon against you?" and Officer D. Nguyen answered, "*Yes. Yes. Better safe than sorry.*" (0:33:12 minutes)

Investigator Andersen confirmed Officer D. Nguyen saw a knife in the ground next to VILLA and Officer D. Nguyen said, "*Yes.*" Investigator Andersen asked if VILLA's hand was on it at that time and Officer D. Nguyen said, "*No.*" (0:33:18 minutes)

Officer D. Nguyen then added, "*But right when he- Right when he sees us, he picks it up right away. You know uh, that's what kind of gave me a red flag right away. Why did you just see the police and why did you pick up a knife?*" (0:33:31 minutes)

Officer D. Nguyen continued, "*I initially thought he was a maintenance guy, cutting some pipes or something for sprinklers. But when he sees me and picks it up… that action was an immediate action of seeing the police. That gives me a red flag.*" (0:33:41 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked, "Now how long is it from the time he sees you and grabs that knife, to where he stands up?" Officer D. Nguyen said, "*Milliseconds.*" Officer D. Nguyen then clarified, "*Instantly. Yeah it was like, you see somebody and you pick it up right away. There was no hesitation whatsoever. There… It was immediate.*" (0:33:54 minutes)

Investigator Andersen asked how long VILLA rolled his shoulders before he charged at the officers. Officer D. Nguyen said, "*About a second. Because if you reviewed my video, I told him to drop the knife four times. So it wasn't like I said it once and it happened. There was ample time for him to drop that knife. Um, I'd say about a second. Second and a half.*" (0:34:13 minutes)

Investigator Andersen referred back to the shoulder-rolling Officer D. Nguyen did when he was demonstrating VILLA's movements. Investigator Andersen asked Officer D. Nguyen what goes through his mind when he sees a person making these types of movements. Officer D. Nguyen said, "*He's about to fight. He's getting ready to fight us.*" (0:34:41 minutes)

Investigator Andersen started to clarify whether it appeared VILLA was preparing for anything more than a simple fight and Officer D. Nguyen added, "*He has a weapon.*" (0:35:06 minutes)

Investigator Andersen asked Officer D. Nguyen if he remembered which hand VILLA was holding the weapon. Officer D. Nguyen said, "*I don't. After reviewing the MAVS, I gave a public safety statement. I said I think I remember it was in my- In the guy's left hand. Robert's* (VILLA) *left hand. But after playing the incident over-and-over in my head, I think it was in the right. Um, I- I don't remember which one. I just know it was in his hands.*" (0:35:11 minutes)

Investigator Andersen asked how VILLA was holding the knife and in which direction was the blade pointed. Officer D. Nguyen said, "*That's another thing too. Um, I apologize that I don't remember. It's been five months. Um, all I remember was, it was just a very long blade. It was not like the three-inch blade. It wasn't like a- It was like a kitchen knife. It was a very shiny blade that he was holding.*" (0:35:33 minutes)

Officer D. Nguyen continued explaining, "*And he held it in a manner where, you know- It- And- Including with uh, the shoulder-rolling and just kind of his stance, he was ready to fight us. He was- He was about to use that knife.*" (0:35:52 minutes)

Investigator Andersen asked Officer D. Nguyen if he had ever seen VILLA before. Officer D. Nguyen said, "*No.*" (0:36:04 minutes)

Investigator Andersen asked Officer D. Nguyen if he had ever been dispatched to that location before and Officer D. Nguyen said, "*No.*" (0:36:08 minutes)

Officer D. Nguyen added, "*I didn't even know he was part of this call. To tell you the truth, when I first saw him I thought he was the maintenance guy.*" (0:36:11 minutes)

Investigator Andersen asked if the name ROBERT VILLA sounded familiar. Officer D. Nguyen said, "*Now it does. But at the time it didn't. No.*"

Officer D. Nguyen confirmed that, as far as he knew, he had never met VILLA before this incident.

Investigator Andersen referred back to VILLA's actions prior to running at Officer D. Nguyen. Investigator Andersen asked how far was VILLA from Officer D. Nguyen when he stood up. Officer D. Nguyen said, "*I don't know the exact distance. I haven't been out to the scene ever since the uh, the incident occurred.*" (0:36:38 minutes)

Officer D. Nguyen then began referring to the overhead images of the Casa Cortez apartments and he continued, "*If I can show you on... We can use this one. It's a little bit clearer. Or we could do this one.*" (0:36:48 minutes)

Officer D. Nguyen selected the image that was marked as being Page 1 and he continued, "*So he was here. I was- I would say I abou- I'd be where the white...*"

Investigator Andersen started pointing to the white car in the image, parked on Nisson Road, and Officer D. Nguyen clarified, "*No, I meant white circle. Yeah. I guess it's the marking of the complex. So whatever that distance is there, that's the distance. I don't want to give any feet. I'm not really good with distances. I don't want to give an estimation and be wrong. You can pull it up and I'll- Whatever that shows, that's how much it is.*" (0:37:01 minutes)

Investigator Andersen indicated a small walkway that connects the main center walkway with apartment number one (#1) and apartment number three (#3). Investigator Andersen asked if VILLA was on the south side of this smaller walkway and Officer D. Nguyen said, "*Yes. He is on the other side (south) of it.*" (0:37:27 minutes)

Investigator Andersen confirmed that VILLA was on the south side of the "little" walkway and Officer D. Nguyen said, "*South side.*" (0:37:33 minutes)

Investigator Andersen clarified this was the walkway that goes to the first set of apartments. At that point I advised they were "Apartment one, apartment three."

Investigator Andersen then asked Officer D. Nguyen to clarify that VILLA was on the south side of the walkway that leads up to apartment number one and apartment number three. Officer D. Nguyen said, "*Yes. Yes.*" (0:37:45 minutes)

Investigator Andersen confirmed the knife was in the grass near where VILLA was located. Officer D. Nguyen said, "*Right beside him.*" (0:37:59 minutes)

It should be noted on the Page 1 image of the Casa Cortez apartments, there is a white circle that Google maps used to mark the complex. Officer D. Nguyen confirmed that he was standing approximately where this circle is located when he first saw VILLA kneeling down on the grass area in front of apartment #3. (0:38:14 minutes)

Investigator Andersen asked, once VILLA started running toward him, how close did VILLA get to Officer D. Nguyen before he (Officer D. Nguyen) started firing at VILLA. Officer D. Nguyen said, "*He took- I think he took one or two steps. That's when I started to fire.*" (0:38:29 minutes)

Investigator Andersen asked if he recalled how VILLA was holding the knife at that point. Officer D. Nguyen said, "*I don't remember. I don't remember. It's been five months. I wish, you know... It's been a long time. There's a lot of things that happened that I try to, you know, move on from this situation. Kind of move on and focus on other stuff.*" (0:38:44 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked Officer D. Nguyen what was going through his mind when he saw VILLA stand up and start to roll his shoulders. Officer D. Nguyen said, "*When he first stood up and he grabbed it, I'm like 'Oh shoot, he's about to fight us.' He stands up and rolls his shoulders. I'm like 'Yeah, he's about to fight us. He's about to do something.' You know, a maintenance guy wouldn't do that. He sees a police officer walking up to him, you don't- As a normal person with any common sense, you would not grab a knife, roll your shoulders when you see a cop. That doesn't happen.*" (0:39:04 minutes)

Officer D. Nguyen continued, "*When he starts charging at us, I'm like 'Oh shit he's- He's running towards me with this knife!' And I'm thinking I don't want to get stabbed again. I don't want to go- I don't want my partners to get stabbed. That's a long knife. There's- Somebody's gonna get seriously hurt or killed if he gets any closer to us. Um, so I was in fear for my life and my partners' life.*" (0:39:34 minutes)

Officer D. Nguyen continued, "*We didn't provoke him. We didn't do anything to him. He saw me and he stood up with that knife right away. I didn't- The only thing I yelled at him was 'Drop that knife!' I didn't come over and like curse at him or anything to aggravate him. He saw me and picked it up right away.*" (0:39:59 minutes)

Investigator Andersen asked, "You hadn't had a chance to say anything to him?" and Officer D. Nguyen said, "*I didn't have a chance to say anything to him. Because I was still processing the scene. I was like 'Oh a maintenance guy. Oh shit, he picked up the knife. Oh shit, he's about to fight us.' And then he ran towards us.*" (0:40:13 minutes)

Investigator Andersen asked if he ever thought to use a TASER. Officer D. Nguyen explained, "*In that situation, I didn't. There was a chance that the TASER would not be effective and I wasn't going to put my life on the line, and my partner's life- My partners', three other partners on the line for a TASER.*" (0:40:28 minutes)

Investigator Andersen asked about using a baton. Officer D. Nguyen said, "*If he was close enough for me to hit him with a baton, he'd be close enough to stab me and slash me with that knife.*" (0:40:48 minutes)

Investigator Andersen asked about using pepper spray and Officer D. Nguyen said he did not carry pepper spray. Officer D. Nguyen added, "*But if I did carry O.C.* (pepper) *spray with me- In the academy they spray us and we're still able to fight. They train us to fight through it. Once again like the TASER, I'm not gonna put my life on the line, and my partners' lives on the line, and hope the probability that the TASER or the pepper spray stopped him.*" (0:41:05 minutes)

Investigator Andersen asked if he remembered how many times he shot his gun. Officer D. Nguyen said, "*At the scene when I gave my public safety statement, when I reviewed it* (MAVS) *I said 'more than one, less than five.' Um I honestly didn't remember at the scene but when we came back with the- When I- They collected my firearm and took pictures of me, they downloaded my magazines and I shot seven rounds.*" (0:41:27 minutes)

Investigator Andersen asked if his partners shot at all. Officer D. Nguyen said, "*Uh there were other um, gunshots. I don't know who shot, I just know somebody did.*" (0:41:51 minutes)

Investigator Andersen asked Officer D. Nguyen if he could tell whether or not VILLA was hit. Officer D. Nguyen said, "*I couldn't tell. All I remember was he's still coming at me. After I shot my rounds he was still gaining ground. I actually backed up to the sign here because he was still gaining ground on us. And this was my first time ever firing a firearm at a person.*" (0:42:04 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Officer D. Nguyen added, "*All my experience- if you want to call it experience… in the movies, in video games- is when somebody gets shot they fall. I remember firing and I'm like 'This guy is not stopping!' And that was scary to me. I-I… It was- It was actually kind of a shock to me that he didn't stop.*" (0:42:28 minutes)

Investigator Andersen referred to the image on 'Page 2', specifically the Casa Cortez sign, and he asked Officer D. Nguyen about his movement toward the sign during the shooting. Officer D. Nguyen explained, "*I-I actually fanned… I-I fanned out when this happened, because I knew he was charging in our general direction. I didn't want all of- I didn't- I couldn't see my partners to the right. I didn't want all of us clumped together, to make a nice little target for this guy if he happened to come to us. So I basically fanned out to the left, this direction* (eastbound on 'Page 2')*, to spread us out.*" (0:42:12 minutes)

Investigator Andersen asked if he was firing while he was moving, or if he stopped and then fired. Officer D. Nguyen said, "*I was-* (sigh) *I don't remember. Uh, it would happen so quick. Um, I think I was moving and firing at the same time.*" (0:43:32 minutes)

Investigator Andersen asked where the other officers ended up. Officer D. Nguyen said, "*I remember after the shooting happened I saw Officer Stroud immediately to my right. And then I couldn't see Officer Jankowski or Officer Stroud. But I know they were further to my right. There was no way they could come around to my left.*" (0:43:49 minutes)

Investigator Andersen asked if Officer Stroud was within touching distance to his right and Officer D. Nguyen said, "*A little bit further.*" (0:44:08 minutes)

I noted that Officer D. Nguyen had mentioned Officer Stroud twice when providing the other officers' names. I asked Officer D. Nguyen which officer was to his right and Officer D. Nguyen said, "*Officer Stroud. To my right. He was the next officer next to me. And then Michelle Jankowski and uh, Scott Wright were further over there. I don't remember where they were at.*" (0:44:12 minutes)

Officer D. Nguyen reiterated that he did not see Officer Jankowski or Officer Wright and he did not think they could have moved around to his (Officer D. Nguyen's) left. Officer D. Nguyen clarified, "*Because immediately after the shots I heard somebody screaming. It came out to be the mom and she was over in this parking lot over here* (Officer D. Nguyen indicating his left side)*. So I came over there to provide a perimeter, to protect the scene, to protect my partners. So nobody could walk up on us.*" (0:44:28 minutes)

Investigator Andersen had Officer D. Nguyen mark on 'Page 1' the approximate location where he moved to. Officer D. Nguyen marked the location where he (Officer D. Nguyen) was upon first seeing VILLA. Officer D. Nguyen then marked the location where he (Officer D. Nguyen) moved to during the shooting. See 'Page 1' for details. (0:44:45 minutes)

After he placed the markings onto 'Page 1', Officer D. Nguyen explained, "*You could see in my video* (MAVS)*, I'm standing by sign. That's- 'Cus the video, it captures just up to the sign right there. You can't outside…*" I clarified, "… to the right?" and Officer D. Nguyen answered, "*Yeah.*" (0:45:37 minutes)

Investigator Andersen asked Officer D. Nguyen if he recalled anyone else being out there and Officer D. Nguyen said, "No. *I don't recall anybody out there at that time other than his mom and, later I found out it was his step-dad I believe. Over here* (indicating the Stater Brother's parking lot on 'Page 1')*. And that was it.*" (0:45:49 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen confirmed Officer D. Nguyen's statement that he was firing however VILLA did not go down, and Officer D. Nguyen said, "*Yes.*" (0:46:02 minutes)

Investigator Andersen confirmed that VILLA eventually went down and Officer D. Nguyen said, "*That's correct.*"

Investigator Andersen asked, "Is that once you get over to the sign?" and Officer D. Nguyen said, "*Yes. What I saw- For, if I remember correctly he fell to the right, like he spun to the right.*" (0:46:13 minutes)

As Officer D. Nguyen was explaining VILLA's spinning movement, he was mimicking the movement by turning to his (Officer D. Nguyen's) left. I noted that Officer D. Nguyen's description that VILLA '*...spun to the right*' appeared to be from Officer D. Nguyen's perspective as he was looking toward VILLA.

I interjected for clarification, "He rolled to *his* right?" Officer D. Nguyen repeated the question and then explained, "*Rolled to his right... Oh, I'm sorry, he rolled to his left.*" (0:46:26 minutes)

Officer D. Nguyen continued, "*His left. His right shoulder was...*" When Officer D. Nguyen mentioned VILLA's right shoulder he mimicked VILLA's movement by turning to his left and moving his right shoulder forward. (0:46:31 minutes)

I again interjected for clarification, "His right shoulder presented forward towards you?" and Officer D. Nguyen said, "*Yes.*" (0:46:32 minutes)

It was clear during the interview, based on Officer D. Nguyen's statements and his demonstrations, that he meant VILLA was rolling to his (VILLA's) left when he fell.

Officer D. Nguyen continued explaining, "*Um, that's when I- I was like, 'Well finally he went down.' The threat stopped so I stopped firing. He's not moving anymore. I couldn't see the knife. I don't know where the knife went. I don't' know if he fell on it, if it's still in his hands or whatever but. Uh, he went down and then my three partners- I know somebody started doing, uh giving him medical treatment. I heard the mom so I at least wanted to provide perimeter security because I know the- His apartment wasn't cleared. The scene was so open right now. Nothing was secured. We- We didn't have control of the scene whatsoever.*" (0:46:36 minutes)

Investigator Andersen confirmed that Officer D. Nguyen stopped firing when VILLA went down and Officer D. Nguyen said, "*Yes.*" (0:47:09 minutes)

Investigator Andersen asked if Officer D. Nguyen stopped firing because VILLA went down and Officer D. Nguyen said, "*Yes. He stopped running at us.*" (0:47:20 minutes)

Investigator Andersen asked Officer D. Nguyen to explain why he stopped firing. Officer D. Nguyen said, "*The threat was... There was no longer a threat. Um, he was on the ground. I presume he got hit and he fell because he got hit.*" (0:47:25 minutes)

Investigator Andersen confirmed that Officer D. Nguyen no longer perceived the deadly threat at that moment and Officer D. Nguyen said, "*Yes.*" (0:47:35 minutes)

Investigator Andersen confirmed which direction Officer D. Nguyen had moved and Officer D. Nguyen said, "*East.*"

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked where VILLA's mother was located. Officer D. Nguyen said, "*She was over here in the parking lot with dad.*" (0:47:46 minutes)

Officer D. Nguyen referred to 'Page 1' and he marked the location of VILLA's mother ([redacted]) and step-dad ([redacted]). (0:47:55 minutes)

Officer D. Nguyen continued, "*She was screaming. She was yelling at us, calling us 'Dumbasses', 'Morons'... I don't remember the specific words but you could hear it all on my MAVS.*"

Officer D. Nguyen added, "*She did say something along the lines of 'You didn't have to... Why'd you shoot him? You didn't have to TASER him.*" (0:48:13 minutes)

Investigator Andersen asked if she said that to him (Officer D. Nguyen) and he said, "*Yeah. She was yelling that at me and my MAVS recorded most of it. Um, I reviewed it. I remember at the scene, her saying 'He only had a knife. You didn't have to shoot him. You could've TASER'd him.' But when I listened to it, I couldn't hear the beginning portion of that. But I thought- I remember hearing that and I'm thinking really lady? Like you're... you're telling me to Taze somebody- I've been in a situation with a knife before and you know, TASER's work half of the time, you know some- I don't know the percentage but they, they sometimes don't work.*" (0:48:18 minutes)

Officer D. Nguyen continued, "*There's a lot of room for error in a TASER. You don't have a good contact, you pull the probes out. There's a lot of variables that make it uh, unsuccessful.*" (0:48:52 minutes)

Investigator Andersen recalled Officer D. Nguyen's previous incident when he was attacked with a knife. Investigator Andersen asked if any of his experience from that incident came into his mind when he saw VILLA with the knife. Officer D. Nguyen said, "*Yes. I mean, I had to go through a lot of therapy. Physical therapy, a lot of pain and, to get back to where I am now. I was very lucky that I did not die in that. Um, from what the doctor told me, I could have, if one of the slash marks were a little bit deeper. Uh, I didn't want to go through that again and I didn't want my partners to going through that again.*" (0:49:21 minutes)

Officer D. Nguyen continued, "*And because I could tell you this knife would've killed us. Uh it was a lot bigger and it could've done a lot more damage.*" (0:49:44 minutes)

Investigator Andersen asked Officer D. Nguyen if he ever went back over to VILLA after he set up a perimeter. Officer D. Nguyen said, "*No I did not. Um, I guess I did because after more un- We called for more additional units, paramedics and stuff. When more officers showed up I helped Officer Houle, and I think it was Officer Wright, clear the residence. Just to make sure it's clear because that door's open. We didn't want anybody coming out, you know, another family member saying 'oh my god you shot' whoever and, you know, they're gonna attack us and now we have a second use of force incident. So we came back and cleared that. Um, when I came out of the house there was enough officers on scene to provide the security so I was just kind of standing by to see who needed what, and direct paramedics in and, etcetera.*" (0:49:44 minutes)

Officer D. Nguyen clarified that he did not end up providing first aid to VILLA because he was trying to provide security for the scene. Officer D. Nguyen said he believed Officer Wright and Officer Stroud were the two officers who provided first aid to VILLA.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked what VILLA's demeanor was like after being shot. Officer D. Nguyen said, "*I don't know. After reviewing the tapes I could hear him kinda like screaming in the background. But I don't know what his demeanor was. I heard on the radio, when they were transporting him to the hospital, that he was still fighting. We had to call Santa Ana officers to go to the hospital with one of our officers just to provide security.*" (0:51:05 minutes)

Investigator Andersen asked if he recalled what the weather conditions were like. Officer D. Nguyen said, "*I believe it was sunny. It was bright. A beautiful day. There was no lighting issues whatsoever.*" (0:51:33 minutes)

Investigator Andersen asked if there were any loud noises that could have prevented VILLA from hearing his commands and Officer D. Nguyen said, "*No.*" (0:51:49 minutes)

Investigator Andersen asked if there were any sirens running in the background. Officer D. Nguyen said, "*During the incident, no, but after there was.*" (0:52:04 minutes)

Investigator Andersen asked if Officer D. Nguyen had used his department issued Glock and Officer D. Nguyen said, "Yes." (0:52:14 minutes)

Investigator Andersen asked if Officer D. Nguyen's weapon functioned properly and he said it did.

Officer D. Nguyen confirmed he did not get any blood or bodily fluids on him, and he was not physically injured during the incident.

At that point during the interview I began asking some follow up questions, for clarification with regards to Officer D. Nguyen's statements, his equipment and his training. (0:52:55 minutes)

I asked Officer D. Nguyen to elaborate as to why he does not carry pepper spray. Officer D. Nguyen explained, "*When you use pepper spray on a suspect, it always bounces back at you, the wind shifts, you can get a little dose of it. I don't like getting incapacitated in a fight, even if the suspect is also incapacitated. That basically means my- I can't function one-hundred percent from pepper spray or you know, my eyes being shut. Um, so I just don't want to use it because I might get the effect of the pepper spray by using it.*" (0:53:17 minutes)

I asked if pepper spray is one-hundred percent effective on suspects and Officer D. Nguyen said, "*No.*" (0:54:00 minutes)

I asked about Officer D. Nguyen's training with regards to firearms. Officer D. Nguyen confirmed he received firearms training in the police academy and he also received training at the Tustin Police Department. (0:54:08 minutes)

Officer D. Nguyen noted that he also practices shooting firearms on his own, in addition to the department training he receives.

I asked about Officer D. Nguyen's training with regards to the TASER. Officer D. Nguyen advised that he received all of his training at the Tustin Police Department. (0:54:54 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

I asked Officer D. Nguyen to explain TASER deployment considerations. Officer D. Nguyen explained that the TASER is not one-hundred percent effective due to different problems that may occur. (0:55:22 minutes)

I asked what the range was for a TASER and Officer D. Nguyen said, "*I'd say, seven to ten feet.*" (0:55:58 minutes)

Officer D. Nguyen was able to articulate various tactics and deployment concerns with regards to using the TASER.

Officer D. Nguyen confirmed that he used his department duty weapon during the incident. Officer D. Nguyen confirmed he was using department magazines and ammunition. (0:58:11 minutes)

Officer D. Nguyen said he had not consumed any drugs or alcohol on the day of the incident. (0:59:00 minutes)

Officer D. Nguyen said he slept over six-hours the night before, which was "enough" sleep.

Officer D. Nguyen said he used his MAVS recording system during the incident. Officer D. Nguyen said he pushed the button on the microphone to activate the system. (0:59:12 minutes)

At my request, Officer D. Nguyen explained in a further detail regarding VILLA's stance. Officer D. Nguyen described it as being a fighting stance.

Officer D. Nguyen said, "*The combination of the knife in his hand, the rolling of the shoulders, he kind of shifted his stance. He was ready to fight.*" (1:00:02 minutes)

Officer D. Nguyen also clarified his impression of VILLA's movements when he was bouncing his arms and loosening up his shoulders, in preparation to fight.

Investigator Andersen asked Officer D. Nguyen if he had a sight picture when he fired his weapon and Officer D. Nguyen said, "*I don't remember. I don't even remember pulling out my firearm, to tell you the truth. I just remember boom, my gun was out... yelling commands. It was- It was- Happened so quick. So-So quick.*" (1:01:12 minutes)

At the conclusion of the interview, Officer D. Nguyen added, "*I got into this line of work, I was hoping to go through thirty years without having to use my gun. It's a tool, you know, that you never have to use. That was my plan. Obviously that's changed. But uh, this whole incident...*" (1:01:43 minutes)

Officer D. Nguyen continued, "I wish it never happened, meaning I wish he never charged us. I wish he never picked up that knife. I wish he would've followed our commands, dropped the knife. This would've been completely different. I never went to work thinking I want to use my gun on anybody. You know, I got into this line of work because I want to help people."

Investigator Andersen did not have any further questions and the interview was concluded at approximately 1239 hours.

On 08-08-14 at approximately 1108 hours, Orange County District Attorney's Office Investigator Andersen interviewed Officer S. Wright at the Tustin Police Department. Investigator Andersen asked if he deployed either of those weapons and Officer Wright said, "No." (0:11:34 minutes)

Investigator Andersen again asked if the MAVS system was not working or just his microphone. Officer Wright explained, "*It would have been working, but there was no way to trip it since the mic wasn't working (inaudible) and the emergency button you hit.*" (0:11:42 minutes)

After the above preliminary information was obtained, Investigator Andersen began asking questions regarding the actual incident. Investigator Andersen asked Officer Wright if he remembered the date and time when the incident occurred. Officer Wright said, "*February tenth. It was right around eleven-thirty, eleven thirty-five.*" (0:12:24 minutes)

Investigator Andersen asked if he remembered what the original call was and Officer Wright said, "*It's a family disturbance.*" (0:12:43 minutes)

Investigator Andersen asked if he was dispatched to the call or if he offered to assist. Officer Wright said, "*I offered to assist.*" (0:12:51 minutes)

Investigator Andersen asked if he remembered who was directed to handle the call. Officer Wright said, "*Brian Stroud and Michelle Jankowski.*" (0:12:58 minutes)

Investigator Andersen asked how long it took Officer Wright to get to the call. Officer Wright said, "I was right behind Stroud, so we were leaving- We were all on the prior call so I was right behind Brian. Maybe a minute, if that." (0:13:25 minutes)

Investigator Andersen asked if Officer Wright arrived at the same time as Officer Stroud. Officer Wright said, "*We did.*" (0:12:57 minutes)

Investigator Andersen asked if Officer Jankowski arrived at the same time as well. Officer Wright said, "*Michelle* (Officer Jankowski) *and Dave* (Officer D. Nguyen), *from what I remember, showed up just behind us. Brian* (Officer Stroud) *and I parked in the parking lot and they parked along the street.*" (0:14:07 minutes)

Investigator Andersen and Officer Wright began reviewing overhead images of [redacted] which I had downloaded from Google Maps. Investigator Andersen referred to one of the images ('Page 1') and he asked Officer Wright to mark where he parked his police vehicle. (0:14:26 minutes)

Investigator Andersen asked if he remembered where Officer Stroud parked. Officer Wright said, "*Not positive- I want to say he parked off to my right, but I'm not sure. I think Michelle* (Officer Jankowski) *and Dave* (Officer D. Nguyen) *both parked along the street, behind.*" (0:16:08 minutes)

Officer Wright confirmed it was on Nisson Road west of the driveway to the Casa Cortez apartments, approximately where a white and a red car were shown on the image.

Investigator Andersen asked if they arrived at the same time or if he had to wait for anyone. Officer Wright said, "*Brian and I, uh Stroud and I got out first. And we were basically standing like, pretty much sidewalk-ish, waiting for Dave and Michelle. They pull up and then the four of us started walking over there.*" (0:16:54 minutes)

Investigator Andersen referred to the image and he asked for clarification about what "*sidewalk-ish*" meant. Officer Wright pointed to an area of grass near where he parked and said, "*Somewhere-Somewhere in this area. Somewhere behind... yeah.*" Investigator Andersen confirmed it was the grass area near his car and Www said, "*I think so.*" (0:17:14 minutes)

Investigator Andersen asked what they did after Officer D. Nguyen and Officer Jankowski arrived. Officer Wright said, "*We start walking down. So it's... do you want me to draw it?*" (0:17:29 minutes)

Investigator Andersen had Officer Wright mark on the image ('Page 1') to indicate the path he walked with the other officers.

Officer Wright then continued, "It's pretty much lined up like this. It was me, Michelle, Stroud and Dave. And we were all pretty much walking I think they, Dave and Stroud, were a little bit in front of us. And we all started walking. And this is (inaudible)." (0:17:58 minutes)

I noted Officer Wright was indicating on the image they were walking in a southeast direction across the grass area.

Investigator Andersen then asked Officer Wright if he remembered any of the details that were given in the original call for service. Officer Wright said, "*A parent, I think it was the mom, was calling on her son, um... acting erratic, breaking things. Uh, I think um... that's all I remember from the call itself.*

Looking at the call log, um, going in it said that he stabbed the wall. Um, and then it said that he didn't have the knife." (0:18:27 minutes)

Investigator Andersen asked if he remembered that after reviewing the CAD log today. Officer Wright said, "*That what- Yeah, that he didn't have it. But I do- I remember um, that yeah, he uh, he was breaking stuff up. And when I was driving in, reading it, there was a knife involved.*" (0:19:07 minutes)

Investigator Andersen clarified he was referring to reading that when he was driving to the call for service and Officer Wright said, "*Yeah.*" (0:19:22 minutes)

Investigator Andersen clarified that he read the above information on his computer when he was on his way to the call for service and Officer Wright said, "*When I was en route to the call. And then today I re-read it and I, to be totally honest, I don't remember the part about not having the knife. I guess my memory's breaking apart.*" (0:19:32 minutes)

Investigator Andersen asked, "As far as the information on your computer screen in your car, where is it that it talked about not having the knife? Was it the very beginning of all the information?" Officer Wright said, "*I don't remember. It was prior to us getting there. So yeah it would have had to been the first part, as part of the call.*" (0:19:48 minutes)

Investigator Andersen confirmed that Officer Wright was not dispatched to the call and Officer Wright said, "*No. I volunteered.*" (0:20:15 minutes)

Investigator Andersen asked why he volunteered for this call and Officer Wright said, "*It didn't sound like it was going to be a good call.*" (0:20:19 minutes)

Investigator Andersen asked what he thought when he heard the call. Officer Wright said, "*I thought that Stroud and Michelle were going to have a fight on their hands.*" (0:20:25 minutes)

Investigator Andersen asked if that was based on the details in the call and Officer Wright said, "*Yeah.*"

Investigator Andersen asked if he responded to the call with the idea that it was going to involve a fight. Officer Wright started becoming emotional and he said, "*I thought it was gonna be a fight. I had no clue it would be a shooting.*" (0:20:39 minutes)

Investigator Andersen asked if they had discussed a plan of action once they all arrived on scene. Officer Wright said, "*No. We were just talking about regular stuff.*" (0:20:54 minutes)

Investigator Andersen asked what he first became aware of as he walked up to the location. Officer Wright began sobbing as he thought back. He paused and then said, "*Um, I was on the far side. So I couldn't really see. 'Cus if you look at it like we're pieing out, I couldn't see what was happening but I heard David start yelling. And... I heard- I heard him yelling about a knife. And as I was walking up more, is when I saw him* (VILLA)." (0:21:11 minutes)

Investigator Andersen confirmed he heard Officer D. Nguyen yell something about a knife. Officer Wright said, "I heard David yelling 'Put it down!'" (0:21:49 minutes)

Investigator Andersen confirmed when he moved forward he saw what Officer D. Nguyen was referring to. Officer Wright said, "Yeah."

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked what he saw. Officer Wright said, "*I saw VILLA. He had a knife in his right hand. So, David already told him to put the knife down. I don't know who else was yelling. All I could hear was Dave. So I'm kind of pieing this corner... I have no fucking clue when I took my gun out, but I- I'm sitting there and my gun's out. And I see him hold- He's sitting like this with both hands clenched and a knife in his right hand. And he turns away and lets out a yell, and then just goes full bore into Dave.*" (0:21:56 minutes)

Investigator Andersen confirmed that VILLA was standing up at that point, when Officer Wright saw him with his hands clenched. Officer Wright said, "He's standing."

Investigator Andersen asked Officer Wright to describe the knife that VILLA was holding. Officer Wright said, "*It- The thing's hu*(ge)*- It's like a foot long. Like a ten-inch to a foot long. Silver knife with a black handle.*" (0:23:00 minutes)

Investigator Andersen confirmed VILLA was holding the knife in his right hand and Officer Wright said, "*His right hand.*" (0:23:17 minutes)

Investigator Andersen asked Officer Wright to clarify how VILLA was holding the knife. Officer Wright said, "*Like, blade up. Like, like this.*" (0:23:22 minutes)

Investigator Andersen confirmed VILLA was holding the handle in his right hand and the blade was pointing up, and Officer Wright said, "*Yeah.*" (0:23:32 minutes)

Investigator Andersen asked how many times did Officer D. Nguyen yell for VILLA to 'Drop the knife!'. Officer Wright said, "*I have no clue. Um, I honestly. I just heard David yelling.*" (0:23:48 minutes)

Investigator Andersen asked if he heard anyone else yelling and Officer Wright said, "*No.*" (0:24:04 minutes)

Investigator Andersen asked Officer Wright if he yelled and Officer Wright said, "*No.*" (0:24:06 minutes)

Investigator Andersen asked, "And so he's standing up. Is he facing you guys at this point?" Officer Wright said, "He's facing- He was facing them. Can I show you?" (0:24:08 minutes)

Officer Wright stood up and he demonstrated VILLA's movements. Officer Wright narrated his demonstrations, "*So, by the time I see him... I'm like over here* (indicating west of the other officers, near the corner of the building)*. He's standing like this* (both hands in front of his body, elbows bent ninety degrees)*, Dave's yelling at him and he goes back like this* (turning his upper body toward the right, winding up, then springs back foward)*, and then it's like a fr- like a movie. He just yell- He's all 'Ahhh!' And then he took off full bore.*" (0:24:20 minutes)

Investigator Andersen asked if VILLA was facing more toward Officer D. Nguyen or toward the group of officers. Officer Wright said, "*Ultimately it was where, where Dave* (Officer D. Nguyen) *and Stroud were. Michelle* (Officer Jankowski) *and I were sit- set further back. Um, it- Ultimately it was them but all I could hear was David so that's all I, I knew was he was running towards David. I found out after when I looked, where they were.*" (0:24:42 minutes)

Investigator Andersen asked if VILLA was looking at Officer D. Nguyen or if he was looking at the ground. Officer Wright said, "*He was looking at him I think.*" (0:25:07 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked how long was VILLA looking at Officer D. Nguyen before he did the turning movement. Officer Wright sobbed as he said, "*It was instantaneous.*" (0:25:17 minutes)

Investigator Andersen confirmed that VILLA turned toward his right. Officer Wright said, "*To his right.*" Investigator Andersen asked if VILLA turned "like ninety degrees" and Officer Wright sobbed, "*Yeah.*"

Investigator Andersen asked how long VILLA stayed in that turning position. Officer Wright said, "*It was quick. It went- It was just, like 'Rah!' and went.*" Officer Wright demonstrated the turning movement, which was similar to a person winding up and then springing forward. (0:25:31 minutes)

Investigator Andersen confirmed that VILLA let out a yell and Officer Wright said, "*Yeah.*" (0:25:40 minutes)

As Officer Wright was thinking back on the event, he became visibly distraught. At that point during the interview Investigator Andersen decided to take a break in order to allow Officer Wright to compose himself.

I stopped the recording at approximately 11:33 hours. We paused for approximately 3-minutes before resuming the interview with Officer Wright.

It should be noted the incident was not discussed and there were no questions asked of Officer Wright during this pause in the interview.

Officer S. Wright's statements during the second portion of the interview (PUMA Recording Transaction #36220)

At approximately 11:36 hours Officer Wright had gathered himself and he agreed to continue with the interview. Investigator Andersen continued asking him questions about the events on 02-10-14.

Investigator Andersen summarized Officer Wright's account of VILLA standing with his hands clenched, holding the knife, turning ninety-degrees and then letting out a roar. Investigator Andersen asked what VILLA did next and Officer Wright said, "He charged David." (0:00:29 minutes)

Investigator Andersen asked how far away was VILLA from Officer D. Nguyen when he (Officer Wright) first saw VILLA. Officer Wright referred to the image on 'Page 1' and he said, "*It- Looking at this, he couldn't have been more... I saw him right around here* (pointing to the grass area near the center walkway, in front of apartment #3). *He was somewhere around that first- He wasn't back where he lived, he was up here in the middle.*" (0:00:33 minutes)

Investigator Andersen and Officer Wright reviewed the images to get a better understanding of what Officer Wright was saying. (0:00:55 minutes)

At Investigator Andersen's request, Officer Wright marked 'RV' on the image to indicate where VILLA was when he first saw him.

Investigator Andersen asked how many steps VILLA took before the officers shot him. Officer Wright said, "*I didn't shoot then...um.*" (0:01:44 minutes)

Investigator Andersen asked if he heard a shot prior to his own gunfire and Officer Wright said, "*Oh yeah.*" (0:01:57 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked how far VILLA got when he charged toward Officer D. Nguyen. Officer Wright thought back as he said, "*It- He does that. I'm moving- I'm basically even with the wall at that point. So I just see him. He does that turn and then starts running. He couldn't have made it... Are you looking for like an estimate?*" Investigator Andersen confirmed he was looking for the number of steps VILLA took or the approximately distance. Officer Wright said, "*Three steps tops.*" (0:02:03 minutes)

Officer Wright continued, "*And then, I don't know who shot, but there were... it had to have been four to six, and uh... he just kept going. And I was moving... I was moving laterally.*" (0:02:33 minutes)

Officer Wright referred to the images and he continued, "*I was right here. He was there-ish. I have no clue, um... Dave* (Officer D. Nguyen) *and Stroud were somewhere here. I have no idea where Michelle* (Officer Jankowski) *was. So they fire three-to-five, three-to-six shots. He just keeps running. And, at that point I'm moving to try to get in between him and Dave* (Officer D. Nguyen). *And then I'm like right here.*" (0:03:06 minutes)

Officer Wright tried to clarify his position, "I'm somewhere, it- I can't remember for the life of me, where I- what side of that tree. There's a palm tree. I have no clue. I think I was on the left." (0:03:39 minutes)

Investigator Andersen had Officer Wright mark VILLA's location with 'RV' on another image, noted as 'Page 2'.

Investigator Andersen referred to an image and he indicated the corner of the apartment building, specifically the northeast corner of apartment #1. Investigator Andersen asked for clarification about Officer Wright's location in reference to that corner of the wall. Officer Wright said, "*Yeah I was- Well I just crested that (corner) when I saw him do the turn thing.*" (0:04:34 minutes)

Investigator Andersen had Officer Wright mark on 'Page 2' with his initials, his location when he first saw VILLA.

Officer Wright pointed to the Casa Cortez sign on the image and he said, "*And then Dave* (Officer D. Nguyen) *and Stroud were somewhere in this area. I don't know. And I don't know where Michelle* (Officer Jankowski) *was.*" (0:04:52 minutes)

Investigator Andersen confirmed Officer Wright was indicating the area near the Casa Cortez sign and Officer Wright said, "*Dave and Stroud, yeah. Dave was. That's where I could hear him.*" (0:05:05 minutes)

Investigator Andersen requested that Officer Wright mark where Officer D. Nguyen and Officer Stroud were located on the image. (0:05:25 minutes)

Investigator Andersen clarified, "So from VILLA's position here roughly, you estimate he took about three steps before three-to-six shots were..." Officer Wright elaborated while referring to the image, "*It's kind of funky and distorted but probably, he was probably standing at the top of both those letters. So he was right there, made it about three steps. Um one of them, if not both of them, started shooting. He didn't go down. He kept running.*" (0:06:17 minutes)

Officer Wright continued, "*And, I was moving this direction.*" Officer Wright drew dash marks from his initials on the page, to indicate the direction he was moving. (0:06:50 minutes)

Officer Wright marked the location where he was standing when he fired his weapon. Investigator Andersen asked if he remembered how many times he shot and Officer Wright said, "Once." (0:07:17 minutes)

Investigator Andersen confirmed that Officer Wright was trying to move from his position to get between Officer D. Nguyen and VILLA. Officer Wright said, "*Yeah.*" (0:07:21 minutes)

Investigator Andersen asked what VILLA did when he (Officer Wright) fired his weapon. Officer Wright said, "*Um, there were like two volleys basically. The first one, if they hit him it didn't stop him, and he kept coming. The second one, so I'm moving- I'm moving laterally. I'm coming across like this and when I'm pulling the trigger, I don't know who shot from behind me and clipped him. And it had to, it was somewhere in his lower extremities because he just crumpled. So when I pulled the trigger he's like that.*" Officer Wright made a turning motion down toward his left side. (0:07:31 minutes)

Officer Wright continued, "*So he still, he had the knife and he was going down. I pulled the trigger and he hits. And he hits like, he gets all like crumpled. Like this. And I'm sitting there looking at him. Looking like that. Then he kind of lets out like a 'Uhhh', starts moving and then he brings that hand up and there's no knife. And I look over at Dave* (Officer D. Nguyen) *and Stroud and I yell, I go 'I'm going off gun. I'm gonna 'cuff him. I'm gonna 'cuff him.' And then they look over at me. And I think I told... the mom started yelling right away. Um, 'cus she was over by Stater Brothers I guess. So she starts yelling. I can't (inaudible), I think I told David* (Officer D. Nguyen) *to go over and take care of them. But I don't remember for sure.*" (0:08:15 minutes)

Officer Wright continued, "*Um, so... I go...fuck, I can't remember, um. Either way, David (Officer D. Nguyen) leaves. I don't know where Michelle* (Officer Jankowski) *is. And I- I'm looking at Stroud going 'I'm gonna 'cuff him. I'm going off gun. I'm going off gun.' So Stroud like nods yeah. So I put my gun away, I grab him and he's uh, he's still kicking, he's still fighting. Um, so I get on top and I get the left 'cuff on. And I'm going to put the right on but there's so much blood I can't keep his hand, so I'm pulling and it keeps slipping off. So I look at- Stroud's up over me pointing this direction, because people are starting to come out. So I look at Stroud and I go 'You're gonna have to help me. I can't do it by myself.' And then Stroud held his hand and I think I put the 'cuff on.*" (0:09:12 minutes)

Officer Wright continued, "*And then I roll him onto his left side and pat down for weapons. And he doesn't have any. Then I roll him onto his right side. And when I roll him on his right side he tells me that I killed him. And I tried to explain to him I didn't kill him, I'm trying to help him. And his mom was over there and I didn't want his mom to see him like that.*" (0:10:17 minutes)

Officer Wright sobbed as he continued, "*So, he- he didn't have any more weapons. The knife was down towards his leg. So I roll him back on his right side, so he's facing away from his mom. So she doesn't have to see that. And I start to try to do medical, but he's got too many... he's got too many wounds and I can't... I tried to get him to stop and, he was bleeding from like three points that I could see. The worst one was in his leg. Like pelvis area. Somewhere around here* (indicating his groin and thigh area). *So I was trying to get him... 'cus I didn't to put him that way and apply pressure because I didn't want the family to see it, so. I was holding him and pushing down on his left hip, to try to get his right... to try to put enough pressure on it so it would stop. And he's still kicking. He's like reeling back, kicking me while I'm trying to do that. Then he looks me in the eyes and tells me that I killed him.*" (0:10:52 minutes)

Investigator Andersen asked if VILLA was trying to wrestle away the entire time and Officer Wright said, "*Yeah.*" (0:12:13 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked if VILLA was trying to push him (Officer Wright) off and Officer Wright said, "*No. No he was kicking me. From the time I got on his back, the whole time he was kicking me in my back. He was like reeling back, you know. And when I get getting him, he was fighting with his right hand. Because I got his left hand pretty good, and I got the 'cuff on. And he kept pulling that right hand away so I had to ask Stroud to help me with that.*" (0:12:18 minutes)

Investigator Andersen asked how many shots he heard before he fired. Officer Wright said, "*Between the two* (officers)*? I'd say in the neighborhood of like eight to ten-ish. It was- it was- It was rapid. The first- The first ones, it was three to six. And that's the one where he kept running. And then the one after that was probably three to four. And then his momentum just carried- He got hit and his momentum just carried him face first.*" (0:12:47 minutes)

Investigator Andersen referred to the moment when VILLA stood there with the knife, did the turn away movement and then turned back toward Officer D. Nguyen. Investigator Andersen asked Officer Wright what he thought was going to happen at that point. Officer Wright said, "*Part of me- Part of my head was screaming 'No!', like 'Don't do it! Don't do it!' I could see where it was gonna go. So it's the weirdest thing, I had like two dialogues going on. One in my head's just screaming 'No don't do it! No don't do it!' and then at the same time I could hear Dave (Officer D. Nguyen) yelling. And... like I said, I had... Stroud was somewhere over there. I didn't know where Michelle was but I thought Dan- err, Dave was gonna get stabbed.*" (0:13:31 minutes)

Investigator Andersen asked what Officer Wright was referring to when he was saying in his mind 'Don't do it!' Officer Wright said, "*Don't rush him. Don't rush Dave.*" (0:14:25 minutes)

Investigator Andersen clarified, "You're thinking 'VILLA don't rush Dave'?" and Officer Wright said, "*Yeah.*"

Investigator Andersen asked "And what's your concern if he rushes Dave?" Officer Wright said, "*Dave would get killed.*" (0:14:43 minutes)

Officer Wright was visibly upset at this point.

Investigator Andersen asked if Officer Wright was thinking about the prior incident, where Officer D. Nguyen was attacked by a suspect with a knife ([redacted]).

Officer Wright explained, "*Um... yeah, Dave- Dave got in a bad fight like two years ago, and got stabbed in a guy's house, suspect's house. It was a four-fifteen family, a family disturbance.*" (0:15:13 minutes)

Investigator Andersen asked if that was similar to what this call for service was, and Officer Wright said, "*Exactly.*" (0:15:32 minutes)

Investigator Andersen asked if Officer D. Nguyen was injured during the prior altercation. Officer Wright said, "*He almost died.*" (0:15:38 minutes)

Investigator Andersen asked Officer Wright if the prior incident with Officer D. Nguyen was on his mind on 02-10-14, when they encountered VILLA. Officer Wright said, "*Absolutely.*" (0:15:44 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked, "So, when he continues to charge and you draw your firearm, what's going through your mind when you decide to pull the trigger?" Officer Wright said, "*I can't let him kill Dave.*" (0:16:00 minutes)

Investigator Andersen asked if VILLA still had the knife in his hand at that point. Officer Wright said, "*Yeah.*" (0:16:13 minutes)

Officer Wright emotionally added, "*And, it sucks. It's- This whole thing's shitty. I never wanted to fuckin' kill anybody. I never wanted to pull my fuckin' gun on someone.*" (0:16:17 minutes)

Investigator Andersen asked Officer Wright why he only fired one round and then stopped. Officer Wright explained, "*He was going down. He went- He got hit right before I shot. I don't even know if I hit him. He was going down so, I pulled the trigger. He's like this* (rotating his body). *Like that and he hits and he doesn't move for a second. And then he starts to move. So I'm sitting on him* (covering with a gun) *and then I see the right hand come around and he doesn't have the knife.*" (0:16:40 minutes)

Investigator Andersen clarified that when Officer Wright decided to shoot, shots had already been fired at VILLA. Officer Wright said, "*There were probably, yeah, ten shots or so prior to. Or whatever I said the first time. Ten to twelve, something like that.*" (0:17:17 minutes)

Investigator Andersen asked, "And he's still continuing to run at David?" Officer Wright said, "*Yeah. Even after he got hit, he didn't- He wasn't gonna quit.*" (0:17:28 minutes)

Investigator Andersen asked if VILLA looked like he got hit at that point and Officer Wright said, "*Yeah.*" Officer Wright then added, "*He got hit- My best memory is, he got hit somewhere in his lower right... 'cus it almost... the way- the way it took his momentum away. He just kinda... it looked like he still wanted to get over. And at this point I'm closest to him. I'm moving in between... so he didn't see me until I fired, I think. Um, but he was... his momentum gets taken away, he gets hit and goes down. He sits there for a second and then just continues to try to* (inaudible)." (0:17:36 minutes)

Investigator Andersen asked Officer Wright what he meant when he said that VILLA was not going to quit. Officer Wright explained, "*If his legs still would have worked, he would have still rushed Dave* (Officer D. Nguyen) *and Stroud. Or at that point he had seen me, so he would have come for me too. Um, you could tell how almost, like angry but almost animalistic. Like he really wanted to get over there.*" (0:18:42 minutes)

Investigator Andersen asked what he meant by 'get over there' and Officer Wright clarified, "*To Dave* (Officer D. Nguyen) *and Stroud. He- He, I think the only thing it was, is that he couldn't make his legs work to do it.*" (0:19:10 minutes)

Investigator Andersen asked what Officer Wright thought VILLA's intentions were if he got to Officer D. Nguyen and Officer Stroud. Officer Wright said, "*He was still gonna kill 'em. Even if he- If he didn't have that knife, he would have attacked them regardless.*" (0:19:18 minutes)

Investigator Andersen confirmed that when Officer Wright fired his one shot, that was when VILLA went down at that point. Officer Wright said, "*It- It was... Yeah. They hit him, whoever hit him, hit him right before I pulled, so I'm kinda... I'm doing this. So I'm moving over. I'm not saying anything. Dave's still yelling 'Put the knife down!' I'm moving like that, and by the time I get a shot, so I could pull the trigger*

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

and clearing that tree, I'm- I think I'm literally like that and he just went (down). *They hit him... someone hit him right before that."* (0:19:31 minutes)

Investigator Andersen asked if he had a sight picture and Officer Wright said he did.
Investigator Andersen confirmed that Officer Wright was able to process the events enough to get a sight picture, however VILLA went down right as he was pulling the trigger, and Officer Wright said, "*Yeah.*" (0:20:31 minutes)

Investigator Andersen noted that Officer Wright did not fire again, and Officer Wright explained, "*He was already on the ground.*" (0:20:45 minutes)

Investigator Andersen asked if it seemed like the threat had stopped at that point. Officer Wright said, "*Moment- Yeah like I said, momentarily he kinda did- He sat there for a second and then he did the 'Uhh'. He started moving all over the place again. But when... he was crumpled, so I mean. Like his momentum carried him like that* (turning and falling forward). *So this hand was somewhere back here. So when he brought that hand up, and you could see his both hands were, like was trying to pick himself up or something. I could see that he didn't have the knife and that's when I yelled over to Stroud.*" (0:20:52 minutes)

Investigator Andersen asked if he thought about shooting again as VILLA was continuing to fight. Officer Wright said, "*No.*" When asked why he did not think to shoot VILLA after that point, Officer Wright explained, "*I didn't see the knife.*" (0:21:27 minutes)

Officer Wright clarified, "*When I went up to 'cuff him, I came around... I walked in front of his head and I came up on the right side of his body, and the knife was lying back by like his knee to shin, to foot. Back in that area, so as far as I was concerned there was no threat at that point. Or at least not of being stabbed.*" (0:21:36 minutes)

Investigator Andersen asked Officer Wright if he saw any other people out there at that time. Officer Wright said, "*No. But I was just- There could have been twenty people but I wouldn't have paid attention. I just, I kinda got tunnel vision on him.*" (0:22:45 minutes)

It should be noted that tunnel vision is an autonomic response that commonly occurs during a deadly threat encounter. Officer Wright's mention that he had tunnel vision during the incident is consistent with extreme fear of a deadly threat.

Investigator Andersen asked Officer Wright if he remembered the weather or lighting condition. Officer Wright said it was sunny.

Investigator Andersen asked if there were any other loud noises going off. Officer Wright said, "*I have no idea.*" (0:23:14 minutes)

Investigator Andersen asked if it was loud enough outside that VILLA may not have heard Officer D. Nguyen. Officer Wright said, "*No. No. Not at all.*" Officer Wright said VILLA should have been able to hear Officer D. Nguyen. (0:23:20 minutes)

Officer Wright explained, "*They were... I mean, well Dave's ten-yards from him. Something like that.*" (0:23:33 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Investigator Andersen asked Officer Wright if he ever thought to use his TASER, and Officer Wright said, "*No. I didn't think to and I wouldn't- I wouldn't risk that. I've seen plenty of TASER darts miss and I'm not gonna let Dave* (Officer D. Nguyen) *get killed because I made a bad decision.*" (0:23:57 minutes)

Investigator Andersen confirmed the issue is the possibility that the TASER would not work and VILLA would not have been stopped, and Officer Wright said, "*Yeah.*" (0:24:14 minutes)

Investigator Andersen asked if Officer Wright considered using any other weapons, such as a baton or pepper spray. Officer Wright said, "*He had a knife. There's no way I would get close enough to do that.*" (0:24:20 minutes)

Investigator Andersen asked if it was because he would need to get close to VILLA in order to use those weapons. Officer Wright said, "*Then I- Instead of me fearing for Dave's life, I would have been fearing for my life.*" (0:24:32 minutes)

Investigator Andersen asked Officer Wright if he got blood on him anywhere and Officer Wright said, "Yeah." Investigator Andersen asked where and Officer Wright said, "*On my belt…*"

Investigator Andersen asked if he got blood on his hands. Officer Wright explained, "Um, *based on what the call sounded like, I thought- I thought it was gonna be a wrestling match. So when we were walking over I was gloving up. So my gloves got it* (blood) *all over. And then my gun, because I had to go clear the res* (residence) *when Don Houle* (Officer Houle) *showed up. Don* (Officer Houle) *and I went and cleared the res., so my gun got it all over. 'Cus he was… his arms were covered in it.*" (0:24:53 minutes)

Investigator Andersen asked if his firearm functioned properly and Officer Wright said, "*It did.*"

Investigator Andersen asked if there were any injuries to any officers and Officer Wright said, "*Not that I'm aware of.*" (0:25:34 minutes)

Investigator Andersen asked Officer Wright if he noticed anyone taking pictures or recording them at the time of the shooting. Officer Wright said, "*Not at the time. After, I'm sure there was.*" (0:25:40 minutes)

At that point during the interview I began asking some follow up questions, for clarification with regards to Officer Wright's statements, his equipment and his training. (0:25:55 minutes)

Officer Wright confirmed he was using a department issued firearm, magazines and ammunition.

Officer Wright confirmed that he qualified with his firearm during the recent department firearms training, and in prior department firearms training courses. Officer Wright confirmed he also qualified with his backup firearm.

Officer Wright confirmed he participated in the TASER training that is provided by the Tustin Police Department.

I referred to the TASER training and I asked Officer Wright if he recalled any specific training regarding the use of a TASER with an armed subject. Officer Wright said, "Yes." I asked him to explain this portion of the training and Officer Wright said, "The TASER would not be a good option if it's a lethal threat." (0:27:11 minutes)

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

I asked for clarification and Officer Wright explained, "*The risk of it malfunctioning. It could plain-ole malfunction. You could not get a two-barb hit. If you hit him and his momentum carried him, he'd be on top of you with a knife anyway.*"

Officer Wright noted the safe distance for someone with a knife is twenty-one feet.

I asked Officer Wright if he knew ROBERTY VILLA or had ever dealt with him before this incident, and Officer Wright said, "*No.*" Officer Wright said he did not recognize the name or the address. (0:28:31 minutes)

I confirmed Officer Wright was trained on the Tustin Police Department's Use of Force Policy and he said, "*Yes.*" I asked Officer Wright if the policy allows the use of deadly force if an officer is presented with a deadly threat and Officer Wright said, "Yes." (0:28:54 minutes)

I asked Officer Wright does a person with a knife pose a deadly threat and Officer Wright said, "*Absolutely.*" (0:29:09 minutes)

I asked Officer Wright if lethal force was authorized when someone is posing a deadly threat to him or to someone else, and Officer Wright said, "*Yes.*" (0:29:22 minutes)

I confirmed Officer Wright's MAVS microphone had malfunctioned on the call prior, which prohibited Officer Wright from activating his MAVS system on this call, and Officer Wright said, "*Yes.*" (0:29:43 minutes)

Investigator Andersen then reviewed the images and had Officer Wright clarify VILLA's location.

I asked Officer Wright if he had any alcohol or any illegal drugs in his system on the date of the incident and he said, "*No.*" (0:31:23 minutes)

I then asked for clarification regarding VILLA's stance and the turning movement. Officer Wright demonstrated that VILLA's hands were bent and slightly out to his sides, as though he was flexing. During the demonstration Officer Wright noted VILLA's movement was only his upper torso, however VILLA's feet did not move with it. (0:31:33 minutes)

I asked about the yell that VILLA gave and Officer Wright said it was like "*Ahhh*!"

Investigator Andersen did not have any further questions and the interview was concluded at approximately 1209 hours.

ROBERT VILLA's Family's Concerns

From the beginning of the investigation [redacted] repeatedly expressed her concern that the police officers shot her son, ROBERT VILLA. Immediately after the shooting [redacted] asserted her opinion that the officers "*should have tased his ass, not shoot him.*" [redacted] has asked both directly at Tustin City Council meetings and public protests, and indirectly via internet media, why the police officers shot her son, ROBERT VILLA.

During the investigation I learned that, based on statements and evidence at the scene, VILLA had armed himself with a knife and he ran at four police officers wielding the knife. I then reviewed the officers' reactions to see if they were consistent with their training in dealing with a deadly force encounter.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

It should be noted that based on my training and experience I am uniquely qualified to understand why VILLA's actions would have caused police officers to use deadly force in order to defend themselves.

I am a certified department Range Master and a TASER Master Instructor for the Tustin Police Department. My primary responsibility is to provide police officers with training on the deployment of firearms and the TASER X26 conducted energy weapon (CEW). Part of the instruction includes situational threat assessment, tactical decision making and the correct deployment of the appropriate force option.

Additionally I have personally been involved in deadly force encounters and I have personally interviewed other police officers, victims, witnesses and suspects who were involved with critical incidents. I have approximately 300 hours of training in Instructor Courses, many of which have components involving the use of force. I have approximately 501 hours in training related to conducting Investigations, including several courses that have components dealing with interviews and memory recollection.

I know from training and from my own personal experience that certain physiological events automatically occur during a critical incident which affects a person's ability to process information, make decisions, respond and later recall information about what happened.

During a critical incident, when a person observes a stimulus that instills enough fear to create a fight or flight response, the adrenal cortex floods the body with hormones that cause changes including:

- The heart rate and blood pressure increase.
- The muscles tense up, energized by adrenaline and glucose.
- Fine motor movements become nearly impossible.
- Gross motor movements become labored.
- The pupils dilate to take in as much light as possible.
- The veins in skin constrict to send more blood to major muscle groups.
- The blood-glucose level increases.
- Nonessential systems like digestion and the immune system shut down to allow more energy for emergency functions.
- Visual exclusion (tunnel vision) and audio exclusion (tunnel hearing) occur.
- The brain has trouble focusing on small tasks. The brain is directed to focus only on the threat (if known) or on big picture stimuli in order to locate and assess threats.
- Conscious thought subsides as the limbic system overrides higher level thinking. The subconscious mind uses autonomic (pre-programmed) responses in reaction to stimuli.

Once a deadly threat is recognized, a person's responses are subconscious. All reactions occur automatically and they will vary depending on the person's training and experiences, if any.

Officers' lives depend on being able to identify and respond quickly to a variety of potential threats. Because of this reality, officers are trained to recognize and assess different threats and then use an appropriate level of force to "stop the threat." This training is repeated throughout an officer's career, to ensure that each officer correctly addresses a threat with the correct level of force.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

As related to this incident, police officers are trained that a knife is a deadly weapon that can be used to kill or critically injure someone. When a suspect attacks an officer (or anyone) with a knife, every officer is trained to use deadly force until the threat is stopped.

With regards to the TASER, police officers are trained to have lethal cover (firearms) before they deploy their TASER's. Although it is a common misperception that TASER's work on everyone all the time, in reality TASER's are often ineffective in subduing a suspect.

There are several reasons why TASER's fail to work as designed, including:

- Poor Dart Penetration – One or both darts fail to make a solid contact with the subject. This is not uncommon with suspects who are moving.
- Dart Disconnection – One or both darts become dislodged. This is not uncommon with suspects who are moving.
- Broken Wires – The electrical wires are frail and easily break.
- Cartridge Failure – The cartridge fails to fire. Cartridges are frail and easily damaged.
- Battery Failure – TASER batteries have been prone to disconnection under stress. This occurs due to the battery design and an officer's increased grip strength under stress.
- TASER Failure – TASER's have electronic components that fail for various reasons.

Another tactical issue with using the TASER during a deadly threat is the close proximity. The TASER cartridge's maximum range is twenty-five (25) feet. However the probes spread at an eight-degree angle, meaning the probes are approximately thirty-eight inches (38") apart at that distance. This creates a high likelihood that one or both darts will miss.

According to TASER's training program, the optimum range for deploying a TASER is seven to fifteen (7-15) feet due to the spread of the probes. This range provides a better chance that the probes will make contact with the intended target.

Based on my own observations of TASER deployments during training classes, the reality is that the bottom dart has a relatively high likelihood of missing the target when the TASER is used beyond fifteen feet. The bottom probe will often strike the ground or simply pass between the suspect's legs. For this reason, I instruct officers to follow the TASER guidelines and deploy their department issued TASER's between seven to fifteen (7-15) feet from the intended target.

As documented in studies by various groups, including the Force Science Research Center, a suspect can close the distance and attack an officer up to thirty-five feet (35') away before an officer can defend himself. For safety reasons, officers are thus trained to maintain their distance from any potential threat.

The TASER distance limitation means that an officer has to be within fifteen feet or less in order to use the TASER. This places officers in extreme danger when facing a deadly threat.

Due to the elevated risk of being in close proximity to a deadly threat, and the propensity for a TASER to fail, officers are trained to use their firearms in order to stop a deadly threat to themselves or others. Officers are trained to deploy the TASER and/or other less lethal weapon systems, only after they have lethal cover and only when they can do so in a safe manner.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

However during a sudden, violent attack from a deadly threat, the threat needs to be stopped immediately in order to prevent officers or citizens from being killed. During such an unexpected encounter, officers do not realistically have time to coordinate an alternate response.

Additionally officers who are faced with a deadly threat are unable to make conscious decisions until the immediate danger subsides. As noted above, officers' reactions are autonomic. Their responses are pre-programmed through their training and experience.

During the investigation, I learned that VILLA reacted immediately upon seeing the police officers. Within a timespan of a few seconds, VILLA armed himself with a knife, stood up and faced the officers in an aggressive stance, threw a cell phone toward the officers and then charged the officers with a knife raised up. VILLA ignored repeated commands for him to drop the knife. He simply yelled at the officers and continued his attack by charging at them with the knife.

Based on the totality of the circumstances, I concluded the officers' reactions were consistent with their training in regards to dealing with a sudden deadly threat.

In addition to teaching officers, I also teach firearms and TASER overview classes to members of the general public via the Tustin Police Department Citizen's Academy, the Neighborhood Watch program and the Chief's Advisory board. I have experience answering questions for citizens who are untrained and/or misinformed with regards to the strengths and limitations of both force options.

Any assertion that the police officers should have used TASER's to stop VILLA is consistent with an untrained belief that the TASER is the appropriate force option to defend against an armed assailant. As noted above, this decision is tactically unsound and it places officers' lives, and citizen's lives, in increased jeopardy. Simply put the effectiveness of a TASER is uncertain and because of this fact, the TASER is not an appropriate option for stopping an immediate deadly threat.

[redacted] later claimed that her son was unarmed. However she was the person on the 911-Emergency Call who informed her husband [redacted] that her son had stabbed the wall.

Based on statements made by [redacted], [redacted], [redacted], [redacted], their neighbors, independent witnesses at the scene, and the fact that [redacted] kitchen knife was found lying on the ground in plain view near VILLA, it is highly unlikely that anyone lacked knowledge that VILLA was armed with a knife.

Summary and Conclusion

On 02-10-14 VILLA's family reported that ROBERT VILLA was acting crazy inside his home and possibly on drugs. VILLA wielded a knife and he caused damage to the property. A witness advised he saw VILLA chasing his own mother around, outside of the apartment. The entire family fled outside for their safety and VILLA's mother told her husband to call the police.

During the investigation I attempted to learn about ROBERT VILLA, in order to understand the events that led up to his encounter with the Tustin Police Officers and the motive for VILLA's behavior and actions on 02-10-14. I immediately noticed that VILLA had made a series of life choices that involved an extensive criminal history which included drug abuse, weapons and violence. VILLA demonstrated his propensity for violence toward women and toward police officers on various occasions.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Upon further investigation into his family life, I learned that VILLA's family had firsthand knowledge of his violence. VILLA had a previous domestic violence incident with his girlfriend [redacted] during which he pushed Avalos around. VILLA's stepdad [redacted] had to intervene on various occasions and control his son. VILLA also confronted and attacked police officers in front of his family members.

On 02-10-14 VILLA had been fired from his job and he was kicked out of his house by his girlfriend. VILLA was on active CDC parole and he reasonably should have known he would be arrested and would go back to prison for his drug use and his violent behavior.

Based on statements made by VILLA's family and neighbors, I concluded that VILLA had originally committed the following crimes:

1. **H&S 11377(a) – Possession of Methamphetamine**
   VILLA used methamphetamine.
2. **H&S 11550(a) – Under the Influence of a Controlled Substance**
   VILLA's family noted his behavior was changed and he appeared to be under the influence of methamphetamine.
3. **CPC 594 - Vandalism**
   VILLA damaged the front door and he stabbed a wall with the knife.
4. **CPC 245(a)(1) – Assault with a Deadly Weapon**
   VILLA chased his mother outside of the apartment while holding a knife.
5. **PC 603 – Forcible Entry or Injury to Dwelling House**
   VILLA damaged the front door to gain entry into the house.

Based on officers' statements, VILLA's family's statements, witness statements and the MAVS recordings, I concluded that VILLA committed the following against the Tustin Police Officers:

1. **CPC 417 – Brandishing a Weapon**
   VILLA wielded a knife in public, in a threatening manner.

2. **CPC 69 – Threatening a Peace Officer**
   VILLA turned to face the Officers while holding the knife in a threatening manner.

3. **CPC 148(a)(1) – Resisting, Delaying a Peace Officer**
   VILLA refused to comply with lawful commands for him to "Drop the knife!"

4. **CPC 241 – Assault on a Police Officer**
   VILLA threw a cellular phone at four uniformed Tustin Police Officers.

5. **CPC 664/187(a) – Attempted Murder on a Peace Officer**
   VILLA raised a knife and charged at four uniformed Tustin Police Officers.

VILLA had numerous opportunities to lawfully comply with the police officers, or to evade arrest. Upon arrival of the Tustin Police Officers VILLA could have fled on foot in any other direction or retreated into his apartment. However VILLA chose to stay and engage the police officers by wielding a knife in a threatening manner. VILLA then made the decision to run at four uniformed Tustin Police Officers with a knife in his hand, forcing the police officers to use firearms to stop the deadly threat.

The information contained in this report is Confidential and exempt from disclosure under applicable law. Do not copy or release without prior authorization from the Tustin Police Department.

Based on all of the evidence I have reviewed that described VILLA's behavior and his demonstrated intent, it appears that VILLA took active steps to murder Tustin Police Officers with a knife.

I request this report be forwarded to the Orange County District Attorney's Office for review.

It should be noted this investigation is ongoing. At the time of this report I am still waiting to review reports from the Orange County Crime Lab, the Orange County Coroner's Office, the Orange County District Attorney's office and Orange County Social Services. Any further information received will be included with this report.

TUSTIN POLICE DEPARTMENT
CRIME REPORT
CR# 14-778
Officer A. Gleason #1223

CRIME: PC 245(c) – Assault with a deadly weapon on a peace officer.

SYNOPSIS: After receiving a call for service regarding a family disturbance, the suspect, Robert Villa, produced a knife and charged responding TPD officers. An officer involved shooting subsequently occurred. Villa was taken to a nearby hospital where he eventually succumbed to his injuries.

SCENE: The Casa Cortez apartment community is located near the S/W corner of Red Hill Av and Nisson Rd. It is on the south side of Nisson Rd and it has two, two story rows of apartments which run north to south and face each other. There is a courtyard between the rows of apartments and a pool in the middle of the complex. The apartments are numbered from 1-44, with 1 starting on the N/W corner and 44 on the S/E corner. Each apartment has a patio which faces the interior of the complex. See attached map for further details.

NARRATIVE: On 2/10/14, at approximately 1144 hours, I responded Code 3 (emergency lights and siren) to 1412 Nisson Rd (Casa Cortez Apartments) in reference to a "shots fired" call from TPD officers. The TPD officers who were on scene prior to me previously received a call for service at about 1135 hours regarding a family disturbance. The reporting party in that call, [redacted] advised TPD his son, Robert Villa was "going crazy" and previously had a knife in his possession. After arriving on scene, an officer involved shooting took place at 1139 hours after the suspect displayed a knife in a threatening manner. The initial responding officers on scene were identified as Brian Stroud, Scott Wright, David Nguyen and Michelle Jankowski.

As I arrived on scene, I observed OCFA paramedics were already rendering medical aid to Villa, who was lying on his back near apartment #1. I noticed Villa appeared to be resisting OCFA paramedics by moving his body in all directions and kicking intermittently. He was also talking, but I did not pay attention to what he was saying since I was focused on assisting in securing the scene. I also noticed a large, approximately 1' long fixed blade knife which was black and silver in color. The knife was lying on the ground to Villa's right side and appeared to still be within an arm's reach (approximately 2-3 feet). It should be noted Villa was handcuffed behind his back at the time. At Sgt. Harper's direction, I immediately retrieved my camera and began photographing the scene.

I took the following preliminary photographs:

- (4) Photographs of the overall location of Villa, including paramedics treating him.
- (1) Photograph of the location of the knife in relation to Villa.

- (1) Photograph of what appeared to be bullet impacts in the grass (directly south of Villa).
- (3) Photographs of the entrance to [redacted] residence, which included a broken door jam.

In the four photographs which document the overall location of Villa, the knife can be seen in three. PSO Zachariah removed the photos from my camera and placed them onto two CD's. One was provided to Detective Kirwan, and I booked the other as evidence. The photographs were downloaded to a CD and booked under this CR#.

After the scene was secured, I was assigned by Sgt. Harper to contact any possible witnesses. I located [redacted], who is the sister of Villa. She provided a preliminary statement to me regarding what happened leading up to the shooting.

Cadet Natividad was assigned to maintain the Crime Scene Log.

[redacted]

[redacted] told me she lives at apartment [redacted] with her step father [redacted], mother and other brother who she identified to me as [redacted] She stated she was recently told on 2/9/14 that Villa uses methamphetamine. She further told me on the morning of 2/10/14, she woke up and went into the living room of her residence, where she encountered Villa talking to himself and pacing back and forth. [redacted] added Villa was not agitated or angry during the morning, but she thought his behavior was abnormal. I asked [redacted] if she heard him communicate any specific threats to anybody and she said yes, but she figured the person he was threatening was not real. [redacted] described hearing Villa say to an unknown subject "give me back my gun or I'll kill you." She also added he was talking about unknown cell phone cameras "recording him." I asked [redacted] if Villa committed any violent acts inside the house and she said she recalled him "slamming" his fist against a counter once. To her recollection, he did not threaten anybody inside the residence. I asked [redacted] where she was when all this occurred and she said she was sitting on the living room couch.

Later in the morning, [redacted] observed Villa in possession of a large knife. I asked [redacted] to describe the knife and she told me it had a black handle with a silver blade and was approximately 11-12 inches long. He had it in one of his hands, and it was pointed up along his forearm. She described this as if he were to raise his arm in front of his body, the knife would have been pointed down. At one point, she observed Villa stab the knife in the wall. I asked [redacted] what happened next and [redacted] stated she and [redacted] left and went to a nearby park directly

south of her apartment complex (Frontier Park) because she became scared of Villa. Prior to leaving for the park, [redacted] heard Villa say "come out, I'm waiting for you," and he was pacing with the knife. She believed he was again talking to a ficticious subject. [redacted] said shortly after arriving in the park with [redacted], she heard several gunshots. She and [redacted] then walked back toward her residence and by the time she arrived, she saw paramedics treating Villa. She then waited in a nearby parking lot with her family.

[redacted]

[redacted] declined to provide a statement to me, but he provided me with his contact information.

[redacted]

[redacted] told me he was inside apartment [redacted] at around 1150 hours when he heard approximately 12 gunshots from what he believed were two pistols. Initially, he believed the gunshots were fireworks, but he then looked out the peep hole on the front door. I asked [redacted] what he observed after looking out the peep hole and he stated he saw an unknown subject in a wheelchair telling "Robert" to "stop struggling." [redacted] said it appeared Villa was struggling with responding TPD officers, but he added he may have just been moving because of the pain of being shot. [redacted] said shortly after, he observed TPD officers handcuff Villa and begin to roll him over. He did not hear any conversation nor did he know what the officers were doing. He did not see any weapons in Villa's possession at the time. A short time later, [redacted] heard several sirens and he observed paramedics arrive and begin to render aid to Villa.

I asked [redacted] if he heard any yelling or conversation from Villa or TPD leading up to the incident and he said he did not. He was unaware of what caused the incident.

My witness interviews were recorded using my MAVS, which was running for the entire incident.

Michelle Jankowski

I assisted Detective Kirwan in interviewing Jankowski. The interview was recorded using Detective Kirwan's recorder.

Jankowski was on duty at the time of the incident and was the initial handling officer. She arrived last out of the four total officers on scene.

Officer A. Gleason #1223

Jankowski described that she responded to a family disturbance call possibly involving a knife. After arriving on scene last, she walked up to the location at the N/W corner of Casa Cortez behind Officer's Stroud, Wright and Nguyen. She stated after approaching the N/W corner of the building, she heard Officer Nguyen tell Villa to "drop the knife." She told me initially, her vision was obscured and she did not see Villa. After getting a clear view, she observed Villa approximately 7 yards away from herself and the other officers. He was in possession of a knife and he appeared to take a running stance in their direction. Villa then began to rapidly close the distance between him and Officers, while still in possession of the knife. When Villa was approximately 4 yards away, Jankowski said he was shot by the other TPD officers and fell to the ground. Jankowski then went to her vehicle to retrieve a medical kit so she could render medical aid to Villa.

See Detective Kirwan's report for further details regarding Jankowski's statement.

Officers Houle and Trahan each interviewed witnesses to the incident. See their supplemental reports for further details.

After the incident, various law enforcement entities arrived to investigate. The following are their respective report numbers:

- 14-004 – Orange County District Attorney's Office
- 14-41793 – Orange County Crime Lab (Crime Scene Investigation)
- 14-00612-MR – Orange County Coroner

Based on witness statements and evidence, I formed the opinion Villa was in violation of the following:

PC 245(c) – Assault with a deadly weapon on a peace officer

I request a copy of this report be forwarded to Investigation's for review.

SUPPLEMENTAL REPORT
CR#14-0778

Narrative:

On Monday, February 10, 2014 at approximately 1135 hours, an officer involved shooting had occurred. The officers involved were requesting additional units to respond to the Casa Cortez Apartments at 1412 Nisson Road where the incident had occurred. (Please refer to Officer Gleason's original report for further)

I responded code three (lights and siren) to the location and once at the location I began to set up a perimeter with the police tape to keep people from entering the crime scene.

I was then assigned to stand by evidence inside the crime scene. While inside the crime scene occupants from unit [redacted] and unit [redacted] attempted to exit their apartments. I made contact with [redacted] and [redacted] from unit [redacted] and [redacted] and [redacted] from unit [redacted] and explained to them I needed to get their information and ask them some brief questions.

[redacted] said she was inside her son [redacted] residence because she was helping him move. She said she was inside the apartment with her two sons, [redacted] and [redacted]. While inside the apartment [redacted] said she thought she heard gun fire. She said she heard approximately eight rapid shots and told everyone to get down. [redacted] said she heard the Tustin police outside and said [redacted] then looked out the peephole. [redacted] told her it looked like someone was shot because he saw someone lying on the ground and Tustin police officers were with him.

I asked if she heard or saw anything prior to the gun fire and she said she did not. [redacted] reiterated that she only heard the gun fire.

I spoke to [redacted]. TUSTIN POLICE DEPARTMENT
SUPPLEMENTAL REPORT
CR 14-0778

NARRATIVE: On Monday February 10, 2014 at approximately 1139 hours, I responded to 1412 Nisson Rd [redacted] Code 3 (Lights and Sirens); I responded from Edinger Ave and Kensington Park Dr and arrived on scene at approximately 1142 hours. Once on scene, I assisted Officer Wright with clearing apartment [redacted].

Once the scene was secure and the suspect was transported to Western Medical Center Santa Ana, I took a position on the west side of the crime scene. During that time, I contacted a Hispanic female, [redacted] who told me that she may have witnessed the events leading up to the shooting.

[redacted] stated she was at 1412 Nisson Rd to look at an apartment. [redacted] parked her van in the open parking lot on the west end of the complex. [redacted] walked east on the sidewalk in front of 1412 Nisson Rd, and then turned south into the center of the apartment complex. As [redacted] walked toward the swimming pool, she observed a Hispanic male standing to the right of the walkway. [redacted] described the subject as being between 5-09 and 5-11 and weighing between 150 and 160 pounds; the subject was wearing a gray t-shirt and blue jeans. I asked [redacted] if she saw what apartment number the subject was standing in front of; [redacted] told me she did not know which apartment he was standing in front of, but he was standing next to two orange traffic cones in front of an apartment with an open front door.

As [redacted] approached the subject, she saw that he was talking on a cellular telephone and appeared to be very angry. I asked [redacted] why she believed he was angry, and she told me that the subject was sweating, pacing back and forth, breathing heavy, and the tone of his voice sounded angry as he spoke. When she was several feet from the subject, [redacted] saw a knife stabbed into the ground a few feet in front of him. [redacted] asked the subject where the manager's office was and he ignored her. [redacted] continued walking toward the pool area, and as she passed the subject, he took a knee; at this point, the knife was approximately 1 to 2 feet in front of the subject.

Feeling uncomfortable with the situation, [redacted] continued walking toward the pool area. Once at the pool, she heard the subject yell, "My problem is not with you!" [redacted] walked to the south side of the pool without looking back. Once on the south side of the pool, [redacted] heard several gunshots. I asked [redacted] how many shots she heard and she told me that she wasn't sure, but thought I might be between 4 and 6 shots. [redacted] then ran to what she thought was the apartment manager's office. When she realized it was not the manager's office, [redacted] called 911 on her cell phone and ran to the manager's office which was located one apartment south of where she was located. Once at the manager's office, [redacted] handed the manager her cellphone.

I asked [redacted] if she looked back at the subject once she was passed him and she told me that she did not. [redacted] stated she was uncomfortable with the situation because she felt that the subject was agitated and she saw the knife in the ground. I asked [redacted] if she saw any TPD units in the area as she walked through the complex and she told me that she did not. I asked [redacted] if she heard anyone else yelling prior to the shooting, [redacted] told me that did not hear any other yelling.

Once my interview was complete, I asked [redacted] to stay in the area so she could speak with detectives. [redacted] told me that she would stay in the area.

I then contacted [redacted] and she told me she may have heard the shooting. I asked [redacted] what happened and she relayed the following: [redacted] stated she lives at 1412 Nisson Rd in apartment [redacted] which is located in the rear of the complex; [redacted] was making lunch for her boyfriend. Between 1130 and 1145, [redacted] heard what she initially thought were fireworks. [redacted] told me that she had an uneasy feeling because that sounds were not like normal fireworks. [redacted] exited her apartment between 1150 and 1200 and observed several police officers in the area near her apartment. [redacted] told me that she did not hear anything other than the shooting.

Investigative Follow-Up:

At about 1330 hours, I responded to Western Medical Center in the City of Santa Ana (1001 N. Tustin Ave Santa Ana). At about 1415 hours I contacted [redacted] who was sitting in the emergency room lobby, to escort her to a family room to be interviewed by Detective Miali and DA Investigator Richard Bradley.

Prior to speaking with [redacted], I activated my department issued PUMA audio recorder. I contacted [redacted] in the emergency waiting room and asked her to accompany me to the family room for a private interview. [redacted] refused to be interviewed and stated, "I plead the fifth." [redacted] also stated she did not want to speak with any other law enforcement officers at this time. I gave [redacted] my business card and informed her to let us (Tustin Police) know if there is anything we could do for her.

I asked [redacted] if her two children, [redacted] and [redacted], were present. [redacted] (mother) stated they were not present. [redacted] also declined to have her children give an interview adding, "They plead the fifth too."

INVESTIGATIVE FOLLOW-UP

I am currently employed as a sworn peace officer for the Tustin Police Department and am assigned to the Tustin Police Department's General Investigation - Major Crimes Unit. On 02/10/2014, at approximately 1135 hours, I was working a plain-clothes investigative detail when Tustin Police Dispatch advised of a family disturbance at 1412 Nisson Road [redacted] in the City of Tustin. At approximately 1139 hours, I heard Officer B. Stroud advise, via radio, of an officer involved shooting. Detective Miali and I proceeded to 1412 Nisson Road (Casa Cortez Apartments) and arrived on scene at approximately 1145 hours.

Upon arrival, I saw officers and Orange County Fire Authority paramedics tending to a male subject who was lying on the ground just east of apartment [redacted] and [redacted]. The subject was lying on the ground, physically struggling, wailing, and yelling various obscenities. I also saw a large kitchen-type knife with a black handle lying on the ground near the male subject. I proceeded to apartment [redacted] and contacted a male Hispanic who was seated in a wheel chair. An unidentified female Hispanic subject was standing behind him in the open doorway looking out toward the center courtyard. I determined the two subjects were not involved in the incident and were not in need of aid.

I spoke with Officer S. Wright and obtained a basic statement indicating he arrived on scene and was confronted with a male subject with a knife. Officer Wright told me he shot the male subject. I next spoke to Officer D. Nguyen and obtained a basic statement indicating he arrived on scene and was confronted with a male subject who charged at him and other responding officers with a knife. Officer Nguyen told me he ordered the male subject to drop the knife but the subject did not comply and continued to charge at him and responding officers with the knife raised in his hand. Officer Nguyen stated he shot the male subject. Officer Nguyen told me the male subject's mother could be located in the Stater Bros. supermarket parking lot, just east of the Casa Cortez apartment complex.

Witness In-Field Statements – [redacted]

At approximately 1149 hours, I walked over and contacted [redacted] who was standing in the northwest portion of the Stater Bros. parking lot (14171 Red Hill Avenue). [redacted] was wailing and I asked her if she wanted to sit down. [redacted] told me, "I don't want to talk to nobody". I asked [redacted] for her name and she again told me, "No, I don't want to talk to nobody."

At approximately 1150 hours, a female neighbor pulled her vehicle into the parking lot to check on [redacted] welfare. [redacted] made an unknown statement to the neighbor, in Spanish. I told the neighbor I just needed to get [redacted] name and the neighbor made an unknown statement to [redacted] in Spanish, before leaving the area in her vehicle.

I asked [redacted] if I could have her phone number in the event it was needed to notify her of her son's status and she provided me with the number: [redacted] I asked [redacted] if she saw anything and she said, "Yeah, they shot him 12 times." I asked [redacted] why the police shot her son and she said, "Cuz my son…I guess came up and…I didn't see him with the knife. They said he had a knife…I guess he was but…" I asked [redacted] why her son had the knife and she said, "He was very upset. He was high on some stuff…I don't know." I asked [redacted] if her son used "drugs or alcohol and she did not answer. I asked [redacted] if her son had ever "flipped out before" and she said, "Yeah". I asked [redacted] if her son had any mental conditions and she said he had "depression" and was "bipolar" when he was younger but never took medication for these conditions.

At approximately 1153 hours, [redacted] 17 year old son [redacted], 13 year old daughter [redacted], and [redacted] husband [redacted] joined [redacted] and I in the Stater Bros. supermarket parking lot.

Witness In-Field Statements – [redacted]

I spoke to [redacted] who told me her brother (Robert) was agitated and loud ever since she woke up early this morning (around 0700 hours). Robert was talking to himself earlier this morning and has been "violent" in the past. [redacted] told me she and her brother left their residence before the police arrived and started their walk toward the street (Utt Drive). Robert started to exit the residence at approximately that time as well. [redacted] started to tell me Robert "got a knife", but she did not complete her statement.

Witness In-Field Statements – [redacted]

I spoke to [redacted] who told me his brother (Robert) had not slept for two days and started "freaking out". [redacted] believed Robert was using "methamphetamine" but there likely was not any left. [redacted] told me Robert was dehydrated and angry this morning because "he wasn't sleeping". At one point during the morning, Robert went to "get a drink" but took a really long time. When Robert returned home, "he was still acting crazy". [redacted] told

me he and his sister left their residence as their mother was running out of the residence. They started to walk toward the park (Frontier Park).

Witness In-Field Statements – [redacted]

[redacted] verbally identified himself as [redacted]. [redacted] told me, "I seen him run at...towards them and I saw the shots and I just turned around." [redacted] told me he "couldn't tell" if Robert had anything in his hands. He and his children got split up because his children started to walk (westbound) toward the park, while he and [redacted] started to walk (eastbound) toward the gas station.

Officer A. Gleason arrived on scene and I requested he re-interview [redacted] and [redacted] prior to them departing for the hospital (see Officer Gleason's report for further details). I spoke to [redacted] again and he told me the following:

Robert was "acting out, talking to himself" this morning. [redacted] told Robert not to act that way and told Robert he would not put up with that type of "attitude". [redacted] and the family tried to ignore Robert, but Robert kept mumbling nonsense about "devices and repeaters, and stuff the government can hear". Robert also stated something to the effect of, "They're gonna kill me. I might as well go out like this." [redacted] did not know who Robert thought was going to kill him because he tried not to pay attention to Robert. Robert kept the front door open and [redacted] kept telling Robert to close the door because it was cold.

[redacted] daughter, [redacted], wanted to go to the "wash" (Laundromat) so [redacted] walked out to his car to get some change for [redacted] [redacted] called [redacted] to tell her Robert was "acting up". [redacted] told me he wanted [redacted] (Robert's biological mother) to know what was going on because Robert was only his stepson and he felt [redacted] needed to know because he was [redacted] biological son. [redacted] returned to the apartment while [redacted] was still at his vehicle. [redacted] was returning to the apartment with change from his vehicle, when he saw his son [redacted] walking away from the apartment. [redacted] was already on the phone when he saw [redacted] running out of the apartment. [redacted] told [redacted] he was already on the phone with the police.

Detective C. Kirwan joined me as I spoke to [redacted] [redacted] told me he followed [redacted] (toward the gas station located near Red Hill Avenue/Nisson Road) as he remained on the phone with Tustin Police Dispatch. [redacted] saw Robert "running towards them (the Police Officers)" but could not recall if Robert had anything in his hands. The first thing [redacted] thought as he saw this was, "That's not what you do." [redacted] "knew" what would happen at that point so he "just turned around".

Detective Kirwan asked [redacted] if Robert charged at the police officers and [redacted] said he (Robert) did and yelled (similar to a roar) as he did so. [redacted] said he saw Robert with a knife earlier in the morning and [redacted] also told him Robert punched the wall with a knife. [redacted] told me he walked out to call [redacted] when he saw Robert "playing" with the knife.

[redacted] did not know why Robert charged at the police. [redacted] said the police approached the apartment "from the side" and he thought the police saw Robert outside because he heard "commands". Hearing the commands, [redacted] turned to look toward the officers and saw Robert charge at the police officers. [redacted] could not tell what commands were being given, but he thought the commands could have also been the sound of Robert talking.

As [redacted] and I waited for Detective Kirwan to retrieve [redacted] shoes, [redacted] told me Robert had moved back in with him and [redacted] approximately one month ago. [redacted] believed Robert was upset because Robert and his wife were no longer together, but this was the first time Robert has acted out in this manner since he moved back in with [redacted] and [redacted]

Witness Statements at TPD – [redacted]

[redacted] agreed to allow me to transport him to the Tustin Police Department for further questioning. At approximately 1219 hours, I transported [redacted] to the Tustin Police Department and questioned him further inside the downstairs, unsecured interview room.

[redacted] identified Robert Villa as his 23 year old stepson. Robert moved back into 1412 Nisson Road, [redacted] Tustin, CA 92780 approximately one month ago. [redacted] allowed Robert to move back in temporarily until he could "get back on his feet". [redacted] believed the reason for the move was because Robert was no longer staying with his own wife and had nowhere else to go. Even though Robert had other family in the area, he stayed with [redacted] and his wife because they provided a stable, supportive home for him. Robert had been sleeping on the living room couch since he moved back in with [redacted] and his personal property was stored in the general area.

When Robert first moved into the home, he was very positive and spoke about wanting to do a lot of things to improve his life, such as going to school. When [redacted] told Robert all his goals were good but would not come to fruition until he actually put things into motion, Robert had no response. Robert's positivity did not last long. Robert would often go out at night and [redacted] was unable to keep track of all of Robert's activities because he worked himself.

Robert did not sleep last night and kept "peeking" his head through [redacted] bedroom door to look into his bedroom. Because [redacted] was a light sleeper, he kept waking up each time Robert did this. When [redacted] asked Robert, "Shouldn't you be asleep at this hour?" Robert did not respond. [redacted] wife also woke up during the night due to Robert's activities.

[redacted] woke up early this morning and [redacted] left to go "somewhere". [redacted] saw Robert lying on the couch this morning. It appeared as though Robert was asleep, but when [redacted] left the residence, Robert started mumbling and rambling about "guns", being

"ready to die", and calling everyone "pussy". At approximately 0900 hours this morning, Robert kept "peeking" out the front door "keyhole". [redacted] asked Robert why he kept looking out the "keyhole" and told him to relax. With Robert's sleeplessness and his paranoia this morning, [redacted] "knew something was up" and felt Robert could no longer live with the family.

[redacted] and his children did not pay too much attention to Robert and did not want to deal with Robert's behavior. [redacted] daughter, [redacted], practiced on her guitar while Robert's behavior continued. When [redacted] told [redacted] she wanted to go wash her clothes at the Laundromat, [redacted] walked out to his vehicle to get change for her and [redacted] to both do their laundry. At 1125 hours, while at his vehicle collecting change, [redacted] called his wife to let her know about Robert's behavior at the home, particularly about the negative comments he was making about "harm and stuff".

[redacted] showed up "right away" because by the time [redacted] was done collecting change from his vehicle, he saw [redacted] vehicle had already returned to the apartment complex and she was not inside of it. [redacted] figured [redacted] had already returned to the apartment. As [redacted] walked toward his apartment, he saw [redacted] already outside the apartment. [redacted] told [redacted] to call the police because his mother was inside the apartment with Robert and Robert was "out of control".

[redacted] was already on the phone with the police when he saw [redacted] run out of the apartment with [redacted] [redacted] appeared afraid and told him to call the police because Robert had taken "a knife to the wall and broke the door". [redacted] followed [redacted] away from the apartment as he remained on the phone with Tustin Police Dispatch. [redacted] followed [redacted] toward the gas station located near the corner of Red Hill Avenue and Nisson Road while [redacted] followed [redacted] toward the park. [redacted] looked back and noticed the police had already arrived at the apartment complex. [redacted] told me the police parked and walked toward the apartment complex. [redacted] could not see how many police officers responded to the apartment complex because of a "Casa Cortez" sign which was positioned in the front of the apartment complex.

The Tustin Police dispatcher told [redacted] to go talk to the police officers, so he turned around toward the apartment complex and heard "the pop...pop". [redacted] then turned toward his wife again to console his wife. [redacted] told me everything happened very quickly and when Robert charged at the police officers, he let out a "Raaaa" much like a roar, but [redacted] did not know what Robert was doing with his hands. [redacted] clenched his fists and moved his arms in a forward and backward pumping motion to show me what he believed Robert had been doing with his hands as he charged toward the police officers.

[redacted] told me he was standing behind the wall which separates the (east side of the) Casa Cortez Apartment property from the (west side of the) Stater Bros. retail parking property when he observed the interaction between Robert and the police officers. [redacted] told me his wife was two feet behind him and she did not see the interaction

between Robert and the police officers, but she heard the gunfire. [redacted] was the one who told [redacted] that Robert had charged at the police and [redacted] did not take the information well.

Robert has never talked about suicide or being killed before. [redacted] did not know Robert to have any mental issues, but he did have an "anger management" issue. The only drug or alcoholic use [redacted] knew Robert to be involved with was marijuana use. [redacted] told me he knew people who smoked marijuana and he has never seen them act the way Robert did today.

[redacted] did not know if Robert would have hurt any member of the family, but he was not going to remain in the house long enough to find out. [redacted] told me the only knives in the home were the kitchen knives which rested in a wooded block in the kitchen. As far as [redacted] knew, Robert did not own any knives of his own.

At approximately 1319 hours, I transported [redacted] to the Western Medical Center, Santa Ana located at 1001 North Tustin Avenue, Santa Ana, CA 92705. During transport, [redacted] told me, "my daughter kinda knows...she...you know...she's straight forward. She's good at that. That you know...She's like, 'He got shot what do you expect?'"

I recorded the above reference statements using my department issued digital audio recorder and later uploaded all audio files into the TPD server as evidence. Because I had the opportunity to interview [redacted] at the Tustin Police Department, I obtained a video recording my interview with him in addition to the previously mentioned audio recording. *(PUMA Job #: **1894, 1895, 1897** and MAVS ID #: **172910**)*

I proceeded to the area of trauma room #1 and observed Orange County Sheriff Coroner I. [redacted] examination of Robert Villa's body. I concluded my observation at approximately 1540 hours. (See OCSD Coroner DR# 14-00612-MR)

On 02/11/2014, I requested Tustin PD Court Liaison Officer P. Gallo produce a transcription of my interviews with [redacted].

WMSA General Surgeon – [redacted]

On 02/20/2014, at approximately 1049 hours, I proceeded to 999 North Tustin Avenue in the City of Santa Ana and observed DDA Investigator Wood's interview of Doctor [redacted]. The following is a summary of Dr. [redacted] statements:

On 02/10/2014, Dr. [redacted] was assigned as a general surgeon, working a 24-hour trauma shift at Western Medical Center Santa Ana (WMSA). Dr. [redacted] received information that patient Robert Villa had been involved in an officer involved shooting and was in route to WMSA in full arrest. Villa arrived at WMSA with a bag valve mask and chest compressions being administered. Villa was pale, his pupils were fixed and dilated, he had no blood pressure, and had multiple gunshot wounds. Hospital staff intubated Villa, but his vital signs did not improve. The medical staff continued chest

compressions and administered epinephrine but there was no improvement. Dr. [redacted] pronounced Villa's death at 1208 hours. Dr. [redacted] stated she did not communicate with Villa's family at all.

I recorded [redacted] statements using my department issued digital audio recorder and later uploaded the audio file into the TPD server as evidence (***PUMA Job#: 1906***)

On 02/10/2014, at approximately 1945 hours, members of the Tustin PD General Investigations Unit proceeded to 1412 Nisson Road, [redacted] in the City of Tustin and served a search warrant at the location. During a search of the residence's living room, I located a black plastic bin sitting on the ground between the couch and the west living room wall. The bin contained men's clothing, mail addressed to Robert Villa, and a black and white "composition book". The front cover of the composition book had "Robert Villa" written on it and the contents of the composition book consisted of miscellaneous recovery-type writings, a letter from [redacted], and other miscellaneous paper documents with drawings on them. The drawing depicted the devil, drug and alcoholic beverage paraphernalia, a dog growling, and a handgun.

I collected the item and later photographed it and other evidence which was collected from the residence pursuant to the search warrant (see Tustin PD Property Report and attached photographs for further details).

WMSA Security Manager– [redacted]

On 02//20/2014, at approximately 1103 hours, I proceeded to 1001 North Tustin Avenue in the City of Santa Ana and contacted WMSA Security Manager [redacted] The following is a summary of his statements to me:

On 02/10/2014 [redacted] was working his uniformed supervisory detail overseeing the activity in the WMSA Emergency Room lobby. [redacted] recalled Robert Villa's mother initially approaching the reception window repeatedly to inquire about her son's condition. Another female family member also approached the reception window to inquire about Villa's status. [redacted] did not release any information to the family due to the active investigation. [redacted] recalled investigators talking to the family members one by one.

After Villa's mother was notified of his death, she started yelling something to the effect of, "Tustin PD Killed my son....They just shot him....This hospital didn't tell us anything that was going on". [redacted] warned Villa's mother she could not yell inside the hospital and she continued yelling something to the effect of, "They killed my son...four officers shot my son". At that point, [redacted] asked Villa's mother to leave the property.

Approximately an hour and a half after Villa's mother was notified of his death, a second group of family members arrived at the WMSA Emergency Room lobby. Members of the second group also inquired about Robert Villa's status and became angry when the WMSA admitting clerks would not release any information to them. Villa's uncle

became very aggressive and yelled, "They killed my favorite nephew...They shot him...Why did they need to shoot him for? He didn't do anything wrong." WMSA personnel contacted the Santa Ana Police Department when members of the family became aggressive.

[redacted] recalled another member of his staff had reported hearing the family possibly arguing, but could not recall the identity of the officer without referring to the work schedule. [redacted] told me a volunteer by the name of [redacted] could have also heard the family as they waited in the WMSA Emergency Room lobby.

I recorded [redacted] statements using my department issued digital audio recorder and later uploaded the audio file into the TPD server as evidence (***PUMA Job#: 1907***)

WMSA Volunteer – [redacted]

On 02/20/2014, at approximately 1106 hours, I contacted WMSA Volunteer [redacted] and the following is a summary of his statements to me:

On 02/10/2014, [redacted] was assigned as the WMSA volunteer emergency room concierge. [redacted] did not have any interaction with Villa's family other than having them sit down in the lobby, but he did overhear Villa's mother telling a detective she did not want to talk to anyone without her attorney.

I recorded [redacted] statements using my department issued digital audio recorder and later uploaded the audio file into the TPD server as evidence (***PUMA Job#: 1907***)

WMSA Trauma Clinician – [redacted]

On 02/25/2014, at approximately 0842 hours, I proceeded to 1001 North Tustin Avenue in the City of Santa Ana and observed DDA Investigator Wood's interview with [redacted] The following is a summary of her statements:

On 02/10/2014, [redacted] was assigned as a trauma clinician, working a 0700-1900 hours shift at WMSA. On 02/10/2014, Orange County Fire Authority unit #37 transported patient Robert Villa to the WMSA Emergency Room. Villa arrived at WMSA at approximately 1201 hours with multiple gunshot wounds (entry vs. exit wounds were undetermined at that time). Villa was unconscious and did not have an effective heartbeat. [redacted] (anesthesiologist) administered 100mg of succinylcholine and intubated Villa at approximately 1202 hours. Medical staff continued CPR and administered 1mg of epinephrine but Villa did not respond to the treatment. [redacted] pronounced Villa's death at approximately 1208 hours. [redacted] did not have any contact with the Villa family.

I recorded [redacted] statements using my department issued digital audio recorder and later uploaded the audio file into the TPD server as evidence (***PUMA Job#: 1911***)

Honda Service Manager – [redacted]

On 02/27/2014, at approximately 1006 hours, Detective Kirwan and I proceeded to the Honda car dealership located at 1505 Auto Mall Drive in the City of Santa Ana and spoke with the Honda Service Manager, [redacted] see Detective Kirwan's report for further details).

INVESTIGATIVE SUPPLEMENTAL REPORT
CR# 14-0778

I am a Detective with the Tustin Police Department and assigned to General Investigations Property Crimes Team.

On 02/13/2014 at approximately 0930 hours, I responded to 1412 Nisson Rd [redacted] to conduct follow up interviews. I was attempting to contact [redacted] and [redacted]. Accompanying me was District Attorney Investigator Hester.

Both [redacted] and [redacted] were contacted by police officers who initially responded to the scene after the incident. [redacted] told officers that he heard 10 gunshots. [redacted] told police officers that she heard 10 gunshots, looked outside and saw the police (see attached Field interview cards).

At the residence we made contact with [redacted] [redacted] initially denied speaking to officers on the date of the incident; however later advised officers made him leave his residence. [redacted] stated he had been friends with Villa for approximately one year.

[redacted] said he was inside his residence when he heard approximately 20 gunshots. [redacted] then looked outside and saw Villa lying on the ground. [redacted] stated he only heard the gunshots and was not a witness to the shooting itself. When asked if [redacted] saw the incident, [redacted] stated she did not because she was inside the residence as well. [redacted] advised [redacted] was currently not at home and available for interview.

I advised [redacted] that a neighbor reported hearing him speaking to Villa outside just prior to the incident. [redacted] denied speaking to Villa prior to the incident and called the neighbor's liars. It was at that time [redacted] refused to answer any more questions and stated he was done speaking to us.

My interview with [redacted] was not recorded due to recorder failure. Investigator [redacted] had a functioning recorder that captured [redacted] statements.

SUPPLEMENTAL REPORT

SERGEANT D.HARPER

On 021014 about 1135 hours I heard a radio broadcast of an officer involved shooting at 1412 Nisson Road (Casa Cortez Apartments) and I immediately responded with lights and siren from the police station. I arrived within a few minutes and parked my police Tahoe facing westbound in the eastbound lanes of Nisson Road on the east edge of the Casa Cortez Apartment Complex at 1412 Nisson.

There were several police vehicles already at the scene and I could hear sirens of others arriving. There were a number of people in the area all appearing to be focused on the front courtyard area of the Casa Cortez Apartments. In the North West parking lot of 14081 Red Hill (76 gas station), I noticed about 4 or 5 persons looking in a westward direction. One woman in the group was screaming "why didn't you use a Taser" and seemed very distraught. About 100 feet west of this group, Officer Jankowski was facing them and was intently focused on their activity. Jankowski told me they were the family of the man who was shot. It appeared as if the group was keeping their distance from the scene, and although highly emotional, they were not interfering.

I saw a man later identified as Robert Villa on the ground in the front courtyard of the apartment complex. Officer Stroud was struggling with Villa and Sgt. Coe was beginning to assist Stroud. I could see blood covering Villa's clothing. As I approached I could heard Stroud and Coe making comments such as: he's got one here, one in the chest, and I distinctly heard Stroud say "direct pressure, right here". There was an open first aid kit next to the scene and I could see a blood stopper package torn open on the top of the first aid kit. I could see Villa had some bullet wounds in his body and I heard Coe and Stroud talking about him having more in his arms and legs. I could see Coe and Stroud were evaluating Villa's condition and were providing first aid to his wounds. Villa was struggling by squirming around, sitting up and yelling.

Paramedical were arriving on scene and ran up to me. I told them there had been a shooting and Villa had gunshot wounds in his body, legs and arms. They began treating Villa who was uncooperative twisting his body, sitting up and yelling at police and fire personnel. I saw a large knife next to the scene and told Officer Gleason to photograph the scene as paramedics worked on Villa. I evaluated the safety of the knife and determined the handcuffed Villa could not grab the knife and use it so I left it alone while Gleason took photographs. A few moments later a paramedic asked if the knife could be moved as he was working on Villa. I reevaluated the situation and noticed the medic's equipment, and additional Fire Authority Personnel were taking up a lot of the space in the area. The knife was in danger of being trampled by Fire Authority personnel or equipment. I did not feel Villa could grab the knife, but he was squirming around a great deal and could have gotten in contact with it. I determined moving the knife a short distance away was the safest action. I picked up the knife by its handle with only the pad of my left index finger and thumb and moved it directly south about 15 feet from its original position. I then instructed Officer Don Houle to stand next to the knife and secure its location until he was properly relieved from that duty.

After moving the knife, I noticed Villa biting at an oxygen mask which had been put on his mouth and nose. The mask was not covering his mouth and nose, but was positioned on the side of his cheek. I

went over to his head and replaced the mask so it covered his mouth and nose. I told him it was oxygen and he needed it. Villa screamed "let me die" and moved his head around trying to bite the mask in what was a clear attempt to remove it from his mouth and nose. At this point the paramedics were ready to take him to the hospital and they picked him up on a gurney and moved him toward the ambulance. When Villa was being put in the ambulance he went unconscious.

Officers of the Irvine Police Department began arriving at the scene and were assigned to search the apartment complex for any additional shooting victims. After an extensive search no additional injured persons were located. The scene was then completely secured as a crime scene by Irvine and Tustin police officers and the Orange County District Attorney's Office was summoned to investigate the shooting. I spent the remainder of the shift coordinating the security of the crime scene until approximately 2200 hours at which time the crime scene investigation was completed.

Involved Party:

- [redacted]

Narrative:

I am a Detective assigned to the Tustin Police Department Gang Unit. The Gang Unit provides saturation patrol resources in high crime areas such as the southwest area of Tustin. The Southwest area is a high-crime area prone to murders, robberies, sexual assaults, assaults with deadly weapons, burglaries, stolen vehicles, drug activity and gang activity. My responsibilities include, but are not limited to, gang suppression, gathering intelligence, reviewing graffiti related offenses and the investigation of gang related crimes.

On Monday, February 2nd, 2014, at approximately 1632 hours, I assisted Orange County District Attorney's Officer Investigator Ryan Smith with interviewing a subject, [redacted]. [redacted] was witness to an officer involved shooting. In that I am a City of Tustin certified Spanish speaker; I assisted Investigator Smith with this interview.

[redacted] said that at the time of the shooting, he was in front of his residence, located at 1441 Nisson Rd sitting in the driver's seat of his Toyota Tundra truck, waiting for his 16 year old son. [redacted] said his son had a doctor's appointment and he was going to drive him there. [redacted] waited for his son for approximately 20 minutes. [redacted] said his son eventually got there and got into the vehicle with him. [redacted] later stated that his son possibly witnessed the shooting.

[redacted] said he saw a male subject, later identified as Robert Villa walk out of his residence, located at 1412 Nisson Rd [redacted] said he saw Villa holding a knife in his hand. [redacted] said Villa planted the knife into the ground a couple of times. Villa pulled the knife out of the ground and walked towards his residence. [redacted] said Villa walked to the front door, but turned around before entering his apartment and walked back to the yard.

[redacted] saw four police officers park their vehicles west of where he was parked, but on the south side of Nisson Rd. The officers exited their vehicles and walked towards the "Yard" where they confronted Villa. [redacted] said at the time of the confrontation, the officers did not get too close to Villa. [redacted] said Villa did not have an opportunity to do anything, because as soon as the officers saw him, "All four officers" yelled at Villa to drop the knife. [redacted] said he heard the officers repeat this "two or three times." [redacted] said he heard Villa said, "Fuck you" and saw him ran towards the officers while continuing to hold the knife in his right hand. [redacted] described Villa holding the knife in his right hand with a tight grip similar to that of a fist. [redacted] raised his hand above his

chest area and used his right hand to demonstrate how he saw Villa hold the knife. [redacted] saw the officers shoot Villa. Villa stated, "I think each officer shot him like 5 times." He was asked if all officers at the scene shot and he said, "All four of them." [redacted] saw Villa fall to the ground on the yard "Dead." [redacted] said after "3 seconds," Villa moved and the officers handcuffed him.

[redacted] was asked what he thought would have happened if the officers would have not shot Villa. [redacted] stated if Villa was tased maybe he would have done nothing to the officers. Inv. Smith asked [redacted] if he believed Villa's intent was to hurt the officers when he ran at them while holding the knife in his right hand, and [redacted] said, "Yes. I think so."

[redacted] said prior to the shooting he thought Villa's sister, [redacted] and a younger male subject, later identified as [redacted] were in the area. [redacted] said Villa's mother, [redacted], entered their apartment and later exited accompanied by [redacted]

[redacted] said at time of the shooting, Villa's mother, [redacted] was with a male subject, later identified as [redacted]. Both [redacted] and [redacted] were near a parking lot located just west of their residence. [redacted] said [redacted] held [redacted] and kept her from approaching the area where Villa fell to the ground after being shot. [redacted] said Villa's mother also wanted to go towards where the police officers were standing, but [redacted] held her back. [redacted] and [redacted] walked westbound on Nisson Rd then south on Utt towards Frontier Park.

[redacted] said the officers "Helped" Villa by giving him "First aid." [redacted] said he also saw the officers "Turn over" Villa. [redacted] saw the officer carrying a box, later identified as a first aid kit. [redacted] could not remember the color of the box. [redacted] said while waiting for the ambulance to arrive he heard Villa say, "Fuck," as if he was in pain. Approximately 30 minutes later, the ambulance arrived at the scene and began to assist Villa. Villa was placed in a "Gurney" and he was "Quickly" placed inside the ambulance.

[redacted] was asked if he saw what happened to the knife Villa was carrying after he was shot. [redacted] said he believed it remained on the ground and the thought it was later picked up. [redacted] did not see who collected the knife.

[redacted] was asked if he had ever seen the subject he saw holding the knife act in a similar way prior to this incident. [redacted] said, "Yes, like 8 months ago." [redacted] said approximately 8 months ago, Villa was acting violent with his girlfriend. [redacted] said this was due to Villa's girlfriend trying to leave. [redacted] said during that incident, Villa was crying and asking his girlfriend not to leave him. [redacted] said [redacted] arrived and told Villa's girlfriend to leave. [redacted] said Villa's girlfriend got into a vehicle and began to drive away from the area. [redacted] saw Villa get on the hood of his girlfriend's car while the vehicle was moving. [redacted] said he heard Villa say, "If you leave me. I am going to kill myself." The vehicle continued moving with Villa still on the hood of the vehicle. At

some point [redacted] saw the vehicle hit a parked car. [redacted] said police arrived, but Villa's girlfriend had already left. (nfd).

This concluded the interview.

Supplemental Report
CR#14-0778

I am a Detective assigned to the Gang Unit within the Special Operations Division of the Tustin Police Department. I have been assigned to assist Detective Kirwan with this investigation. See Detective Kirwan's Investigative Report for complete details regarding this investigation.

Investigative Follow-Up:

On Monday, February 10th, 2014 at approximately 1225 hours, I was contacted by the Gang Unit Supervisor, Sgt. Brabeck, who informed me of an Officer Involved Shooting which occurred at the Casa Cortez Apartments (1412 Nisson Road Tustin, CA.). Sgt. Brabeck requested I respond to the command post which was located at 14171 Red Hill Avenue and contact General Investigation Supervisor, Sgt. Wright, to assist with the investigation.

At approximately 1305 hours, I arrived at the command post and contacted Sgt. Wright who provided me with the details of the incident as he knew them at that time. At approximately 1347 hours we conducted a joint briefing with the Orange County District Attorney's Office. I was partnered with Deputy District Attorney Investigator B. Tanner and we were tasked with processing the officers involved in the shooting.

Investigator B. Tanner and I responded to Tustin Police Department which is where all the officers where processed. None of the officers involved in the shooting discussed the events of the shooting with me. Refer to Investigator Tanner's report for further details. This report was taken for documentation purposes.

SUPPLEMANTAL REPORT

CADET C. NATIVIDAD

On 2/10/2014 I responded to the scene of an officer involved shooting. At the direction of PSO S. Giddings I started a Crime Scene Log at about 1150 hours. The initial record was kept on two sheets of yellow notebook paper because official Tustin Police Department Crime Scene Log forms were not available. Orange County Fire Authority personnel responded to the scene and went directly to the suspect. There was not enough time for me to log in any Fire Authority Personnel before they transported the suspect to Western Medical. At about 1220 hours I started recording the Crime Scene Log on official Tustin Police Department forms. All personnel logged in on the yellow notebook paper were also logged in on the official Tustin Police Department Crime Scene documents. I kept track of all personnel entering and exiting the crime scene on the Tustin Police Department Crime Scene Log until about 1900 hours when I was relieved by Office R. Del Merari. I gave Officer R. Del Merari the log forms I had completed thus far for him to continue.

SUPPLEMENTAL

FEB 17 2014

I am a Detective assigned to the General Investigations Division of the Tustin Police Department. On February 10, 2014, I was assigned to assist Detective Kirwan with a CPC 245 (c) assault with a deadly weapon on a police officer investigation.

Investigative follow up:

Detective Kirwan asked that I author a search warrant for the suspect's residence. The suspect, Robert Villa, residence was located at [redacted] Upon completion of the search warrant, DDA Robert Mestman reviewed and approved it. I then submitted the search warrant to Honorable Judge Michael J. Cassidy, who approved and signed the search warrant commanding me to search [redacted]

CSI Investigator Zachariah, Detectives Nguyen, Haug, Hardacre and I responded to [redacted] to search for evidence pursuant to the search warrant.

During the search of Villa's residence, CSI Investigator Zachariah took over all photographs before and after we searched. We located and photographed the knife damage to the wall near the front door and the frame to the front door which damaged prior to our arrival. We located a knife block in the kitchen. The knife block was missing one knife and the knives match the knife which Villa was armed with at the time of this crime.

Items we collected at the scene were, a notebook found in a black plastic container containing Villa's personal property, a glass marijuana pipe, green leafy substance resembling marijuana and two pieces of indicia showing Villa resided at the location. These items were booked as evidence at Tustin PD.

On Tuesday, February 11, 2014, I completed the search warrant return and presented it to Honorable Judge Michael J. Cassidy. I then filed the search warrant with the court clerk and received a notarized copy of the search warrant, which I booked as evidence.

NARRATIVE

On 02-10-14 at 1800 hours at the request of Sergeant Wright #737, I responded to Casa Cortez located at [redacted] for CSI. When I arrived I was instructed to photograph the interior of apartment [redacted] per a search warrant.

The one bedroom one bathroom apartment is located on the lower level of a two story building, the front door faces east bound onto a common green belt. The front door opens up into the family room. The kitchen is connected to and north of the family room. The bedroom is accessed from a small hallway just off the kitchen in the south corner of the apartment. The bathroom is across from the bedroom in the north corner of the apartment.

The interior front door frame that surrounds the locking mechanism was separated from the door. Just inside the front door, to the right and just above the family room light switch, I observed a thin elongated straight cut mark into the stucco approximately one inch in length. The bottom of the cut mark began closest to the front door while the top of the cut mark was facing diagonally in an upward position.

A wooden kitchen cutlery block was located on the kitchen counter to the left of the kitchen sink. The wooden block contained twelve slit openings. Every slit opening with the exception of the upper left one was filled with knives and kitchen scissors.

A multi colored glass pipe was located on the top of a light brown wooden hutch just inside the front door. Inside the top right drawer of the china hutch, located to the left of the front door, was a plastic container with a green leafy substance inside it.

Detective Nguyen #1123 located a paper notebook inside a black plastic tub located in the family room that contained different types of writing in it along with a piece of mail addressed to Robert Villa, refer to her supplemental report for further information. Detective Hardacre #692 located a piece of mail with Robert Villa's name on it inside a bag located inside the hutch, refer to her supplemental report for further information.

The items of evidence were photographed and collected by Detective Nguyen and Detective Hardacre respectively.

After I completed my investigation I returned to the police department. The photographs were burned onto a disc that was later booked into Property locker #22 as evidence.

MISC COMMENTS

On Monday February 10, 2014, I responded to 1412 Nisson Rd in Tustin to assist Tustin PD with an officer involved shooting investigation. Upon arrival, I was instructed by Detective Sgt. Scherer to begin canvassing the apartments surrounding the area where the suspect, Robert Villa, had been shot. I was assigned to try and contact anyone living on the first floor of the building located on the west side of the complex. I knocked on units [redacted] but was unable to reach anyone in those apartments. I was actually able to make contact with the residents inside [redacted] The following is a summary of my conversation with those individuals.

The first resident I spoke with was [redacted] who lives in unit [redacted] His apartment is located directly north of Villa's apartment. He said that he saw a man chasing his mother around the grassy area in front of [redacted] apartment. [redacted] said the man was approximately 5' 7" tall and weighed 150 pounds. He said the man was wearing a gray shirt and he carried a kitchen knife with a stainless steel blade in his hand. He said the blade of the knife was tucked against his forearm as he chased his mother around the grassy area. [redacted] had lived here for several years and was familiar with the occupants of the apartment next door. [redacted] said the man was yelling at his mother, but he didn't know what he was saying.

On 2-10-14 I responded to Tustin to assist with an officer involved shooting. My direction was conduct welfare checks of the surrounding residences to determine if any bullets struck any residences or occupants and if any residents were witnesses to the incident.

I was able to locate two bullets. One had struck the pool fence and landed in the pool area and the other a stucco pillar attached to the fence in which the bullet landed just below by a plant. These were marked and an officer was placed to protect the scene. Their location was also given to Tustin PD.

I also conducted quick interviews with the residents at [redacted] and [redacted] Thier information and the content of their statements was passed on to Tustin PD detectives. The interviews were recorded on my digital recorder and downloaded per department policy. The location of the interview on the Puma system was listed as "Tustin."

Narrative

On 02/10/14 at about 1135 hours, the Tustin Police Department received a call for service at 1412 Nisson Road [redacted] in the City of Tustin. The call indicated that there was a subject at the location who was destroying property at the location. When Tustin Police arrived at the location, they encountered a subject brandishing a knife and an officer involved shooting occurred. There was also numerous family members who became confrontational with the Tustin Police Department Officers. Due to the situation the Tustin Police Department requested the assistance of Irvine Police Department with this incident. As I was driving southbound on the 5 freeway returning to IPD from Family court, I diverted and responded to this location. Upon my arrival I met with Commander Hallinan who advised me to stand by and assist Tustin Police Detectives. It was also requested by Tustin PD that I have four IPD Detectives and one Detective Sgt. respond to the location. I then called Sgt. Scherer and requested the additional resources.

While waiting for the OCDA to arrive, I was instructed to begin locating witnesses to the incident by door knocking residents in the area. I then went to 1412 Nisson Road [redacted] and door knocked the residence. There was no answer so I left a business card. I then went to 1412 Nisson Road [redacted] and door knocked that residence. The door was answered by [redacted] I asked [redacted] if she was home at the time of the incident and she stated that she was. According to [redacted] she was inside her second story apartment, in the bedroom to the rear of her apartment. This location overlooks the parking lot on the east side of the apartment complex. Since she is a student at OCC she was studying for a test. While in the room she heard about 5 gun shots. She first thought that they were fireworks but then realized that it appeared to be gun fire, when she heard what sounded like a male screaming. She could not make out what he was saying. In an attempt to get assistance to the location, she looked up the business phone number to Tustin PD and notified them of what had occurred. Following the notification, she looked out her peep hole on her front door, she did not see anything and did not go outside in fear. She later heard sirens and the police arrive at the location.

After taking [redacted] statement I was told to cease any further interviews until the OCDA arrived on scene. I was then assigned to assist OCDA Investigator Erickson in completing the interviews. I then conducted

Mobile Audio Video System (MAVS) Review Notes

Based on my training and experience with MAVS recordings, it should be noted the MAVS video provides an image of events as seen from the perspective of the camera and not the perspective of the individual officer. When compared to human eyesight, the MAVS video itself has notable limitations including:

1. The field of view on the video is considerably narrower than the human eye, as the camera does not provide peripheral vision.
2. Speeds and distances are difficult to determine, as the video does not provide depth perception.
3. The camera does not focus on or track suspects or objects.
4. The video image does not present images as clearly as the human eye does in real time.

Additionally the time that is displayed on the video is synchronized with the time on the MDC computer in the police vehicle. However this system is not continuously synchronized with other MDC computers or the MAVS system. The time noted on the recordings should be considered an approximation only, as it can vary by seconds and/or minutes. These factors must be taken into consideration when reviewing MAVS video recordings of real life events.

Tustin Police Vehicle #803 MAVS
On 02-10-14 Officer Nguyen was driving Tustin Police Department vehicle #803. During this incident, Officer Nguyen's camera had a view of eastbound Nisson Road toward Red Hill Avenue. The image had a partial view of the Casa Cortez apartments, including the sidewalk area between the apartments and Nisson Road. However the camera was not pointed in a direction to observe the altercation between VILLA and the Tustin Police Officers.

I made the following observations while viewing the MAVS recording for unit #803. All times and events are listed as noted on the video:

11:38:38 Officer Nguyen's police vehicle was parked along the south curb of Nisson Road, west of the driveway for the Casa Cortez parking lot. Officer Nguyen was be seen walking around the front of the police vehicle and away in a southeast direction, toward the Casa Cortez apartments. As he was walking, I saw Officer Nguyen adjust his radio and then remove what appeared to be latex gloves from the right cargo pocket of his uniform pants. At 11:38:52 Officer Nguyen walked off camera toward the apartments.

A large wooden pole can be seen at this point in the video, near the front bumper of the police vehicle. I used this wooden pole as a visual landmark to measure the distance from the police vehicle to VILLA's location, and the approximately location of VILLA's parents at the time that Officer Nguyen arrived on scene.

11:39:07 Officer Nguyen turned on his wireless microphone, which activated the MAVS recorder.

After Officer Nguyen activated the microphone, he quickly began shouting commands for someone to drop a knife. Officer Nguyen gave four commands in quick succession, and the commands were clearly heard via the recording.

Approved by:_____

11:39:09 Officer Nguyen yelled, *"Drop that knife dude! Drop that knife!"*

11:39:12 Officer Nguyen repeated the command slower and louder, *"Drop that knife!"*

11:39:13 Officer Nguyen then screamed in a loud, panicked voice, *"Drop that knife!"*

The last command by Officer Nguyen was noticeably louder, faster and the tone was elevated. It sounded as though Officer Nguyen had increased stress in his voice.

11:39:14 Multiple gunshots are heard. The gunfire stops at 11:39:17.

11:39:19 Officer Stroud is heard via the in-car microphone, *"220, 998. Suspect down with a knife. We need a supervisor and we need numerous units for crowd control. We also need 91."*

VILLA yelled something similar to, *"Sorry mom, I love you!"*

After the shooting stopped, I heard a noise that was consistent with Officer Nguyen running. I eventually saw on the camera, that Officer Nguyen had jogged over to the block wall that separated the Casa Cortez apartments and the Stater Brothers parking lot. He then shouted commands and I heard a female screaming in response.

I saw dark shapes had moved around across the Stater Brothers parking lot, toward the block wall. the west driveway of

11:39:34 I heard [redacted] repeatedly yelling, *"Why!?"* and *"You guys are fucking idiots!"* Officer Nguyen was apparently talking to [redacted] as he gave the command *"Control her!"*

11:39:52 Officer Jankowski ran back to her police vehicle and obtained a first aid kit.

[redacted] continued screaming sentiments, *"Why did you do that?! You fucking assholes!"* Officer Nguyen repeated his orders for [redacted] to *"Control her! Don't let her come over here!"* Officer Nguyen then requested additional Police Officers respond to the rear of the Stater Brothers parking lot to help with family members.

11:40:31 *"Why did you guys fucking shoot him you stupid idiots. That just aggra--- They shoulda tazed him! I'm gonna sue the fuck out of you guys! You guys gonna pay for everything! You guys better pay for everything you stupid assholes! You fucking idiots! You assholes! (inaudible)"*

11:40:48 During the investigation it appeared [redacted] was attempting to calm his wife down. On the MAVS audio I heard [redacted] yelling, *"Leave me alone! Leave me alone!"* She then continued screaming at Officer Nguyen, *"You guys are (inaudible) idiots! (inaudible) They got... They got!... Oh my god."*

[redacted] began crying and talking in a lower tone that was difficult to hear. It sounded as though she was praying, *"Lord please don't take my son."*

11:42:01 [redacted] then raised her voice and started yelling again, *"You guys better hope my son is not dead. You guys shoulda tazed his ass, not shot him! You fucking idiot cops! Fucking idiots! Fuck*

all you cops! You guys suck! You guys shoulda tazed him not shot him you fucking idiots! I'm gonna sue you guys! I'm gonna sue you guys! You guys didn't even try it! Why?! Why?! There was no reason to shoot him four times! There was no fucking reason to shoot him four times! You stupid idiots! I hope it doesn't kill him!"

11:42:40 Officer Jankowski mention they still *"need to clear the res."*

[redacted] continues yelling in the background, however it is mostly unintelligible. She told someone, *"I don't care! I don't care!"* and it sounded like she was arguing with someone, likely [redacted]

Officer Nguyen advised someone about the family's location. He then walked in an unknown direction, causing the audio to cut out.

11:43:52 Officer Nguyen's audio comes back on as he is walking, presumably closer toward police vehicle #820.

Officer Nguyen Safety Statement to Sergeant Harper
Officer Nguyen provided a safety statement to Sergeant Harper at the scene.

11:44:13 Officer Nguyen said, *"Yes Sir. Sarge I did fire a shot, so."* There was an inaudible question that Officer Nguyen answered, *"Well, it's not... It could be, I don't know. That direction..."*

Officer Jankowski interjected, *"*(inaudible) *... south."*

Officer Nguyen continued, *"Yeah. We were all pointing south. We were all walking up sir, and we were firing south."*

Officer Jankowski added, *"... and he came... he came* (inaudible)*."*

Sergeant Harper said something inaudible. Officer Nguyen answered, *"Yes sir. Yeah, we got each other."*

Sergeant Harper walked away at that point and the conversation about the shooting paused. Orange County Fire Authority and additional Tustin Police Department personnel arrived on scene.

11:45:24 Officer Nguyen began talking with someone, directing them to assist with the family. Officer Nguyen said, *"Yes. Yes."* He walked for a moment and then continued, *"That's mom right there. So, she was kind of pissed* (inaudible)*. But if you would back him up. Whoever that gentleman is with her, is calming her down."*

11:46:08 Officer Nguyen walked over to someone and said, "(inaudible) did you?"

11:46:22 Sergeant Harper said something inaudible. Officer Nguyen continued giving a safety statement to Sergeant Harper. Officer Nguyen said, *"We cleared the res. Um, I'm involved. Scott's involved. I don't know if anybody else is, so."*

Officer Nguyen walked around for a few moments.

11:47:32 Detective Nguyen arrived and she attempted to get some preliminary information about what happened. Officer Nguyen responded, *"Uh, I was involved. So if you want to assign me something, you can."*

Detective Nguyen told him to *"Come on over a second."* Officer Nguyen yelled to someone, *"Where Don is standing right there… standing right there."*

11:47:46 Detective Nguyen said, "*So just like, most basic information.*" Officer Nguyen responded, *"I was walking this direction here. Um, he was standing where, near the cones are right there with a knife in the ground. I came around. He saw me, picked it up with I think it was his left hand, I'm not sure. Put it up like this and started charging us. I pulled my gun out. I told him 'Drop it! Drop it!' He still charged at us, that's when I discharged my firearm."*

11:48:16 Detective Nguyen asked, *"Ok, just the three of you?"* Officer Nguyen answered, *"Uh, I know it was me and other-… I don't know who. I was the lead officer that pied the corner, so."*

Detective Nguyen said, *"Ok. Alright, that's all I needed. Uh, who should I talk to as far as, that's who contacted you there?"*

Officer Nguyen said, *"Yeah, his mom is over here. Um,* [redacted] *has her. Mom and another gentleman, I think it's dad or brother. Um, but that's the house where…"*

Some advised in the background that *"Dave needs to go too."* Officer Nguyen told Sergeant Coe that his car was running. Sergeant Coe asked Officer Nguyen if he shot and Officer Nguyen said, *"Yes sir."*

11:48:45 Sergeant Coe obtained a public safety statement from Officer Nguyen. Sergeant Coe said, *"Ok, hey. Public safety statement. How many rounds did you fire?"* Officer Nguyen said, *"More than one. Less than five."*

Sergeant Coe asked, *"Where were you standing and in what direction?"* Officer Nguyen said, *"I was standing here. I fired this direction here."*

Sergeant Coe ordered Officer Nguyen not to make any statements to anyone. Officer Nguyen was then placed in Detective Miali's vehicle and driven back to the Tustin Police Department. Once his microphone left the area, there were no further audio recordings. The video continued recording and it generally showed the Police Officers securing the crime scene.

For further details, see the MAVS recording for unit #803.

Tustin Police Vehicle #804 MAVS
On 02-10-14 Officer Jankowski was driving Tustin Police Department vehicle #804. During this incident, Officer Jankowski's camera had a view of eastbound Nisson Road toward Red Hill Avenue. The image had a partial view of the Casa Cortez apartments, including the sidewalk area between the apartments and Nisson Road. However the camera was not pointed in a direction to observe the altercation between VILLA and the Tustin Police Officers.

I made the following observations while viewing the MAVS recording for unit #804. All times and events are listed as noted on the video:

11:38:26 Officer Nguyen's police vehicle is directly in front of Officer Jankowski's police vehicle. Officer Nguyen's vehicle was parked along the south curb of Nisson Road west at the west corner of the Casa Cortez driveway. The vehicle emergency light bar was activated.

11:38:34 Officer Jankowski walked in between the two police vehicles, from left to right, while talking on her radio.

11:38:38 Officer Nguyen exited his police vehicle and started walking toward the Casa Cortez apartments.

11:38:55 The MAVS microphone activated and Officer Wright was in the middle of a sentence, "... like DV day, so it's crazy." Officer Jankowski responded, "Yep. And can I say that, so it's begun." Officer Wright said, "So it has begun...This is feeling a eight-thirty kind of day. I don't think it's gonna be ten thirty..." Officer Wright stopped talking when Officer Nguyen suddenly started yelling commands.

11:39:09 Officer Nguyen yelled in the background, "Drop that knife dude! Drop that knife!" Another voice yelled something unintelligible in response that sounded similar to "... you!"

11:39:12 Officer Nguyen continued his commands of "Drop that Knife!" and Officer Jankowski also yelled twice, "Drop the knife! Drop the knife!"

11:39:13 Gunshots were heard.

11:39:20 Officer Jankowski said in a tone that sounded as though she was speaking into her radio, "Shots fired, shots fired." Officer Stroud can be heard in the background talking on his radio at the same time, "... I need a supervisor (inaudible)."

[redacted] can be heard screaming in the background, *"Why?! Why?!"* ROBERT VILLA responded, *"Alright mom! I love you!"*

[redacted] screaming was getting louder, as though she was approaching. Once VILLA yelled out to her, Officer Wright instructed Officer Nguyen to intercede. [redacted] could be heard yelling, *"Fucking assholes!"*

11:39:25 Officer Wright said, *"Go-go-go! I got him, I got him, I got him."*

11:39:32 VILLA moaned and then said, *"I'm dead. I'm dead. You guys leave me just (inaudible)."* Officer

Wright said, *"You're not dead."* VILLA said, "I am dead."

11:39:39 VILLA continued moaning and said, *"You shot me, ahh"* as Officer Jankowski said, *"I'll go grab a medical kit."* Officer Jankowski then started running.

11:39:49 Officer Jankowski stopped running for a moment and it sounded like she tried to open a car door. She then continued running.

11:39:51 Officer Jankowski came into camera view as she ran to the back of her police vehicle. The sound was consistent with her opening the trunk, removing a first aid kit, closing the trunk and running away.

11:40:12 VILLA could again be heard moaning and yelling. VILLA stopped at one point and said, "I need oxygen please." Officer Wright confirmed that a supervisor was en route and Officer Jankowski said, "He is. He already called it."

11:40:28 Officer Jankowski asked, "What do you need?" VILLA said, "I'm going." A moment later he added, "I need oxygen!" He then said, "I'm dead (inaudible)."

11:40:37 [redacted] can be heard yelling in the background, "I'm gonna sue the fuck out of you guys!"

Officer Jankowski then started running and [redacted] screaming became louder. Based on the change in volume, it sounded as though Officer Jankowski ran toward to the area where [redacted] was.

[redacted] could be heard yelling, *"They shoulda tazed him! I'm gonna sue the fuck out of you guys! You guys better pay for everything you stupid assholes! You fucking idiots! You got to... (inaudible)"*

11:40:47 *"Ah, fucking leave me alone! Leave me alone! Leave me alone! You guys are all professional fucking idiots! My son never could of... They got him! They got him!"* She then started crying and pleading to God.

Officer Jankowski advised her location via radio to the other Police Officers that were responding. Officer Nguyen asked if she was okay and Officer Jankowski said she was.

11:42:01 As sirens approached loudly, [redacted] continued yelling, *"You guys better hope my son is not dead. You guys shoulda tazed his ass, not shot him! You fucking idiot cops! Fucking idiots! Fuck all you cops! You guys suck! You guys shoulda tazed him not shot him you fucking idiots! I'm gonna sue you guys! I'm gonna sue you guys! You guys didn't even try it! Why?! Why?! There was no reason to shoot him four times! There was no fucking reason to shoot him four times! You stupid idiots! I hope it doesn't kill him!"*

Other sirens can be heard arriving at the location. Officer Jankowski announced to someone, "We need to clear the res." Officer Nguyen repeated, "We need to clear the res., yeah." Officer Jankowski said, "They're going."

Approved by:_____

Officer Nguyen and Officer Jankowski directed a citizen to go around the area and not enter the crime scene.

11:42:51 [redacted] continued yelling, "They shouldn't have opened fire like that! (inaudible) They shouldn't have opened fire like that! (inaudible) Fucking idiots!..."

11:43:04 Sergeant Harper arrived and asked, "What do you guys got (inaudible)?" Officer Jankowski and Officer Nguyen explained they were dealing with the family and the residence still needed to be cleared. Officer Nguyen then left to assist with checking the residence while Officer Jankowski stayed near [redacted] and her family.

11:44:30 Officer Jankowski told Officer Nguyen, "I couldn't shoot. I was right behind fucking Stroud. I couldn't shoot."

11:45:18 Officer Jankowski said, "No, I was behind Stroud. I couldn't get a shot."

11:47:24 The audio came back and VILLA could be heard moaning and saying, "I'm dying."

11:51:05 Officer Jankowski asked, "Sir do you want me to ride in the bus, in case he gets four-fifteen in the bus?" Sergeant Harper advised, "Yeah, they're gonna get him all strapped down. So let's evaluate that..."

11:51:11 Sergeant Harper stopped his sentence when VILLA started grunting, "Ah!" An unknown person told VILLA, "Come on! Relax!" A moment later VILLA said something inaudible and Sergeant Harper said, "We're gonna help you out, alright? They're gonna help you out."

11:51:23 Sergeant Harper said, "That's oxygen. You want that! You want to breath that!" and VILLA responded, "No! I don't want that!"

As they prepared to load VILLA into the ambulance, Sergeant Harper ordered Officer Jankowski to follow the ambulance code-3 to the hospital.

Tustin Police Vehicle #821 MAVS
On 02-10-14 Officer Stroud was driving Tustin Police Department vehicle #821. As Officer Stroud approached the Casa Cortez apartments, Officer Stroud's camera had a view of eastbound Nisson Road toward Red Hill Avenue. The car turned into the west driveway of the complex and it parked. The MAVS image had a partial view of the Casa Cortez apartments that included the gate and the carport areas. However the camera was not pointed in a direction to observe the altercation between VILLA and the Tustin Police Officers.

I made the following observations while viewing the MAVS recording for unit #821. All times and events are listed as noted on the video:

11:38:12 The vehicle was traveling eastbound on Nisson Road as it approached the Casa Cortez apartments. When the complex came into view, the image caught a brief view of the front of the complex that included the grass area in front of the complex and the public sidewalk that ran toward the Union 76 gas station. There were no pedestrians visible on the recording.

11:38:30 After turning into the driveway, Officer Stroud parked and exited. Officer Stroud stood by the front left bumper of the police car, looking toward the entrance of the apartment complex. He appeared to be waiting for the other officers to arrive.

Officer Stroud microphone was not activated and I was unable to hear any audio recording from outside of the vehicle. The interior microphone was working and I could hear sound from inside of the police vehicle.

11:38:51 Officer Wright, Officer Jankowski and then Officer Nguyen come into view of the camera, and they all walked in front of the police vehicle from right to left (eastbound). The officers walk as a group, toward the front of the Casa Cortez apartments.

Officer Wright was wearing black gloves, however Officer Jankowski was not. Officer Wright looked toward Officer Jankowski as she approached. Officer Jankowski reached into her left pants cargo pocket and she removed a pair of black gloves, which she began putting on as they slowly walked away.

Officer Nguyen came into view last however he walked faster than the others and he passed by them.

11:38:59 Officer Jankowski was the last officer that could be seen walking out of camera view, fidgeting with a glove and following the other officers toward the Casa Cortez apartments.

11:39:12 Screaming can be heard in a distance.

11:39:13 One long scream can be heard, followed by gunfire.

11:39:19 Officer Stroud is heard via the in-car microphone, "*220, 998. Suspect down with a knife. We need a supervisor and we need numerous units for crowd control. We also need 91.*"

11:39:49 A noise can be heard that is consistent with someone trying to open the car door.

Approved by:_____

11:40:05 Officer Jankowski ran by the front of the police vehicle toward the Casa Cortez apartments with a first aid kit.

The video continued recording, however the image only showed the front gate to the carport area. The audio recorded the radio traffic as it was heard inside the police vehicle. Officer Stroud's microphone was not activated and there was no sound recorded from outside the vehicle.

AGREEMENT
AT-WILL EMPLOYMENT, NON-DISCLOSURE, NON-SOLICITATION AND ARBITRATION

This Agreement is dated this 5 day of DECEMBER, 2013 between Service Staffing, LLC ("Employer") and ROBERT M. VILLA ("Employee").

1. **Term of Employment. The nature of the employment relationship between Employer and Employee is at-will and may be terminated at any time by either Employee or Employer, for any or no reason, with or without cause. Further, Employer can demote, transfer, suspend or otherwise discipline Employee in its sole and absolute discretion. Nothing contained in this Agreement, or in any written or unwritten policies of Employer shall be construed to create any other term of employment or a requirement of cause for termination, demotion, or transfer.**

2. **Non-Disclosure.** Employer may provide and make available to Employee certain information regarding its business, including without limitation: actual and potential client and customer names, addresses, telephone numbers, and specific characteristics; research and development materials; pending projects or proposals; methods of production; computer techniques and processing capabilities; proprietary computer programs; business plans and projections, including new product, facility or expansion plans; pricing information (such as price lists, quotation guides, previous or outstanding quotations, or billing information); estimating programs and methodology; the techniques used in, approaches to, or results of any market research; other marketing data; advertising sources; employee salaries, contracts and wage information; and financial information about Employer; whether written or verbal, or contained on computer hardware or software, disk, tape, microfiche or other media ("Information"). This Information is of substantial value and highly confidential, is not known to general public, is the subject of reasonable efforts to maintain its secrecy, constitutes the professional and trade secrets of Employer, and is being provided and disclosed to Employee solely for use in connection with his or her duties hereunder and to treat this information as a trade secret belonging to Employer.

Employee further agrees that he or she:
Will regard and preserve the Information as highly confidential and the trade secrets of Employer;
Will not disclose, nor permit to be disclosed, any of the Information to any person or entity, absent written consent and approval from Employer;
Will not photocopy or duplicate, and will not permit any person to photocopy or duplicate, any of the Information without Employer's written consent and approval;
Will not make any use of Information for his or her own benefit or the benefit of any person or entity other than Employer;
Will return all information to Employer within twenty-four (24) hours after request for same.

3. **Non-Solicitation.** Employee further agrees that during his or her employment with Employer and for two (2) years after its termination by either party ("Term"), Employee shall not, whether directly or indirectly, solicit, communicate with or otherwise contact any of Employer's customers for the purpose of conducting any business with them which is substantially similar to the business conducted by Employer. For purposes of this Paragraph, "Customer" shall mean any person or entity with which Employer has actually done business or solicited for business during the Term.

   Employee further agrees that he or she shall not, whether directly or indirectly, employ, solicit for employment, retain, solicit for retention, or advise or recommend to any other individual or entity that they hire, employ, retain, or solicit for employment or retention any person employed by Employer or any other person retained by Employer as an independent contractor during the Term. Employee further agrees that he or she shall not, whether directly or indirectly, undertake any act with the intent to disrupt, impair or interfere with the business of Employer in any way, whether by way of interfering with or disrupting its relationships with customers, agents, representatives, contractors, or suppliers, or otherwise, during the Term.
   Employee warrants that the above restrictions will not prevent Employee from earning a living, and that they are necessary to protect the trade secrets of Employer, as Employee's solicitation would necessarily involve Employee's use of Employer's trade secrets.

4. **Conflict With Employer's Interest.** Employee further agrees that due to the nature of Employer's business, any conduct in which Employee engages that is in contravention of the terms of provisions 2 and 3 above would actually be in direct conflict with the essential enterprise-related interests of Employer.

   Employee further agrees that any breach of the terms of provisions 2 and 3 of this Employment Agreement by Employee would actually constitute and result in material and substantial disruption of Employer's operation.

5. **Works for Hire.** All information developed or generated wholly or partially by Employee during his/her employment with Employer, including all intermediate and partial versions thereof ("Work Product"), whether or not protected by copyright, will be the sole property of Employer upon its creation, and ~in the case of copyrightable works, upon its fixation in a tangible medium of expression.

   All copyrightable aspects of the Work Product are "works made for hire" within the meaning of the Copyright Act of 1976 ("the Act"), as amended, of which Employer is to be deemed the "author" within the meaning of the Act. All such copyrightable works, as well as all copies of such works in whatever medium fixed or embodied, will be owned exclusively by Employer upon their creation and Employee will have no interest in any of them.

Initials

If any of the Work Product, or any part or element of the Work Product, is found as a matter of law not be a "work made for hire," within the meaning of the Act, Employee will assign to Employer the sole and exclusive right, title and interest in and to all such works, and all copies of the works, without further consideration, and will assist Employer to register, and from time to time thereafter, to enforce all patents, copyrights, and other rights and protections relating to any of the Work Product.

6. **Arbitration**. In the unlikely event of a claim or dispute between Employee and the Company or any of its employees or agents occur, arising out of or having anything to do with Employee's application for employment, employment, or separation from employment with the Company, both Company and Employee agree that any controversy, dispute or claim between any employee and the Company, or its officers, agents or other employees, shall be settled by binding arbitration, at the request of either party. The arbitrability of any controversy, dispute or claim shall be determined by application of the substantive and procedural provisions of the Federal Arbitration Act (9 U.S.C. sections 1 and 2), however either party may request provisional relief from a court of competent jurisdiction, in the state court in the county where the Employee is or was employed.

The claims which are to be arbitrated under this policy include, but are not limited to, claims for wages and other compensation, claims for breach of contract (express or implied), claims for violation of public policy, wrongful termination, tort claims, claims for unlawful discrimination and /or harassment (including, but not limited to, race, religious creed, color, national origin, ancestry, physical or mental disability, gender identity or expression, medical condition (cancer related or genetic characteristic), marital status, age (over 40), pregnancy, sex (or sexual orientation) to the extent allowed by law, and claims for violation of any federal, state, or other government law, statute, regulation, or ordinance, except for claims for workers' compensation and unemployment insurance benefits.

The employee and the Company will select an arbitrator by mutual agreement from the American Arbitration Association ("AAA"). If the employee and the Company are unable to agree on a neutral arbitrator, either party may elect to obtain a list of arbitrators from the AAA, the list must contain a minimum of five (5) names. The employee and the Company will alternately strike names from the list until only one name remains. The remaining person shall be the arbitrator. The demand for arbitration must be in writing and must be made by the aggrieved party within the statute of limitations period provided under the applicable state and/or federal law for the particular claim. Failure to make a written demand within the applicable statutory period constitutes a waiver to raise that claim in any forum. Arbitration proceedings will be held in the county and state where the employee works or worked and shall be conducted under the AAA's Employment Arbitration Rules.

The arbitrator shall apply applicable state and/or federal substantive law to determine issues of liability and damages regarding all claims to be arbitrated, and shall apply the appropriate rules of evidence for the federal or state claim brought. The parties shall be entitled to conduct reasonable discovery, including conducting depositions, requesting documents and requesting responses to interrogatories and the arbitrator shall have the authority to determine what constitutes reasonable discovery. The arbitrator shall hear motions for summary disposition as provided by the appropriate jurisdiction, i.e.: The Federal Rules of Civil Procedure, Rule 56 for claims under federal law or the specific state's law for a motion for summary disposition for claims under

Initials RY

federal or state law. If the claim presents claims under both state law and federal law, the federal procedure for such a motion will be used.

Within thirty (30) days following the hearing and the submission of the matter to the arbitrator, the arbitrator shall issue a written opinion and award that shall be signed and dated. The arbitrator's award shall decide all issues submitted by the parties, and the arbitrator may not decide any issue not submitted. The arbitrator shall prepare in writing and provide to the parties a decision and award which includes factual findings and the reasons upon which the decision is based. The arbitrator shall be permitted to award only those remedies in law or equity, which are requested by the parties and allowed by law.

Employee agrees to bring his or her claim(s) in his or her individual capacity, and not as a plaintiff or class member in any purported class or representative proceeding. The Company and Employee agree that the arbitrator may not consolidate either the Company's or the Employee's claims with any other person's or entity's claims, and may not otherwise preside over any form of representative or class action.

The cost of the arbitrator and other incidental costs of arbitration that would not be incurred in a court proceeding shall be borne by the Company. The parties shall each bear their own costs and attorney's fees in any arbitration proceeding, provided however, that the arbitrator shall have the authority to require either party to pay the costs and attorney's fees of the other party, during the arbitration, as is permitted under federal or state law, as a part of any remedy that may be ordered.

Both Company and Employees understand that by using arbitration to resolve disputes they are giving up any right that they may have to a judge or jury trial with regard to all issues concerning employment. The decision of the arbitrator shall be binding and conclusive on the parties and cannot be reviewed for error of law or legal reasoning of any kind. Judgment upon the reward rendered by the arbitrator may be entered in any court having proper jurisdiction.

No employee or other Company representative can modify this policy in any manner nor enter into any agreement that is contrary to this policy unless it is in a future update of this handbook or is in writing and signed by the president of the Company. If any term, provision, covenant or condition of this policy is held by a court of competent jurisdiction or an arbitrator to be invalid, void, or unenforceable, the remaining terms and provisions of this Policy will remain in full force and effect and shall in no way be affected, impaired, or invalidated.

7. Miscellaneous. No provision of this Agreement may be amended, modified, waived or discharged unless such amendment, modification, waiver or discharge is agreed to in writing, signed by Employee and on behalf of Employer by an Owner. No waiver by either party at any time of any breach by the other party of or compliance with any condition or provision of this Agreement to be performed by such other party will be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time. No agreements or representations, oral or otherwise, express or implied, have been made by either party which are not set forth expressly in the Agreement. The validity, interpretation, construction and performance of the Agreement will be governed by the laws of the State of California applicable to agreements made and to be performed in such State.

Initials RV

8. **Validity.** The invalidity of any provision or provisions of this Agreement will not affect any other provisions of this Agreement, which will remain in full force and effect, nor will the invalidity of a portion of any provision of this Agreement affect the balance of such provision.

9. **Section Headings.** The section headings appearing in this Agreement have been inserted for the purpose of convenience and ready reference. They are not intended to, and do not define, limit, or extend the scope or intent of the provision to which they pertain.

10. **Severablity.** If any term, covenant or condition of this Agreement or the application thereof to any person or circumstance is determined to be invalid or unenforceable, the remainder of the Agreement will not be affected thereby, and will continue to be valid and enforceable to the fullest extent permitted by law.

IN WITNESS WHEREOF, this Agreement has been duly executed and delivered by Employee and by the duly authorized officer of Employer on the date first above written.

WAREHOUSE SAFETY TECHNIQUES

Some of your work may involve working in a warehouse and you may lift or move packages, load and unload merchandise into and from your vehicle and pull inventory from or stock shelves. By following these simple techniques you may very well prevent a serious permanent injury, which could cause you long term pain and suffering and stop you from earning a living.

1. First evaluate the weight of the object you are about to lift by gently trying to move the object. Should it feel too heavy, stop and call for help or use a hand truck.
2. Make sure of your grip and your footing before you lift. Your feet should be shoulder wide.
3. Always lift with your legs bending at the knees and keeping your back straight.
4. Never twist your hips, back or shoulders while lifting and carrying packages.
5. Make sure that your path is clear and visible at all times.
6. Never stack packages when lifting or carrying.
7. Never reach above your head to pull an item from the shelf.
8. Make certain the ladder you are planning on using is very stable and locked in position before climbing.
9. Never climb a ladder past the middle.
10. Use back braces, safety gloves, hard hats, goggles and hard toe boots should the work require it.
11. Before setting the package down beware of where your hands and fingers and toes are.
12. Never drive a forklift without prior training and certification by a licensed school.
13. Do not wear loose clothing when working close to a conveyer belt.
14. Do not jump off the dock. Use the stairs.
15. Use hand trucks for all awkward items.
16. Do not jump in and out of the truck. Use the ramp.
17. Make sure the bottom of the package is secure and objects will not fall on your toes.
18. In case of a fire, do not panic. Stay low to the ground and look for an exit.
19. Do not rush your task. Rushing can cause you to make a mistake and injure yourself.

WORK PLACE HARASSMENT POLICIES & PROCEDURES
PRODUCTIVE WORK ENVIRONMENT

This document covers all forms of workplace harassment, including sexual, ethnic, racial, and disability Harassment.

Policy:

It is the policy of the Company to promote a productive work environment and not to tolerate verbal or physical conduct by any employee that harasses, disrupts, or interferes with another's work performance or that creates an intimidating, offensive, or hostile environment.

Comment:

(1) Employees are expected to maintain a productive work environment that is free from harassing or disruptive activity. No form of harassment will be tolerated, including harassment for the following reasons: race, national origin, religion, disability, pregnancy, age, military status, or sex. Special attention should be paid to the prohibition of sexual harassment.

(2) Each supervisor and manager has a responsibility to keep the workplace free of any form of harassment, and in particular, sexual harassment. No supervisor or manager is to threaten or insinuate, either explicitly or implicitly, that an employee's refusal or willingness to submit to sexual advances will affect the employee's terms or conditions of employment.

(3) Other sexually harassing or offensive conduct in the workplace, whether committed by Supervisors, managers, none supervisory employees, or none employees, is also prohibited.

This conduct includes:

(a) Unwanted physical contact or conduct of any kind, including sexual flirtations, touching, advances, or propositions;

(b) Verbal harassment of a sexual nature, such as lewd comments, sexual jokes or references, and offensive personal references;

(c) Demeaning, insulting, intimidating, or sexually suggestive comments about an individual;

(d) The display in the workplace of demeaning, insulting, intimidating, or sexually suggestive objects, pictures, or photographs;

(e) Demeaning, insulting, intimidating, or sexually suggestive written, recorded, or electronically transmitted messages (such as email, instant messaging, and Internet materials).

Any of the above conduct, or other offensive conduct, directed at individuals because of their race, sex, national origin, religion, disability, pregnancy, age, or military status is also prohibited.

(4) Any employee who believes that a supervisor's, manager's, other employee's, or None employee's actions or words constitute unwelcome harassment has a responsibility to report or complain about the situation as soon as possible. The report or complaint6 should be made to the employee's supervisor; or to the department head or Human Resources Manager if the complaint involves the supervisor or manager.

(5) Complaints of harassment will be handled and investigated under the Company's dispute resolution policy, unless special procedures are considered appropriate.

All complaints of harassment will be investigated promptly and in as impartial and confidential a manner as possible. Employees are required to cooperate in any investigation. A timely resolution of each complaint should be reached and communicated to the parties involved.

(6) Any employee, supervisor, or manager who is found to have violated the harassment policy will be subject to appropriate disciplinary action, up to and including termination. The Company prohibits any form of retaliation against employees for bringing bona fide complaints or providing information about harassment.

OTHER TYPES OF HARRASSMENT: In the past, many employers focused only on sexual harassment since it has received the most legal and media attention. However, any form of harassment is counterproductive to an employer's operations and is illegal under discrimination laws. Furthermore, the courts and the EEOC interpret federal civil rights laws to prohibit harassment or a work environment abusive to employees because of their race, gender, religion, national origin, age, or disability. Although the most common harassment claims involve allegations of sexual harassment, the same legal analysis applies when the illegally offensive behavior is based on any protected class. Accordingly, the Model Policy prohibits not only sexual harassment but also harassment based on race, sex, national origin, religion, disability, pregnancy, age, and military status. Harassment based on sex is included as a separate category from sexual harassment since many courts recognize that harassment targeted at an employee because of her gender can be illegal even if the harassment is not sexual in nature. In addition, state laws may prohibit harassment based on additional protected classes, such as sexual orientation in California. The Model Policy also prohibits conduct that may not be considered illegal harassment by a court or agency but that can have a negative effect on the workplace. For example, using the Model Policy, an employer can take disciplinary action against employees who use obscene language or tell off-color jokes, conduct that generally would not rise to the level of illegal sexual harassment unless employees engaged in it on an ongoing basis. Since these types of behavior typically are considered inappropriate in the workplace and can demoralize employees, employers should make sure that their policies are broad enough to cover all forms of unproductive and harassing behavior.

I HAVE CAREFULLY READ SERVICE STAFFING, LLC'S POLICIES & PROCEDURES REGARDING WORKPLACE HARASSMENT AND I COMPLETELY UNDERSTAND THE CONTENTS OF IT. I AGREE TO FULLY COMPLY WITH ALL POLICIES & PROCEDURES STATED IN THIS DOCUMENT DURING MY EMPLOYMENT WITH SERVICE STAFFING, LLC.

ALCOHOL & DRUG POLICY

Service Staffing, LLC has a vital interest in maintaining safe, healthful and efficient working conditions for its employees, customers and visitors. Being under the influence or use of a drug or alcohol while on the job poses serious safety and health risks not only to the user but to all those who work or come into contact with the user. The manufacture, possession, sale or distribution of an illegal drug or alcohol in the workplace also poses unacceptable safety and health risks. Accordingly, it is the right, obligation and intent of the Company to protect its employees, customers and visitors, and to safeguard Company property, equipment and operations by establishing and maintaining the following policy with regard to use, possession or sale of alcohol or drugs in the work place.

The use, sale, purchase, transfer, distribution, or possession of alcohol or illegal drugs while in a Company facility or while performing Company business is prohibited. For the purposes of this Policy, "illegal drugs" means any drug listed in 21 U.S.C. §821 and other federal regulations, including, but not limited to, opiates, marijuana, cocaine, PCP and amphetamines/ methamphetamines. "Illegal drugs" also includes prescription medications, which have not been properly prescribed by a doctor. Being under the influence of alcohol or illegal drugs by any employee while performing Company business or while in a Company facility is also prohibited. "Under the influence" means, for the purposes of this Policy, that the employee is affected by a drug or alcohol or the combination of a drug and alcohol in any detectable manner and that the lab verifies that the metabolite of the drug is detectable above the cut-off level. The symptoms of influence are not confined to those consistent with misbehavior. A determination of influence can be established by a professional opinion and in some cases by a layperson's opinion based upon specific personal observations concerning an employee's appearance, behavior (including job performance) and body odors. Any employee who uses, sells, purchases, transfers, distributes, possesses, or is under the influence of alcohol or illegal drugs will be terminated.

The Company may require a blood test, urinalysis or other drug/alcohol screening of those persons reasonably suspected of using or being under the influence of a drug or alcohol. "Reasonable suspicion" may be established by a combination of accident, physical and/or verbal altercation, being informed by a client, unusual employee behavior or possession of drugs and alcohol. An employee's consent to submit to such a test is required as a condition of employment and the employee's refusal to consent shall result in termination, even for a first refusal.

I have read and fully understood the above "Drug & Alcohol" policy. It was explained to me in detail by the Service Staffing, LLC manager. I have no other questions.

DEFENSIVE DRIVING TECHNIQUES

The following are driving habits which may very well save your life, save the lives of others and keep you working and making money;

1. Check all mirrors, and your seat position before driving to make sure you have control and visibility from every position.
2. Check tires every time you drive.
3. Always obey all traffic laws.
4. Maintain one car length distance with the car ahead of you for every ten miles per hour. i.e.; When traveling at 50 miles per hour, leave 5 car lengths between you and the car ahead of you.
5. Always obey posted speed limits.
6. When driving, look down the highway and not just in front of you so that you can avoid possible hazards ahead.
7. Make sure that your car's breaks are working properly and that the break pads have plenty left on them.
8. Always be courteous to other drivers, even when it's their fault.
9. Use your signal lights every time turning or changing lanes, at least 100-150 feet before you turn or change lanes.
10. When changing lanes put your signal on, look both in your rear and side view mirrors, then turn your head swiftly and look for on coming cars. Should there not be any cars blocking your lane change, then carefully change lanes continuing to look for other cars in all mirrors and by turning your head swiftly.
11. Should you notice a car following you too closely (remember one car length for every ten miles per hour), immediately but carefully follow the above lane change procedures, change lanes and let the car pass you.
12. When driving, all of your senses should be concentrating on your driving and not the radio, the telephone, paperwork or other outside interruptions. Should you require to read something, call someone or answer the phone, you should find a safe place to pull over.
13. Yellow lights are there to slow vehicles down and prepare them to stop. You should never try to speed through a yellow light.
14. Never cross a red light.
15. Make a full stop at every stop sign.
16. When making a right turn on a red light, look carefully for on coming cars and crossing pedestrians.
17. Should you notice someone driving erratically or unsafe, carefully increase your distance with that car until you are at a safe distance.
18. Never drive under the influence of alcohol, recreational drugs or prescription medication with driver warnings.

19. Never break the speed limit or any other traffic law or drive aggressively due to work or time pressures. Although timeliness is very important to us, we much prefer your safety over timeliness of work performed.
20. Drive slower and more careful than usual when raining and driving in wet conditions
21. Increase your distance with the car ahead and behind you even further in rainy conditions.
22. Have in mind that it will take you much longer to stop your vehicle in an emergency in rainy conditions.
23. At night make sure both your headlights are working properly and illuminate the road enough that you can comfortably see the road ahead of you.
24. At night be aware of pedestrians and bicyclists with dark clothing crossing the street or walking and riding along the road.
25. Always be aware of your surroundings; where are other cars relative to your position on the road, look carefully at other motorist's body language to prepare for what they're about to do.
26. Always leave plenty of room on each side of your vehicle (vacant lanes) so that you can maneuver you car out of harm's way should you suddenly need to.
27. Always wear your seat belt.

By following these simple techniques on a regular basis, the chances of being involved in an accident are greatly reduced. Therefore you remain safe, the general public remains safe and you keep working, continue making money and grow with our company.

I have carefully read Service Staffing, LLC's Defensive Driving Techniques, received a copy and understand it entirely. I understand that I will be terminated should I not follow these techniques or have one accident in which law enforcement finds me at fault.

AGREEMENT FOR ON-DUTY MEAL PERIOD

I, ROBERT VILLA, understand that California employees are generally entitled to a thirty (30) minute, unpaid, meal period if they work more than five (5) hours in a workday. However, California law allows employees to enter into an agreement with an employer for an on-the-job meal period where the nature of the work prevents the employee from being relieved of all duty.

This Agreement will remain in effect until the Company or I exercise the option to revoke it.

Read all instructions carefully before completing this form.

Anti-Discrimination Notice. It is illegal to discriminate against any work-authorized individual in hiring, discharge, recruitment or referral for a fee, or in the employment eligibility verification (Form I-9 and E-Verify) process based on that individual's citizenship status, immigration status or national origin. Employers **CANNOT** specify which document(s) they will accept from an employee. The refusal to hire an individual because the documentation presented has a future expiration date may also constitute illegal discrimination. For more information, call the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC) at 1-800-255-7688 (employees), 1-800-255-8155 (employers), or 1-800-237-2515 (TDD), or visit **www.justice.gov/crt/about/osc**.

What Is the Purpose of This Form?

Employers must complete Form I-9 to document verification of the identity and employment authorization of each new employee (both citizen and noncitizen) hired after November 6, 1986, to work in the United States. In the Commonwealth of the Northern Mariana Islands (CNMI), employers must complete Form I-9 to document verification of the identity and employment authorization of each new employee (both citizen and noncitizen) hired after November 27, 2011. Employers should have used Form I-9 CNMI between November 28, 2009 and November 27, 2011.

General Instructions

Employers are responsible for completing and retaining Form I-9. For the purpose of completing this form, the term "employer" means all employers, including those recruiters and referrers for a fee who are agricultural associations, agricultural employers, or farm labor contractors.

Form I-9 is made up of three sections. Employers may be fined if the form is not complete. Employers are responsible for retaining completed forms. Do not mail completed forms to U.S. Citizenship and Immigration Services (USCIS) or Immigration and Customs Enforcement (ICE).

Section 1. Employee Information and Attestation

Newly hired employees must complete and sign Section 1 of Form I-9 **no later than the first day of employment.** Section 1 should never be completed before the employee has accepted a job offer.

Provide the following information to complete Section 1:

Name: Provide your full legal last name, first name, and middle initial. Your last name is your family name or surname. If you have two last names or a hyphenated last name, include both names in the last name field. Your first name is your given name. Your middle initial is the first letter of your second given name, or the first letter of your middle name, if any.

Other names used: Provide all other names used, if any (including maiden name). If you have had no other legal names, write "N/A."

Address: Provide the address where you currently live, including Street Number and Name, Apartment Number (if applicable), City, State, and Zip Code. Do not provide a post office box address (P.O. Box). Only border commuters from Canada or Mexico may use an international address in this field.

Date of Birth: Provide your date of birth in the mm/dd/yyyy format. For example, January 23, 1950, should be written as 01/23/1950.

U.S. Social Security Number: Provide your 9-digit Social Security number. Providing your Social Security number is voluntary. However, if your employer participates in E-Verify, you must provide your Social Security number.

E-mail Address and Telephone Number (Optional): You may provide your e-mail address and telephone number. Department of Homeland Security (DHS) may contact you if DHS learns of a potential mismatch between the information provided and the information in DHS or Social Security Administration (SSA) records. You may write "N/A" if you choose not to provide this information.

All employees must attest in Section 1, under penalty of perjury, to their citizenship or immigration status by checking one of the following four boxes provided on the form:

1. **A citizen of the United States**
2. **A noncitizen national of the United States:** Noncitizen nationals of the United States are persons born in American Samoa, certain former citizens of the former Trust Territory of the Pacific Islands, and certain children of noncitizen nationals born abroad.
3. **A lawful permanent resident:** A lawful permanent resident is any person who is not a U.S. citizen and who resides in the United States under legally recognized and lawfully recorded permanent residence as an immigrant. The term "lawful permanent resident" includes conditional residents. If you check this box, write either your Alien Registration Number (A-Number) or USCIS Number in the field next to your selection. At this time, the USCIS Number is the same as the A-Number without the "A" prefix.
4. **An alien authorized to work:** If you are not a citizen or national of the United States or a lawful permanent resident, but are authorized to work in the United States, check this box.

   If you check this box:

   a. Record the date that your employment authorization expires, if any. Aliens whose employment authorization does not expire, such as refugees, asylees, and certain citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, or Palau, may write "N/A" on this line.

   b. Next, enter your Alien Registration Number (A-Number)/USCIS Number. At this time, the USCIS Number is the same as your A-Number without the "A" prefix. If you have not received an A-Number/USCIS Number, record your Admission Number. You can find your Admission Number on Form I-94, "Arrival-Departure Record," or as directed by USCIS or U.S. Customs and Border Protection (CBP).

      (1) If you obtained your admission number from CBP in connection with your arrival in the United States, then also record information about the foreign passport you used to enter the United States (number and country of issuance).

      (2) If you obtained your admission number from USCIS *within the United States*, or you entered the United States without a foreign passport, you must write "N/A" in the Foreign Passport Number and Country of Issuance fields.

Sign your name in the "Signature of Employee" block and record the date you completed and signed Section 1. By signing and dating this form, you attest that the citizenship or immigration status you selected is correct and that you are aware that you may be imprisoned and/or fined for making false statements or using false documentation when completing this form. To fully complete this form, you must present to your employer documentation that establishes your identity and employment authorization. Choose which documents to present from the Lists of Acceptable Documents, found on the last page of this form. You must present this documentation no later than the third day after beginning employment, although you may present the required documentation before this date.

Preparer and/or Translator Certification

The Preparer and/or Translator Certification must be completed if the employee requires assistance to complete Section 1 (e.g., the employee needs the instructions or responses translated, someone other than the employee fills out the information blocks, or someone with disabilities needs additional assistance). The employee must still sign Section 1.

Minors and Certain Employees with Disabilities (Special Placement)

Parents or legal guardians assisting minors (individuals under 18) and certain employees with disabilities should review the guidelines in the *Handbook for Employers: Instructions for Completing Form I-9 (M-274)* on **www.uscis.gov/I-9Central** before completing Section 1. These individuals have special procedures for establishing identity if they cannot present an identity document for Form I-9. The special procedures include **(1)** the parent or legal guardian filling out Section 1 and writing "minor under age 18" or "special placement," whichever applies, in the employee signature block; and **(2)** the employer writing "minor under age 18" or "special placement" under List B in Section 2.

Section 2. Employer or Authorized Representative Review and Verification

Before completing Section 2, employers must ensure that Section 1 is completed properly and on time. Employers may not ask an individual to complete Section 1 before he or she has accepted a job offer.

Employers or their authorized representative must complete Section 2 by examining evidence of identity and employment authorization within 3 business days of the employee's first day of employment. For example, if an employee begins employment on Monday, the employer must complete Section 2 by Thursday of that week. However, if an employer hires an individual for less than 3 business days, Section 2 must be completed no later than the first day of employment. An employer may complete Form I-9 before the first day of employment if the employer has offered the individual a job and the individual has accepted.

Employers cannot specify which document(s) employees may present from the Lists of Acceptable Documents, found on the last page of Form I-9, to establish identity and employment authorization. Employees must present one selection from List A **OR** a combination of one selection from List B and one selection from List C. List A contains documents that show both identity and employment authorization. Some List A documents are combination documents. The employee must present combination documents together to be considered a List A document. For example, a foreign passport and a Form I-94 containing an endorsement of the alien's nonimmigrant status must be presented together to be considered a List A document. List B contains documents that show identity only, and List C contains documents that show employment authorization only. If an employee presents a List A document, he or she should **not** present a List B and List C document, and vice versa. If an employer participates in E-Verify, the List B document must include a photograph.

In the field below the Section 2 introduction, employers must enter the last name, first name and middle initial, if any, that the employee entered in Section 1. This will help to identify the pages of the form should they get separated.

Employers or their authorized representative must:

1. Physically examine each original document the employee presents to determine if it reasonably appears to be genuine and to relate to the person presenting it. The person who examines the documents must be the same person who signs Section 2. The examiner of the documents and the employee must both be physically present during the examination of the employee's documents.
2. Record the document title shown on the Lists of Acceptable Documents, issuing authority, document number and expiration date (if any) from the original document(s) the employee presents. You may write "N/A" in any unused fields.

   If the employee is a student or exchange visitor who presented a foreign passport with a Form I-94, the employer should also enter in Section 2:

   a. The student's Form I-20 or DS-2019 number (Student and Exchange Visitor Information System-SEVIS Number); **and** the program end date from Form I-20 or DS-2019.
3. Under Certification, enter the employee's first day of employment. Temporary staffing agencies may enter the first day the employee was placed in a job pool. Recruiters and recruiters for a fee do not enter the employee's first day of employment.
4. Provide the name and title of the person completing Section 2 in the Signature of Employer or Authorized Representative field.
5. Sign and date the attestation on the date Section 2 is completed.
6. Record the employer's business name and address.
7. Return the employee's documentation.

Employers may, but are not required to, photocopy the document(s) presented. If photocopies are made, they should be made for **ALL** new hires or reverifications. Photocopies must be retained and presented with Form I-9 in case of an inspection by DHS or other federal government agency. Employers must always complete Section 2 even if they photocopy an employee's document(s). Making photocopies of an employee's document(s) cannot take the place of completing Form I-9. Employers are still responsible for completing and retaining Form I-9.

Unexpired Documents

Generally, only unexpired, original documentation is acceptable. The only exception is that an employee may present a certified copy of a birth certificate. Additionally, in some instances, a document that appears to be expired may be acceptable if the expiration date shown on the face of the document has been extended, such as for individuals with temporary protected status. Refer to the *Handbook for Employers: Instructions for Completing Form I-9 (M-274)* or I-9 Central (www.uscis.gov/I-9Central) for examples.

Receipts

If an employee is unable to present a required document (or documents), the employee can present an acceptable receipt in lieu of a document from the Lists of Acceptable Documents on the last page of this form. Receipts showing that a person has applied for an initial grant of employment authorization, or for renewal of employment authorization, are not acceptable. Employers cannot accept receipts if employment will last less than 3 days. Receipts are acceptable when completing Form I-9 for a new hire or when reverification is required.

Employees must present receipts within 3 business days of their first day of employment, or in the case of reverification, by the date that reverification is required, and must present valid replacement documents within the time frames described below.

There are three types of acceptable receipts:

1. A receipt showing that the employee has applied to replace a document that was lost, stolen or damaged. The employee must present the actual document within 90 days from the date of hire.
2. The arrival portion of Form I-94/I-94A with a temporary I-551 stamp and a photograph of the individual. The employee must present the actual Permanent Resident Card (Form I-551) by the expiration date of the temporary I-551 stamp, or, if there is no expiration date, within 1 year from the date of issue.
3. The departure portion of Form I-94/I-94A with a refugee admission stamp. The employee must present an unexpired Employment Authorization Document (Form I-766) or a combination of a List B document and an unrestricted Social Security card within 90 days.

When the employee provides an acceptable receipt, the employer should:

1. Record the document title in Section 2 under the sections titled List A, List B, or List C, as applicable.
2. Write the word "receipt" and its document number in the "Document Number" field. Record the last day that the receipt is valid in the "Expiration Date" field.

By the end of the receipt validity period, the employer should:

1. Cross out the word "receipt" and any accompanying document number and expiration date.
2. Record the number and other required document information from the actual document presented.
3. Initial and date the change.

See the *Handbook for Employers: Instructions for Completing Form I-9 (M-274)* at **www.uscis.gov/I-9Central** for more information on receipts.

Section 3. Reverification and Rehires

Employers or their authorized representatives should complete Section 3 when reverifying that an employee is authorized to work. When rehiring an employee within 3 years of the date Form I-9 was originally completed, employers have the option to complete a new Form I-9 or complete Section 3. When completing Section 3 in either a reverification or rehire situation, if the employee's name has changed, record the name change in Block A.

For employees who provide an employment authorization expiration date in Section 1, employers must reverify employment authorization on or before the date provided.

Some employees may write "N/A" in the space provided for the expiration date in Section 1 if they are aliens whose employment authorization does not expire (e.g., asylees, refugees, certain citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, or Palau). Reverification does not apply for such employees unless they chose to present evidence of employment authorization in Section 2 that contains an expiration date and requires reverification, such as Form I-766, Employment Authorization Document.

Reverification applies if evidence of employment authorization (List A or List C document) presented in Section 2 expires. However, employers should not reverify:

1. U.S. citizens and noncitizen nationals; or
2. Lawful permanent residents who presented a Permanent Resident Card (Form I-551) for Section 2.

Reverification does not apply to List B documents.

If both Section 1 and Section 2 indicate expiration dates triggering the reverification requirement, the employer should reverify by the earlier date.

For reverification, an employee must present unexpired documentation from either List A or List C showing he or she is still authorized to work. Employers CANNOT require the employee to present a particular document from List A or List C. The employee may choose which document to present.

To complete Section 3, employers should follow these instructions:

1. Complete Block A if an employee's name has changed at the time you complete Section 3.
2. Complete Block B with the date of rehire if you rehire an employee within 3 years of the date this form was originally completed, and the employee is still authorized to be employed on the same basis as previously indicated on this form. Also complete the "Signature of Employer or Authorized Representative" block.
3. Complete Block C if:
   a. The employment authorization or employment authorization document of a current employee is about to expire and requires reverification; or
   b. You rehire an employee within 3 years of the date this form was originally completed and his or her employment authorization or employment authorization document has expired. (Complete Block B for this employee as well.)

   To complete Block C:
   a. Examine either a List A or List C document the employee presents that shows that the employee is currently authorized to work in the United States; and
   b. Record the document title, document number, and expiration date (if any).
4. After completing block A, B or C, complete the "Signature of Employer or Authorized Representative" block, including the date.

   For reverification purposes, employers may either complete Section 3 of a new Form I-9 or Section 3 of the previously completed Form I-9. Any new pages of Form I-9 completed during reverification must be attached to the employee's original Form I-9. If you choose to complete Section 3 of a new Form I-9, you may attach just the page containing Section 3, with the employee's name entered at the top of the page, to the employee's original Form I-9. If there is a more current version of Form I-9 at the time of reverification, you must complete Section 3 of that version of the form.

What Is the Filing Fee?

There is no fee for completing Form I-9. This form is not filed with USCIS or any government agency. Form I-9 must be retained by the employer and made available for inspection by U.S. Government officials as specified in the **"USCIS Privacy Act Statement"** below.

Form W-4 (2013)

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2013 expires February 17, 2014. See Pub. 505, Tax Withholding and Estimated Tax.

Note. If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds $1,000 and includes more than $350 of unearned income (for example, interest and dividends).

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2013. See Pub. 505, especially if your earnings exceed $130,000 (Single) or $180,000 (Married).

Future developments. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at *www.irs.gov/w4*.

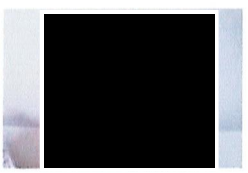
The family of a man shot to death by Tustin police officers Monday morning are questioning the use of lethal force and the way the mother of the deceased was informed of her 23-year-old son's death.



Facebook

The end for Robert Villa came when the Tustin Police Department received an 11:35 a.m. call Monday about a family disturbance in the 1400 block of Nisson Road.

"When officers arrived, they were confronted with a male adult suspect armed with a knife," reads a statement from Tustin Police Sgt. Andrew Birozy. "An officer-involved shooting ensued and the suspect was struck."

The man was taken to Western Medical Center Santa Ana in critical condition, but he later died, said Birozy, who added the Orange County District Attorney's office is investigating the officer-involved shooting.

Birozy's statement does not identify the deceased, who actually had yet to be named by the department as this post went up. Bu[redacted] Robert Villa's cousin, confirms via Facebook he was the dead man.

"I live [in] Fontana and made my way to Orange County once I heard the devastating news that he had been shot four times in front of my aunt [redacted] [redacted] writes. "My aunt was left without answers for hours until Western Medical staff advised her that my cousin Robert had passed."

[redacted] adds "it is my opinion" that the Tustin officers "should have took different actions to put my cousin down."

She wrote of Villa, "He had an unknown object in his hand, and I believe being shot four times in front of his mother is wrong in every single way. I want justice and want people to know my cousin wasn't a bad person; he was smart and very friendly ..."

Villa leaves behind a son, [redacted] added. His Facebook page indicates he worked at Freeway Honda in Santa Ana, attended Santiago High School in ~~Corona~~ Garden Grove and Santa Ana College and liked the Dallas Cowboys.

The family can sue for wrongful death, hopefully they will. Also, was it his own family that called the police in the first place? It does not say that in this article. I do believe that the police did use excessive force and that there are and were better ways to handle this situation. It is terrible that this happened at all, but especially in front of his family. He was an employed father handling life as it comes. It is sad that his life is over. Hopefully the family will be able to put him to peace with dignity. And that his son and the rest of his family get some justice from the Tustin Police Department for his death.

Check out the Tustin police departments facebook page. A lot of the Tustin residents seem to think it was a good shooting and are praising the cops. Very sad to read. The residents are calling a complete stranger a psychopath who deserved to die. What's wrong with people?

they used extreme excessive force. I don't even think they know what exactly was in his hands.First article I read it was a gun he had, then they said they believed it to be a knife. I agree that they should have shot him in the leg, or the arm to stop him, or tazer him, or something but to open fire and shoot him 4 times is uncalled for. I am friends with his mother and they did it right in front of her. She was in the hospital and they wouldn't tell her anything for hours, Something has to be done. I don't agree with rioting like they did in Anaheim, but somebody has to take responsibility for this. also, they need to help her in burying him. This death is on their hands.

my question is, with all the non-lethal weapons police have at their immediate disposal, why are they shooting lethal weapons at someone carrying a knife, regardless of whether he was told to put it down. Chances are, they were not in stabbing/slashing distance and not in immediate danger, why couldn't he have been tazed (as every officer has a tazer gun on their hip/leg), or shot with bean bag rounds from a shotgun. I know the police have a difficult job, and I appreciate what they do on a daily basis, but how many people have to be killed/beaten to death before some retraining happens?

At the end of the day, protocol was to instruct the subject holding the knife, or whatever object he was holding to drop it and back away so the officer can conduct his investigation in response to the 911 call. If the guy didn't follow the officers instruction to drop whatever he was holding then its already bad news for the guy as he is now looked at as a direct threat to the officer and those around him. I will agree that shooting him 4 times probably wasn't needed...I would of tried to subdue him using less lethal means...its sad. A mother is without her son, and a little kid is without a father now all because of some poor choices.....truly sucks.

And who said he was assaulting anyone with a knife? Don't assume that was the case.

Why would they not have used different force in taking him down. Come on shooting him was not necessary!!!

So he had a knife in his hand because he was cooking?? He was a big enough threat to have his own family call in to 911. So either the cop was going to possibly be stabbed or he was going to be shot. Sad situation all around but it's not ok to assault anyone with a knife. There are consequences...period!

"When officers arrived, they were confronted with a male adult suspect armed with a knife," this why you get killed by police.

This makes me sad but... Why the hell would you approach police with a knife in your hand?? With that said, I truly feel for the mother. She shouldn't have had to experience that :(

There isn't much to question. Police get away with everything. They're paid killers. And the public is target practice.

Officers were called to the area of Red Hill Avenue and Nisson Road at 11:35 a.m. regarding a domestic disturbance.

At the apartment building, officers confronted the man, who appeared to be holding a weapon, said Lt. John Strain of the Tustin Police Department. According to a police statement, the man was armed with a knife.

Multiple officers fired their weapons, Strain said.

Paramedics were called at 11:42 a.m. and took a man in critical condition to Western Medical Center Santa Ana, said Capt. Steve Concialdi of the Orange County Fire Authority.

Orange County Coroner's Office officials on Monday evening confirmed that the man had died.

The identity of the man was not released, but police described him as in his 20s.

No other people were injured in the incident, Strain said.

The death is being investigated by the Orange County District Attorney's Office, as is routine for shootings involving officers.

This is so beyond not right . He was our family . I knew him personally and even if I didn't know him personally, I would still have the same viewpoint. There was no reason the cops had to shoot to kill. I thought cops serve and protect, not go out and kill someone you love, I'm so thankful I no longer live in California. I know you can see this kind of stuff all over the country, but it's far worse out there where its supposed to be one of the happiest places on earth. The cops could have used another way to take him down, they could have tased him. I cant even begin to understand the pain his mother is going through, but I damn sure know the pain that my husband is going through losing a close family member. Everyone that I know out there in California fear the cops, they don't think the cops are there to help. I've been in that position before, most cops cant be trusted, and this has been proven time, and time again.

what's it gonna take for something to be done about cops who abuse their power???? how many more children are going to have to grow up without a parent? how many more mother's have to mourn the loss of their sons? the dangers and crimes they are "protecting" society from are created by them it doesn't take a rocket scientist to see the cycle....a little boy's father is shot and killed, mom raises him on her own, no dad to show him the way so becomes a product of the environment that single mom's can afford, soon enough he is exposed to gangs and drugs.....hellooooooooo wake up!!!!!!

yes you are correct, the problem is that we can't seem to put aside alot of stigmatism long enough to come together to fight this as a community. If only people could see that criminals are for the most part a product of their environment and not some leprosy to be avoided at all costs, then that would in itself take away alot of the power the PD has because instead of looking to them to put them in jail, we would be looking to solutions that would avoid the whole life style all together....I know it sounds complicated but it really isn't....

23-YEAR-OLD ROBERT VILLA SHOT AND KILLED BY TUSTIN POLICE

BY OCELOYOTL X | FEBRUARY 13, 2014 9:57 AM

Orange County officers' bullets have claimed the life of another young man this year. 23-year-old Robert Villa was shot and killed by Tustin police officers on Monday morning in front of the Casa Cortez Apartment Homes located in the 1412 block of Nisson Road in Tustin.

The Tustin police department claims in a statement that they were on site following a *"family disturbance"* call at approximately 11:35 a.m. in the nearby 1400 block of Nisson Road. Officials have only stated that they were *"confronted with a male adult suspect armed with a knife."*

Robert's name was not released the day he was killed.

Villa's cousin, [redacted] confirmed Robert's identity and explained in a statement through a social networking medium that her cousin had *"been shot four times"* in front of Villa's mother [redacted]

She adds, *"The Tustin PD should have took different actions to put my cousin down he had an unknown object in his hand and I believe being shot four times in front of his mother is wrong in every single way, I want justice and want people to know my cousin wasn't a bad person he was smart and very friendly and we'll know I'm sure there's is a lot of people that will be doing what I am doing. He left his son behind and was only 23 years old I do not believe he was harm to anyone. Please, please open your hearts to my story, put your selves in my shoes and do the right thing."*

Villa was transported to the Western Medical Center in Santa Ana where he would be confirmed deceased that evening by the Orange County Coroner's office.

A memorial now rests next to the bloodstained concrete where Villa was shot last Monday.

Robert's father passed away when he was just three years of age. Now, his three-year-old son, [redacted], loses his father at hands of Tustin officers.

Family and supporters are scheduled to meet at Villa's memorial site Thursday afternoon at 5 p.m. for a candlelight vigil from where they will then march to the Tustin police department located in the 300 block of Centennial Way in Tustin.

Robert's friend, [redacted] urges those who can't attend the demonstration to call the Tustin Police Department and demand the name of the officer who shot and killed Villa.

"We need to know as a matter of public safety," shared [redacted]

Villa had attended Santiago High School in Garden Grove and was a Santa Ana College student.

His mother wrote through a social networking medium, *"I pray for the Tustin Police they know what they did was wrong and they are going to do everything in their power to cover it up from the world that they belong to. But in Jesus name the truth will come to light... My son's earthly body does not exist anymore here in earth but I find great comfort and peace in my heart to know that my son is now rejoicing with the Lord. I will see my son again when my soul departs this flesh."*

El camino hacia la paz personal y la serenidad comienza dando el Primer Paso de Al-Anon.

Primer Paso: "Admitimos que éramos impotentes ante el alcohol—que nuestras vidas se habían vuelto ingobernables."

Al pedírsele a la persona químicamente dependiente que acepte su impotencia ante el alcohol u otras drogas, los miembros de la familia deben aceptar que él o ella de verdad es impotente ante el alcohol y su manera de beber o usar.

Ahora es tiempo de apagar esa manera testaruda de ser y ese fuerte deseo de componer a la persona dependiente. Ahora es tiempo de hacer a un lado esa tarea imposible y comenzar a tener cuidado de ti mismo.

SUBJECT: **ADMINISTRATIVE REPORT- #IA2014-005 (D. NGUYEN)**

CONCLUSION AND REASONING

Based on my review of this investigation including all associated attachments, as it relates to **Officer David Nguyen**, my findings regarding the alleged violation of the Tustin Police General Orders is as follows:

Violation of Tustin Police Department Policy Manual:

"340.3.5 PERFORMANCE

u) Exceeding lawful peace officer powers by unreasonable, unlawful or excessive conduct."

As it pertains to:

"300.3 DEADLY FORCE APPLICATIONS

While the use of a firearm is expressly considered deadly force, other force might also be considered deadly force if the officer reasonably anticipates and intends that the force applied will create a substantial likelihood of causing death or very serious injury. Use of deadly force is justified in the following circumstances:

a) An officer may use deadly force to protect himself/herself or others from what he/she reasonably believe would be an imminent threat of death or serious bodily injury;

FINDING: **EXONERATED**

On February 10, 2014 officers were dispatched to 1412 Nisson Rd. #7 to investigate a family disturbance. When they arrived, they were confronted by Robert Villa who was outside the apartment, armed with a knife. Villa did not comply with verbal commands to drop the knife, but instead charged at the officers while holding the knife in a threatening manner. Officers Stroud, Wright and D. Nguyen fired their duty firearms at Villa and he

was struck by several of those rounds. Villa was transported to the hospital where he succumbed to his injuries.

All of the involved officers were interviewed, along with witness officer Jankowski and several civilian witnesses. The statements were consistent and describe a situation of imminent threat of death or serious bodily injury to the officers.

An independent witness, [redacted] saw the incident unfold from the front seat of his car that was parked curbside across from 1412 Nisson. During the interview [redacted] said he saw Villa with the knife in his right hand and heard the officers tell him to drop it. Villa advanced toward the officers and that is when they shot him. [redacted] said Villa yelled, "Ahh! Fuck you!" with the knife in his hand. [redacted] said Villa had his hand up with the knife as he ran toward the officers. [redacted] said, "He just said that and he went after the cops." [redacted] said Villa repeated "Fuck you!" two to three times as he started running at the officers. When asked how far Villa was from the police officers before they shot, [redacted] said Villa was very close. He estimated the distance as being five meters.

Independent witness [redacted] saw the incident while seated in a car across the street from 1412 Nisson. [redacted] said four police officers approached Villa who was armed with a knife. One of the officers yelled at Villa to put the knife down. Upon hearing the officer yell, Villa "got crazy" and yelled back, "Fuck you!" Villa dropped a cell phone but he retained the knife in his right hand. [redacted] said Villa stood up with the knife in his right hand and he ran at the four police officers. He said the tip of the knife blade was pointed up as Villa ran. In response, the police officers pulled out their guns and shot Villa. [redacted] believed each officer shot approximately four to five rounds. [redacted] estimated Villa was approximately twelve to fifteen feet away when the officers first contacted him. He said Villa was approximately seven to eight feet away when the officers shot him.

Another independent witness, [redacted] had seen Villa with the knife earlier in the day. When the officers arrived, he heard them giving "commands" however he did not know what the police were saying. He then said, "That's... when I looked, that's when he just started charging. It was quick." [redacted] also said, "As soon as he (Villa) seen them, he charged them (police)."

Officer Jankowski was one of the responding officers but did not fire her duty firearm, in part because she was obstructed by one of the other officers. She initially saw Villa holding a knife with the sharp pointed edge facing down and back so if he were to raise it, it would have been in position to stab downward at the officers. She did not remember him raising his hands. She said, "I just remember him coming at us in what looked like was going to be a sprint. He got in like a runner's stance in a sense. Where he was like, 'Ok, I'm gonna come running-charging at you." She described his position as, "Chest forward. Head and chest forward. Um, arms kind of come at a bent motion,

or a bent angle, and a... kind of just leaning forward as if he's gonna come at you head on." She said Villa closed the distance by approximately three yards. She said the officers shot because he had the knife in his hands as he was running toward them.

D. Nguyen said when he arrived with the other officers, Villa was armed with a knife. Villa charged at them and D. Nguyen said, "When he starts charging at us, I'm like 'Oh shit he's- He's running towards me with this knife!' And I'm thinking I don't want to get stabbed again. I don't want to go- I don't want my partners to get stabbed. That's a long knife. There's- Somebody's gonna get seriously hurt or killed if he gets any closer to us. Um, so I was in fear for my life and my partners' life." Officer D. Nguyen fired his duty firearm and stated after firing "All I remember was he's still coming at me. After I shot my rounds he was still gaining ground. I actually backed up to the sign here because he was still gaining ground on us."

S. Wright said Villa who was armed with a knife charged directly at D. Nguyen. Wright was asked what was going through his mind when he pulled the trigger. He said, "I can't let him kill Dave." Wright stated once Villa charged D. Nguyen it happened so quickly he had no chance to use any force options other than his firearm. He fired one round at Villa, and even after being struck, Villa continued to fight and move toward the officers. Wright immediately handcuffed Villa and administered first aid.

Stroud said upon arrival they encountered Villa who was armed with a knife and appeared to be angry and under the influence of a stimulant. He knew with Villa's close proximity to all of them (officers) and possessing a knife, Villa could easily have killed his partners or himself. He immediately drew his firearm and ordered Villa to drop the knife. Villa disobeyed verbal commands and instead charged at Stroud and his partners. When asked what Stroud was thinking at that point he said, "I'm thinking he's going to either stab me or stab one of the officers that I was with." Once Villa got within 15' Stroud fired his duty firearm. He said he felt there was no other course of action he could have taken to save his or his partner's life. He said this was based on the immediate threat with Villa possessing the knife, Villa's actions of "charging" at the officers and the proximity in relation to the officers. When asked what he felt would have happened if he did not fire at Villa, Stroud said, "He would have killed one of us." Stroud was afraid one of the officers including himself would have been killed or seriously wounded by Villa. He said, "In my mind, I thought I fired the amount of rounds needed to, to, stop the threat." He said as soon as Villa went to the ground and the threat ceased, he stopped firing.

Based on the totality of the circumstances I find that **Nguyen's use of force application** was **reasonable and within policy.**

Fatal Incident Involving Robert Villa
District Attorney Investigations Case # SA 14-004
Tustin Police Department Case # 14-778
Orange County Crime Laboratory Case # FR 14-41793

Dear Chief Celano,

Please accept this letter detailing the Orange County District Attorney's (OCDA) Office's investigation and legal conclusion in connection with the above-listed incident involving on-duty Tustin Police Department (TPD) Officers David Nguyen, Brian Stroud, and Scott Wright. Robert Villa, 23, did not survive his injuries. The incident occurred in the City of Tustin on Feb. 10, 2014.

OVERVIEW

This letter contains a description of the scope and the legal conclusions resulting from the OCDA's investigation of the Feb. 10, 2014, fatal, officer-involved shooting of Villa. This letter includes an overview of the OCDA's investigative methodology, procedures, as well as a description of the relevant evidence examined, witnesses interviewed, factual findings, and legal principles applied in analyzing the incident and determining whether there is criminal culpability on the part of the TPD officers involved in the shooting. The format of this document has been developed by the OCDA, at the request of many Orange County police agencies, to foster greater accountability and transparency in law enforcement.

On Feb. 10, 2014, Investigators from the OCDA Special Assignment Unit (OCDASAU) responded to this incident. During the course of this investigation, 11 interviews were conducted, and 68 additional witnesses were contacted during the supplemental canvass interviews. OCDASAU Investigators also obtained and reviewed the following: TPD reports, audio dispatch and radio traffic recordings; Orange County Crime Laboratory (OCCL) reports, including toxicology, DNA, officer processing and firearms examination reports, crime scene investigation photographs; medical records and photographs related to the injuries sustained by Villa; criminal history records related to Villa, including prior incident reports; and other relevant reports and materials including audio recordings of the conducted neighborhood canvass.

The OCDA conducted an independent and thorough investigation of the facts and circumstances of this incident and has reviewed all evidence and legal standards impartially. The scope and findings of this review are expressly limited to determining whether any criminal conduct occurred on the part of TPD officers or personnel, specifically Officers Nguyen, Stroud, and Wright. The OCDA will not be addressing issues of policy, training, tactics, or civil liability.

INVESTIGATIVE METHODOLOGY

Among other duties, the OCDASAU is responsible for investigating officer-involved shootings within Orange County when someone has been injured as a result of police gunfire. An OCDASAU Investigator is assigned as a case agent and is supported by other OCDASAU Investigators, as well as Investigators from other OCDA units. Six Investigators are assigned to the OCDASAU on a full-time basis. There are additional OCDA Investigators assigned to other units in the Office trained to assist when needed. On average, eight Investigators respond to an incident within an hour of being called. The Investigators assigned to respond to an incident perform a variety of investigative functions that include witness interviews, neighborhood canvass, crime scene processing and evidence collection, vehicle processing, and hospital investigative responsibilities as needed. The OCDASAU audio records all interviews, and the OCCL processes all physical evidence related to the investigation.

When the OCDASAU Investigator has concluded the investigation, the file is turned over to a veteran Deputy District Attorney for legal review. Deputy District Attorneys from the Homicide or Gang Units review fatal, officer-involved shootings and custodial death cases and determine whether criminal charges are appropriate. Deputy District Attorneys assigned to the Special Prosecutions Unit review the non-fatal officer-involved shooting cases for possible criminal filings. Throughout the review process, the assigned prosecutor will be in consultation with his or her supervisor, and this Assistant District Attorney will eventually review and approve any legal conclusions and resulting memos. The case may often be reviewed by multiple veteran prosecutors, their supervisors, the Chief of Staff, and the District Attorney. If necessary, the reviewing prosecutor may send the case back for further investigation.

An important part of the investigation of an incident such as this is attempting to obtain a statement from the involved officers. Officer David Nguyen provided a voluntary statement to the OCDA on July 11, 2014, and Officer Wright provided a voluntary statement to the OCDA on August 8, 2014. Officer Stroud did not cooperate with OCDA's investigation and declined to provide a voluntary statement to OCDA Investigators regarding this fatal shooting incident, and relied on his right against self-incrimination under the Fifth Amendment to the United States Constitution. As legally and ethically mandated, OCDA did not draw any negative inferences from Officer Stroud's invocation of his right to remain silent and refusal to provide a voluntary statement about his involvement in the shooting incident. During this investigation, Officers Nguyen and Wright cooperated with the investigation and they both acted professionally in their dealings with the OCDA. In addition, the Tustin Police Department was very cooperative with the OCDA's investigation and accommodated our investigation by making sure their administrative review of the conduct of the involved officers did not interfere with our criminal investigation.

FACTUAL SUMMARY

Villa suffered from depression and bi-polar disorder. Villa's mother, Jane Doe 1, believed that Villa was not prescribed any medications for these conditions and stated, "He gets violent." Villa had moved back into an apartment with Jane Doe 1 and his stepfather, John Doe 1, following Villa's separation from his wife, Jane Doe 2. Villa was on parole for domestic violence and was not allowed to contact Jane Doe 2 or her family. Villa also was known to abuse methamphetamine and was further required, as a condition of parole, to submit to random drug testing and to complete a substance abuse treatment program. Villa had verbalized suicidal thoughts to Jane Doe 2 when under the influence of methamphetamine and expressed his aversion to returning to jail.

According to family members, Villa had not slept for approximately two days prior to the shooting incident and was "freaking out." The night before the incident, Villa woke John Doe 1 by continually "peeking" into John Doe 1's bedroom. John Doe 1 stated that Villa had been "using methamphetamine," and that he was "dehydrated" and "angry." According to family members, at some point in the morning of Feb. 10, 2014, Villa left to "get something to drink," but when he returned, he still acted "crazy." Family members attempted to ignore Villa's behavior, but he kept mumbling

incoherently about "devices and repeaters, and stuff the government can hear." Villa also made statements to the effect of, "they're going to kill me. I might as well go out like this." John Doe 1 left the apartment to retrieve something from his vehicle and called Jane Doe 1 to tell her Villa was "acting up." John Doe 1 also called the Tustin Police Department and informed the operator that Villa was "going crazy in the house." During the conversation, the operator heard John Doe 1 yelling for someone to "go to the car." Without providing any additional information, John Doe 1 informed the operator, "he's already coming out [of the apartment], so you gotta come out here!"

As John Doe 1 walked back to the apartment, he passed his two other children who were leaving the apartment to get away from Villa. As John Doe 1 reached the apartment, Jane Doe 1 ran out of the apartment with Villa following her. Jane Doe 1 appeared scared and told John Doe 1 to call the police because Villa had "taken a knife to the wall and broke the door." John Doe 1 and Jane Doe 1 walked east. The police operator remained on the line with John Doe 1 and attempted to elicit more information, but John Doe 1 simply replied, "You have to hurry up because the whole family is in the streets." Eventually, John Doe 1 told the operator Villa was armed with a knife and he had "hit the wall with a knife or something." A female, believed to be Jane Doe 1, was heard in the background providing similar information regarding Villa's use of the knife. The woman went on to say that Villa was, "probably on drugs."

At one point, John Doe 1 told the operator Villa no longer had a knife in his hand, but qualified the statement with, "not that I know of," indicating uncertainty. John Doe 1 told the operator that Villa was a 23-year-old Hispanic male, approximately 5' 10", with a medium build, and black hair. John Doe 1 did not know what color pants Villa was wearing, but he knew that his shirt was gray. John Doe 1 went on to say that Villa was "talking nonsense, like he's surveillance and stuff, and he wants to kill somebody." John Doe 1 later changed that statement to say that Villa "actually said that *they* want to kill him." John Doe 1's conversation with the operator ended when the TPD officers arrived on the scene.

At approximately 11:35 a.m., TPD dispatched Officers Michelle Jankowski and Stroud to respond to the incident. Officers Wright and Nguyen volunteered to provide assistance as well. The responding units were advised that Villa "was going crazy," and TPD records showed prior events at the location, including a probation search and two occurrences of family disturbance. Prior to the arrival of the officers, witnesses observed Villa in the courtyard of the apartment complex sticking a knife in and out of the grass. Villa also was seen talking on a cellular telephone, looking "agitated' and "angry," and heard saying, "If you don't come, I'll kill myself!" At approximately 11:38 a.m., the four officers arrived at the location simultaneously and gathered in a group on the lawn near the corner of the west building of the complex. Officers Nguyen and Stroud were furthest ahead, by several feet, followed a short distance by Officers Jankowski and Wright. As the four officers rounded the corner of the building, they came upon Villa in the courtyard, approximately 12 to 45 feet away. Officer Nguyen noticed a large knife stuck in the grass next to Villa, and Officer Nguyen's first impression was that Villa was a maintenance employee, possibly working on the sprinklers. Officer Nguyen also noticed that Villa was holding a cellular telephone in one hand.

Upon seeing the officers, Villa stood up, grabbed the knife, and began rolling his shoulders and pumping his arms, similar to what a boxer does to loosen up his shoulders before a fight. At this point, Officer Nguyen determined that Villa was not a maintenance employee, and he thought to himself, "[Villa's] about to fight us—he's about to do something. A maintenance guy would not do that." At approximately 11:39 a.m., Officer Nguyen yelled, "Drop that knife dude. Drop that knife!" Officer Nguyen repeated the command at a louder decibel and slower cadence. Villa was unresponsive, so Officer Nguyen repeated the command one more time, and the other officers echoed the same command for Villa to drop the knife. Simultaneously, Villa yelled "fuck you!" and dropped or threw the cellular telephone. Villa then ran at the officers, still holding the knife in one hand, with the tip pointed upward. At this point, the four officers fanned out in a C-formation as a separation tactic to avoid injury.

Villa's movements were consistent with a "charge" or "immediate sprint," toward the officers. As Villa sprinted toward the officers, he gave no indication that he intended to drop the knife as instructed. Based on their statements, Officers Nguyen and Wright believed that non-lethal instruments, like Tasers, were not a viable option under these circumstances. Successful deployment of a Taser requires close proximity to the target, and if the wires did not seat properly on Villa, or the desired effect was not obtained, Villa would have been within stabbing range of the officers.

Similarly, Officer Nguyen did not attempt to use his baton, because he felt if Villa was within striking distance of his baton, then Officer Nguyen would be within stabbing distance of Villa's knife as well.

At approximately 11:39 a.m., Officers Nguyen, Stroud and Wright fired their pistols at Villa from a distance of approximately seven to 15 feet. Officer Nguyen fired seven times, Officer Stroud fired 11 times, and Officer Wright fired once. Although Officer Jankowski feared for her life, she did not fire her pistol because another officer was in her line of fire. The officers stopped firing when Villa fell to the ground and dropped the knife. Officers Stroud and Wright handcuffed Villa and began providing medical aid. Officer Jankowski ran to her police vehicle to retrieve a first aid kit. Villa continued to yell and fight with the officers as they attempted to render treatment. At approximately 11:47 a.m., Orange County Fire Authority Engine 72 and an ambulance arrived on the scene. Villa was agitated, and would not remain still during treatment. Paramedics were unable to access Villa's vital signs due to his combative nature. Villa was treated further at the scene and prepared for transport.

At approximately 11:53 a.m., Villa was transported via ambulance to Western Medical Center Santa Ana (WMCSA). While en route, Villa lost consciousness and went into full cardiac arrest. Cardio-Pulmonary resuscitation (CPR) was initiated and continuously performed during the ride to the hospital. At approximately 12 p.m., Villa arrived at WMCSA. Upon arrival, Villa's pupils were fixed and dilated, and he had no pulse or blood pressure. CPR was continued and Villa was intubated, but his vital signs did not improve. At approximately 12:08 p.m., the attending physician at WMCSA pronounced Villa deceased.

Voluntary, Consensual Statement of Officer Michelle Jankowski

Officer Jankowski provided a voluntary, consensual statement to the OCDA on Feb. 11, 2014. The following is a summary of her statement.

On the morning of February 10, 2014, Officer Jankowski was dispatched to a family disturbance incident in Tustin. Officers Nguyen, Stroud, and Wright responded to the scene as well. Officer Jankowski recalled Dispatch informing her that the subject "may be on parole, was throwing things and hitting things within the residence, and that there were possibly knives involved." Officer Jankowski was told that the subject was a Hispanic male, approximately 30 years old, and wearing "grey sweats."

Officer Jankowski gathered with the three other officers before approaching Villa. As Officer Jankowski began walking, she heard Officer Nguyen "say something along the lines of, 'Hey, man, drop the knife.'" At that point, she drew her weapon. When Officer Jankowski turned a corner, she saw Villa "standing there with a knife in his left hand and a cell phone in his right hand. He then threw the cell phone at us ... , and then almost immediately ... he started to lunge forward at us with a knife still in his hand."

Officer Jankowski recalled that all of the officers commanded Villa to drop the knife, but he was unresponsive. She also noted that the courtyard of the apartment complex was large in size, and if Villa wanted to escape from officers, he had ample opportunity to run east or south. The fact that he chose to run towards the officers led Officer Jankowski to believe that Villa intended to harm the officers, rather than escape. Officer Jankowski was aware that the officers' vests "can only do so much," and if Villa were to reach them with his knife, he could potentially kill them. Villa continued to advance towards the officers at a rapid pace, and Officer Jankowski's fellow officers fired at Villa. Officer Jankowski indicated that she feared for her life and would have fired at Villa as well, but she did not have a clear line of fire. After the shots were fired, Villa fell to his knees and continued yelling at the officers. Officer Jankowski approached Villa with Officers Stroud and Wright. When Officer Stroud and Wright began tending to Villa, Officer Jankowski ran to her vehicle to retrieve a first aid kit. Officer Jankowski indicated that Villa "had to be held down by the officers and paramedics," and they were eventually able to secure him to a gurney and transport him.

Voluntary, Consensual Statement of Officer David Nguyen

Officer Nguyen gave a voluntary, consensual statement to the OCDA on July 11, 2014. The following is a summary of his statement.

On the morning of Feb. 10, 2014, Officer Nguyen heard a call from Dispatch regarding a family disturbance incident in Tustin. Officers Jankowski and Stroud were directed to respond to the scene. Officers Nguyen and Wright volunteered to provide assistance as well. The four officers arrived at the scene at the same time and approached the Does' apartment together. Officer Nguyen was the first officer to "clear the corner" and he saw Villa in the courtyard grass. Villa was "doing something on the grass," and Officer Nguyen thought he was a "maintenance person." Villa looked over at Officer Nguyen and picked up a knife that was stuck in the ground. Villa then stood up and "rolled his shoulders, it's just like when you're in boxing match ... You're getting ready to fight." At this point, Officer Nguyen drew his firearm and ordered Villa to drop the knife. Officer Nguyen repeated the command three more times, and Villa was unresponsive.

Villa charged towards the officers with his knife in his hand. When Officer Nguyen saw Villa advancing toward him with the knife in his hand, he recalled a prior incident in which he [Officer Nguyen] was stabbed while on duty. During this prior incident, Officer Nguyen suffered injuries that resulted in two scars under his left eye, a dark scar on his right bicep, and a shoulder injury for which he still receives physical therapy. Officer Nguyen thought, "He's running towards me with this knife, and I don't want to get stabbed again. I didn't want to go through the pain and physical therapy again. I don't want my partners to get stabbed. That's a long knife, somebody's going to get seriously hurt or killed if he gets any closer to us." Officer Nguyen felt that if he did not shoot and stop Villa's advancement, he, and possibly his partners, would be stabbed and severely injured or killed by Villa. Therefore, Officer Nguyen fired at Villa, who was still advancing at the officers with a knife in his hand. Officer Nguyen recalled firing more than one shot but less than five at Villa. Officer Nguyen could not tell if any of his shots hit Villa. Officer Nguyen remembered that Villa was still coming at him despite the multiple gunshots, so Officer Nguyen retreated as he fired. Eventually, Villa fell to the ground and Officer Nguyen ceased fire. Officer Nguyen's partners approached Villa and tended to him as Officer Nguyen went to secure the perimeter of the apartment complex.

Voluntary, Consensual Statement of Officer Wright

Officer Wright gave a voluntary, consensual statement to the OCDA on Aug. 8, 2014. The following is a summary of his statement.

On the morning of Feb. 10, 2014, Officer Wright heard a call from Dispatch regarding a family disturbance incident in Tustin. Officers Jankowski and Stroud were directed to respond to the scene. Based on the details of the call, Officer Wright volunteered to respond and provide assistance because, "It didn't sound like it was gonna be a good call...I thought that Stroud and Michelle [Jankowski] were gonna have a fight on their hands...I thought it was gonna be a fight, but I had no clue it'd be a shooting." Officer Nguyen volunteered to provide assistance as well. The four officers arrived at the scene at the same time and approached the Does' apartment together.

Officer Wright could not see Villa when he heard Officer Nguyen "yelling about a knife." Officer Wright moved forward and saw Villa with a knife in his right hand. Officer Nguyen commanded Villa to drop the knife, but Villa was unresponsive. According to Officer Wright, Villa had "both hands clenched and knife in his right hand, and he let out a loud yell and then [went] full bore into Dave [Nguyen]." As Villa charged at Officer Nguyen, Officer Wright recalled that "Dave [Nguyen] got in a bad fight like two years ago and got stabbed. It was a 415, family disturbance, and he almost died." Seeing Villa charge at Officer Nguyen, Officer Wright thought to himself, "I can't let him kill Dave [Nguyen]." Officer Wright indicated that Officers Nguyen and Stroud fired at Villa as he charged. It was apparent to Officer Wright that Villa was hit by one or more projectiles, but Villa did not stop. Officer Wright was fearful Villa was still trying to stab or harm Officers Nguyen or Stroud. Believing that Villa was going to continue to attack Officers Nguyen and Stroud, Officer Wright fired one shot, and as he did so, Villa fell to the ground. Officers Stroud and Wright then handcuffed Villa and provided medical treatment until paramedics arrived.

AUTOPSY

On Thursday, Feb. 13, 2014, a postmortem examination of Villa was conducted by Dr. Etoi Davenport, a forensic pathologist for the Orange County Sheriff-Coroner. Dr. Davenport determined that five bullets struck Villa, as follows: a penetrating gunshot wound of the right back, a perforating gunshot wound of the left forearm, a through and through gunshot wound of the left thigh, a perforating gunshot wound of the right thigh, and a penetrating gunshot wound of the right thigh. Following the autopsy, Dr. Davenport opined that Villa's death was the result of multiple gunshot wounds.

- 1 additional 13-cartridge capacity magazine filled to capacity with Winchester .45 Auto cartridges

EVIDENCE ANALYSIS

Firearm and Cartridge Casings Examination

All three Glock pistols were test fired and performed without malfunction. Seven cartridge cases from the scene were determined to have been fired from Officer Nguyen's firearm. Eleven cartridge cases from the scene were determined to have been fired from Officer Stroud's firearm. One cartridge case from the scene was determined to have been fired from Officer Wright's firearm. It could not be determined if any of the 10 bullets collected as evidence were fired from any of the Glock pistols.

Toxicological Examination

A sample of Villa's postmortem blood indicated the presence of methamphetamine, amphetamine, tetrahydrocannabinol and tetrahydrocannabinol carboxy-acid.

VILLA'S PRIOR CRIMINAL HISTORY

The Orange County District Attorney's Office reviewed and considered Villa's prior criminal history, which consisted of multiple incidents of domestic violence committed against the mother of his child, burglary, violation of a protective court

order, damaging a wireless device, disorderly conduct, minor in possession of alcohol, and violation of parole. At the time of the incident, Villa was on parole for felony domestic violence, after completing his sentence of two years in state prison.

STANDARD LEGAL PRINCIPLES IN OFFICER-INVOLVED SHOOTING CASES

Possible criminal charges against an officer involved in a fatal shooting include murder [Penal Code Section 187]; manslaughter [Penal Code Section 192]; assault with a deadly weapon [Penal Code Section 245]; and assault by a police officer [Penal Code Section 149]. To convict an officer of any of these charges, it must be proven beyond a reasonable doubt that no legal justification existed for the officer's actions. (*People v. Adrian* (1982) 135 Cal.App.3d 335, 340-42.) Several justifications may apply in any case as set forth in Penal Code Sections 196, 197 and 835a.

California Penal Code Section 196 provides that use of deadly force by a public officer is justifiable when necessarily used in arresting persons who are "charged with a felony" and who are fleeing from justice or resisting such arrest. Section 196 applies both where the suspect in question is "charged with a felony" and where the officer has "reasonable cause" to believe that the person has committed a felony. The felony must involve violence or the threat of violence. (*Kortum v. Alkire* (1977) 69 Cal.App.3d 325, 332-33.)

California Penal Code Section 197 provides that the use of deadly force by any person is justifiable when used in self-defense or in defense of others.

California Penal Code Section 835a allows any police officer who has reasonable cause to believe that a person to be arrested has committed a felony to use reasonable force to effect the arrest, to prevent escape, or to overcome resistance. This section further provides that a police officer "who makes or attempts to make an arrest need not retreat or desist from his efforts by reason of the resistance or threatened resistance of the person being arrested; nor shall such officer be deemed an aggressor or lose his right to self-defense by the use of reasonable force to effect the arrest or to prevent escape or to overcome resistance." The Court of Appeal in *Kortum* further held that deadly force against a fleeing felony suspect is justifiable only when the felony "is of the violent variety, *i.e.*, a forcible and atrocious one which threatens death or serious bodily harm, or there are other circumstances which reasonably create a fear of death or serious bodily harm to the officer or to another." (*Id.*) In addition, Penal Code Section 834a requires that if a person has knowledge, or by the exercise of reasonable care, should have knowledge, that he is being arrested by a peace officer, that person must refrain from using force or any weapon to resist such arrest.

Similarly, the relevant Criminal Jury Instruction as written by the Judicial Council of California and set forth in CALCRIM 505 permits a person to use deadly force to defend himself or someone else if he reasonably believes the immediate use of deadly force is necessary to defend against imminent danger of being killed or suffering great bodily injury. The law requires that no more force be used than was reasonably necessary to defend against that danger. Furthermore, the person's right of self-defense is the same whether the danger is real or merely apparent. (*People v. Jackson* (1965) 233 Cal.App.2d 639, 641-42.) In addition, courts have held that "a police officer is entitled to use deadly force only when the officer has probable cause to believe that the suspect poses a significant threat of death or serious physical injury to the officer or others." (*People v. Martin* (1985) 168 Cal.App.3d 1111, 1124; *Tennessee v. Garner* (1985) 471 U.S. 1, 3.)

This limitation was subsequently clarified by the United States Supreme Court in *Graham v. Connor* (1989) 490 U.S. 386, wherein the High Court explained that an officer's right to use force [*i.e.*, his/her weapon] is to be analyzed under the Fourth Amendment's "objective reasonableness" standard. The High Court further stated that the determination of the reasonableness of an officer's use of force "must embody allowance for the fact that police officers are often forced to make split-second judgments—in circumstances that are tense, uncertain, and rapidly evolving—about the amount of force that is necessary in a particular situation." (*Id.* at 396-97.)

The United States Supreme Court's analysis and teachings in *Graham* are very much applicable to the circumstances surrounding the interactions of TPD Officers Nguyen, Stroud, and Wright with Villa.

LEGAL ANALYSIS

The facts in this case are determined by considering the statements provided by Officers Nguyen, Jankowski, and Wright to OCDA Investigators, which were supplemented by other relevant material.

The issue is whether the conduct of Officers Nguyen, Stroud, and Wright on Feb. 10, 2014, was criminally culpable and without justification. As stated above, in order to charge any of the three officers with a criminal violation, it is required that the prosecution be able to prove beyond a reasonable doubt that no legal justification existed for the police officers' conduct. Therefore, in order to lawfully charge the officers with a crime, the prosecution must prove beyond a reasonable doubt that they did not act in lawful self-defense. If the actions of Officers Nguyen, Stroud, and Wright were justifiable as lawful self-defense or defense of others, then criminal charges will not be warranted.

As the Court of Appeal held in a relatively recent case, it is well settled that "unlike private citizens, police officers act under color of law to protect the public interest. They are charged with acting affirmatively and using force as part of their duties, because 'the right to make an arrest or investigatory stop necessarily carries with it the right to use some degree of physical coercion or threat thereof to effectuate it.' Police officers are, in short, not similarly situated to the ordinary battery defendant and need not be treated the same. In these cases, then, the [ ] police officer is in the exercise of the privilege of protecting the public peace and order and he is entitled to the even greater use of force than might be in the same circumstances required for self-defense." (*Brown v. Ransweiler* (2009) 171 Cal.App.4th 516, 527.)

Where potentially dangerous, emergency conditions or other exigent circumstances exist, the California Courts of Appeal have noted that the United States Supreme Court's definition of reasonableness is comparatively generous to the police. The court in *Brown* noted that, in effect, "the Supreme Court intends to surround the police who make these on-the-spot choices in dangerous situations with a fairly wide zone of protection in close cases. A police officer's use of deadly force is reasonable if the officer has probable cause to believe that the suspect poses a significant threat of death or serious physical injury to the officer or others. Thus, an officer may reasonably use deadly force when he or she confronts an armed suspect in close proximity whose actions indicate an intent to attack." (*Brown v. Ransweiler, supra*, 171 Cal.App.4th at p. 528.)

Relying on the voluntary statements of Officers Nguyen and Wright, regarding their respective states of mind at the time of the shooting, it is abundantly clear that both Officers Nguyen and Wright were justified in believing Villa posed a significant threat of death or serious physical injury to their partners and themselves. An individual, armed with a knife, charging at peace officers, and ignoring their commands to stop and drop the weapon, is an individual who clearly represents imminent harm of death or serious injury to the involved officers. This conclusion is based on the totality of the circumstances, but primarily upon the conduct of Villa in the moments leading up to the shooting. Immediately upon seeing the officers, Villa grabbed a knife and stood up. Despite numerous commands to drop the knife, Villa yelled, "Fuck you!!" and charged towards the officers from approximately seven to 15 feet away. To minimize the threat, Officers Nguyen and Wright reasonably and justly felt that they needed to use deadly force to stop Villa and prevent him from causing them any deadly harm. Therefore, it is clear that Officers Nguyen and Wright did not commit a crime when they fired at Villa. To the contrary, the evidence supports a conclusion that when Officers Nguyen and Wright fired their weapons, they were acting lawfully, reasonably and justifiably.

Officer Stroud refused to provide a voluntary statement to OCDA regarding his involvement in the shooting and specifically his frame of mind at the time of the shooting. As a result, the OCDA convened a Grand Jury to look into Officer Stroud's involvement in the shooting and to discern his frame of mind at the time he discharged his weapon. After considering all the available material and evidence, the OCDA concluded that there is a lack of sufficient evidence to prove beyond a reasonable doubt that Officer Stroud committed a crime when he shot at Villa.

In order for Officers Nguyen, Stroud, and Wright to be justly and lawfully charged and convicted of a crime in this incident, it is the OCDA's burden to prove beyond a reasonable doubt that the officers did not act in reasonable and justifiable self-defense, or defense of another, when they shot at Villa. As should be apparent from the above-described analysis, particularly regarding Officers Nguyen and Wright, the prosecution would be unable to carry this burden in this case. A jury analyzing these facts would justly and fairly conclude that it was reasonable for all of the officers to believe that their lives were in danger.

CONCLUSION

Based upon a review of all of the evidence provided to and obtained by the OCDA, and based on the entirety of the facts contained in all the available reports and interviews reviewed, and pursuant to the applicable legal principles, it is our legal opinion that, first, there is no evidence of criminal culpability on the part of Officers Nguyen and Wright. To the contrary, there is overwhelming evidence that Officers Nguyen and Wright were reasonably justified under the circumstances when they shot Villa on February 10, 2014. Second, there is a lack of sufficient evidence to prove beyond a reasonable doubt that Officer Stroud committed a crime when he shot at Villa on February 10, 2014.

Accordingly, the OCDA is closing its inquiry into this incident.

On 02/10/14 at approximately 1135 hours TPD received a call of a disturbance at 1412 Nisson, apartment #7. The calling party [redacted] told Communications Officer Kuykendall his step-son (Villa) was "going crazy in the house." [redacted] said Villa had a knife and hit a wall with the knife. He said everyone left the residence and did not know if Villa still had the knife when he left. [redacted] said Villa was on parole and provided a physical and clothing description for Villa. I attached the CAD print-out (attachment 1) and the 911 call to this investigation (attachment 2).

At approximately 1135 hours Communications Officer Montgomery dispatched the call to two units. Officer Jankowski (222) was the handling officer and Officer Stroud (220) was the follow officer. Officers S. Wright (210) and D. Nguyen (212) self-dispatched themselves and responded to the call. Communications Officer Kuykendall entered the fact Villa hit the wall with a knife in the CAD comments, however Communications Officer Montgomery did not advise patrol units via the radio.

At approximately 1138 hours Officer Jankowski advised all units were on-scene. At approximately 1139 hours Officer Stroud broadcasted, "220, 998. Suspect down with a knife. We need a supervisor and we need numerous units for crowd control. We also need 91." After Communications Officer Montgomery acknowledged the shooting, Officer Stroud said, "220, knife's removed. 91 is going to be treating him for gunshot wounds." I attached the green-1 radio traffic to this investigation (attachment 3).

All of the officer's supplemental reports are contained in the original crime report (attachment 4).

**I took a majority of the statements below directly from the police report. If the interview was recorded, I reviewed the audio prior to writing my report. If I personally did the interview, it will be noted below.

OFFICER GLEASON'S OBSERVATIONS

Officer Gleason responded to the scene to assist. When he arrived on scene, he observed OCFA paramedics rendering medical aid to Villa, who was lying on his back near apartment #1. He noticed Villa appeared to be resisting OCFA paramedics by moving his body and kicking intermittently. Officer Gleason noticed a large, approximate 1' long fixed blade knife, black and silver in color on the ground next to Villa's right side. The knife appeared to be within an arm's reach (approximately 2-3 feet) of Villa. Villa's hands were handcuffed behind his back at the time. At Sgt. Harper's direction, Officer Gleason immediately retrieved his camera and began photographing the scene. He took nine photographs which I attached to this investigation (attachment 5).

Officer Gleason was assigned to locate witnesses and spoke to the following people:

[redacted] (Villa's sister)

The following is a synopsis of the interview with [redacted]. The interview was recorded on Officer Gleason's MAVS (ID 173014) which I attached to this investigation (attachment 6).

[redacted] said she lives in apartment #7 with her step-father ([redacted], mother and other brother [redacted]. She was recently told Villa uses methamphetamine. On the morning of 2/10/14, she woke up and went into the living room where she encountered Villa talking to himself and pacing back and forth. [redacted] thought his behavior was abnormal. Officer Gleason asked [redacted] if she heard him communicate any specific threats to anybody and she said she did, but she figured the person he was threatening was not real. [redacted] described hearing Villa say to an unknown subject "give me back my gun or I'll kill you." She also said he was talking about unknown cell phone cameras "recording him."

Later in the morning, [redacted] saw Villa in possession of a large knife. [redacted] said the knife had a black handle with a silver blade and was approximately 11-12 inches long. Villa had it in one of his hands and it was pointed up along his forearm. She described it as if he were to raise his arm in front of his body, the knife would have been pointed down. At one point, she observed Villa stab the knife in the wall. [redacted] said she and [redacted] left and went to a nearby park directly south of her apartment complex (Frontier Park) because she became scared of Villa. Prior to leaving for the park, [redacted] heard Villa say "come out, I'm waiting for you," as he was pacing with the knife. She believed he was again talking to a fictitious subject. [redacted] said shortly after arriving in the park with [redacted], she heard several gunshots. She and [redacted] walked back toward her residence and by the time she arrived, she saw paramedics treating Villa. She waited in a nearby parking lot with her family.

[redacted]

The following is a synopsis of the interview with [redacted] Officer Gleason recorded the interview on his MAVS (ID 173014). For complete details, refer to the attached recording which has already been marked as attachment 6.

[redacted] said he was inside apartment #1 at approximately 1150 hours when he heard approximately 12 gunshots from what he believed were two pistols. He initially believed the gunshots were fireworks, but he looked out the "peep hole" on the front door and saw an unknown subject in a wheelchair telling "Robert" to "stop struggling." [redacted] said it appeared Villa was struggling with responding TPD officers, but he added he may have just been moving because of the pain of being shot. [redacted] said shortly after, he observed TPD officers handcuff Villa

and begin to roll him over. He did not hear any conversation nor did he know what the officers were doing. He did not see any weapons in Villa's possession at the time. A short time later, [redacted] heard several sirens, observed paramedics arrive and render aid to Villa.

[redacted] said he not hear any yelling or conversation from Villa or TPD leading up to the incident.

Officer Jankowski (interview at scene)

On 02/10/14 at approximately 1303 hours, Officer Gleason and Detective Kirwan interviewed Officer Jankowski at the scene. Detective Kirwan recorded the interview on his department issued PUMA (ID 34272). The following is a synopsis of the interview. For complete details, refer to the attached recording (attachment 7).

Officer Jankowski said the officers were responding to a family disturbance and she believed the mother was the reporting party.

Officer Jankowski said the mother was "saying that her son was going crazy and that there were knives."

Officer Jankowski said she was the last officer to park and she parked west of the Casa Cortez Apartments.

Officer Gleason asked Officer Jankowski where the police vehicles were parked. She said two units were parked in the driveway at Casa Cortez and two were parked on the street at the south curb line.

Officer Gleason asked Officer Jankowski who arrived first. She said they all arrived at about the same time.

Officer Jankowski then described the encounter with Villa. She said, "I'm behind Stroud when I hear Dave (Officer D. Nguyen) say 'Drop the knife man.' Once I finished rounding the corner, he has... Suspect has a cell phone in the right hand, a knife in the left. Chucks the cell-... throws the cellphone, from his right hand, at us... by us. And then took a handful of steps at us with the knife in his left hand. And that's when shots were fired."

Officer Gleason asked Officer Jankowski if she heard any of the commands from the officers. She said, "I heard 'Put it- put the knife down man.' That was the very first one." She believes Officer D. Nguyen was the officer she heard yelling.

Officer Gleason asked Officer Jankowski if she saw Villa with a knife before the shots were fired and she said she did. She said the knife was in Villa's left hand.

Officer Gleason asked Officer Jankowski how Villa was holding the knife. She said, "He had... the handle to the blade was facing... so if his hands were at his side, handle was in his left hand, so the sharp pointed edge would have been towards his back. So if he would have brought it up, it would have been sharp end at us."

Officer Gleason asked Officer Jankowski if the cell phone hit anybody. She doesn't think it did and she did not see where the cell phone landed. Officer Jankowski said after Villa threw the cell phone, he almost immediately charged toward them.

Officer Gleason asked Officer Jankowski how far away Villa was from the officers. She said, "Seven yards."

Officer Gleason asked Officer Jankowski if Villa raised the knife or just ran at them. She said, "I don't remember him raising his- his arms or hands, or not. I just remember him coming at us in what looked like was going to be a sprint. He got in like a runner's stance in a sense. Where he was like, 'Ok, I'm gonna come running-charging at you.' "

Officer Gleason asked Officer Jankowski to explain the "runner's stance." She said, "Chest forward. Head and chest forward. Um, arms kind of come at a bent motion, or a bent angle, and a... kind of just leaning forward as if he's gonna come at you head on." She said Villa closed the distance by approximately three yards.

Officer Gleason asked if the officers were standing in a line and Officer Jankowski clarified they were in a half circle. Officer Jankowski described the other three officers were standing in a semi-half-circle facing toward Villa. In the order from left to right, Officer Jankowski could not remember who the first (far left) and second (middle) officers were, however she noted Officer Stroud was the third (far right) officer in the formation. Officer Jankowski said she was actually standing next to Officer Stroud's left shoulder, slightly behind him. Officer Jankowski said she could not shoot because Officer Stroud was in front of her.

Officer Gleason asked Officer Jankowski if Villa still had the knife after the shooting. She said he dropped it and began yelling obscenities. Officer Gleason asked if she knew where the knife went and she said, "No idea."

Officer Gleason asked if Villa had the knife in his possession when she heard the shots. Officer Jankowski said, "Once he was hit by the shots, I don't know where the- if he still had the knife in his hand. But we shot because he had the knife in his hand. Or, they shot because he had a knife in his hands."

Detective Kirwan asked Officer Jankowski what Villa was doing when she first saw him. She said Villa was standing with his cell phone in his right hand and a knife in his left hand. She could not remember if Villa was talking on the cell phone, however she did not think he was.

At this point during the interview Sergeant R. Wright requested the interview with Officer Jankowski be paused until the Orange County District Attorney's office arrived. They did not ask any further questions at that time.

For complete details of Officer Gleason's observations, refer to his supplemental report. His supplemental report is contained within the original case file.

Sergeant Harper's Observations

Sgt. Harper responded to the scene after hearing the officer involved shooting radio broadcast. He responded with lights and siren from the station. Upon his arrival, he saw a male subject (Villa) on the ground in the front courtyard of the apartment complex. Officer Stroud was struggling with Villa and Sgt. Coe was assisting Officer Stroud. As Sgt. Harper approached, he could hear Officer Stroud and Sgt. Coe making comments such as, "He's got one here, one in the chest" and he distinctly heard Officer Stroud say, "Direct pressure, right here." There was an open first aid kit next to the scene and Sgt. Harper could see a blood stopper package torn open on the top of the first aid kit. He could see Villa had bullet wounds in his body. Sgt. Harper saw Sgt. Coe and Officer Stroud evaluating Villa's condition and providing first aid. Villa was struggling by squirming around, sitting up and yelling.

Villa continued to be uncooperative with the Orange County Fire Authority Paramedics after they arrived. He was twisting his body, sitting up and yelling at police and fire personnel.

Sgt. Harper saw a large knife next to the scene and told Officer Gleason to photograph the scene as paramedics worked on Villa. He evaluated the safety of the knife and determined the handcuffed Villa could not grab the knife and so Sgt. Harper left it alone while Officer Gleason took photographs. A few moments later a paramedic asked if the knife could be moved as he was treating Villa. Sgt. Harper reevaluated the situation and noticed the paramedic's equipment and additional Fire Authority Personnel were taking up a lot of the space in the area. The knife was in danger of being trampled by Fire Authority personnel and/or equipment. Sgt. Harper did not feel Villa could grab the knife, but Villa was squirming around a great deal and could have gotten in contact with it. Sgt. Harper determined moving the knife a short distance away was the safest

action. He picked up the knife by its handle with only the pad of his left index finger and thumb and moved it directly south about 15 feet from its original position. He then instructed Officer Houle to stand next to the knife and secure its location until he was properly relieved from that duty.

Officers from the Irvine Police Department began arriving at the scene and were assigned to search the apartment complex for any additional shooting victims. After an extensive search no additional injured persons were located. The scene was then completely secured as a crime scene by Irvine and Tustin police officers and the Orange County District Attorney's Office was summoned to investigate the shooting.

Sgt. Harper spent the remainder of the shift coordinating the security of the crime scene until approximately 2200 hours at which time the crime scene investigation was completed.

Sergeant Harper wrote a supplemental report which is contained in the original crime report.

Detective Haug's Observations

[redacted]

On 02/10/14 at approximately 1414 hours Detective Haug along with Orange County District Attorney's Office Investigator Hestor interviewed [redacted] The interview was recorded on Detective Haug's department issued PUMA (ID 34254). The following is a synopsis of the interview. For complete details, refer to the attached recording (attachment 8).

Due to [redacted] accent, it was difficult for me to understand his statements when I was listening to the recording. I therefore used Detective Haug's supplemental report as the basis for the following synopsis.

[redacted] lives in apartment #5 at the Casa Cortez apartment complex. He was watching television and heard arguing coming from apartment #7 (Villa's residence) which is located directly next door (south) to his apartment. The arguing was in Spanish so he did not understand what the argument was about. [redacted] believed the arguing took place around 1000 hours. He left his residence and went to the manager's office.

[redacted] later returned to his residence and resumed watching television. The front door to his residence was closed, however the vertical blinds of his east facing living room window were open. He heard females screaming and saw them run past his front window from apartment #7. [redacted] described one of the females as being the mother who lives in #7.

[redacted] said the females were being chased by a male Hispanic, approximately 5'-7", 150 pounds, wearing a grey shirt (Villa). He said the male subject was holding a knife in his hand.

[redacted] exited his residence and saw the females had gone toward Red Hill Ave.(eastward direction). While [redacted] sat near the edge of his patio, he saw the subject who was holding the knife had stopped near a tree and was seated on the grass speaking to the neighbor at apartment #3 [redacted]

[redacted] returned back inside his residence and soon heard 5-7 gun shots. He was not a witness to the confrontation between the officers and Villa.

Officer Houle's Observations

While assisting at the scene, Officer Houle spoke to [redacted] The interview was not recorded and the following synopsis was taken from Officer Houle's supplemental report which is contained in the original report.

[redacted] told Officer Houle she was at 1412 Nisson to look at an apartment. She parked her van in the open parking lot on the west end of the complex. [redacted] walked east on the sidewalk in front of 1412 Nisson and then turned south into the center of the apartment complex. As she walked toward the swimming pool, she observed a Hispanic male (Villa) standing to the right of the walkway. She described Villa as being between 5'09" and 5'-11" and weighing between 150 and 160 pounds. He was wearing a gray t-shirt and blue jeans. Officer Houle asked [redacted] if she saw what apartment number Villa was standing in front of and she didn't know.

As [redacted] approached Villa, he was talking on a cellular telephone and appeared to be very angry. Officer Houle asked [redacted] why she believed he was angry. She said Villa was sweating, pacing back and forth, breathing heavy, and the tone of his voice sounded angry. When she was several feet from Villa, [redacted] saw a knife stabbed into the ground a few feet in front of him. [redacted] asked Villa where the manager's office was and he ignored her. [redacted] continued walking toward the pool area and as she passed Villa he went to one knee. At this point, the knife was approximately 1 to 2 feet in front him.

Feeling uncomfortable with the situation, [redacted] continued walking toward the pool area. Once at the pool, she heard Villa yell, "My problem is not with you!" [redacted] walked to the south side of the pool without looking back. Once on the south side of the pool, [redacted] heard several gunshots. She estimated hearing between 4 and 6 gunshots. [redacted] ran to the manager's office and called 911.

Officer Houle asked [redacted] if she looked back at the subject once she was passed him and she said did not. She said she was uncomfortable with the situation because she felt that the subject was agitated and she saw the knife in the ground. Officer Houle asked [redacted] if she heard anyone else yelling prior to the shooting and she said she didn't.

Detective N. Nguyen's Observations

[redacted] (Villa's mother)

Detective N. Nguyen spoke to [redacted] at the scene. She recorded the interview using her department issued PUMA (ID 34249). I attached a copy of the recording to this investigation (attachment 9). The following is a synopsis of the interview. For complete details, refer to the attached recording.

Detective N. Nguyen asked [redacted] if she saw anything and she said, "Yeah, they shot him 12 times." She asked [redacted] why the police shot her son and she said, "Cuz my son…I guess came up and…I didn't see him with the knife. They said he had a knife…I guess he was but…" Detective N. Nguyen asked [redacted] why her son had the knife and she said, "He was very upset" and he "flipped." Detective N. Nguyen asked [redacted] if her son used drugs or alcohol and she did not answer. Detective N. Nguyen asked [redacted] if her son had ever flipped out before and she said he did. She said Villa had "depression" and was "bipolar" when he was younger but never took medication for these conditions.

[redacted] (Villa's brother)

Detective N. Nguyen interviewed [redacted] at the scene using her department issued PUMA. She used the same file as she did for [redacted] (ID 34249) which has already been labeled as attachment 9.

According to [redacted] Villa had not slept for two days and he started "freaking out." [redacted] believed Villa was using "methamphetamine." [redacted] said Villa was dehydrated and angry this morning because he wasn't sleeping. [redacted] said Villa left at one point to get a drink, however he returned home and was acting "crazy." [redacted] and [redacted] left to go to the park, at the same time their mother was running out of the residence.

[redacted] (interview at scene)

On 02/10/14 at approximately 1204 hours Detective N. Nguyen and Detective Kirwan interviewed [redacted] at the scene using Detective Kirwan's department issued PUMA (ID 34271). The following is a synopsis of the interview. For complete details, refer to the attached recording (attachment 10).

[redacted] saw the incident between Villa and the police. He said, "I saw him (Villa) running towards them (police)." He didn't know if Villa had anything in his hands. The first thing [redacted] thought as he saw this was, "That's not what you do." [redacted] knew what would happen so he "just turned around."

Detective Kirwan asked [redacted] if Villa charged at the police officers. [redacted] said Villa did and yelled (similar to a roar) as he did so. [redacted] said he saw Villa with a knife earlier in the morning. [redacted] did not know why Villa charged at the police.

Detective N. Nguyen asked [redacted] what the officers were doing at the time. He heard them giving "commands" however he did not know what the police were saying. He then said, "That's... when I looked, that's when he just started charging. It was quick." [redacted] also said, "As soon as he (Villa) seen them, he charged them (police)."

[redacted] (interview at TPD)

[redacted] agreed to allow Detective N. Nguyen transport him to the Tustin Police Department for further questioning. At approximately 1219 hours, she transported [redacted] to the Tustin Police Department and questioned him further inside the downstairs, unsecured interview room. The interview was recorded on her department issued PUMA recorder (ID 34250) as well as video recorded (MAVS ID 172910). I attached the PUMA recording (attachment 11) and MAVS recording (attachment 12) to this investigation. The following is a synopsis of the interview.

[redacted] saw Villa lying on the couch this morning. Villa was mumbling and rambling about "guns," being "ready to die," and calling everyone "pussy."

[redacted] and the rest of the family left the apartment because they were afraid of Villa. He looked back and noticed the police arrived at the apartment complex. [redacted] said the police parked and walked toward the apartment complex. He could not see how many officers responded.

[redacted] was on the phone with the police dispatcher who told him to talk to the officers, so he turned around toward the apartment complex and heard "the pop...pop." [redacted] said everything happened very quickly and when Villa charged at the officers, he let out a "raaaa" much like a roar.

[redacted] said he was standing behind the wall which separates the Casa Cortez Apartment property from the Stater Bros. retail parking property when he observed the interaction between Villa and the police officers.

Detective N. Nguyen asked [redacted] what was going through his mind when he saw Villa charge at the police. He said, "You don't do that. You just don't do that. You know. What do you expect is gonna happen?"

[redacted] told Detective N. Nguyen his wife [redacted] was with him when the shooting occurred. Detective N. Nguyen asked him what [redacted] reaction to the shooting was. He said she didn't see the shooting, she just heard it. He told her, "He charged them, he got shot. She didn't take it nice, but, you know, oh well, you know."

Orange County District Attorney – Officer Involved Shooting Investigation

At approximately 1315 hours the investigators from the Orange County District Attorney's Office began arriving on scene. DA Investigations Supervisor M. Gutierrez was the supervisor on scene and DA Investigator B. Andersen was the lead investigator for the officer involved shooting. DA Investigators D. Fulcher, B. Tanner, E. Wood,

B. Hester, R. Smith, B. Erickson, S. Frazier, J. Sampson, E. Wiseman and J. Renshaw assisted with the investigation.

PSO Zachariah's Observations

PSO Zachariah photographed the interior of apartment #7. She noticed the interior front door frame that surrounds the locking mechanism was separated from the door. Just inside the front door, to the right and just above the family room light switch, she observed a thin elongated straight cut mark into the stucco approximately one inch in length. The bottom of the cut mark began closest to the front door while the top of the cut mark was facing diagonally in an upward position.

A wooden kitchen cutlery block was located on the kitchen counter to the left of the kitchen sink. The wooden block contained twelve slit openings. Every slit opening with the exception of the upper left one was filled with knives and kitchen scissors.

A multi colored glass marijuana pipe was located on the top of a light brown wooden hutch just inside the front door. Inside the top right drawer of the china hutch, located to the left of the front door, was a plastic container with a green leafy substance inside it.

PSO Zachariah burned the photographs onto a disc and later booked the disc into property. I attached the photos to this investigation (attachment 13).

Interview with [redacted]

On 02-10-14 at approximately 1634 hours, DA Investigator R. Smith interviewed [redacted] at the Tustin Police Department. [redacted] predominant language is Spanish so TPD Detective Gomez assisted with Spanish translation. The interview was recorded on Detective Gomez' PUMA device (ID 34260). The following is a summary of [redacted] statements. For complete details, refer the attached recording (attachment 14).

[redacted] said he lives across the street from the Casa Cortez Apartments. [redacted] said at the time of the shooting he was sitting in the driver's seat of his pickup truck, which was parked along the north curb of Nisson across from 1412 Nisson.

[redacted] said he was waiting for his son [redacted] because he was going to take him to see the doctor.

[redacted] said once his son arrived and got into the front passenger seat of his truck, they saw four police officers arrive and park across the street. The officers got out of their cars and they walked across the yard toward where the man (Villa) was. They told Villa to drop the knife.

[redacted] described Villa as wearing a gray t-shirt and gray pants. [redacted] said he knew Villa lived at the Casa Cortez Apartments however he did not know his name.

[redacted] said he was waiting in the truck for approximately twenty minutes for his son. [redacted] observed Villa acting strangely near the front of the apartment complex. He said Villa was armed with a knife and he was using the knife to stick it in-and-out of the grass.

[redacted] said Villa then grabbed the knife and went toward an apartment. Villa turned around and that's when the police officers saw him.

[redacted] said he saw Villa with the knife in his right hand and heard the officers tell him to drop it. Villa advanced toward the officers and that is when they shot him.

When asked if he heard the police officers tell Villa to drop the knife, [redacted] said all four officers yelled at him at the same time. [redacted] said they repeated the commands approximately two to three times, however while they were saying this, Villa was already running toward the officers.

[redacted] said Villa yelled, "Ahh! Fuck you!" with the knife in his hand. [redacted] said Villa had his hand up with the knife as he ran toward the officers. [redacted] said, "He just said that and he went after the cops." [redacted] said Villa repeated "Fuck you!" two to three times as he started running at the officers.

When asked how far Villa was from the police officers, [redacted] said Villa was very close. He estimated the distance as being five meters.

DA Investigator Smith asked if he felt Villa's intentions were to hurt the officers and [redacted] said, "Yes. I think so."

Interview with [redacted]

On 02-21-14 at approximately 1246 hours, DA Investigator R. Smith interviewed [redacted] at Tustin High School. DA Investigator Smith recorded [redacted] statements with an audio recording device. Tustin Police Department School Resource Officer J. Alvarado was also present, however he did not record the interview. The following is a summary of [redacted] statements which I synopsized using Detective Kirwan's report.

[redacted] said he lives across the street from the Casa Cortez Apartments with his father [redacted]. [redacted] said on 02-10-14 at approximately 1100 hours, he entered his father's pickup truck that was parked in front of their residence.

[redacted] saw four police cars across the street at the Casa Cortez Apartments. Two of the police cars were parked in the parking lot and the other two were parked on the street facing eastbound on Nisson Road.

[redacted] saw Villa on the grass area near the front of the Casa Cortez Apartments. Villa appeared to be talking on a cell phone and he was in a squatted position. Villa had a knife which he used to repeatedly stab the grass while he spoke on the phone. [redacted] described the knife as being a kitchen knife that was approximately seven to eight inches long.

[redacted] said he heard Villa talking on the phone before the police contacted him. He heard Villa say, "If you don't come, I'll kill myself." [redacted] said Villa had the knife in his right hand and a cell phone in his left hand.

[redacted] said four police officers approached Villa. One of the officers yelled at Villa to put the knife down. Upon hearing the officer yell, Villa "got crazy" and yelled back, "Fuck you!" Villa dropped the cell phone but he retained the knife in his right hand.

[redacted] said Villa stood up with the knife in his right hand and he ran at the four police officers. He said the tip of the knife blade was pointed up as Villa ran.

In response, the police officers pulled out their guns and shot Villa. [redacted] believed each officer shot approximately four to five rounds.

[redacted] estimated Villa was approximately twelve to fifteen feet away when the officers first contacted him. He said Villa was approximately seven to eight feet away when the officers shot him.

Villa dropped the knife and fell to the ground after being shot. He started to yell and the four officers approached him. One of the officers requested a first aid kit. A female officer ran to a police car and retrieved a first aid kit. The officers then appeared to be providing Villa first aid.

Irvine Police Department Interviews

The Irvine Police Department responded to the scene at our request to assist. Irvine PD Detective Hillyard was assigned to knock on nearby doors to identify potential witnesses. Detective Hillyard contacted [redacted] in apartment #2. Detective Hillyard recorded the interview on his department issued recorder and I attached a copy of the interview to this recording (attachment 15). Detective Hillyard also completed a supplemental report which is contained in our original report. The following is a synopsis of his interview.

[redacted] said he heard gunshots and went on the landing in front of his apartment. He saw a male subject (Villa) lying on his back on the ground and observed a knife lying next to him in the grass. He heard an officer saying, "Calm down so I can help you." [redacted] went inside and did not witness anything else.

[redacted] statements (Villa's ex-girlfriend)

On 02/11/14 at approximately 0946 hours, Detective Kirwan, OCDA Investigator Andersen and Detective Haug interviewed [redacted] at her work. The interview was recorded on Detective Kirwan's department issued PUMA (ID 34274). The following is a synopsis of the interview. For complete details, refer to the attached recording (attachment 16).

[redacted] was determined to have been talking to Villa on his cellular phone just prior to TPD arriving on 02/10/14. She called Villa at approximately 1100 hours. She said Villa was angry, mad and upset.

Detective Kirwan asked what Villa was saying and [redacted] said, "He was just telling- Like he was telling his step-dad 'I'm leaving you. Why you acting dumb? I'm leaving already. I'm not doing anything to you guys. I just want to go already.' And that- That's it."

[redacted] started sobbing and she continued, "I'm guessing that's the time when everything happened 'cus. I don't know anything about it, but... Nobody told me anything about it. I didn't- I found out on Facebook. Then after that I tried calling

his mom and his step-dad and that's- His step-dad answered and his step-dad told me he passed away."

Officer Jankowski's statements at the Tustin Police Department

On 02/11/14 at approximately 1359 hours, OCDA Investigator Andersen and Detective Kirwan interviewed Officer Jankowski at the Tustin Police Department. Attorney Steve Welch was also present as Officer Jankowski's representative. Detective Kirwan recorded the interview using his department issued PUMA (ID 34275). The following is a synopsis of the interview. For complete details, refer the attached recording (attachment 17).

Officer Jankowski said she was giving a free and voluntary statement. She said she was not ordered by anyone from TPD to give a statement nor did she feel compelled to give a statement because the OCDAs office is involved.

Officer Jankowski said she has been a police officer for 11 months and has worked patrol the entire time. She currently works Saturday, Sunday, Monday dayshift. On 02/10/14 she was working in full uniform. She said she was driving TPD unit #804 and had her MAVS on. Her call sign was 222.

Officer Jankowski said she and Officer Stroud were dispatched to apartment #7 at the Casa Cortez apartments in reference to a family disturbance. As they were enroute to the call, Officer D. Nguyen and Officer S. Wright also responded.

Officer Jankowski said the call involved a possible parolee who was hitting and throwing things in the apartment. She said responding officers were advised knives were also involved.

Officer Jankowski said all four officers arrived at the same time. She parked along the south curb line of Nisson just west of the apartment complex. She believes Officer D. Nguyen was parked in front of her. The other two units were parked in the west driveway of the complex. TPD dispatch told officers the subject involved in the disturbance was a male, Hispanic by the name of "Robert." She said she was told Robert was wearing gray sweats.

Officer Jankowski said as all the officers walked toward the apartment, she was the last officer in the group. The first thing she remembers hearing is Officer D. Nguyen yelling, "Hey man, drop the knife" or something similar. Investigator Andersen asked her how the officers were all stacked up at this point. She said they were "fanned out in a 'C' formation." To help illustrate the placement of everyone, Officer Jankowski drew a diagram using a piece of notebook paper. I attached the diagram to this report (attachment 18).

As she rounded the corner toward the apartment, she saw a male subject (later identified as Villa) facing them. She saw he had a knife in his left hand and a cell phone in his right hand. Villa was yelling, however Officer Jankowski could not understand what he was saying. She said Villa then threw the cell phone toward the officers, which she does not think struck anyone.

Investigator Andersen asked Officer Jankowski how far away Villa was to the officers. She estimated, "10 – 15 yards." Investigator Anderson asked her what was going through her mind when she saw the knife. She said, "That....if he comes at us, we have to do something to prevent any of us or anyone else getting hurt or possibly even killed."

Officer Jankowski said almost immediately after throwing the knife, Villa lunged toward the officers with the knife still in his hand. Officer Jankowski said Villa took approximately two to three steps (or three to five yards) before the first shot was fired. Officer Jankowski said as Villa ran toward the officers, she could not determine where the knife was as her view was obstructed by the other officers.

Officer Jankowski said as Villa advanced toward them, she did not fire her weapon because other officers were in front of her and she would have shot one of them in the back or shoulder.

Officer Jankowski said once the shots were fired, Villa went down to his knees and continued yelling at the officers. She doesn't remember what he was saying. She said Officer S. Wright and Officer Stroud approached Villa. She went to her patrol car to get a first aid kit. She said Officer D. Nguyen went to the east to deal with Villa's family members.

Detective Kirwan asked Officer Jankowski if Villa dropped the knife when he was being given commands to do so, she said he didn't comply with the commands and continued to hold the knife. She said there wouldn't be a reason Villa would not have heard the commands to drop the knife.

Detective Kirwan asked Officer Jankowski to describe how Villa ran toward them. She said, "It was an immediate sprint."

Detective Kirwan asked Officer Jankowski what the knife looked like. She said it appeared to be an approximate eight inch knife used to cut items in the kitchen.

Investigator Andersen asked Officer Jankowski if Villa wanted to get away, could he have ran away from the officers instead of running toward them. She said he could of have either gone southbound or eastbound. She said there were plenty of opportunities for him to get away from the officers instead of running toward them.

The interview ended at approximately 1448 hours.

On 06/05/14 at approximately 1545 hours I served Officer Stroud with an Administrative Investigation Interrogation Memorandum (attachment 19).

On 06/06/14 at approximately 1200 hours I served Officer D. Nguyen with an Administrative Investigation Interrogation Memorandum (attachment 20).

On 06/11/14 at approximately 0845 hours I spoke to the involved officer's counsel, [redacted] who requested the interview with the officers be moved from the date I originally scheduled due to a conflict with his calendar. We therefore agreed upon, Thursday, July 3, 2014 for the interviews and the officers were notified via e-mail.

On 06/18/14 at approximately 1600 hours Chief Celano notified me to cancel the interviews with the involved officers scheduled for 07/03/14. Therefore on 06/19/14 I sent an e-mail to the officers and copied their attorney notifying them the interviews are being postponed.

Officer D. Nguyen Interview

On 07/11/14 at approximately 1134 hours OCDA Investigator Andersen and Detective Kirwan interviewed Officer D. Nguyen at the Tustin Police Department. Officer D. Nguyen elected to provide a voluntary statement and his attorney, [redacted] was present during the interview. The interview was recorded on Detective Kirwan's PUMA device (ID 35641). The following is a synopsis of the interview. For complete details, refer to the attached recording (attachment 21).

Investigator Anderson asked Officer D. Nguyen if he was providing a free and voluntary statement. Officer D. Nguyen said he was. Investigator Andersen asked if anyone from the Tustin Police Department ordered him to give a statement and he said, "No."

Investigator Andersen asked Officer D. Nguyen if he felt compelled to give a statement because the Orange County District Attorney's office is involved and He said he didn't.

Officer D. Nguyen said he has been a police officer with the Tustin Police Department since 2010. He is currently assigned to work patrol in the north area of Tustin. At the time of the shooting, Officer D. Nguyen was working Squad 2, 0600-1830 hours on Saturday, Sunday and Monday. His call sign was 212 and he did not have a partner with him in his patrol car.

Officer D. Nguyen said he had not taken any medication or health supplements within the last 24-hours prior to the shooting.

Officer D. Nguyen said he was wearing a standard Tustin Police Department "Class B" uniform which consisted of dark blue pants, a dark blue shirt with Tustin Police patches on both shoulders, a badge on his left chest, a Sam Brown duty belt, his duty firearm, handcuffs, magazines, baton, radio and a TASER.

Officer D. Nguyen identified his duty firearm as being a Glock 21SF, .45 caliber handgun. He said the magazine capacity is thirteen. He carries one magazine in the firearm and three extra magazines on his belt. Officer D. Nguyen said he had the department issued ammunition, which he identified as being Winchester Ranger in his weapon at the time of the incident.

Investigator Andersen asked Officer D. Nguyen if he was carrying a digital recorder. He said he was carrying his MAVS microphone which was attached to his drop-down TASER holster on his right leg. Investigator Andersen asked Officer D. Nguyen if he deployed the TASER at all during the incident. Officer D. Nguyen said he did not.

Investigator Andersen asked Officer D. Nguyen if he knew what vehicle number he was driving on that day. He said he could not recall.

Investigator Andersen asked Officer D. Nguyen if he remembered what the original call for service was for. He said it was a family disturbance at 1412 Nisson #7. Officer D. Nguyen said Officer Jankowski and Officer Stroud were first dispatched to the call. Officer D. Nguyen and Officer S. Wright went to assist without being dispatched.

Investigator Andersen asked Officer D. Nguyen how long it took him to arrive at the location. He said approximately two minutes. Investigator Andersen asked Officer D. Nguyen where he parked. He said on Nisson Road along the south curb line, just west of the location.

Detective Kirwan downloaded a Google Map image of the area which Investigator Andersen and Officer D. Nguyen used to help illustrate the events. The first map was labeled "Page 1" (attachment 22).

Officer D. Nguyen marked the location on the map where he parked his patrol car in blue ink with the words, "Location where I parked." Investigator Andersen asked where the other two police cars parked. Officer D. Nguyen said in the driveway to Casa Cortez. He said when the four officers arrived, they all walked together toward the apartment. At Investigator Andersen's request, Officer D. Nguyen drew a line on the diagram in blue ink to indicate the route the officers walked.

Investigator Andersen asked Officer D. Nguyen what he saw as he approached the center walkway. Officer D. Nguyen said, "Um, I'm the first one to clear this corner here. I was kind of to the left of everybody. Because we were walking this direction so I was like, to the left. So I peer- or I peek- or I see around this corner first." Officer D. Nguyen continued, "And I see an individual in this corner of this grassy area." He described it was directly in front of apartment #3.

At Investigator Andersen's request, Officer D. Nguyen marked this location on the diagram in blue ink with "Saw RV (Robert Villa) first." The blue line Officer D. Nguyen drew is difficult to see on the map.

Detective Kirwan had a second Google Map print out of the area which Officer D. Nguyen marked "page 2" in the upper right hand corner (attachment 23). Officer D. Nguyen used this map to indicate where he first saw Villa. He marked it with "RV1."

Investigator Andersen asked what Villa was doing. Officer D. Nguyen said Villa was "doing something in the grass." He first thought Villa was a maintenance person. Officer D. Nguyen saw a large knife stuck in the ground next to him.

Officer D. Nguyen said Villa saw the officers, picked up the knife, stood up and faced them. Officer D. Nguyen stood up in the interview to describe what Villa did after he (Villa) stood up.

Detective Kirwan described in his report his observations of what Officer D. Nguyen demonstrated. Detective Kirwan wrote, "Officer D. Nguyen stood with his right foot back and his left foot forward. He made fists with his hands and he raised his hands in front of him in what appeared to be a boxing stance. Officer D. Nguyen then started moving his shoulders in a forward rolling motion while he shook out his arms."

Officer D. Nguyen said, "It's just like when you're in a boxing match or something. You're getting ready to fight and you're kind of loosening up your shoulders. But he has a knife in his hand."

Officer D. Nguyen said at this point he unholstered his firearm and ordered Villa to drop the knife. He doesn't remember how many times he said it however after reviewing the MAVS in his patrol unit, he realized he ordered him to drop the knife four times.

Officer D. Nguyen said as Villa began sprinting toward the officers with a large knife in his hand, he was in fear for his life.

Investigator Andersen asked Officer D. Nguyen where Villa was initially looking when he first saw him. He said Villa was hunched over looking at the ground.

Investigator Andersen asked Officer D. Nguyen if he said anything to Villa to get his attention. Officer D. Nguyen said he didn't. As soon as he rounded the corner toward the apartment, Villa looked at him and stood up.

Investigator Andersen asked Officer D. Nguyen if he remembered where he and the other officers were positioned when he saw Villa. He said he knows they were to his right however he does not know what order they were in.

Investigator Andersen asked Officer D. Nguyen what he remembered about the details of the call when he first heard it come out. Officer D. Nguyen said it was a family disturbance. He said Officer Stroud and Officer Jankowski were dispatched to the call.

Officer D. Nguyen said when he arrived on scene, he refreshed his MDC computer and noticed the notes read, "He hit the wall with a knife. No longer in his hands." Officer D. Nguyen said this was never dispatched on the air, but he read it on his MDC screen. He said that was the last thing he saw on his MDC screen before exiting his patrol car.

Investigator Andersen asked Officer D. Nguyen what he thought he would encounter, given the information he had at the time. Officer D. Nguyen said he didn't know. He was hoping the situation could have been resolved peacefully.

Investigator Andersen asked if seeing that last piece of information (regarding the knife) on the computer had any impact on Officer D. Nguyen's thinking. Officer D. Nguyen said, "A little bit. A little bit."

Investigator Andersen asked Officer D. Nguyen if Villa's hand was on the knife when he saw Villa. Officer D. Nguyen said his hand was not on the knife, however when Villa saw him, Villa immediately picked up the knife.

Investigator Andersen asked Officer D. Nguyen if he remembered which hand Villa had the knife in and he said he didn't.

Investigator Andersen asked how Villa was holding the knife and in which direction the blade was pointed. Officer D. Nguyen said he didn't remember. He said he remembers it being a "very long" blade.

Investigator Andersen asked Officer D. Nguyen if he ever saw Villa before. Officer D. Nguyen said, "No." Investigator Andersen asked Officer D. Nguyen if he had ever been dispatched to that location before and Officer D. Nguyen said, "No."

The image of the Casa Cortez apartments marked "Page 1" depicts a white circle Google maps used to mark the complex. Officer D. Nguyen confirmed he was standing approximately where this circle is located when he first saw Villa kneeling down on the grass area in front of apartment #3.

Investigator Andersen asked Officer D. Nguyen how close Villa got to him before he fired his weapon. He started to fire when Villa took one or two steps toward them. Investigator Andersen asked Officer D. Nguyen if he recalled how Villa was holding the knife. He said he didn't.

Investigator Andersen asked Officer D. Nguyen what was going through his mind when he saw Villa stand up and start to roll his shoulders. Officer D. Nguyen said, "When he first stood up and he grabbed it, I'm like 'Oh shoot, he's about to fight us.' He stands up and rolls his shoulders. I'm like 'Yeah, he's about to fight us. He's about to do something.' You know, a maintenance guy wouldn't do that.

He sees a police officer walking up to him, you don't- As a normal person with any common sense, you would not grab a knife, roll your shoulders when you see a cop. That doesn't happen."

Officer D. Nguyen continued, "When he starts charging at us, I'm like 'Oh shit he's- He's running towards me with this knife!' And I'm thinking I don't want to get stabbed again. I don't want to go- I don't want my partners to get stabbed. That's a long knife. There's- Somebody's gonna get seriously hurt or killed if he gets any closer to us. Um, so I was in fear for my life and my partners' life."

Officer D. Nguyen continued, "We didn't provoke him. We didn't do anything to him. He saw me and he stood up with that knife right away. I didn't- The only thing I yelled at him was 'Drop that knife!' I didn't come over and like curse at him or anything to aggravate him. He saw me and picked it up right away."

Investigator Andersen asked Officer D. Nguyen if he had a chance to say anything to Villa. He said, "I didn't have a chance to say anything to him. Because I was still processing the scene. I was like 'Oh a maintenance guy. Oh shit, he picked up the knife. Oh shit, he's about to fight us.' And then he ran towards us."

Investigator Andersen asked if he ever thought to use a TASER. Officer D. Nguyen said there is a chance the TASER would not be effective and he wasn't going to put his and his partner's life on the line by using the TASER.

Investigator Andersen asked Officer D. Nguyen if he considered using a baton. He said, "If he was close enough for me to hit him with a baton, he'd be close enough to stab me and slash me with that knife."

Investigator Andersen asked Officer D. Nguyen if he remembered how many times he fired his weapon. He said, "At the scene when I gave my public safety statement, when I reviewed it (MAVS) I said 'more than one, less than five.' Um I honestly didn't remember at the scene but when we came back with the- When I- They collected my firearm and took pictures of me, they downloaded my magazines and I shot seven rounds."

Investigator Andersen asked if his partners shot. Officer D. Nguyen said, "Uh there were other um, gunshots. I don't know who shot, I just know somebody did."

Investigator Andersen asked Officer D. Nguyen if he could tell whether or not Villa was hit. Officer D. Nguyen said, "I couldn't tell. All I remember was he's still coming at me. After I shot my rounds he was still gaining ground. I actually backed up to the sign here because he was still gaining ground on us. And this was my first time ever firing a firearm at a person."

Officer D. Nguyen added, "All my experience- if you want to call it experience... in the movies, in video games- is when somebody gets shot they fall. I remember firing and I'm like 'This guy is not stopping!' And that was scary to me. I-I... It was- It was actually kind of a shock to me that he didn't stop."

Investigator Andersen asked Officer D. Nguyen if he was firing while he was moving, or if he stopped and then fired. Officer D. Nguyen said he thought he was moving and firing at the same time.

Investigator Andersen asked where the other officers ended up. He saw Officer Stroud to his right and he did not see Officer Jankowski or Officer Stroud, but he knew they were further to his right.

Investigator Andersen had Officer D. Nguyen mark on 'Page 1' the approximate location where he moved to. Officer D. Nguyen marked the location on the map by writing "Moved to this location" in blue ink. The arrow is extremely difficult to see on the map.

Investigator Andersen confirmed Villa eventually went down and Officer D. Nguyen said he did. He said he stopped firing when the threat stopped, specifically when Villa stopped running at them and was on the ground.

Investigator Andersen recalled Officer D. Nguyen's previous incident when he was attacked with a knife. Investigator Andersen asked if any of his experience from that incident came into his mind when he saw Villa with the knife. Officer D. Nguyen said, "Yes. I mean, I had to go through a lot of therapy. Physical therapy, a lot of pain and to get back to where I am now. I was very lucky that I did not die in that. Um, from what the doctor told me, I could have, if one of the slash marks

were a little bit deeper. Uh, I didn't want to go through that again and I didn't want my partners to going through that again. And because I could tell you this knife would've killed us. Uh it was a lot bigger and it could've done a lot more damage."

Investigator Andersen asked what Villa's demeanor was like after being shot. Officer D. Nguyen said he didn't know.

Investigator Andersen asked if he recalled what the weather conditions were at the time. He said it was sunny and there were no lighting issues.

Investigator Andersen asked if there were any loud noises that could have prevented Villa from hearing his commands and Officer D. Nguyen said, "No."

Investigator Andersen asked if Officer D. Nguyen used his department issued Glock handgun and Officer D. Nguyen said, "Yes." Investigator Andersen asked if his weapon functioned properly and he said it did.

Detective Kirwan asked Officer D. Nguyen if he participates in the TPD quarterly range training and he said he does.

Officer D. Nguyen said he had not consumed any drugs or alcohol on the day of the incident. Officer D. Nguyen said he slept over six-hours the night before, which was enough sleep.

Officer D. Nguyen said he used his MAVS recording system during the incident. He said he pushed the button on the microphone to activate the system.

Investigator Andersen asked Officer D. Nguyen if he had a sight picture when he fired his weapon and he said he didn't remember.

At the conclusion of the interview, Officer D. Nguyen added, "I got into this line of work, I was hoping to go through thirty years without having to use my gun. It's a tool, you know, that you never have to use. That was my plan. Obviously that's changed. But uh, this whole incident, I wish it never happened, meaning I wish he never charged us. I wish he never picked up that knife. I wish he would've followed our commands, dropped the knife. This would've been completely different. I never went to work thinking I want to use my gun on anybody. You know, I got into this line of work because I want to help people."

The interview was concluded at approximately 1239 hours.

On 07/27/14 at approximately 1140 hours I served Officer Stroud with an Administrative Investigation Interrogation Memorandum for his interview scheduled on 08/14/14 at 1400 hours (attachment 24).

Officer S. Wright's Statements

On 08-08-14 at approximately 1108 hours, Orange County District Attorney's Office Investigator Andersen and Detective Kirwan interviewed Officer S. Wright at the Tustin Police Department. [redacted] was also present during the interview as Officer S. Wright's legal representative.

Officer S. Wright was emotional throughout the interview and at one point Investigator Andersen briefly stopped the interview to allow Officer S. Wright time to regain his composure. Once Officer S. Wright was able to continue, the interview resumed. For this reason, there are two separate PUMA recordings for Officer S. Wright's interview.

First part of interview

Detective Kirwan recorded the interview using his department issued PUMA recording (ID 36219). The following is a synopsis of the interview. For complete details, refer to the attached recording (attachment 25).

> Investigator Andersen asked if Officer S. Wright was providing a free and voluntary statement. He said he was. Investigator Andersen asked if anyone from the Tustin Police Department ordered him to give a statement and Officer S. Wright said, "No." Investigator Andersen asked Officer S. Wright if he felt compelled to give a statement because the Orange County District Attorney's office is involved and he said he didn't.
>
> Officer S. Wright said he has been a police officer with the Tustin Police Department since May 2007. Officer S. Wright previously worked for Idaho State Parole for approximately two years. Officer S. Wright worked for Orange County Probation for approximately 2.5 years. He also worked approximately 10 months for U.S. Federal Probation.
>
> Officer S. Wright said he is currently assigned as a Field Training Officer, which he has done for approximately one year. At the time of the shooting, Officer S. Wright was working Squad 2, 0600-1830 hours on Saturday, Sunday and Monday. His call sign was 210.
>
> Officer S. Wright said he was prescribed propanol and he was also taking creatine as a health supplement. Officer S. Wright was working his regular shift and had not worked any overtime prior to the day of the shooting. He said he was wearing a standard Tustin Police Department "Class B" uniform.
>
> Officer S. Wright said his duty firearm is a Glock 21. He had one magazine in the firearm and two extra magazines on his belt. He had the department issued ammunition and checked his weapon prior to the start of his shift.

Officer S. Wright said he was carrying a backup weapon, which he identified as being a Ruger LCP, .380 caliber.

Officer S. Wright confirmed he used his duty weapon during the shooting and not his backup weapon. He said his primary weapon was taken into evidence by the Orange County Crime Lab.

Officer S. Wright said he had a pocket knife and a TASER on him on the day of the shooting. Officer S. Wright said his baton was in his police vehicle and he does not carry pepper spray.

Investigator Andersen asked Officer S. Wright if he had the MAVS recorder and if it was working. He said the MAVS worked, however the remote microphone stopped working on the call he was at prior.

Investigator Andersen asked Officer S. Wright if he deployed the TASER during the incident. He said he didn't.

Investigator Andersen asked if Officer S. Wright was working alone or with a partner. He said he was working "solo."

Investigator Andersen asked Officer S. Wright if he remembered the date and time of the incident. He said 02/10/14 around 1130 – 1135 hours. Officer S. Wright said the call was for a family disturbance. He said he was not dispatched, however he went to the call to assist. He said Officers Stroud and Jankowski were dispatched to the call.

Investigator Andersen asked Officer S. Wright how long it took him to get to the call. He said approximately one minute.

Investigator Andersen and Officer S. Wright began reviewing overhead images of 1412 Nisson Road, which Detective Kirwan downloaded from Google Maps (attachment 26). Investigator Andersen referred to one of the images ('Page 1') and he asked Officer S. Wright to mark where he parked his police vehicle which he drew in black ink on the diagram.

Investigator Andersen asked if he remembered where Officer Stroud parked. Officer S. Wright said he wasn't sure. He thinks Officer Stroud parked to his right. He thinks Officer Jankowski and Officer D. Nguyen parked on Nisson Road west of the driveway to the Casa Cortez apartments.

Investigator Andersen asked Officer S. Wright if all the officers arrived at the same time. He said he and Officer Stroud arrived first and they waited for Officer D. Nguyen and Officer Jankowski. They all then walked toward the apartment. Officer S. Wright drew a line on the "Page 1" diagram in black ink to

depict the path they walked. He indicated they walked along the grass area in a southeast direction.

Investigator Andersen asked Officer S. Wright if he remembered the details that were given in the original call for service. Officer S. Wright said he thinks a mother was calling on her son saying he was acting erratic and breaking things.

As he was driving to the call he remembers reading the MDC screen and noticing a knife was involved.

Investigator Andersen asked Officer S. Wright why he volunteered for this call. He said it didn't sound like it was going to be a good call and thought Officer Stroud and Officer Jankowski were going to have a fight on their hands.

Investigator Andersen asked Officer S. Wright if he responded to the call with the idea that it was going to involve a fight. Officer S. Wright became emotional and said, "I thought it was gonna be a fight. I had no clue it would be a shooting."

Investigator Andersen asked Officer S. Wright if they discussed a plan of action once on scene and he said they didn't.

Investigator Andersen asked Officer S. Wright what he first became aware of as he walked up to the location. Officer S. Wright began sobbing and said he couldn't see what was happening but heard Officer D. Nguyen yelling something about a knife. As he walked up more, he saw Villa with a knife in his right hand. Officer S. Wright continued, "David already told him to put the knife down. I don't know who else was yelling. All I could hear was Dave. So I'm kind of pieing this corner... I have no fucking clue when I took my gun out, but I- I'm sitting there and my gun's out. And I see him hold- He's sitting like this with both hands clenched and a knife in his right hand. And he turns away and lets out a yell, and then just goes full bore into Dave."

Investigator Andersen asked Officer S. Wright to describe the knife Villa was holding. He said it was "huge" and thought it was a "foot long." He said it was silver with a black handle. Investigator Anderson asked how Villa was holding the knife. Officer S. Wright said the blade was up.

Investigator Andersen asked Officer S. Wright how many times Officer D. Nguyen yelled for Villa to drop the knife. He didn't know other than he heard Officer D. Nguyen yelling.

Investigator Andersen asked Officer S. Wright if he heard anyone else yelling and he said he didn't. Investigator Andersen asked Officer S. Wright if he yelled and he said he didn't.

Investigator Andersen asked Officer S. Wright if Villa was facing more toward Officer D. Nguyen or toward the group of officers. He said more toward Officer D. Nguyen and Officer Stroud. He said he thinks Villa was looking at Officer D. Nguyen.

Investigator Andersen asked Officer S. Wright how long Villa was looking at Officer D. Nguyen before he did the turning movement. He sobbed as he said, "It was instantaneous."

Investigator Andersen asked Officer S. Wright how long Villa stayed in the turning position. He said, "It was quick. It went- It was just, like 'Rah!' and went."

Detective Kirwan noted in his report, "As Officer Wright was thinking back on the event, he became visibly distraught. At that point during the interview Investigator Andersen decided to take a break in order to allow Officer Wright to compose himself."

Detective Kirwan stopped the recording at approximately 1133 hours. The interview resumed approximately three minutes later.

Officer S. Wright's statements during the second portion of the interview

At approximately 1136 hours Officer S. Wright gathered himself and agreed to continue with the interview. This was recorded on separate audio file (ID 36220). I attached the interview to this investigation (attachment 27). The following is a synopsis of the interview.

Investigator Andersen summarized Officer S. Wright's account of Villa standing with his hands clenched, holding the knife, turning ninety-degrees and then letting out a roar. Investigator Andersen asked what Villa did next and Officer S. Wright said, "He charged David."

Investigator Andersen asked Officer S. Wright how many steps Villa took before the officers shot him. He said "three steps tops." He said he heard gunfire from other officers prior to him shooting.

At Investigator Andersen's request, Officer Wright marked 'RV' on the Google Maps marked "Page 1." He also marked on a second Google Map image he marked "Page 2" (attachment 28) to indicate where Villa was when he first saw him.

Investigator Andersen had Officer S. Wright mark his location on "Page 2" (with his initials) when he first saw Villa.

Investigator Andersen had Officer S. Wright mark where Officer D. Nguyen and Officer Stroud were located on the "Page 2" with an "N" (Nguyen) and "S" (Stroud). He did not know where Officer Jankowski was.

Officer S. Wright said Villa made it about three steps and at least one of the other officers fired their weapons. He said Villa didn't go down, he kept running. Officer S. Wright said he moved as well. He drew dash marks from his initials on the page to indicate the direction he was moving.

Officer S. Wright said he fired his handgun once and marked the location on the map with his initials where he was when he fired (on the map marked page 2).

Investigator Andersen asked what Villa did when he (Officer S. Wright) fired his weapon. Officer Wright said, "Um, there were like two volleys basically. The first one, if they hit him it didn't stop him, and he kept coming. The second one, so I'm moving- I'm moving laterally. I'm coming across like this and when I'm pulling the trigger, I don't know who shot from behind me and clipped him. And it had to, it was somewhere in his lower extremities because he just crumpled. So when I pulled the trigger he's like that." Detective Kirwan noted Officer Wright made a turning motion down toward his left side.

Officer S. Wright continued, "So he still, he had the knife and he was going down. I pulled the trigger and he hits. And he hits like, he gets all like crumpled. Like this. And I'm sitting there looking at him. Looking like that. Then he kind of lets out like a 'Uhhh', starts moving and then he brings that hand up and there's no knife. And I look over at Dave (Officer D. Nguyen) and Stroud and I yell, I go 'I'm going off gun. I'm gonna 'cuff him. I'm gonna 'cuff him.' And then they look over at me. And I think I told... the mom started yelling right away. Um, 'cus she was over by Stater Brothers I guess. So she starts yelling. I can't (inaudible), I think I told David (Officer D. Nguyen) to go over and take care of them. But I don't remember for sure."

Officer S. Wright continued, "Um, so... I go...fuck, I can't remember, um. Either way, David (Officer D. Nguyen) leaves. I don't know where Michelle (Officer Jankowski) is. And I- I'm looking at Stroud going 'I'm gonna 'cuff him. I'm going off gun. I'm going off gun.' So Stroud like nods yeah. So I put my gun away, I grab him and he's uh, he's still kicking, he's still fighting. Um, so I get on top and I get the left 'cuff on. And I'm going to put the right on but there's so much blood I can't keep his hand, so I'm pulling and it keeps slipping off. So I look at- Stroud's up over me pointing this direction, because people are starting to come out. So I look at Stroud and I go 'You're gonna have to help me. I can't do it by myself.' And then Stroud held his hand and I think I put the 'cuff on."

Officer S. Wright continued, "And then I roll him onto his left side and pat down for weapons. And he doesn't have any. Then I roll him onto his right side. And when I roll him on his right side he tells me that I killed him." Officer S. Wright began sobbing and sounded distraught as he continued, "And I tried to explain to him I didn't kill him, I'm trying to help him. And his mom was over there and I didn't want his mom to see him like that."

Officer S. Wright sobbed as he continued, "So, he- he didn't have any more weapons. The knife was down towards his leg. So I roll him back on his right side, so he's facing away from his mom. So she doesn't have to see that. And I start to try to do medical, but he's got too many... he's got too many wounds and I can't... I tried to get him to stop and, he was bleeding from like three points that I could see. The worst one was in his leg. Like pelvis area. Somewhere around here (indicating his groin and thigh area). So I was trying to get him... 'cus I didn't to put him that way and apply pressure because I didn't want the family to see it, so. I was holding him and pushing down on his left hip, to try to get his right... to try to put enough pressure on it so it would stop. And he's still kicking. He's like reeling back, kicking me while I'm trying to do that. Then he looks me in the eyes and tells me that I killed him."

Investigator Andersen asked Officer S. Wright if Villa was trying to wrestle away the entire time and he said he was.

Investigator Andersen asked Officer S. Wright how many shots he heard before he fired. He said approximately eight to ten. He said there were approximately three to six shots fired and Villa kept running toward them. Then there were another three to four shots fired and Villa went to the ground.

Investigator Andersen asked Officer S. Wright what he thought was going to happen when Villa started running toward Officer D. Nguyen. He said, "Part of me- Part of my head was screaming 'No!', like 'Don't do it! Don't do it!' I could see where it was gonna go. So it's the weirdest thing, I had like two dialogues going on. One in my head's just screaming 'No don't do it! No don't do it!' and then at the same time I could hear Dave (Officer D. Nguyen) yelling. And... like I said, I had... Stroud was somewhere over there. I didn't know where Michelle was but I thought Dan- err, Dave was gonna get stabbed."

Investigator Andersen asked what Officer S. Wright was referring to when he was saying in his mind 'Don't do it!' Officer S. Wright said, "Don't rush him. Don't rush Dave."

Investigator Andersen asked "And what's your concern if he rushes Dave?" Officer S. Wright said, "Dave would get killed." Detective Kirwan noted Officer S. Wright was visibly upset at this point.

Investigator Andersen asked if Officer S. Wright was thinking about the prior incident, where Officer D. Nguyen was attacked by a suspect with a knife. He said he was.

Investigator Andersen asked Officer S. Wright if the prior incident with Officer D. Nguyen was on his mind when they encountered Villa. Officer S. Wright said, "Absolutely."

Investigator Andersen asked Officer S. Wright what was going through his mind when he pulled the trigger. He said, "I can't let him kill Dave." Investigator Andersen asked if Villa still had the knife in his hand at that point and he said he did.

Officer S. Wright emotionally added, "And, it sucks. It's- This whole thing's shitty. I never wanted to fuckin' kill anybody. I never wanted to pull my fuckin' gun on someone."

Investigator Andersen asked Officer S. Wright why he only fired one round. He said, "He was going down. He went- He got hit right before I shot. I don't even know if I hit him. He was going down so, I pulled the trigger. He's like this (rotating his body). Like that and he hits and he doesn't move for a second. And then he starts to move. So I'm sitting on him (covering with a gun) and then I see the right hand come around and he doesn't have the knife."

Investigator Andersen asked Officer S. Wright if Villa was still running at Officer D. Nguyen even after numerous shots were fired by the other officers. He said, "Yeah. Even after he got hit, he didn't- He wasn't gonna quit."

Investigator Andersen asked Officer S. Wright what he meant when he said Villa was not going to quit. Officer S. Wright said, "If his legs still would have worked, he would have still rushed Dave and Stroud. Or at that point he had seen me, so he would have come for me too. Um, you could tell how almost, like angry but almost animalistic. Like he really wanted to get over there."

Investigator Andersen asked Officer S. Wright what he thought Villa's intentions were if he got to Officer D. Nguyen and Officer Stroud. Officer S. Wright said Villa was going to kill them. He said even if Villa didn't have the knife, he felt Villa would have attacked them.

Investigator Andersen asked Officer S. Wright if he had a sight picture and Officer S. Wright said he did.

Officer S. Wright clarified, "When I went up to 'cuff him, I came around... I walked in front of his head and I came up on the right side of his body, and the knife was lying back by like his knee to shin, to foot. Back in that area, so as far as I was concerned there was no threat at that point. Or at least not of being stabbed."

Investigator Andersen asked Officer S. Wright if he remembered the weather or lighting condition. Officer S. Wright said it was sunny.

Investigator Andersen asked Officer S. Wright if it was loud enough outside that Villa may not have heard Officer D. Nguyen. He said Villa should have been able to hear Officer D. Nguyen.

Investigator Andersen asked Officer S. Wright if he thought to use his TASER, and he said, "No. I didn't think to and I wouldn't- I wouldn't risk that. I've seen plenty of TASER darts miss and I'm not gonna let Dave get killed because I made a bad decision."

Investigator Andersen asked Officer S. Wright if he considered using any other weapons, such as a baton or pepper spray. Officer S. Wright said, "He had a knife. There's no way I would get close enough to do that."

Investigator Andersen asked if his firearm functioned properly and Officer S. Wright said it did.

Officer S. Wright confirmed he qualified with his firearm during the recent department firearms training and in prior department firearms training courses.

Detective Kirwan asked Officer S. Wright if he knew Villa or had ever dealt with him before this incident and he said he didn't.

Detective Kirwan asked Officer S. Wright if a person with a knife poses a deadly threat and Officer S. Wright said, "Absolutely."

Detective Kirwan asked Officer S. Wright if he had any alcohol or any illegal drugs in his system on the date of the incident and he said he didn't.

The interview was concluded at approximately 1209 hours.

Interview with Officer Stroud

On 08/14/14 at approximately 1407 hours, Lt. Wright and I interviewed Officer Stroud in the Chief's Conference Room. [redacted] represented Officer Stroud and was present during the entire interview. I digitally recorded the interview and attached a copy of the interview to this report. The following is a synopsis of the interview. For complete details, refer to the recorded interview (attachment 29).

I read Officer Stroud the applicable AB301 rights directly from the TPD Administrative Investigation manual. Officer Stroud said he understood all of his rights. I read Officer Stroud his rights per Miranda. He said he understood, however he did not waive his rights and did not want to speak to me. I read Officer Stroud the applicable Lybarger admonishment directly from the same manual. Officer Stroud said he understood and agreed to speak to me.

I asked Officer Stroud if he initialed and understood the contents of the Administrative Interrogation memorandum I provided him on 07/27/14. He said he did.

Officer Stroud said he was working as a police officer for the City of Tustin on 02/10/14. He was assigned to Squad Two which is Saturday, Sunday, Monday from 0600 hours until 1830 hours, He said he has a been a police officer for approximately nine years all with the City of Tustin.

Officer Stroud said on 02/10/14 he began his shift at 0600 hours. He was driving a marked Tustin Police car, however he did not remember what the unit number of the car he was driving. He said he was wearing his standard department issued police uniform and duty belt.

I asked Officer Stroud if he was under the influence of any alcohol or drugs on 02/10/14 that would have prevented him from safely performing the duties as a police officer. He said he wasn't.

Officer Stroud said he was dispatched to a family disturbance on 02/10/14 at approximately 1135 hours at 1412 Nisson, apartment #7. I asked him what where the circumstances of the call. He said the reporting party's son (later identified as Robert Villa) was "acting angry" inside the house. He said there were knives inside the residence and at one point Villa used a knife to stab a wall. Officer Stroud said Villa indicated someone wanted to kill him.

I asked Officer Stroud when he learned the call involved a knife. He said on his way to the call. I asked him where he heard Villa wanted someone to kill him. He believed he heard it broadcasted over the radio.

I asked Officer Stroud if there were any safety concerns going through his mind as he was responding to the call. He said there were. He said Villa already had an angry demeanor and was in possession of a knife. He said Villa already used the knife to stab a while inside the residence and he was concerned Villa could use the knife to kill him or his partners. He also believed Villa was inside the residence with other people and could use the knife to harm them.

Officer Stroud said he believes Officer Jankowski was dispatched as the handling officer and he (Stroud) was the follow officer. I asked Officer Stroud if any other officers self-dispatched themselves and responded to the call. He said two other officers did. I asked him why two other officers would respond on their own. He said based on the information in the call the others officers likely felt it would be necessary to assist.

I asked Officer Stroud if he turned on his MAVS for this call. He said he did.

I asked Officer Stroud how long it took him to respond to the call and he estimated less than two minutes.

I provided Officer Stroud with a Google Earth map and had him draw on a Google map (marked "1" in the upper right corner) where he parked his vehicle when he arrived on scene of the call. He drew a "S" inside a circle in the west alley just south of the street and said his police car was facing south. I attached the map to this investigation (attachment 30).

Officer Stroud said he was the first officer on scene and within approximately ten to 20 seconds the other officers arrived. He said the other officers were D. Nguyen, Jankowski, and S. Wright. Officer Stroud said he believes Officer Jankowski parked behind him facing south (he drew a "J" inside a circle on the same map indicating where he believed she parked). At the time of the call, he did not know where the other two officers parked.

I asked Officer Stroud what he did when he arrived on scene. He said he waited for the other three officers to group together in front of his vehicle and then they all started walking eastbound toward the apartment. I asked Officer Stroud if they formulated any plan before walking toward the apartment. He said they did not.

I asked Officer Stroud what the ultimate goal is in handling these types of calls. He said to preserve life, make sure it's handled safely, and the officers and involved citizens are unharmed. I asked him if it was his goal to resolve the situation as peacefully as possible and he said it was.

Using another Google Earth map image (attachment 31) showing an overhead view of the area, I drew a "2" in the upper right hand corner. I had Officer Stroud draw a path on the map depicting where the officers walked as they approached the apartment. He drew an arrow from west to east. I asked him where he walked to and he drew an "S" indicating where he stopped. He described it as being on the northeast corner of the west building.

I asked Officer Stroud where Officer D. Nguyen was. He drew an "N" on the map indicating where he was. He described Officer D. Nguyen as being a couple of feet over his left shoulder. I asked him where Officer Jankowski was. He drew a "J" on the map indicating where she was. He described Officer Jankowski as being over his right shoulder approximately five feet away. I asked him where Officer S. Wright was. He drew a "W" on the map indicating where he was. He described Officer S. Wright as being approximately two to three feet to his right.

I asked Officer Stroud what he saw when arrived at the west building. He said he immediately saw a male subject (later identified as Robert Villa) standing holding a knife in his right hand. He said Villa was holding the handle of the knife with the blade pointing "upward" and Villa's left hand was in a fist. He noticed Villa's lips were open and he was showing his teeth. Villa appeared to be grinding his teeth or clenching his jaw and jogging in place. Villa was looking toward the west building. I had Officer Stroud draw a "V" on the map indicating where he first saw Villa. He described it as being approximately ten yards away from the officers in between two walkways.

Officer Stroud said he was given a description Villa prior to arriving at the call and when he saw the subject, he believed it was Villa.

I asked Officer Stroud where apartment #7 is (apartment where the call was originated from) and he drew a "7" on the map. He described it as being on the first floor, in the second fourplex south of where they were standing. I asked him how far Villa was from apartment #7 and he said he was on the front lawn, approximately 10 – 15 feet away from the front door.

I asked Officer Stroud if Villa was standing or sitting when he first saw Villa. He said Villa was standing. I asked him if Villa was saying anything. He said Villa was grunting and yelling, however Villa was not verbalizing any words. Officer Stroud did not believe Villa was trying to communicate with the officers.

I asked Officer Stroud what was going through his mind when he saw Villa. He said he resorted back to his training and experience. He said he knew with Villa's distance from all of them (officers) and with Villa possessing a knife, Villa could easily kill his partners or himself, so he immediately drew his firearm and ordered Villa to drop the knife. Officer Stroud said Villa appeared angry and based on Villa's actions, he felt he could be under the influence of a central nervous system stimulant.

I asked Officer Stroud if it caused him more concern with his belief Villa was under the influence of a central nervous system stimulant. He said it did because people under the influence of a central nervous system stimulant may act more aggressive and violent. He said they can also have added strength and may not function the same if they were not under the influence.

I asked Officer Stroud to describe the knife he saw in Villa's right hand. He described it as a fishing knife used to clean a fish. He said the knife had a regular handle with a blade longer than a normal kitchen knife. He said the length of knife would be similar to that of a butcher knife. He said the blade would be thinner than a butcher knife, but sharper. He estimated the length of the blade to be approximately 10 inches and estimated the total length of the knife including handle was approximately 14 – 15 inches. He said the blade was silver and the handle was black.

Officer Stroud further described Villa as having a tight grip on the knife. He felt it was held in an aggressive way.

Lt. Wright asked Officer Stroud if he felt the knife posed a danger when he saw it. He said he did. He said it not only posed a danger to himself and the other officers, he also had not made contact with the reporting party and did not know where he was. He didn't know if Villa could get to the reporting party and harm him before the officers could intervene.

Lt. Wright asked Officer Stroud if he could see inside apartment 7. He said he could see the door was open, however could not see inside. I asked him if he knew at the time if anyone had been stabbed and he said he didn't.

I asked Officer Stroud if he used any cover or concealment at the time he drew his firearm. He said there wasn't any to use. He said that concerned him because he knew other officers were around him so he couldn't move backward or side to side without putting them in line with Villa. He was also concerned Villa would be able to use the knife on the officers if he were to "charge" them.

I asked Officer Stroud if he drew his firearm with his left or right hand. He said his right hand (primary shooting hand). I asked him if he knew what the other officers did when he drew his firearm. He said he did not. I asked him why he drew his firearm. He said he felt an immediate threat to his and his partners' life. He felt they were in close enough proximity for Villa to have been able to kill him had he not drew his firearm.

I asked Officer Stroud what he did when he drew his firearm. He said he immediately gave repeated verbal commands for Villa to drop the knife. He also heard his partners giving Villa repeated verbal commands to drop the knife. I asked Officer Stroud if he believed Villa knew he was a police officer. He said Villa should have known because he looked directly at the officers (who were all in full uniform) when they were giving him commands to drop the knife. He also said Villa's right side was initially facing them when they were giving him commands, however he faced them as they continued giving him verbal commands.

I asked him if he used the word "police" when he was giving Villa commands. He said he did not. Due to Villa's close proximity, he only had to time get out the immediate command to drop the knife. He also said it was bright daylight and with four officers in uniform, he felt it was "a given" Villa knew they were the police.

After Officer Stroud gave Villa verbal commands to drop the knife, Villa's grunted and yelled more. He then immediately "sprinted" directly toward Officer Stroud with the knife still in his right hand. I asked Officer Stroud from the time he gave Villa verbal commands to drop the knife until the time Villa started to sprint toward him how much time elapsed. He estimated "seconds." I asked him if it was a full sprint and he said it was. In his opinion, Villa was trying to get to the officers as quickly as he is physically capable of.

I asked Officer Stroud if Villa dropped the knife. He said he didn't. I asked Officer Stroud if he believed the verbal commands he gave Villa were clear and Villa could have heard them. He said, "Yes" and the commands he gave were loud.

I asked Officer Stroud what he was thinking at the moment Villa started to run toward him. He said, "I'm thinking he's going to either stab me or stab one of the officers that I was with."

I asked Officer Stroud if Villa wanted to get away from him, could he have run the opposite way and he said Villa could have. He said if Villa wanted to get away from the officers he could have ran into the open door of apartment 7 instead of toward them. I asked Officer Stroud if it concerned him Villa ran toward him instead of running away and he said it did. He said, "I believed he intended on stabbing me." He believed Villa's sole purpose in running toward him was to hurt or kill him.

As Villa was running toward Officer Stroud, Officer Stroud said the blade of the knife was still pointed at the officers. I asked Officer Stroud what he did as Villa was running toward him. He gave Villa more verbal commands to drop the knife and then "discharged" his firearm. He said the other officers on scene we also giving Villa verbal commands.

I asked Officer Stroud if Villa still had the knife in his hand when he (Officer Stroud) fired his handgun. He said he did. I asked him how far Villa was away from him when he shot at him. He said, "15 feet." I asked him why he shot at Villa. He said he felt there was no other course of action he could have taken to save his or his partner's life. He said this was based on the immediate threat with Villa possessing the knife, Villa's actions of "charging" at the officers and the proximity in relation to the officers.

I asked Officer Stroud what would have happened if Villa made it to him or the other officers. He said, "He would have killed one of us." He was afraid one of the officers including himself would have been killed or seriously wounded by Villa.

He said, "In my mind, I thought I fired the amount of rounds needed to, to, stop the threat." He said as soon as Villa went to the ground and the threat ceased, he stopped firing.

I asked Officer Stroud how many rounds he fired at Villa and he said 11 rounds. He originally thought he fired three rounds so he told Sgt. Coe he shot three rounds when he gave the public safety statement. I asked Officer Stroud when he learned he fired 11 rounds. He said after he gave his public safety statement, he walked back to his patrol car. On his way back to his car, he pulled the magazine out of his firearm (while leaving the firearm in the holster). He noticed two rounds in the magazine. He knew he had one round in the chamber. He said he carries 14 rounds in the firearm so he realized he fired 11 rounds. He said after realizing he fired 11 rounds, he went back to Sgt. Coe and advised him of the change in rounds fired.

Officer Stroud said he was not lying when he gave his public safety statement saying he only fired three rounds. He believed at the time he only fired three rounds. He said his adrenaline was rushing and he was scared. I asked him what he was scared of. He said, "Getting stabbed, absolutely, or one my partners getting stabbed."

I asked Officer Stroud if the other officers fired their weapons and he said he assumed they did. He said he could hear gunshots on both sides of him. I asked him if he knew at the time who actually fired and how many rounds they fired. He said he didn't.

I asked Officer Stroud if he or the officers had cover or concealment at the time he fired his weapon. He said there was no cover or concealment. I asked him if he had enough time to back off and seek cover or concealment. He said he didn't, it happened too quickly.

I asked Officer Stroud which way his rounds went when he fired his weapon. He said, "Southbound." I asked him what his backdrop was. He said the breezeway in the apartment complex. He said he did not see anyone behind Villa.

I asked Officer Stroud why he did not use any other type of force option to stop Villa. He said he didn't feel any other type of force option would prevent Villa from using the knife to kill him. He said Villa was attempting to use lethal force against him and his partners and the only way to stop him was to use lethal force in return.

I asked Officer Stroud if he could have safely disarmed Villa by using some type of hand-to-hand combat technique. He said he couldn't. Officer Stroud said the he was trained to use his firearm when dealing with someone armed with an edged weapon. I asked him what type of dangers he is faced with when dealing with someone armed with an edged weapon. He said he could possibly lose his life.

I asked Officer Stroud how quickly he fired the 11 rounds. He said, "Within a couple seconds." I asked Officer Stroud how much time elapsed from the time he saw Villa until the time he fired his last round. He estimated one minute. He said it went very quick. He said the minute seemed like it went "almost instantly."

I asked Officer Stroud if he heard any other rounds being fired after he finished firing and he said he didn't. Officer Stroud said the moment the threat ceased, no more rounds were fired by any of the officers.

I asked Officer Stroud what happened after the shooting stopped. He said Villa collapsed to the ground and onto his right side. He said Villa's head and back were facing the officers. He said he couldn't see if Villa was still in possession of the knife. He and Officer S. Wright approached Villa. One of them (he doesn't remember who did) moved the knife toward Villa's feet so it no longer posed a threat. Lt. Wright asked Officer Stroud where the knife was when they moved it. He said the knife was on the ground, next to Villa. Officer Stroud said the knife was moved because it still posed a threat.

Officer Stroud said Villa was moaning and kept moving around which appeared to make his wounds worse. Officer Stroud said he verbally told Villa to stop moving so he could help him. He said Villa continued flexing his muscles and kicking his feet. In order to stop Villa from continuing to cause more harm to himself, he and Officer S. Wright handcuffed him. They placed Villa on his side in a "recovery position" so they could assess his wounds and provide first-aid.

I asked Officer Stroud how far away Villa was from the officers when he fell to the ground. He said approximately 10-15 feet. I asked him if he knew Villa was shot. He said he assumed he was, however he didn't know for sure until he approached Villa. I asked him if he knew how many times Villa was shot. He said he didn't know for sure however he knew it was more than one.

I asked Officer Stroud what Villa's demeanor was at the time. He said Villa was still being combative and trying to stand up. I asked him if it caused him concern that Villa was still being combative even after receiving more than one bullet wound. He said it did. He said he was surprised that he would still be combative even after being shot. He said it added to his suspicion that Villa was under the influence of something that allowed him to physically fight despite being shot more than once.

I asked Officer Stroud if he was concerned for Villa's well-being. He said he was. He was afraid Villa could die. I asked him if any of the officers attempted to provide first-aid to Villa. He said Officer Jankowski went to her patrol vehicle and retrieved the first-aid kit. He said as soon as Officer Jankowski came back with the first-aid kit, an aggressive crowd approached from the east. Additionally, he said a male subject opened the door to a nearby apartment whom he recognized as a former or current gang member and was yelling at Officer Stroud. He said this subject was in a wheelchair approximately five feet away from him. Officer Stroud said the knife still hadn't been secured and apartment 7 hadn't been cleared. He didn't know if there was an additional threat or victims in apartment #7.

Officer Stroud said he and the officers were prevented from safely providing first-aid to Villa because of the facts mentioned above. He said before even approaching Villa, he requested paramedics.

I asked Officer Stroud what Villa was doing this whole time. He said he was still trying to stand up, flexing his arms, moving his feet and not complying with their commands to stay still. I asked Officer Stroud what he said to Villa. He told him they are trying to help him, stay calm and the paramedics are on their way. Officer Stroud said even with the hostile crowd, he did everything he could to help Villa and did not leave his side until the paramedics arrived.

Officer Stroud said once he gave his public safety statement, he was taken back to the station by Detective Miali. He said Officer S. Wright and Officer D. Nguyen went with him in the same vehicle. I asked him if they discussed the details of the incident. He said they did not.

I asked Officer Stroud what gun he was carrying at the time of the incident. He said his department issued, Glock-21, 45 caliber handgun. He said he didn't have any other firearm on him at the time. Officer Stroud said he attended all of the department range days and qualified with his firearm. I asked him if he was carrying his department issued ammunition and he said he was. I asked him if he had any non-authorized ammunition in his firearm and he said he did not.

Officer Stroud said he carries one loaded magazine in the firearm, one round in the chamber and two extra magazines on his duty belt. He said all of the magazines were filled to capacity on the day of the incident and he carries a total of 40 rounds.

I asked Officer Stroud if he discussed this incident with any of the involved officers in order to corroborate his story. He said he did not. He said he has not spoken to anyone about the details of the incident other than with his attorney.

Lt. Wright asked Officer Stroud if he knew Villa before this incident or ever been to his house. Officer Stroud said he did not know him and had never been to his house.

I asked Officer Stroud if Villa, as he was running could have dropped the knife before he was shot. He said he could have.

I asked Officer Stroud if he planted a knife on Villa and he said he did not.

I asked Officer Stroud if Villa threw a cell phone at the officers and he said he did not. He said he doesn't remember Villa having a cell phone in his hands.

I ordered Officer Stroud not to discuss the incident with anyone other than myself, Lt. Wright or his attorney. He said he understood.

The interview concluded at 1519.

Villa's Autopsy Examination

On 02/13/14 at approximately 0830 hours, Detective Kirwan attended Villa's autopsy examination at the Orange County Coroner's Department. Detective Kirwan said during a preliminary briefing at the Coroner's Office, he was told Villa received two gunshot wounds in the right thigh, one gunshot wound on the left wrist and one gunshot wound near the right scapula.

The autopsy began at approximately 0900 hours. The examination was conducted by Orange County Coroner's Office - Forensic Pathologist Dr. E. Davenport and Forensic Assistant A. Chavez. Orange County Crime Lab – Forensic Scientist R. Binz collected evidentiary samples and Forensic Specialist H. Peplowski documented the examination with photographs.

When the autopsy commenced, Dr. Davenport began examining Villa's body and documented her findings. Dr. Davenport recovered one bullet from Villa's left chest area, which appeared to be an expanded hollow point round consistent with Tustin Police Department duty ammunition (Winchester Ranger .45 caliber, 230 grain, model RA45T). Dr. Davenport removed a similar bullet from Villa's right leg, which was found underneath the skin at the back of his leg. Dr. Davenport also found what appeared to be bullet fragments inside of Villa's left forearm.

On Villa's right leg Detective Kirwan saw what appeared to be two entrance wounds on the front of the leg above his knee. There were also two star tattoos near the wounds, on his right thigh above the knee. Detective Kirwan saw one exit wound on the back of Villa's right leg. Dr. Davenport said these injuries would not have been lethal.

On Villa's left leg Detective Kirwan saw what appeared to be a shallow wound consistent with a bullet grazing the leg. The wound proceeded from the front toward the back of the leg, on the inside of the left thigh above the knee. Dr. Davenport said this injury would not have been lethal.

On Villa's left arm Detective Kirwan saw what appeared to be an entrance wound on the outside of the forearm, above the wrist. The wound was generally oval in shape, indicating the bullet entered at an angle.

Villa had a second wound on the inside of his forearm, which was further up the arm and closer to the elbow. This second wound on the inside of Villa's forearm was larger and it was consistent with a bullet exit wound.

Based on the entry wound being on the outside of the forearm near the wrist, and the exit wound being on the inside of the forearm closer to the elbow, it appeared the bullet traveled through the left forearm at an angle. Dr. Davenport said this injury would not have been lethal.

On Villa's chest Detective Kirwan saw what appeared to be an abrasion in the center of his chest, near his sternum. The abrasion was generally round in shape however it had faint jagged edges that were consistent with the star-shaped prongs of an expanded Winchester Ranger bullet. The abrasion appeared to be an impact mark from a bullet however there was no indication that the bullet entered the chest cavity. An expanded Winchester Ranger bullet was found with Villa's shirt. Based on photographs taken of the shirt and the bullet, it appeared prongs were possibly caught on the cloth of the shirt.

Detective Kirwan is a department Rangemaster and Armorer and has received training in the field of terminal ballistics. He believes a direct strike to the chest area from one of the officers' guns would have been circular in shape, approximately .45 inches in diameter, and the bullet should have entered the chest cavity. However the abrasion on Villa's chest was noticeably larger than a .45 inch circle and the shape was inconsistent with an entry wound.

Detective Kirwan then noticed the exit wound on Villa's left forearm and the abrasion on Villa's sternum were relatively similar in size and shape. It occurred to him that witness statements indicated that Villa was running toward the officers. During a running motion Villa's left arm would have moved in front of his chest, which could cause the wounds to line up next to one another.

After viewing Villa's injuries, photographs of his shirt and the expanded bullet, it appeared the bullet passed through Villa's left forearm, expanded, and then struck Villa in the center of his chest. This was supported by the following observations:

- The left forearm entry wound had a generally oval shape pointing from the wrist toward the elbow, which indicated the round likely entered the forearm at an angle.
- The left forearm exit wound was noticeably larger than the entry wound and it had jagged edges that were consistent with the star pattern of an expanded Winchester Ranger bullet.
- The bullet found in Villa's shirt was expanded in a star-shaped pattern, which was consistent with the injuries to Villa's forearm and chest.
- The abrasion on Villa's sternum was also consistent with an expanded Winchester Ranger bullet strike.
- The wound showed that the bullet stopped at the chest and it did not have enough kinetic energy to enter the chest cavity.
- The depleted energy and expansion indicated the bullet most likely struck something prior to impacting with Villa's sternum.
- With the left forearm placed in front of the chest area, the location of the exit wound from Villa's left forearm would line up in close proximity with the location of the abrasion wound found on Villa's sternum.

Detective Kirwan discussed this hypothesis with Dr. Davenport and she concurred it was the "most probable answer" to explain the injuries to Villa's left forearm and chest.

On Villa's right scapula Detective Kirwan saw what appeared to be an entrance wound. An expanded bullet was found on the opposite side of Villa's chest cavity, in his left torso. Dr. Davenport indicated there were injuries to Villa's organs that were consistent with a bullet passing from Villa's right side across his chest and stopping on the left side of his chest cavity. Dr. Davenport said this injury would have been lethal.

The autopsy examination was completed at approximately 1200 hours.

Mobile Audio Video System (MAVS)

Although numerous officers arrived to assist after the shooting occurred, the only officers present before and during the shooting were Officer Stroud, Officer D. Nguyen, Officer S. Wright and Officer Jankowski.

Tustin Police Vehicle #803 MAVS (Officer D. Nguyen)

On 02-10-14 Officer Nguyen was driving Tustin Police Department vehicle #803. During this incident, Officer Nguyen's camera had a view of eastbound Nisson Road toward Red Hill Avenue. The image had a partial view of the Casa Cortez apartments, including the sidewalk area between the apartments and Nisson Road. However the camera was not pointed in a direction to observe the altercation between Villa and the officers.

I made the following observations while viewing the MAVS recording for unit #803. All times and events are listed as noted on the video. I attached the MAVS to this investigation (attachment 32).

11:38:38 Officer D. Nguyen's police vehicle was parked along the south curb of Nisson Road, west of the driveway for the Casa Cortez parking lot. Officer D. Nguyen was seen walking around the front of the police vehicle and away in a southeast direction, toward the Casa Cortez apartments. At 11:38:52 Officer D. Nguyen walked off camera toward the apartments.

11:39:07 The wireless microphone for Officer D. Nguyen's MAVS turned on.

11:39:09 Officer D. Nguyen yelled, "Drop that knife dude! Drop that knife!"

11:39:12 Officer D. Nguyen repeated the command slower and louder, "Drop that knife!"

11:39:13 Officer D. Nguyen then screamed in a loud voice, "Drop that knife!"

11:39:14 Multiple gunshots are heard. The gunfire stops at 11:39:17.

11:39:19 Officer Stroud is heard via the in-car microphone, "220, 998. Suspect down with a knife. We need a supervisor and we need numerous units for crowd control. We also need 91."

11:39:52 Officer Jankowski ran back to her police vehicle and obtained a first aid kit.

11:40:31 A female is heard in the background yelling. It appears it was [redacted] saying, "Why did you guys fucking shoot him you stupid idiots. That just aggra--- They shoulda tazed him! I'm gonna sue the fuck out of you guys! You guys gonna pay for everything!
You guys better pay for everything you stupid assholes! You fucking idiots! You assholes! (inaudible)"

11:42:01 It appears [redacted] started yelling again, "You guys better hope my son is not dead. You guys shoulda tazed his ass, not shot him! You fucking idiot cops! Fucking idiots! Fuck all you cops! You guys suck! You guys shoulda tazed him not shot him you fucking idiots! I'm gonna sue you guys! I'm gonna sue you guys! You guys didn't even try it!

Why?! Why?! There was no reason to shoot him four times! There was no fucking reason to shoot him four times! You stupid idiots! I hope it doesn't kill him!"

11:43:24 Officer D. Nguyen's cuts in and out. The "M" is still displayed on the MAVS.

11:43:52 Officer D. Nguyen's audio comes back on.

Officer D. Nguyen Safety Statement to Sergeant Harper

Officer D. Nguyen provided a safety statement to Sergeant Harper at the scene.

11:44:13 Officer D. Nguyen said, "Yes Sir. Sarge I did fire a shot, so." There was an inaudible question that Officer Nguyen answered, "Well, it's not... It could be, I don't know. That direction..."

Officer Jankowski interjected, "(inaudible) ... south."

Officer D. Nguyen continued, "Yeah. We were all pointing south. We were all walking up sir, and we were firing south."

11:46:22 Sergeant Harper said something inaudible. Officer D. Nguyen continued giving a safety statement to Sergeant Harper. Officer Nguyen said, "We cleared the res. Um, I'm involved. Scott's involved. I don't know if anybody else is, so."

11:47:32 Detective N. Nguyen arrived and she attempted to get some preliminary information about what happened. Officer D. Nguyen responded, "Uh, I was involved. So if you want to assign me something, you can."

11:47:46 Detective N. Nguyen said, "So just like, most basic information." Officer D. Nguyen responded, "I was walking this direction here. Um, he was standing where, near the cones are right there with a knife in the ground. I came around. He saw me, picked it up with I think it was his left hand, I'm not sure. Put it up like this and started charging us. I pulled my gun out. I told him 'Drop it! Drop it!' He still charged at us, that's when I discharged my firearm."

11:48:16 Detective N. Nguyen asked, "Ok, just the three of you?" Officer D. Nguyen answered, "Uh, I know it was me and other-... I don't know who. I was the lead officer that pied the corner, so."

Officer D. Nguyen told Sergeant Coe that his car was running. Sergeant Coe asked Officer D. Nguyen if he shot and Officer Nguyen said, "Yes sir."

11:48:45 Sergeant Coe obtained a public safety statement from Officer D. Nguyen. Sergeant Coe said, "Ok, hey. Public safety statement. How many rounds did you fire?" Officer D. Nguyen said, "More than one. Less than five."

Sergeant Coe asked, "Where were you standing and in what direction?" Officer D. Nguyen said, "I was standing here. I fired this direction here."

Sergeant Coe ordered Officer D. Nguyen not to make any statements to anyone. Officer D. Nguyen was then placed in Detective Miali's vehicle and driven back to the Tustin Police Department. Once his microphone left the area, there were no further audio recordings. The video continued recording and it generally showed the officers securing the crime scene.

The video shut off 15:21:34.

Tustin Police Vehicle #821 MAVS (Officer Stroud)

On 02-10-14 Officer Stroud was driving Tustin Police Department vehicle #821. As Officer Stroud approached the Casa Cortez apartments, Officer Stroud's camera had a view of eastbound Nisson Road toward Red Hill Avenue. The car turned into the west driveway of the complex and it parked. The MAVS image had a partial view of the Casa Cortez apartments that included the gate and the carport areas. The camera was not pointed in a direction to observe the altercation between Villa and the officers.

I made the following observations while viewing the MAVS recording for unit #821. All times and events are listed as noted on the video. I attached a copy of the MAVS to this investigation (attachment 33).

11:37:51 The vehicle was traveling eastbound on Nisson Road as it approached the Casa Cortez apartments.

11:38:22 The audio activated on the MAVS. It did not appear the remote microphone was activated as I did not see the "M" on the display. The interior microphone was working and I could hear sound from inside of the police vehicle.

11:38:30 After turning into the driveway, Officer Stroud parked and exited. Officer Stroud stood by the front left bumper of the police car, looking toward the entrance of the apartment complex. He appeared to be waiting for the other officers to arrive.

11:38:51 Officer S. Wright, Officer Jankowski and then Officer D. Nguyen come into view of the camera, and they all walked in front of the police vehicle from right to left (eastbound). The officers walk as a group, toward the front of the Casa Cortez apartments.

11:39:14 Gunshots are heard.

11:39:19 Officer Stroud is heard via the in-car microphone, "220, 998. Suspect down with a knife. We need a supervisor and we need numerous units for crowd control. We also need 91."

11:40:05 Officer Jankowski ran by the front of the police vehicle toward the Casa Cortez apartments with a first aid kit.

The video continued recording, however the image only showed the front gate to the carport area. The audio recorded the radio traffic as it was heard inside the police vehicle. Officer Stroud's microphone was not activated and there was no sound recorded from outside the vehicle.

The MAVS shut off at 15:14:42.

Tustin Police Vehicle #804 MAVS (Officer Jankowski)

On 02-10-14 Officer Jankowski was driving Tustin Police Department vehicle #804. During this incident, Officer Jankowski's camera had a view of eastbound Nisson Road toward Red Hill Avenue. The image had a partial view of the Casa Cortez apartments, including the sidewalk area between the apartments and Nisson Road. The camera was not pointed in a direction to observe the altercation between Villa and the officers.

I made the following observations while viewing the MAVS recording for unit #804. All times and events are listed as noted on the video. I attached a copy of the MAVS to this investigation (attachment 34).

11:38:28 Officer D. Nguyen's police vehicle is directly in front of Officer Jankowski's police vehicle. Officer D. Nguyen's vehicle was parked along the south curb of Nisson Road west at the west corner of the Casa Cortez driveway. The vehicle emergency light bar was activated.

11:38:37 Officer D. Nguyen exited his police vehicle and started walking toward the Casa Cortez apartments.

11:39:09 Officer D. Nguyen yelled in the background, "Drop that knife dude! Drop that knife!"

11:39:12 Officer D. Nguyen continued his commands of "Drop that Knife!" and Officer Jankowski also yelled twice, "Drop the knife! Drop the knife!"

11:39:13 Gunshots were heard.

11:39:32 Villa moaned and then said, "I'm dead. I'm dead. You guys leave me just (inaudible)." Officer S. Wright said, "You're not dead." Villa said, "I am dead."

11:39:39 Villa continued moaning and said, "You shot me, ahh" as Officer Jankowski said, "I'll go grab a medical kit." Officer Jankowski then started running.

11:43:04 Sergeant Harper arrived and asked, "What do you guys got (inaudible)?" Officer

Jankowski and Officer Nguyen explained they were dealing with the family and the residence still needed to be cleared. Officer Nguyen then left to assist with checking the residence while Officer Jankowski stayed near [redacted] and her family.

11:44:30 Officer Jankowski told Officer Nguyen, "I couldn't shoot. I was right behind fucking Stroud. I couldn't shoot."

11:45:18 Officer Jankowski said, "No, I was behind Stroud. I couldn't get a shot."

11:46:04 The audio goes out and all I could hear is static.

11:47:24 The audio came back and Villa could be heard moaning and saying, "I'm dying."

11:53:50 The MAVS recording is shut off as Villa was put in the back of the ambulance.

Officer S. Wright was driving TPD unit #809. I reviewed his MAVS and did not locate a recording for this incident.

Sergeant Coe was driving TPD unit #801. The MAVS shows his response and arrival at the scene. His remote microphone was not activated and there does not appear to be anything pertinent to this investigation.

I spoke to Detective Kirwan who is the Department Rangemaster reference Officers S. Wright, Stroud and D. Nguyen's firearms. He told me they all successfully qualified at the Department quarterly range training on 11/11/13. Detective Kirwan said the weapons issued to them by the Department are as follows:

- Officer D. Nguyen – Glock 21SF .45 caliber – Serial #MUV938
- Officer Stroud – Glock 21 .45 caliber – Serial #KNS619
- Officer S. Wright – Glock 21 .45 caliber – Serial #KNS610

The officer's weapons were collected by the Orange County Sheriff's Department crime lab on the day of the incident and the serial numbers were confirmed to be correct.

Attachment 35 is a set of photographs Detective Kirwan used to illustrate the knife set found in Villa's kitchen and empty knife slot found in the butcher block knife holder found in the kitchen. See attached photographs.

Inter-Com

TO: CHARLES F. CELANO JR., CHIEF OF POLICE VIA CHAIN OF COMMAND

FROM: JEFF BLAIR, SPECIAL OPERATIONS COMMANDER

SUBJECT: **ADMINISTRATIVE REPORT- #IA2014-005 (S. WRIGHT)**

CONCLUSION AND REASONING

Based on my review of this investigation including all associated attachments, as it relates to **Officer Scott Wright**, my findings regarding the alleged violation of the Tustin Police General Orders is as follows:

Violation of Tustin Police Department Policy Manual:

"340.3.5 PERFORMANCE

u) Exceeding lawful peace officer powers by unreasonable, unlawful or excessive conduct."

As it pertains to:

"300.3 DEADLY FORCE APPLICATIONS

While the use of a firearm is expressly considered deadly force, other force might also be considered deadly force if the officer reasonably anticipates and intends that the force applied will create a substantial likelihood of causing death or very serious injury. Use of deadly force is justified in the following circumstances:

a) An officer may use deadly force to protect himself/herself or others from what he/she reasonably believe would be an imminent threat of death or serious bodily injury;

FINDING: **EXONERATED**

On February 10, 2014 officers were dispatched to 1412 Nisson Rd. #7 to investigate a family disturbance. When they arrived, they were confronted by Robert Villa who was outside the apartment, armed with a knife. Villa did not comply with verbal commands to drop the knife, but instead charged at the officers while holding the knife in a threatening manner. Officers Stroud, Wright and D. Nguyen fired their duty firearms at Villa and he

was struck by several of those rounds. Villa was transported to the hospital where he succumbed to his injuries.

All of the involved officers were interviewed, along with witness officer Jankowski and several civilian witnesses. The statements were consistent and describe a situation of imminent threat of death or serious bodily injury to the officers.

An independent witness, [redacted] saw the incident unfold from the front seat of his car that was parked curbside across from 1412 Nisson. During the interview [redacted] said he saw Villa with the knife in his right hand and heard the officers tell him to drop it. Villa advanced toward the officers and that is when they shot him. [redacted] said Villa yelled, "Ahh! Fuck you!" with the knife in his hand. [redacted] said Villa had his hand up with the knife as he ran toward the officers. [redacted] said, "He just said that and he went after the cops." [redacted] said Villa repeated "Fuck you!" two to three times as he started running at the officers. When asked how far Villa was from the police officers before they shot, [redacted] said Villa was very close. He estimated the distance as being five meters.

Independent witness [redacted] saw the incident while seated in a car across the street from 1412 Nisson. [redacted] said four police officers approached Villa who was armed with a knife. One of the officers yelled at Villa to put the knife down. Upon hearing the officer yell, Villa "got crazy" and yelled back, "Fuck you!" Villa dropped a cell phone but he retained the knife in his right hand. [redacted] said Villa stood up with the knife in his right hand and he ran at the four police officers. He said the tip of the knife blade was pointed up as Villa ran. In response, the police officers pulled out their guns and shot Villa. [redacted] believed each officer shot approximately four to five rounds. [redacted] estimated Villa was approximately twelve to fifteen feet away when the officers first contacted him. He said Villa was approximately seven to eight feet away when the officers shot him.

Another independent witness, [redacted] had seen Villa with the knife earlier in the day. When the officers arrived, he heard them giving "commands" however he did not know what the police were saying. He then said, "That's... when I looked, that's when he just started charging. It was quick." [redacted] also said, "As soon as he (Villa) seen them, he charged them (police)."

Officer Jankowski was one of the responding officers but did not fire her duty firearm, in part because she was obstructed by one of the other officers. She initially saw Villa holding a knife with the sharp pointed edge facing down and back so if he were to raise it, it would have been in position to stab downward at the officers. She did not remember him raising his hands or not. She said, "I just remember him coming at us in what looked like was going to be a sprint. He got in like a runner's stance in a sense. Where he was like, 'Ok, I'm gonna come running-charging at you." She described his position as, "Chest forward. Head and chest forward. Um, arms kind of come at a bent

motion, or a bent angle, and a... kind of just leaning forward as if he's gonna come at you head on." She said Villa closed the distance by approximately three yards. She said the officers shot because he had the knife in his hands as he was running toward them.

D. Nguyen said when he arrived with the other officers, Villa was armed with a knife. Villa charged at them and D. Nguyen said, "When he starts charging at us, I'm like 'Oh shit he's- He's running towards me with this knife!' And I'm thinking I don't want to get stabbed again. I don't want to go- I don't want my partners to get stabbed. That's a long knife. There's- Somebody's gonna get seriously hurt or killed if he gets any closer to us. Um, so I was in fear for my life and my partners' life." Officer D. Nguyen fired his duty firearm and stated after firing "All I remember was he's still coming at me. After I shot my rounds he was still gaining ground. I actually backed up to the sign here because he was still gaining ground on us."

Wright said that Villa who was armed with a knife charged directly at D. Nguyen. Wright was asked what was going through his mind when he pulled the trigger. He said, "I can't let him kill Dave." Wright stated once Villa charged D. Nguyen it happened so quickly he had no chance to use any force options other than his firearm. He fired one round at Villa, and even after being struck, Villa continued to fight and move toward the officers. Wright immediately handcuffed Villa and administered first aid.

Stroud said upon arrival they encountered Villa who was armed with a knife and appeared to be angry and under the influence of a stimulant. He knew with Villa's close proximity to all of them (officers) and possessing a knife, Villa could easily have killed his partners or himself. He immediately drew his firearm and ordered Villa to drop the knife. Villa disobeyed verbal commands and instead charged at Stroud and his partners. When asked what Stroud was thinking at that point he said, "I'm thinking he's going to either stab me or stab one of the officers that I was with." Once Villa got within 15' Stroud fired his duty firearm. He said he felt there was no other course of action he could have taken to save his or his partner's life. He said this was based on the immediate threat with Villa possessing the knife, Villa's actions of "charging" at the officers and the proximity in relation to the officers. When asked what he felt would have happened if he did not fire at Villa, Stroud said, "He would have killed one of us." Stroud was afraid one of the officers including himself would have been killed or seriously wounded by Villa. He said, "In my mind, I thought I fired the amount of rounds needed to, to, stop the threat." He said as soon as Villa went to the ground and the threat ceased, he stopped firing.

Based on the totality of the circumstances I find that **S. Wright's use of force application** was **reasonable and within policy.**

SUBJECT: **ADMINISTRATIVE REPORT- #IA2014-005 (B. STROUD)**

CONCLUSION AND REASONING

Based on my review of this investigation including all associated attachments, as it relates to **Officer Brian Stroud**, my findings regarding the alleged violation of the Tustin Police General Orders is as follows:

Violation of Tustin Police Department Policy Manual:

"340.3.5 PERFORMANCE

u) Exceeding lawful peace officer powers by unreasonable, unlawful or excessive conduct."

As it pertains to:

"300.3 DEADLY FORCE APPLICATIONS

While the use of a firearm is expressly considered deadly force, other force might also be considered deadly force if the officer reasonably anticipates and intends that the force applied will create a substantial likelihood of causing death or very serious injury. Use of deadly force is justified in the following circumstances:

a) An officer may use deadly force to protect himself/herself or others from what he/she reasonably believe would be an imminent threat of death or serious bodily injury;

FINDING: **EXONERATED**

On February 10, 2014 officers were dispatched to 1412 Nisson Rd. #7 to investigate a family disturbance. When they arrived, they were confronted by Robert Villa who was outside the apartment, armed with a knife. Villa did not comply with verbal commands to drop the knife, but instead charged at the officers while holding the knife in a threatening manner. Officers Stroud, Wright and D. Nguyen fired their duty firearms at Villa and he

was struck by several of those rounds. Villa was transported to the hospital where he succumbed to his injuries.

All of the involved officers were interviewed, along with witness officer Jankowski and several civilian witnesses. The statements were consistent and describe a situation of imminent threat of death or serious bodily injury to the officers.

An independent witness, [redacted] saw the incident unfold from the front seat of his car that was parked curbside across from 1412 Nisson. During the interview [redacted] said he saw Villa with the knife in his right hand and heard the officers tell him to drop it. Villa advanced toward the officers and that is when they shot him. [redacted] said Villa yelled, "Ahh! Fuck you!" with the knife in his hand. [redacted] said Villa had his hand up with the knife as he ran toward the officers. [redacted] said, "He just said that and he went after the cops." [redacted] said Villa repeated "Fuck you!" two to three times as he started running at the officers. When asked how far Villa was from the police officers before they shot, [redacted] said Villa was very close. He estimated the distance as being five meters.

Independent witness [redacted] saw the incident while seated in a car across the street from 1412 Nisson. [redacted] said four police officers approached Villa who was armed with a knife. One of the officers yelled at Villa to put the knife down. Upon hearing the officer yell, Villa "got crazy" and yelled back, "Fuck you!" Villa dropped a cell phone but he retained the knife in his right hand. [redacted] said Villa stood up with the knife in his right hand and he ran at the four police officers. He said the tip of the knife blade was pointed up as Villa ran. In response, the police officers pulled out their guns and shot Villa. [redacted] believed each officer shot approximately four to five rounds. [redacted] estimated Villa was approximately twelve to fifteen feet away when the officers first contacted him. He said Villa was approximately seven to eight feet away when the officers shot him.

Another independent witness, [redacted] had seen Villa with the knife earlier in the day. When the officers arrived, he heard them giving "commands" however he did not know what the police were saying. He then said, "That's... when I looked, that's when he just started charging. It was quick." [redacted] also said, "As soon as he (Villa) seen them, he charged them (police)."

Officer Jankowski was one of the responding officers but did not fire her duty firearm, in part because she was obstructed by one of the other officers. She initially saw Villa holding a knife with the sharp pointed edge facing down and back so if he were to raise it, it would have been in position to stab downward at the officers. She did not remember him raising his hands. She said, "I just remember him coming at us in what looked like was going to be a sprint. He got in like a runner's stance in a sense. Where he was like, 'Ok, I'm gonna come running-charging at you." She described his position as, "Chest forward. Head and chest forward. Um, arms kind of come at a bent motion,

or a bent angle, and a... kind of just leaning forward as if he's gonna come at you head on." She said Villa closed the distance by approximately three yards. She said the officers shot because he had the knife in his hands as he was running toward them.

D. Nguyen said when he arrived with the other officers, Villa was armed with a knife. Villa charged at them and D. Nguyen said, "When he starts charging at us, I'm like 'Oh shit he's- He's running towards me with this knife!' And I'm thinking I don't want to get stabbed again. I don't want to go- I don't want my partners to get stabbed. That's a long knife. There's- Somebody's gonna get seriously hurt or killed if he gets any closer to us. Um, so I was in fear for my life and my partners' life." Officer D. Nguyen fired his duty firearm and stated after firing "All I remember was he's still coming at me. After I shot my rounds he was still gaining ground. I actually backed up to the sign here because he was still gaining ground on us."

S. Wright said Villa who was armed with a knife charged directly at D. Nguyen. Wright was asked what was going through his mind when he pulled the trigger. He said, "I can't let him kill Dave." Wright stated once Villa charged D. Nguyen it happened so quickly he had no chance to use any force options other than his firearm. He fired one round at Villa, and even after being struck, Villa continued to fight and move toward the officers. Wright immediately handcuffed Villa and administered first aid.

Stroud said upon arrival they encountered Villa who was armed with a knife and appeared to be angry and under the influence of a stimulant. He knew with Villa's close proximity to all of them (officers) and possessing a knife, Villa could easily have killed his partners or himself. He immediately drew his firearm and ordered Villa to drop the knife. Villa disobeyed verbal commands and instead charged at Stroud and his partners. When asked what Stroud was thinking at that point he said, "I'm thinking he's going to either stab me or stab one of the officers that I was with." Once Villa got within 15' Stroud fired his duty firearm. He said he felt there was no other course of action he could have taken to save his or his partner's life. He said this was based on the immediate threat with Villa possessing the knife, Villa's actions of "charging" at the officers and the proximity in relation to the officers. When asked what he felt would have happened if he did not fire at Villa, Stroud said, "He would have killed one of us." Stroud was afraid one of the officers including himself would have been killed or seriously wounded by Villa. He said, "In my mind, I thought I fired the amount of rounds needed to, to, stop the threat." He said as soon as Villa went to the ground and the threat ceased, he stopped firing.

Based on the totality of the circumstances I find that **Stroud's use of force application** was **reasonable and within policy.**

USE OF DEADLY FORCE REVIEW BOARD'S RECOMMENDATIONS

SUMMARY: While working patrol in marked police units, Officers Jankowski, Stroud, D. Nguyen, and Wright responded to 1412 Nisson Road, Apartment #7 on a report of a family disturbance. Family members of Robert Villa told TPD dispatchers Villa was going crazy in the house, he had a knife, and he hit the wall with the knife. Family members described Villa, told the dispatchers he was on Parole, and that he had left the residence; however, they were not sure if he still had the knife.

All four officers entered the courtyard of the apartment complex where they were confronted by Villa who was armed with a knife. Officers ordered Villa to drop the knife. He charged at them resulting in an officer involved shooting.

The Critical Incident Review Board (CIRB) met on Tuesday, April 28, 2015, at 1500 hours in the Chief's conference room. The mission of CIRB is to review employees' actions in regards to training, policies, and tactical considerations. Recommendations will be made via a written report regarding the involved employee's actions to the Chief of Police.

Synopsis: On February 10, 2014, at approximately 1135 hours, TPD received a call of a disturbance at 1412 Nisson Road, Apartment #7. The calling party told dispatch his step-son (Robert Villa) was "going crazy in the house", he had a knife, and he had hit the wall with it. The calling party said everyone had left the apartment as they were in fear of Villa. He did not know if Villa still had the knife with him. He said Villa was on parole and gave dispatch a description of his clothing and his person.

Two units were dispatched (Stroud and Jankowski) and Wright and D. Nguyen self-dispatched themselves and also responded. Per the officers statements, all of them arrived at approximately the same time. They began walking toward the apartment with D. Nguyen, Wright, and Stroud in front with Jankowski slightly behind Stroud. As they approached, they saw Villa with a large knife in his hand. Per Sergeant Quinn's UOF assessment (see attached), Villa was approximately 24 feet away at this time.

Officer D. Nguyen began shouting commands at Villa for him to drop the knife. Villa ignored the commands and charged the officers with the knife still in his hand. All of the Officers and independent witnesses characterized Villa moving very fast toward the officers. One officer and one witnesses stated Villa even yelled as he charged. D. Nguyen, Wright and Stroud all discharged their weapons while Jankowski was unable to as Stroud was in front of her. Based on examination of their weapons magazines, Stroud fired 11 times, D. Nguyen 7 times and Wright once. Per Sergeant Quinn's assessment, this occurred within 3 seconds. They ceased firing when Villa went down. At this point Villa is approximately 10 feet from the officers.

The board unanimously felt the lethal force used by all three officers was objectively reasonable under the guidelines of Graham v. Connor. Faced with a charging suspect who was armed with a large knife and only 24 feet away, all three officers were in fear of their lives or their partners. Their only recourse was to fire their weapons. Using less lethal tools such as a Taser or a Baton was not an option, as they would have put their partner's or themselves at serious risk of being injured or killed.

Upon reviewing the facts, Department UOF instructor/trainer Sergeant Quinn determined the following:

Villa was 24 feet away from the officers when he charged them with the knife in his hand. Villa took 1-2 steps (1.5-4.5 ft.) prior to Officer D. Nguyen firing his first round putting him 18.5-15 feet away from the officers at this first shot. D. Nguyen fires six additional rounds in 1.5 seconds. Officer Stroud almost simultaneously starts firing while Villa is charging. Stroud takes 1.5 seconds to fire 6 rounds. Villa, slowing down, travels 7.5-10ft in those 1.5 seconds. After 3 steps Villa is now at 15.5 feet and Officer Wright fires one round (in.54 seconds). Villa is now 11 feet from the officers when he begins to crumble. Officer Stroud perceives Villa falling (.6 seconds) and takes .35 seconds to process this (total of .95 seconds). During this time he fires 5 rounds. Villa ends up on the ground 10 feet from the officers.

From a training standpoint, there were two important points the board felt worth discussing:

First, the suspect's possession of a knife was not broadcast over the air, but was instead, sent via MDC to the Officers cars. This critical information needs to be put out over the air so everyone is aware of it. In this day and age of texting, dispatchers need to remember to use the radio for providing critical information to responding and/or on scene officers.

Secondly, the officers had time to stop and plan their approach to the apartment which they didn't do. They all arrived at the same time and parked some distance away from the immediate area where the suspect was. An alternate approach would have been to take a couple of minutes and put a quick tactical game plan together: who is taking the lead on it, are we going to use less lethal and who is going to deploy it, who is providing lethal cover, etc?

Villa Shooting Force Science Review

On 2-10-14, Officers Stroud, Nguyen, Wright, and Jankowski responded to 1412 Nisson Rd. #7 to investigate a family disturbance. When they arrived, they encountered Robert Villa who was armed with a knife. Based on Officer and witness statements, Villa charged the officers resulting in an officer involved shooting.

I have been a police officer for 18 years. During my tenure as a police officer, I have been an Arrest and Control instructor and am currently one of the Tustin Police Department's Use of Force analysts. As a Use of Force analyst, I have attended the Force Science Institute 40 hour Certification Course. I review and critique Tustin Police Department use of force administrative reviews. I have provided training to the Tustin Police Department pertaining to police officer assaults and uses of force. I have also provided training in officer involved shootings and police use of force to the Tustin Community in a "Town Hall" forum.

The following is an analysis of the times and distances based on the officer's perceptions and how they relate to the studies conducted by the Force Science Institute:

Villa's Distance from Officers

Officer's and witness statements place Villa at approximately **24 feet away based on an average of 7 distances in interviews**

• Officer Jankowski	21 ft	"7 yards" First interview
• Officer Jankowski	30-45 ft	"10-15 yards away" Second interview
• Officer Stroud	30 ft	"10 yards away"
• Witness [redacted]	16.4 ft	"5 meters"
• Witness [redacted]	12-15 ft	

The closest distance is 12 feet. Furthest distance is 45 ft.

Officer Stroud estimates Villa fell 10 - 15 feet from Officers after being shot and the threat was stopped.

Villa's Distance when First Shots are Fired:

Officer Nguyen stated Villa, "took 1-2 steps," before he started firing. Officer Stroud estimates he fired his first shot when Villa was "15 feet," away from him. And "after three steps," Officer Wright fired his handgun where upon Villa was hit, "somewhere in his lower extremities because he just crumbled."

Villa traveled approximately 1.5-4.5 feet in .69 seconds during those one to two steps. (See attachment #1)

This would place Villa at 22.5-19.5 feet from officers when shots were first fired.

Time of Officer's Shooting

Based on officer's statements, investigators were unable to determine who fired first. The numbers of shots fired are:

- Officer Stroud 11 shots = 3.04 seconds to fire 11 rounds
- Officer Nguyen 7 shots = 2.04 seconds to fire 5 rounds
- Officer Wright 1 shot = .54 seconds to fire 1 round

MAVS recordings estimate the shooting took 3 seconds based on MAVS audio times.

Officer Nguyen's MAVS recording

11:39:14 – Gunshots start

11:39:17 – Shots stop

Officer Stroud's MAVS recording (2 seconds longer accounting for radio traffic)

11:39:14 – Shooting

11:39:19 – Officer Stroud advises, "998"

Assuming the officers on scene had their fingers on the frame of their handguns (as per departmental range training) it takes an average of **.54 seconds for an officer to fire a first round with a sight picture. Villa traveled 4 feet in the .54 seconds it took officers to fire their first shot. 18.5 - 15 ft from officers when Officer Nguyen's first shot is fired.** (See attachment #1)

Officer Stroud fires simultaneously as Officer Nguyen fires his first shot. With Officer Stroud firing the most shots at an average firing rate is **.25 seconds for each additional round after the initial trigger pull. Stroud's 10 additional rounds took 2.5 seconds to fire.** (10 rounds at .25 seconds per round = 2.5 seconds)

Stroud fires 6 rounds in 1.5 seconds as Villa continues to run towards them. Villa, being struck by gunfire, is unable to maintain acceleration. Officer Wright's solo shot causes Villa to "crumble." A subject of Villas size takes approximately .6 seconds to fall to the ground.

Studies indicate it takes .35 seconds for an officer to stop shooting after the perceived threat is stopped. Villa falls and Officer Stroud fires 5 rounds within .95 seconds total (Villa falling [.6 sec] and Officer Stroud processes the perceived threat stopped [.34 sec])

As Villa is falling, his body turns, either deliberately or due to this momentum and collapsing as a result of being shot, whereby a portion of his back is presented to Officer Stroud. Officer Stroud, who is in the process of stopping shooting because Villa is no longer a perceived threat, hits Villa once in his right scapula area. The bullet travels through his organs and stops on the left side of his chest cavity. This is described as a lethal wound based on the coroner's statements.

This cumulatively places all shots fired within the 3 second MAVS audio recording. (All shots fired took 3 seconds with Stroud having the most rounds at 11.)

Analysis of Villa Shooting:

- Villa is 24 feet away from officers and charges at them with knife
- Officer Nguyen fires first round after Villa takes 1-2 steps (1.5 – 4.5 ft) now 22.5 – 19.5 feet from officers (takes 4 ft and .54 seconds to fire first round) putting Villa at 18.5 – 15 ft feet at first shot. Officer Nguyen fires six additional rounds in 1.5 seconds.
- Stroud almost simultaneously starts firing while Villa is charging. Stroud takes 1.5 seconds to fire 6 rounds. Villa, slowing down, travels 7.5ft – 10 ft in those 1.5 seconds.
- After three steps (at 15.5 feet) Officer Wright fires one shot (4 ft and .54 seconds to fire) puts Villa at 11 feet from officers as he begins to "crumble."
- Officer Stroud perceives Villa falling (.6 seconds) and processes to stop shooting (.35 seconds) firing 5 rounds in those .95 seconds.
- Villa falls to the ground and drops the knife 10 feet from officers. (Based on Officer Stroud's statements.)

On average, it was found that when youthful, vigorous, relatively fit people start to run, their first step takes about .35 of a second (not counting reaction time) and covers 1.5-2.0 feet. Their second step requires about .34 of a second and covers about 3.0 feet. Their third takes about .33 of a second and the stride lengthens to 3.5 to 4.0 feet. . . and so on. Typically, after 5 to 7 steps, people max out at about .25 of a second per 5.5- to 6.0-foot stride, which they can then maintain for a short period of time.

Re: ***Officer Brian Stroud***

Dear Mr. Baytieh:

Thank you for your letter dated April 30, 2015.

I agree with your statement in your letter that, "clearly, Officer Stroud has a right to invoke his Fifth Amendment privilege to remain silent when asked about his on-duty conduct causing the death of another human being." Tustin Police Department Policy 310.7 section (c) states that, "in the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information..." Therefore, Tustin Police Department Policy acknowledges that an officer is not required to provide criminal investigators with a voluntary statement. The Orange County District Attorney Investigators and Assistant District Attorneys are the criminal investigators assigned to Officer Stroud's case.

You stated in your letter that "we strongly disagree with anybody characterizing Officer Stroud as ever cooperating in this investigation." Officer Stroud has cooperated in every aspect of the investigation other than waiving his Fifth Amendment privilege and providing a voluntary statement to criminal investigators. We are under the belief that Officer Stroud has a right to invoke his Fifth Amendment privilege based on the United States Constitution, the California State Constitution, and Tustin Police Department Policy. If you disagree with my belief, please advise me of the legal authority for your position.

Officer Stroud complied with the subpoena that you issued for him to testify in front of the grand jury regarding the criminal investigation of the February 10, 2014 on-duty shooting death of Robert Villa in the City of Tustin. Officer Stroud testified in front of the grand jury on July 29, 2014.

Officer Stroud complied with Tustin Police Department's order for him to provide a compelled administrative interview on February 13, 2015. It is my understanding that you and/or the grand jury could gain access to that statement pursuant to Penal Code section 832.7(a) and related case law.

I noticed in your letter dated April 30, 2015 that you CC'd the Tustin Police Department Chief of Police. I am concerned that your letter could be used inappropriately by the Tustin Police Department to attempt to administratively discipline Officer Stroud. Officer Stroud feels compelled to attend the meeting at your office. You have provided numerous assurances that everything that Officer Stroud says at that meeting cannot be used against him in any criminal case. Therefore, in the spirit of continued cooperation, we will agree to meet at your office at a mutually agreeable time.

Sincerely,

[redacted]

cc: Charles Celano, Chief of Police
Tustin Police Department
